

Chapter 1571

Charlie was very puzzled.

He didn't quite understand why the Old Master seemed to have spotted him at a glance.

However, since the Old Master helped him solve the current problem, the most important thing for him is to go and worship his parents first. The rest can be said later.

So he arched his hand at the Old Master and said, "Master, thank you."

After speaking, he assisted Philip pretendingly, and together with Lenan and Sara, they stepped up the stone steps.

No one else followed, including the old master, who was also standing quietly below, looking at Charlie's background, desperately restraining the excitement in his heart.

The tomb of the Wade family is divided into nine rows.

The top row is the first ancestor of the Wade family who left a grave.

The lower you go, the lower your seniority.

Charlie's parents were buried in the penultimate row.

In this row, there are a total of twenty graves of the same size, but only one grave has a tombstone in front of it.

Philip stopped in this row, pointed to the only tombstone in this row, and said to Charlie: "Charlie, that is your parents' tomb."

Charlie nodded lightly and murmured: "In the Wade family's generation, only my parents have passed away. The others should still be alive, right?"

Philip said: "Yes, even though this generation is in their 40s or 50s, they are in their 40s and 50s in their prime of life. If your parents were not harmed by others, they should be the mainstay of the Wade family now."

Charlie sighed and walked inward.

Those security guards, as well as the old master, were all below, so they couldn't see the situation here either, Charlie stopped pretending, and Philip stepped in first.

When he came to his parents' grave, took off his sunglasses and mask, and looked at the photos and names of his parents on the tombstone. The tears couldn't stop instantly, and kept streaming down his face.

In his mind, it seemed that another movie was playing at a very fast speed.

This movie chronicles itself from the moment he remembered it and lasted until he was eight years old.

Then, he used a faster speed in his mind to flash his own life for more than ten years in fragments.

The eighteen years without parents have been long and difficult, and full of bitterness and pain that ordinary people can't understand.

At this moment, he had countless words in his heart that wanted to confide to his deceased parents, but when the words reached his mouth, he felt like a block in his throat, and he couldn't say a word.

After crying for a moment in front of the tombstone, Charlie knelt on the ground with a thud, holding flowers in both hands, and placing them respectfully in front of the tombstone, choked up and said: "Dad, mom, your son is not filial. You have been here for 18 years before your son came to see You, all these years, your son has been trapped and overwhelmed. I have not been able to pay homage. Please forgive me..."

After speaking, he leaned down and knocked nine heads in front of the tombstone.

People say that they kneel down to the sky, kneel down to the ground, and kneel down to parents in the middle, but in Charlie's eyes, the sky and the earth are not worth kneeling. In the world, only parents are worth kneeling down for.

Philip also stepped forward at this time, knelt on one knee in front of the tombstone, and sighed: "Big brother and sister-in-law, I promised you for 18 years. After all, your brother did not break his promise and finally brought Charlie back. Look at him. Now Already a talented person! He's almost exactly the same as eldest brother, and is also a dragon and phoenix!"

As he said, he wiped a tear and continued: "Last time I came to see you, I said I would come down and meet you soon, but I didn't expect that Charlie saved my life, and the older brother and sister-in-law may have to work hard for me. Wait for me for a while..."

Speaking of this, Philip was in tears.

Lenan stepped forward, also knelt down beside Philip on one knee, choked up and said: "Big brother, sister-in-law, thank you for being in heaven, bless Philip to survive the catastrophe, the Wade family's kindness to Gu family, we will never forget it in this life... .."

Sara knelt on her knees beside Charlie, did not say a word, just cried silently next to him.

After kneeling on the ground for a long time, Charlie wiped away his tears, and gently wiped his parents' tombstones with his sleeves several times, saying: "Dad, mom, your son can't stay with you for too long this time, but please don't worry. I will definitely come to see you every year."

After that, he sighed, helped Philip beside him, and said, "Uncle, let's go."

Philip nodded slightly and pulled his wife to stand up.

Charlie put on his sunglasses and masks again, and walked down slowly with the family of three.

Chapter 1572

Below the stone steps, a few security guards were still standing straight.

And the old master, holding the python head crutch with both hands, looked at Charlie with a little awe in his eyes.

Charlie didn't speak, but walked to the old master and bowed deeply.

