BAM BAM BAM!

Boulders split open and the earth trembled as their attack came down on her like a storm in all directions.

The entire town seemed to have suffered an earthquake as half a meter of earth rose from the ground and houses crumpled like a pack of cards under Sword Saint and the others' attack.

Tang Yun barely escaped the formidable combined attack from all three pillars of the nation.

From a distance, she looked like a candle in the wind as she attempted to escape and was incapable of taking on their blow.

After all, Tang Yun was in bad shape to begin with.

She was at her limits just withstanding such an attack for so long, let alone retaliate.

Chapter 1558 Tang Yun's Prowess

BAM!

Mo Gu-Cheng pounced on the opportunity to throw a punch at her.

Tang Yun was incapable of dodging the King of Fighters in time and got hit squarely on the shoulder.

The huge impact of his punch sent Tang Yun flying for a hundred meters. She smashed through countless walls before she finally landed on the ground.

Tang Yun moaned before she coughed blood, leaving bloodstains all over the ground.

"Humph! Are you really the head of Chu Sect and the number one martial artist on the Sky Ranking? I only used 70% of my strength, but you can't hold up at all," sneered Mo Gu-Cheng coldly with a proud look on his face when he saw Tang Yun fall from his attack.

Chapter 1558 Tang Yun's Prowess

After all, Mo Gu-Cheng had personally beaten the number one martial artist on the Sky Ranking, so it was enough for him to gloat about for the rest of his life.

“King of Fighters, don’t get cocky. The leader of Chu Sect isn’t that easy to handle,” reminded God of War kindly from a distance.

“Don’t worry. I know what I’m doing,” replied Mo Gu-Cheng coldly.

He clenched his fist once more and attacked Tang Yun while she was down.

“Tang Yun, I’m punching you on behalf of the countless lives you have claimed!” roared Mo Gu-Cheng as his fist struck her like a cannonball.

Sword Saint and Tang Hao had stopped attacking her.

They stood by the side calmly as they watched the King of Fighters attack.

Chapter 1558 Tang Yun's Prowess

Although they had no idea what happened to Tang Yun, they could tell that the sect leader of Chu Sect was weak.

Even if Mo Gu-Cheng could not kill Tang Yun with this blow, it would hurt her severely.

“Die, Tang Yun!” roared Mo Gu-Cheng as his iron-like fist came before her.

Just as Sword Saint and the others felt Tang Yun wouldn't be able to escape the blow, something unexpected happened.

Despite her grave injuries, light radiated from Tang Yun suddenly.

Massive energy suddenly came surging from Tang Yun.

Even from a hundred meters away, Ye Qing-Tian could keenly sense her energy and was instantly shocked.

“Oh no! King of Fighters, run!” shouted Ye

Qing-Tian anxiously in an instant.

However, it was all too late.

The moment Ye Qing-Tian finished his sentence, a threatening light shot out from her.

Powerful sword energy suddenly burst forth from Tang Yun's hand.

It was so powerful that the moment she unleashed it, it felt as though she could slice the very heavens above apart.

It was so swift that it was impossible to escape her.

For a moment, Mo Gu-Cheng could almost smell the scent of death.

Fear rose from his very core as he opened his eyes wide in shock.

Purple sword energy came hacking down on Mo Gu-Cheng's forehead.

Chapter 1558 Tang Yun's Prowess

The God of War's attack came in the nick of time.

His palm move landed on the King of Fighters and pushed him out of the range of the sword attack.

SLAAASH!

Purple sword glow flashed and rang by the King of Fighters' ears.

King of Fighters stood dumbstruck after escaping death.

The King of Fighters went into a daze as his legs trembled and he was incapable of composing himself for a long time.

It was simply terrifying.

All these years, this was the first time he ever came so close to dying.

The King of Fighters never thought that Tang Yun was capable of mustering such

an attack even though she was completely spent.

Mo Gu-Cheng was certain that if the God of War hadn't helped, he wasn't sure if he would still be standing here.

DRIP DRIP!

A few drops of blood trickled down Mo Gu-Cheng's face as he reeled in shock.

Mo Gu-Cheng touched his forehead and saw blood on his hand.

The King of Fighters finally sensed burning pain on his face.

He hadn't managed to avoid the attack after all.

The sword energy had grazed past the King of Fighters' face and left a gory wound on his cheek.

"King of Fighters, are you okay?" Tang Hao

and Sword Saint hurried over and asked Mo Gu-Cheng worriedly.

Mo Gu-Cheng shook his head and replied softly, "I-I'll survive."

The King of Fighters spoke with his voice trembling and was still reeling in shock from Tang Yun's attack.

"I'm glad you are okay. Don't act on your own like that next time. She is the sect leader of Chu Sect after all. Even if she's injured, it won't be an easy fight. To be safe, we should attack together," said Sword Saint solemnly to the King of Fighters.

