Chapter 1571 Let You Arrogant

Let me go to Nima!

“Not even the general in your eyes?” “It’s like an idiot!” “Why don’t you go to heaven?” After hearing Mark’s words, Ye Jian next to him suddenly cursed in his heart.

Ye Tian’s expression also changed. He never expected that Mark would be so bold.

“Presumptuous!” “Zhuzi is arrogant~” “You, a humble son-in-law, dare to speak wild words, not even the generals?” “However, it is estimated that you only dare to be behind and speak quickly. “If Denren Ye’s teacher is here, you dare not make the slightest measure.”

“Joke!” Mark laughed immediately after hearing the sound. “Don’t say that a general is going to die. It is in front of the head of the military area. I, Ye I still dare to say anything about this!” “Mark, don’t talk nonsense~” Ye Ximei and Helen Qiu, who were next to them, finally couldn’t listen.

Panic, they immediately persuaded Mark to speak carefully.

Generals holding heavy soldiers, such powerful generals are not something that mortals like them can offend.

As the so-called tree attracts the wind, there are many people nowadays. Once Mark’s words really reach the ears of those military commanders, Helen Qiu and the others are really afraid of causing terrible disaster to Mark.

However, at this moment, the loud sound of a car, like a muffled thunder, cut through the sky!

“A member of the Dragon Hunting Special Team, Wuyang is here!” “A member of the Dragon Hunting Special Team, Tian Junhui is here!”

This sudden voice stunned everyone.

Ye Tian, who was still full of anger before, also stunned immediately.

“Dragon hunting?” “Special team?” “Could it be that Denren Ye is back?” “Haha~” “Dongmei, it’s our daughter.”

“Our daughter is back again, and we have paid a New Year greeting.”

Lin, all the hardships come.

After hearing the identity of the visitor, Ye Tian was overjoyed and smiled triumphantly.

“Haha~” “Mark, did you hear that?” “My daughter Denren Ye, with her special team members, is back.”

“Remember what you just said, wait for you to die for a while!” Ye Tian With a wanton grin.

At this time, the voice of the boy who called the singer still echoed.

“Long Hunting Special Team Captain, Denren is here!” “Deputy Chief Instructor of Gritsberg Military Region, here is Lu Tianhe!” “Chief instructor of Gritsberg Military Region, Fang Shaohong is here!” what?

“The chief instructors are here?” “I’ve gone!” “This old man’s daughter is really a lot of face.”

“Go home to save relatives, and the instructors of the two military regions are accompanying?” “This is awesome~ After hearing the names of Lu Tianhe and Fang Shaohong, everyone was shocked.

The eyes widened with emotion one after another.

These two chief instructors are at least the rank of major general.

What is this concept?

In the entire Vietnam, how many generals can there be?

It is estimated that no one in Denham of Connaught University has made a general.

Now two came at once, and they trembled naturally.

Ye Ximei and Helen Qiu both had their pretty faces white.

Especially Helen Qiu, no doubt began to panic in her heart.

“Mom, what should I do?” “Will Mark be okay...”

Helen Qiu’s beautiful eyes were reddish, and she asked Ye Ximei worriedly. After all, Mark had previously spoken badly in public to offend these generals. Ye Ximei’s face was pale as paper, and she said in a low voice, “Don’t worry,” There are plenty of these big shots.

After a while, we asked Mark to make amends, and it is estimated that they will not embarrass Mark.

Just when Ye Ximei and the two were worried, Ye Tian was undoubtedly crazy. He straightened up and stepped forward and hurriedly greeted him. “Haha~” “The chief instructor is here!”

“Fun boy, let you be arrogant, let’s see how you play?”

“

Chapter 1572

Ye Tian looked at Mark triumphantly while walking.

The flaunting look is as proud as you are.

It seemed that he had seen Mark kneeling down and begging for mercy in front of his daughter and Lu Tianhe and others.

Just when Ye Tian was proud of his heart, another voice sounded immediately.

“Deputy Commander of the Gritsberg Military Region, Zhang Xiangchen is here!” What?

Deputy Commander Zhang Xiangchen?

I rely on!

Everyone was shocked at the time.

Their eyes widened one after another, their hearts trembled with shock, and they were amazed.

“It’s amazing, it’s amazing!” “The deputy commander is here, is this going against the sky?” “Ye Tian, your daughter is so big!” “Congratulations. Congratulations to Ye County. A good daughter~” “You Ye family, you are going to be a general~” In their shock, everyone complimented Ye Tian.

Congratulations to the flattering voice, one after another, endless.

And Ye Tian was undoubtedly a little ecstatic.

Facing everyone’s praise, Ye Tian couldn’t stop laughing.

“Haha~” “It’s okay.”

“No congratulations, my daughter has been one of the best in the world since she was a child.”

“It is inevitable that I will be named a general in the future.”

“My daughter’s future achievements are absolutely nothing. Some cats and dogs can’t be compared.”

Ye Tian smiled triumphantly, and the words meant something.

After Ye Ximei and Helen Qiu heard this, they naturally became more panicked.

Even the deputy commander of the military region arrived, and Mark was afraid that he was in big trouble.

In panic, Helen Qiu pulled the corner of Mark’s clothes: “Mark, I... let’s go first while no one is paying attention.”

“Otherwise, your situation may be...”

30 Six strategies are the best strategy.

Helen Qiu couldn't take care of that much anymore, pulling Mark to leave.

However, Mark waved his hand and smiled calmly: "Helen, it's okay, just look at it."

"You..."

"Mark's words almost made Helen Qiu angry. This guy is always like this, arrogant, and never retreats. But, it's too easy! Even if he is Mr. Chu, he is facing now. He is a general of the military region and a key weapon of the country. Even if he has overwhelming power in Noirfork, what is the use of facing these powerful soldiers? "Second Lord, please persuade him~" Helen Qiu has no choice. , I had to turn to Ericson for help. Ericson's face was deep, and he was obviously worried. Facing Helen Qiu's plea, Ericson nodded and walked to Mark's side: "Mr. Chu, even if you really want to go head-on We have to give us some time to gather people.

"At this time, it's better to avoid the edge for now."

"Ericson persuaded in a deep voice. Mark suddenly laughed when he heard it: "Why, listen to what you mean, are you ready to face the army head-on?"

"This..."

The corner of Ericson's mouth twitched, naturally he didn't dare to answer any more. With him alone, with a hundred courage, he would naturally not break the wrist with the people in the military area. But Mark leaned back against the Chu family. With the help of the Chu family, it's okay to break the arm with the army. However, listening to Mark's words just now did not mean to have a hard time with the military area. Therefore, Ericsonyi didn't know how to answer it. , Just when Ericson and others were silent and worried, the next voice, if the huge boulder enters the sea, is the entire Ye Family old house, causing a huge wave!
"Commander-in-chief of the Gritsberg Military Region, Rongan!

!

!

"The world suddenly became quiet. As if time is still here, the air is not flowing. Everyone is stunned, frowning, and trembling. It wasn't until a long time later that there was a frantic sound of gasping. Gritsberg Military Region, commander-in-chief...?"

"Rong... Rongan?"

"God! The commander-in-chief is here? Let me go to Nima!!