The old master hurriedly threw away the crutches to help, and said with sincerity and trepidation: "You can't make it, you can't make it..."

Several security personnel were a little surprised.

When the Patriarch of the Wade family bowed to the old master, the old master didn't blink. Why did the driver bow to him, so he was so polite?

At this time, the old master opened his mouth and asked Charlie: "Young man, I wonder if I can take a step to speak?"

Charlie nodded: "No problem."

The old man turned to the security guards and said, "No one is allowed to follow."

Everyone nodded hurriedly.

Charlie nodded to Philip, and walked to the other side of the mountainside with the old master.

Here, there is a platform paved with natural marble, next to the mountain.

Charlie always felt that the entire Waderest Mountain had a soaring momentum. After seeing this huge and flat platform, he suddenly realized that the center of the entire Feng Shui Bureau was here.

The old master took him to stand in the center of this platform, and respectfully said: "The entire Waderest Mountain and the entire Fengshui Array in Waderest Mountain are actually set up for you."

Charlie asked in surprise: "Set for me? don't know what the Old Master means? Do you know me?"

The old master said: "Four years ago, something happened to the Wade family, and the entire Wade family was trapped in the Dragon Shoal and couldn't get out of it. At that time, it was when you got married."

"Getting married?!" Charlie exclaimed: "When I got married?"

"Yes." The old master nodded, and said: "This dragon is talking about you."

Charlie frowned and asked: "Does that mean I'm trapped in a talk?"

"Yes." The old master said respectfully: "You are the only dragon in the Wade family! What is a dragon? The top is in the sky, and the bottom is in the sea, but you have become a home by the river. This is the dragon. Sleepy shoals!"

"And if you are trapped in the shoal, the entire Wade family's fortune will be exhausted. At that time, your grandfather was suffering from a serious illness and was unable to treat it because of this situation!"

After speaking, the old master said again: "So, your grandpa found me."

"And I, three months before your grandfather found me, just gave him a divination."

“The hexagram image of that hexagram is a dead end. It means that my life may be exhausted within a few years. I was already a hundred or two at that time. It doesn’t matter if I die. It’s just that in the dead end, it happened to be revealed to me. A sect, all hexagrams in this sect, point to the east.”

“I didn’t understand what I’m referring to. I’ve been looking for more clues. At this time, your grandpa came and asked me to come back to China to watch Feng Shui for Wade’s family. Only then did I understand that the dead life was in the eastern motherland, At Wade’s house.”

“When I came to Eastcliff, I looked through all the feng shui clues for the Wade family. After a few hangs, I figured out that the Wade family has a dragon and is trapped in the shallows. If this dragon can’t fly into the sky, not only the Wade family will be finished. There will be no trace of the path of life I set aside. Therefore, I spent four years searching and rebuilding Waderest Mountain. Last spring, I broke the predicament of Wade’s dragon Shoal, so you were able to get out of trouble.”

When Charlie heard this, his heart was shocked. Could it be that what he said to get him out of trouble was to get the “Nine Profound Heavenly Scriptures”? Because at this time last spring, I was completely in line with my own “Nine Profound Heavenly Secrets”!

Thinking of this, Charlie sighed the Old Master’s proficiency in feng shui divination, while worried, did he know the existence of the “Nine Profound Sky Classics”?

This is one’s deepest and deepest secret, and even the closest person can never tell it!

Therefore, he deliberately asked the Old Master: “Old gentleman, you said that by rebuilding Waderest Mountain, I was able to get out of trouble. What do you mean by that? How can I get out of trouble? How can I get out of trouble like that?”

The Old Master shook his head: “This hexagram is not something I can fully understand. I can only calculate that you are out of trouble now, and you are going to soar into the sky. After you get out of trouble, you will also bring me. , I have continued my ten years of life, so I have not left, staying here waiting for you, but I can’t figure out what this life is.”

Charlie was even more surprised.

The so-called life of the Old Master, could it be the extra rejuvenation pills on his body? ! ?

Chapter 1573

This time in Eastcliff, Charlie did bring more than one Rejuvenation Pill.

Although he was sure that a single rejuvenating pill could heal Philip, he still brought two or three extra pills to be on the safe side, just in case.

From this point of view, among the hexagrams that the Old Master gave him for divination, the only life left in the dead is the rejuvenation pill on his body.