The King of Fighters nodded. This time, he was no longer arrogant.

"Sword Saint, get out of the way." Ye Qing-Tian's anxious voice came just as the King of Fighters, Sword Saint, and Tang Hao spoke.

Chapter 1558 Tang Yun's Prowess

Sword Saint and the others turned to see that the stunning woman had unknowingly jumped into thin air.

She brandished her sword and its sword energy surged like smoke and mist from her.

From the distance, her sword energy seemed like it was raining stars down on them.

"Good heavens!"

"What's this move?"

They watched as she unleashed intense sword energy with her sword technique.

This time, Sword Saint and the others were deeply stunned.

Before she had even attacked, they were dumbfounded.

Despite how formidable Ye Qing-Tian was,

Chapter 1558 Tang Yun's Prowess

he couldn't help but stare with wide eyes at this imminent attack.

Since Tang Yun was the leader of Chu Sect and was ranked in the top spot of the Sky Ranking, all the martial arts leaders in the world had probably investigated her thoroughly.

According to War God Castle's intelligence, Tang Yun specialized in using internal ice energy and the Purple Cloud Sword Technique.

However, Sword Saint and the others had never seen the sword technique Tang Yun was using now before.

Also, its intense power made Sword Saint and the others almost lose all hope.

"Run!"

"Hurry up and dodge!"

Tang Yun had gathered enough energy and

Chapter 1558 Tang Yun's Prowess

was ready to attack.

Ye Qing-Tian shouted in shock, "It's too late. King of Fighters, Tang Hao, we have to block it together!"

By the time Sword Saint and the others heard God of War's warning, it was too late to dodge.

Sword Saint, the King of Fighters, and Tang Hao attacked in unison in the nick of time.

The God of War madly charged from the distance towards Sword Saint and the others and wanted to help them block Tang Yun's attack.

But Tang Yun was so swift that her attack came crashing on Sword Saint and the others before Ye Qing-Tian could get there.

SWISH SWISH SWISH!

The instant their attacks collided, energy exploded like a storm in all directions.

Chapter 1558 Tang Yun's Prowess

Sword Saint, the King of Fighters, and Tang Hao's combined attack was broken into smithereens under Tang Yun's formidable attack.

The King of Fighters and Tang Hao were startled.

"What the?"

"How is this possible?"

Sword Saint opened his eyes wide in shock.

Chapter 1559 The End of a Hero

Sword Saint, the King of Fighters, and Tang Hao never thought that they couldn't block Tang Yun's sword technique despite combining forces.

"Oh no! Run!" shouted Sword Saint hurriedly in horror when he saw sword energy still radiating from Tang Yun.

However, Tang Yun was unstoppable.

Powerful sword energy landed on Sword Saint and the others with a flash.

A threatening sword glow gleamed as the energy surged so much so that Sword Saint and the others didn't even have the chance to run.

All three supreme grandmasters from War God Castle were instantly swept away by Tang Yun's sword energy.

Tang Hao, the King of Fighters, and Sword Saint flew into the air like fallen leaves before they crashed on the ground hard.

Chapter 1559 The End of a Hero

PFFTT!

Sword energy sliced into their bodies and blood dripped from the corners of their mouths.

They had been defeated by a single blow!

The true prowess of the one who was the leader of Chu Sect could clearly be seen.

The King of Fighters and the others were stunned as they looked at the beautiful woman in shock.

“W-what sword technique was that? H-how could it be that powerful?” The King of Fighters was genuinely shocked by it.

If he had been injured by Tang Yun after attacking her by himself, he could have blamed it on carelessness. But now, despite joining hands, they were still no match for her.

This meant that the gulf between their

Chapter 1559 The End of a Hero

abilities was simply too big.

“She certainly lives up to her name. Despite being fatally injured, she can still fight all three of us. Can you imagine how powerful she is at full strength?” sighed Tang Hao deeply as he stood up from the ground and wiped the blood from the corner of his lips.

A huge sense of powerlessness rose in his heart.

However, a cold voice quietly rang like a death knell in the darkness as they reeled in shock.

“How much do you hate this merciless world? Don’t spend the night crying solitarily. Cloud and Mist Sword Technique’s second move, Ice Heart!”

SWISH!

Her move exploded with energy and felt as cold as ice.

Chapter 1559 The End of a Hero

Tang Yun's attack was so blindingly beautiful that everything else paled in comparison.

All Tang Hao and the others could see was Tang Yun's threatening sword energy.

The moment Sword Saint and the others saw Tang Yun's attack, they felt as though the grim reaper had gripped them by the throat.

Indeed, they could smell death from Tang Yun's attack.

Tang Yun's sword move was incredibly powerful.

An unprecedented fear surged in their hearts like a flood.