At the same time, he couldn’t help but figure out what the Old Master said just now.

It seemed that when he married Claire in Aurous Hill, the dilemma of Dragon Shoal had already formed.

The Old Master said just now that the reason why he was trapped in the shallows was because he became a home on the river bank. Aurous Hill was originally located on the bank of the Yangtze River, which corresponds to it.

Moreover, his fate has been rough, and it was not until the sudden appearance of Stephen last spring that it brought him a turning point.

However, the biggest opportunity in life was not to be found again by the Wade family, but to get the “Nine Profound Heavenly Scriptures” by chance. That time also happened to be last spring.

From this it can be seen that the cause and effect of the whole thing were first of all that he was trapped in the shallows, so that the whole Wade family was also unlucky.

Then, the Wade family found the Old Master and tried to ask him to help solve the trouble.

The Old Master made a divination for himself and saw that the East had an opportunity to increase his ten-year life, so he returned to the motherland not far away to solve the difficulties for the Wade family, and at the same time waited for his chance.

It took him four years to find Waderest Mountain and set up a feng shui array on this Mountain to break through the situation of his own Dragon Shoal. The Wade Family survived the crisis and he benefited a lot.

And he has been waiting for his appearance, because he is the student in his hexagram.

Thinking of this, Charlie bowed slightly to the Old Master: “Old sir, the younger generation really benefited a lot from all your hard work! Please be respected by the younger generation!”

The Old Master hurriedly stepped forward to stop him, and said in a very humble manner: “How can you do this, I dare not accept such a gift from you!”

Charlie insisted: “It should be! If it weren’t for you, I might still be trapped in the shallows!”

The Old Master shook his head: “In human fate, Dragon is the supreme existence, so the Dragon Shoal is a predicament, not a dead end. The shoal can trap the dragon, but it can’t kill the dragon. Therefore, the predicament When it will be cracked, it is only a matter of time. If I didn’t come to break this round, there would be others who would break this round!”

Speaking of this, he said with great emotion: “God knows good and evil, and the way of heaven is reincarnation. No matter who breaks your predicament, it is a great contribution, and the way of heaven will certainly give him enough in return.”

Afterwards, the Old Master looked at Charlie and said with a slight smile: “The hexagram says, if I help you get out of trouble, you will have a ten-year life, maybe in the ten years, the judge is already in the book of life and death. So, thank you again!”

Charlie smiled slightly and said to the Old Master: “Master, I believe in geomantic omen, fate, and heaven, but I don’t believe in ghosts and gods. In this world, there will be no Lord Yan, and there will be no life and death books.”

The Old Master nodded non-committal, and smiled: "Hey, the mystery of heaven is not something I can fully understand. To be honest, I still don't know where the students in the hexagrams are."

Charlie nodded, took out a rejuvenating pill from the pocket inside his jacket, handed it to him, and said, "Old Master, this should be your lifeblood!"

The Old Master trembled all over, looking at Charlie as if struck by lightning, then looked at the rejuvenating pill in his hand, and exclaimed: "This... is this?"

Chapter 1574

Charlie said earnestly: "You helped me, I will naturally help you too. If you take this medicine, it will increase your longevity by ten years. It shouldn't be a problem."

Although the Old Master didn't know what Rejuvenation Pill was, he still nodded in excitement.

Immediately after losing his crutches, he knelt on the ground tremblingly, raising his hands above his head.

Charlie put the Rejuvenating Pill in his hands, then helped him up and said: "Old Master, take it now. At your age, you should not see any effect from the outside after taking it, but the real effect, A person with great wisdom like you should be able to feel it."

The Old Master was very grateful and blurted out: "Thank you, Master!"

After that, he no longer hesitated and put the Rejuvenating Pill in his mouth.

After that, the Old Master closed his eyes motionlessly for about a minute.

A minute later, he opened his eyes, looked at Charlie with tears in his eyes, knelt down again, and choked up in his mouth: "Master, this medicine is really a magical medicine! Thank you for your help!"

Charlie said hurriedly: "Old Master, you are an elder, why should you be so polite."

The Old Master said seriously: "In terms of fate, you are Dragon and I am Python. Whenever the python sees a dragon, I must bow my head. Even if it is a python that has been doing things for a thousand years, must bow down when encountering a newly born young dragon. Just now there are too many people around, your identity would have leaked, and could not salute you immediately. I hope you can forgive me!"

Charlie smiled and waved his hand: "These are just some statements, you don't have to care about it like this."

The Old Master said very solemnly: "The more you believe in fate, the more you must follow the way of heaven and act in harmony with the sky. If I see you and not worship, it will be disrespectful! If there is such a thing, the way of heaven will remember me!"

Seeing the Old Master's resolute attitude, Charlie no longer insisted, but asked, "Old gentleman, the younger generation still doesn't know your name. Is it convenient to disclose it?"

The Old Master immediately arched his hands and said with respect: "Charlie, whose surname is Lai, is named Lai Qinghua. He is a direct descendant of Lai Buyi, a master of Fengshui in the Song Dynasty."

Charlie suddenly realized, admiringly said: "Unexpectedly, after the old gentleman is from a famous sect, no wonder you have such a profound knowledge of this matter!"

With that, Charlie couldn't help thinking of the fake Feng Shui master who deceived Warnia back then. He also claimed to be a descendant of Lai Buyi, but he had no real skills.

However, the Old Master in front of him can master the art of divination. Even as far away as the United States, he can infer so many key issues. He is indeed a rare master.

Thinking of this, Charlie asked again: "Old Master, why had you settled in the United States?"

Lai Qinghua smiled bitterly and said: "During the War of Resistance, my father was concerned about the motherland and had the greatest divination in his life. Although he calculated that China would never vanish, he also calculated that the Lai family would be destroyed, so he took his own At the expense of life, breaking the game saved the lives of other people in our family, but the premise is that our family must travel across oceans..."

"So in 1938, I buried my father, took my mother, younger siblings, and moved to the United States. Then I set up a family and started a business there. Later I thought about moving my family back. But because I had lived there for many years, my family and career , Chances, grievances are all involved, and couldn't afford to toss, so I settled there."

Charlie nodded and asked him, "Then what are your plans next?"

Lai Qinghua looked at the thousands of mountains, and said with a smile: "The descendants are all in the United States. I have been out for four years this time. They are so concerned. Since I have already gotten the opportunity of ten years of life from you, I think about sealing it up. Go back and live there!"

Chapter 1575

Hearing that the old master was going back to the United States to take care of his life, Charlie arched his hands at him and said with a smile: "In this case, the juniors wish you happiness and health for the rest of your life!"

Lai Qinghua replied in a busy manner, and said flatteringly: "I would like to thank Master for your blessing!"

After that, Lai Qinghua hesitated for a moment and said, "Master, I have a piece of advice, I hope you can listen to it."

Charlie said immediately: "Old gentleman, please say, the younger generation listens very carefully!"

Lai Qinghua said: "Although your problem of the Dragon Shoal has been broken, you should not stay on the riverside to talk."

Charlie asked, "Then where do you think I should go?"

Lai Qinghua said respectfully: "I think you should come to Eastcliff, because this is the capital of the country. From the perspective of the city's feng shui fate, this is the city with the highest fate in the country. You come back here from As far as Feng Shui is concerned, it is the dragon entering the sea!"

Charlie smiled slightly: "Thank you for your suggestion, I will consider it seriously."

Lai Qinghua nodded, as if he could see Charlie's thoughts, and said seriously: "Master, it is said in "Zeng Guang Xian Wen" that you must be cautious and the first one is not to deceive yourself. First of all, don't deceive your own heart. No matter what you say next, you should listen to everything, and you must be loyal to your original heart..."

Charlie nodded: "Master mentioned something, the junior has been taught."

Lai Qinghua hurriedly waved his hand and said, "Don't dare to be Master! I will have a fate with you next time. don't know if there will be a chance to meet again in the future. If you need it, I can count it for you..."

Charlie subconsciously wanted to agree, but after thinking for a moment, he shook his head and said: "Old sir, you don't need to forget about the hexagrams. I have a temperament axis, and my destiny makes me go east. I might want to go west. Heavenly secret, on the contrary, I might do something against my intentions. Let me go on slowly!"

Lai Qinghua was shocked.

Over the years, as a top-level master, he has been madly sought after by countless people, and countless people have come to him at all costs, count them, and give directions.