Was this the true power of a high level martial artist from Chu Sect?

Was this the prowess of the number one martial artist on the Sky Ranking?

Chapter 1559 The End of a Hero

Sword Saint and the others didn't expect such a huge gulf between them and the top martial artist on the Sky Ranking.

Were the three pillars of the nation going to die at Tang Yun's hands today?

Tang Hao and the others felt powerless.

They wanted to dodge, but Sword Saint was keenly aware that it was impossible to escape Tang Yun at their speed.

Moreover, they had just suffered an attack from Tang Yun and were incapable of gathering more energy, so they couldn't retaliate when Tang Yun attacked with such might.

They could only watch in horror as Tang Yun's sword energy came hacking towards them.

"Tang Yun, how dare you?" From a distance, the God of War had already detected the grave danger Sword Saint

Chapter 1559 The End of a Hero

and the others were in.

Ye Qing-Tian roared as he ran madly to save them.

Also, he gathered energy and attacked in Tang Yun's direction like a torrential river.

He did his utmost to weaken Tang Yun's attack.

But just as Tang Yun's attack was about to strike them, the stunning silhouette surprisingly trembled.

Blood came spurting from her mouth.

In the darkness, the blood seemed jarring and vivid.

It was as if a vibrant flower was blooming in the darkness.

Tang Yun's face turned visibly pale, like a lotus falling into the water.

Chapter 1559 The End of a Hero

Her energy instantly weakened.

Tang Yun was simply too weak. The two previous blows had already expended almost all her energy.

Despite being spent, she wanted to attack them once more with the second move of the Cloud and Mist Sword Technique.

How could her gravely weakened body take it?

Tang Yun ended up incapable of finishing her killing move.

Before Tang Yun managed to unleash her attack, the God of War's move had already appeared in front of her.

Tang Yun was incapable of evading the blow and took Ye Qing-Tian's attack head-on.

PFFTTT!

Chapter 1559 The End of a Hero

Her long dress was blood-soaked and she was critically injured.

The domineering leader of Chu Sect plunged from the air to land on the ground with dust rising in its wake.

“Phew. We’ve been saved,” Mo Gu-Cheng sighed in relief when he saw Tang Yun get gravely wounded by the God of War.

Sword Saint and Tang Hao felt relieved too.

They were still reeling in fear with cold sweat covering their backs.

Although Sword Saint and the others hated to admit it, if Tang Yun managed to finish executing her move, they would be critically injured even if they survived her attack.

Since Sword Saint was a sword technique expert, he could keenly sense how powerful Tang Yun’s move was.

Chapter 1559 The End of a Hero

He felt as though he was just a tiny river while Tang Yun was the boundless ocean.

“Qing-Tian, stop standing around and help me up! Damn it. She certainly lives up to her name as the leader of Chu Sect. It was so scary,” said Tang Hao as he cursed.

Ye Qing-Tian watched as Tang Yun lay on the ground. Although he couldn’t bear the sight, he ignored her and turned to help examine Tang Hao and the others’ injuries.

“Sword Saint, are you okay?” asked Ye Qing-Tian deeply.

Sword Saint waved his hand with his face blanched. “I’m just slightly hurt, so it’s no big deal. We have to think about what we should do with Tang Yun.”

Sword Saint and the others turned to look at Tang Yun.

The leader of Chu Sect was completely sapped to begin with before suffering an

Chapter 1559 The End of a Hero

attack by Ye Qing-Tian, so she was now gravely injured.

She was extremely weak and posed no threat to them.

“What’s there to think? Just kill her! We don’t have to be nice.”

Mo Gu-Cheng was impatient to begin with. Moreover, he had almost died at Tang Yun’s hand, so he was even more infuriated and couldn’t wait to charge over to slaughter Tang Yun immediately.

“King of Fighters, don’t be rash. She is the leader of Chu Sect after all, so this is serious. We can’t kill her if it can be helped,” persuaded Ye Qing-Tian.

“Can she blame us? She provoked the Chinese martial arts circle first. Countless lives have perished at her hands. Also, if you didn’t stop her in time, Sword Saint and the rest of us would have died at her sword too. She was the one who provoked

Chapter 1559 The End of a Hero

us first, why should we have to fear her? Don't any of you try to stop me. I'm going to maim her today and rid the martial arts world of this demoness today!" The moment he finished his sentence, the King of Fighters attacked. Even if Ye Qing-Tian wanted to stop him, he was too late.

BAM BAM BAM!

The King of Fighters sent the gravely injured Tang Yun flying once more.

Her blood-soaked body flew a hundred meters like a fallen leaf twirling in the wind.

PFFTT!

More blood came spurting from her mouth.

Despite her elegance, her face was now pale and weak.

No one ever thought that the mighty leader

of Chu Sect would end up like this!