But even so, there are still many people who have no chance to make themselves count.

But it was the first time that he saw someone like Charlie, and he didn't even have the heart to spy on the future, fortune, and heaven. It was really rare to see.

In shock, he couldn't help but admire Charlie a little bit more.

So, he bowed to Charlie and said, "Master, met by chance!"

Charlie smiled and nodded, and said: "Old gentleman, have a good journey!"

When they returned to the parking lot, everyone looked suspiciously at the two of them. They didn't understand, what they talk about, the old and the young, who had been talking for so long.

Lai Qinghua knew that Charlie did not want to reveal his identity, so he directly said to the person in charge of Waderest Security: "Thank you for getting me a car. I will pack my luggage and send me to the airport."

The man asked in surprise: "Old Master are you leaving now?"

Lai Qinghua nodded and smiled: "It has been four years. My promise to your Patriarch has been fulfilled, and it's time to go back."

The man said hurriedly and respectfully: "Old Master don't you go to the Wade family to meet the Patriarch? Or I will inform the Patriarch and let him come to see you?"

The person in charge of the security knows very well that the Wade Family's Old Master respects this old master very much.

Charlie's grandfather is seventy years old this year, and Lai Qinghua is already a centenarian with a generation difference in age, so Charlie's grandfather has always called him as a senior and respected him.

Chapter 1576

When the Old Master brought Lai Qinghua back from abroad, he arranged for him to live in the Wade family mansion, and he was even more meticulously served on weekdays.

However, after Waderest Mountain was built, Lai Qinghua had to move out of the Wade family and live here.

The Patriarch is too embarrassed to let the old master live in the tomb of Waderest. Even if Waderest Mountain is very well built, there is an area dedicated to office and living for the staff, but the Old Master still feels that Lai Qinghua's cannot condescend to live here.

However, Lai Qinghua insisted on moving over even though he tried to stay.

Because he has been waiting for his chance, waiting for the life gate in his hexagram to open, waiting for Charlie to appear, and give him the Rejuvenation Pill that can extend his life for ten years.

Now, the fruit of staying for four years has arrived, and it is time to go.

Therefore, he said to the person in charge: "Thank you, tell Patriarch that what Lai promised him, and he has done it. Moreover, Lai has been away for too long and is homesick, so he will not say goodbye to him. bye!"

After all, he arched his hands at everyone, and when he looked at Charlie, he paused for a moment, his eyes full of gratitude.

Afterwards, he turned and raised his head and laughed loudly, and exclaimed in a puff of air: "Laugh to the sky and go out, I am a Penghao native!"

After saying this, he stepped out.

Philip couldn't help sighing: "The centenarians still have this kind of courage, it's really extraordinary!"

Charlie smiled on the side, and while the Wade family security personnel were chasing Lai Qinghua away, he said to Philip: "Uncle, let's go back too."

"Okay!" Philip nodded and said: "Go back, come back next time!"

Charlie will continue to play the role of the driver, so he opened the door for Philip, and after Philip in the car, he got into the Rolls-Royce cab again.

Started the car.

As soon as Charlie drove the car out of the parking lot, Philip in the back row asked him, "Charlie, what did the old teacher talk to you just now? I think he seems to respect you very much."

Charlie smiled faintly and said, "The Old Master recognized me and knew that I was the Wade family blood, so he gave me some advice."

Philip asked in surprise: "How can he recognize you?! He knows you?"

Charlie shook his head: "don't know him, but he is a descendant of the Lai family after all. He is still very accomplished in Feng Shui and Xiangshu. Maybe I will come if I get it right."

Philip couldn't help sighing: "No wonder the Wade family refused to let you go up the mountain, but he said that you are not an outsider. That was what he meant!"

After speaking, Philip asked again: "This Feng Shui technique is so magical? Who knows when it will come?"

Charlie smiled and said: "Maybe, although the things of the ancestors are ancient, but I have to admit, they are also very intelligent, and even include great wisdom that we don't understand. Just like the Mayans, in such an ancient period, they almost created the complete calendar which was calculated right, and it looks incredible to us modern people."

Philip nodded seriously, then remembered something, and asked Charlie: "Charlie, what are your plans next?"

Charlie said: "Tomorrow, a friend's grandmother will have her birthday. I will send some gifts. After attending the birthday banquet, I will return to Aurous Hill."

Philip hurriedly said, "What are you doing in such a hurry? It's not too late to live for a few more days before leaving!"

Chapter 1577

At Philip's words, Charlie smiled slightly and said, "Uncle, Aurous Hill still has a lot to do, so I can't stay back."

Philip heard this, nodded lightly, and sighed softly: "You will often come to Eastcliff to see your uncle in the future. Lenan and I are looking forward to your return to Eastcliff for development!"

Charlie just responded, and didn't say more.

Philip also tacitly did not ask this question again. Instead, he asked: "Charlie, you said you are going to attend the birthday banquet of your friend's grandma tomorrow. Do you have the gift ready?"

Charlie said: "Not yet, I plan to go to the market to have a look later."

Although Charlie has a rejuvenation pill that is of great significance to the elderly, he and Elsa's grandma have never even seen each other. Naturally, it was impossible to prepare such an expensive gift for birthday celebration, so he still planned to buy more than 100,000 gift from market. The gifts on the left and right, expressing heart, are almost the same.

When Philip heard this, he smiled and said: "I have a fan in my house. The fan face is a picture of good fortune and longevity painted by Mr. Qi Baishi. The fan bone is a fine-leaf red sandalwood, coupled with a master-level engraver. You might as well take it to give the other party as a birthday gift."

Charlie said hurriedly: "Uncle, how can this be? How can I take your things to give away, I should buy one myself."

Philip insisted: "What is there to be polite between you and your uncle? A fan is nothing but a fan, which is not worth much. But because the subject is a picture of a happy birthday, it is still very good to use it as a birthday gift for the elderly."

As he said, Philip hurriedly exhorted, "This is the case, don't turn away from your uncle, let alone see outsiders! Otherwise, uncle will be angry."

Seeing his resolute attitude, Charlie nodded and said, "Then thank you Uncle!"

.....

The next morning.

Charlie declined Philip's kindness to send him a car, and walked out of Gu's house alone holding the long gift box he gave.

His wife Claire sent him an address, and that address was Dong's villa.

Dong's villa is not far from Gu's.

A total of more than 20 minutes by car.

In Eastcliff, the Dong family can only be regarded as a second-rate family.

Moreover, in the second-rate, it is still the one at the end of the crane.

In the past few years, the family's career has declined severely. If it hadn't been for Elsa's aunt to marry the Kevin family, the Kevin family had given the Dong family a hand. The Dong family's fear would have fallen to the level of a third-rate family.

But this is Eastcliff after all, even if it is a family at the end of the second-tier, placed in other second-tier cities, it can definitely become the top.

Because of this, although the family has fallen a little, the family's mansion is very luxurious. A grand luxury villa costs at least 300 million.

Charlie's taxi could only stop at the door of the villa area, and the security management was very strict, so he could only call Elsa after getting off the bus at the door and let her come out to pick it up.

When Elsa heard that Charlie was here, she ran out almost happily.

Today's Elsa dressed very beautifully, and because it was her grandmother's birthday, she also deliberately put on some light makeup, which looked very dignified and generous.

Upon seeing Charlie, Elsa said happily: "Charlie, you are here!"

As she said, she ran up and hugged him by the arm, pulling him to walk in, and said with excitement, "Come, I will introduce my parents to you."

Charlie hurriedly pulled out his arm and said awkwardly: "Elsa, we can't do this, it's not appropriate..."

Elsa deliberately curled her lips and said, "What's wrong? It's not good to be close to friends?"

Chapter 1578

Charlie touched his nose: "Um...I am your girlfriend's husband after all!"

Elsa said slightly perfunctorily: "I know, the fake husband, you have been married for four years, and don't know when you can play the game of the house."

Just as she was talking, a limited edition Bentley car drove up to the front and stopped beside them. The rear seat window was lowered. In the car, a middle-aged woman dressed in luxurious clothes looked at Elsa and asked, "Elsa, you Why did you come out?"

When Elsa saw the woman, she hurriedly smiled and said, "Oh, aunt! Where is second uncle?"

The middle-aged woman in the car said: "He is still busy, he will come over before the luncheon birthday banquet."

Elsa asked again: "What about my brother?"

The middle-aged woman said helplessly: "I didn't see him last night. I was mad at him. You said that this kid doesn't have a long memory at all. When his body recovers, he doesn't come home again. If you look back, you must help!"

Elsa smiled bitterly: "aunt, I don't dare to talk about my brother's temper. As soon as I talk to him, he will bark at me..."

The middle-aged woman sighed and said: "This child is becoming more and more disobedient..."

With that, she looked at Charlie next to Elsa and asked with a smile: "Oh, isn't this young man your boyfriend?"

Elsa glanced at Charlie and smiled shyly: "Not yet."

"Isn't it?" The middle-aged woman said the word "not yet" heavily, and said with a smile: "Then when can it change from 'not yet' to 'yes'?"

Elsa said embarrassedly: "Oh, aunt, you are too gossipy, come in quickly, grandma was talking about you!"

The middle-aged woman smiled and said, "Do you want me to take you two for a while?"

Elsa hurriedly waved her hand: "No need, we just walk in, it's not far."

The middle-aged woman nodded: "Okay, I won't quarrel with you, I will go in first."

After that, the Bentley car slowly drove into the gate of the villa area.

Charlie was a little helpless at this time, and hurriedly said to Elsa: "You must never introduce me to others like this. What if they misunderstood? What if you know it at first? Then someone asks me Who am I, you say I am your girlfriend's husband."

Elsa pouted: "It's just a joke, why bother to be so serious."

Charlie said seriously: "This matter must be true. This is a matter of principle."

Elsa had no choice but to nod her head: "Well, a matter of principle, it won't work if I don't say it!"

As she said, she hurriedly changed the subject: "Let's go in quickly, it's too early!"

Charlie wanted to give her a gift, and then leave. But when he thought, his wife had confessed that she wanted to give Elsa's grandma a birthday surprise. At least he had to meet Elsa's grandma. It would be considered as taking the words on behalf of his wife. mission accomplished.

So, he kept silent and followed Elsa into the villa area.

When walking in from the villa area, a red Ferrari suddenly whizzed past from behind. Elsa saw the car and hurriedly waved and shouted, "Cousin, cousin!"

It's just that the supercar engine sound was already loud, and the speed was so fast, it passed with a swish, so the driver did not hear her at all.

Charlie asked Elsa: "Your cousin is driving?"

"Yes." Elsa nodded and said, "My cousin is very strange. He had an operation some time ago. It just happened not long before that, he is awkward again."

Chapter 1579

Charlie didn't know who Elsa's cousin was.

He just thinks that Eastcliff has a lot of rich people, and there are also a lot of rich young masters. There are eight or nine of these young masters. They are all relatively awkward dudes, so it's not surprising.

When he and Elsa came to the door of Dong's villa, there were already all kinds of luxury cars parked here.

Outside the door, two middle-aged people were warmly welcoming guests. Elsa came to the front and hurriedly introduced them: "Dad, uncle, let me introduce to you, this is my friend in Aurous Hill, Charlie Wade."

The two middle-aged men looked up and down Charlie. Among them, Elsa's uncle spoke: "In Aurous Hill heard of a family with the Wade name?"

Elsa hurriedly explained: "Charlie is not a member of the Wade family, he is my university classmate."

Back then, Charlie was arranged by Mr. Willson to go to Aurous Hill University for a year. At that time, he was not only classmates with Claire, but also with Elsa.

At this time, Elsa didn't say that this was Claire's husband. In fact, she wanted to leave a way for herself. In case she and Charlie had a chance to develop, after taking him home, her family would see it was too embarrassing to think that this was Claire's husband.

It was heard that it was Elsa's college classmate. Her uncle looked a little contemptuous and said, "Since he is a college classmate, let him enter and sit down."

Elsa's father whispered at this time: "Elsa, I just heard your cousin say that Young Mr. Gu will also come later, you should take the opportunity to get to know Young Mr. Gu."

Elsa couldn't help but frowned and said, "What do I know well about him? The two dudes of the Gu family don't have a good thing, and their reputation has long been stinky!"

"What do you know?" Elsa's father sternly shouted: "The Gu family is the third-ranked family in Eastcliff. The family strength is very strong, and you should not forget that Gu family males are not prosperous. There are only two boys in total, so this The gold content is even greater!"

A family with many boys, no matter how strong it is, it will fall apart in the future.

Some families say they have hundreds of billions of funds, but the offspring have too many branches and leaves, and the division of assets is also very serious. It is possible that the entire family cannot find a person with assets of more than 10 billion. Therefore, in such a family, Naturally, the gold content of men can't go up.

There are two males in the Gu family, Weiliang and Weiguang. Even if the two of them, each has only about 12.5% of the group's shares, each of them is worth more than 100 billion.

Elsa's father, Hagel, has always wanted Elsa to find a top rich second generation to marry, in order to restore the decline of the Dong family.

Before, he and the father of the Dong family heard that the Wade family bought Emgrand group in Aurous Hill and gave it to a Wade family heir. He thought that which descendant the Wade family sent to Aurous Hill for training, so Hundred years immediately arranged for Elsa to go to work in the Emgrand Group.

However, Elsa had been to Aurous Hill for so long and had not even seen the chairman of the Emgrand Group, so her father gradually lost confidence.

He even thought about not letting his daughter go back to Aurous Hill this time. It took half a year and there was no gain. It's better to come back quickly and find a reliable big family boy in Eastcliff.

It just so happened that my nephew just came in and said happily that he would save his face today, or maybe he finally invited the young master of the Gu family over, so he felt that this was a good opportunity for his daughter.

However, Elsa didn't have any Gu family eldest master in her heart.

Even the mysterious Wade Family Master doesn't care anymore. As early as after Charlie rescued her, all she thought was Charlie, and no other man could enter her eyes.

Chapter 1580

So, she said coldly: "Dad, I have no interest in Mr. Gu, so don't let me know him!"

After speaking, she looked at Charlie and said, "Charlie, let's go in!"

"You child!" Hagel said angrily: "Why are you so ignorant of good and evil? If you can be with Young Mr. Gu, how can you use Aurous Hill?"

Subconsciously, Elsa glanced at Charlie again, and then stubbornly said to her father: "I just like Aurous Hill! I must look for husband in Aurous Hill!"

Hagel reprimanded: "What are you talking about? How can there be any decent family in Aurous Hill? How can daughter of Hagel marry a man from such a small place!"

Elsa was very disappointed and said, "Dad, why are you so snobbish now?"

"I am snobbish?" Hagel said, "I am not all for your own good?"

On the side, Elsa's uncle spoke: "Leave it, Hagel, there is no rush for this matter. Let Elsa accompany her classmates in first."

When Hagel saw his eldest brother come out, he said to Elsa: "It's all right, let's go in first, and let your mother talk to you!"

Elsa said angrily: "It's useless to talk about it!"

After that, she immediately stepped forward to hold Charlie, and blurted out: "Leave Charlie, let's go in!"

Charlie had no choice but to mix with other people's housework, so he quickly followed into the villa.

Hagel stomped his feet with anger, and the eldest brother beside him said: "Hagel, your vision seems to be getting worse!"

"Huh?" Hagel asked in surprise, "Big brother, what do you mean by this?"

Hagel's eldest brother smiled and said, "Did you not see that Elsa has been staring at the man next to her? Especially when you let her know Mr. Gu, she immediately looked at the man after hearing this. There must be a problem here!"

"What's the problem?" Hagel blurted out: "Big brother, don't you mean to say, Elsa might like that kid, right?"

"I think it's almost the same." Hagel's eldest brother said seriously: "Did you not listen to Elsa? They are college classmates, but they met a long time ago, and this kid is in Aurous Hill again, Elsa has been there for more than half a year. Staying in the city, maybe the two of you will be better when they are in Aurous Hill!"

Hagel's expression changed: "d*mn, Aurous Hill's little wanderers dare to be tempted by my daughter. It's really unreasonable!"

After that, he immediately said: "Brother, you are staring here, I'll ask Elsa what is going on!"

Hagel's eldest brother hurriedly grabbed him: "What are you in a hurry? Now ask Elsa, in case of a quarrel, wouldn't it disturb my mother's birthday party? If you want to say, you'd better bear it and wait. After the birthday banquet, ask Elsa privately what is going on."

Hagel hesitated for a moment, thinking of his mother's birthday banquet and many guests, it is indeed not suitable to question his daughter at this time, so he nodded, and said depressedly: "That kid toad wants to eat swan meat, I will make him look good."
