He even made his wife and beat himself.

At this moment, the last pride in Ye Tian's heart was undoubtedly shattered.

In the end, he looked at Mark, full of sadness, smiling sadly.

“Haha~” “Okay, very good...”

“Mark, you won, you won...”

“I didn't expect that Ye Tian was an official for half a lifetime, but ended up in the hands of my nephew. Defeated...”

“When the time comes, if I promise you, I will naturally give it to you.”

"Commander Rong, I'm sorry, you still, please be smart." Here, don't live here!" After speaking, Mark stopped staying, turned around and took Helen Qiu and the others, and left the Ye family old house.

Ericson, Chen Ao and others naturally followed out.

Their trip was originally directed at Mark.

Now that Mark is not here, they will naturally not stay in Ye's house again.

Therefore, following Mark's departure, the whole hall was full of guests, and a group of guests suddenly walked away, and they all left with Mark.

Tiandi suddenly became quiet.

Rong An and the others were stunned, and it was not until a long time after Mark left that there were a series of shocked sounds.

"He He..."

"You even refused?"

Rong An's face was green and his eyes were full of disbelief. The final outcome was obviously beyond their expectations. "Hey~" "It seems that such talents will eventually have no relationship with my Gritsberg Military Region."

Rong Anxin was disappointed, shaking his head and sighing. "Fine, think of a solution later."

“However, Yu Yan, tell your cousin, the door of the Gritsberg Military Region will always be open for him.”

“If he changes his mind, Rong An, I welcome him at any time!”

“Rong An didn’t seem to give up, but before leaving, he instructed Denren in this way. — Outside the Ye family’s old house. After Mark left, he first searched for a hotel to entertain all the guests. Mark asked in a deep voice. Ericson immediately smiled and said: “Haha~” “Mr. Chu, I was about to tell you about it.”

“Since the Haitian feast, the big families in Noirfork, and all the powerful, have responded to Mr. Chu’s call to raise jade.

“According to statistics, there are a total of 15 cities in Noirfork, and a total of fifty-eight cars of jade have been raised!

“Now, all vehicles loaded with jade are parked outside Yeyang Town, waiting for Mr. Chu to review!”

Mark listened and nodded with satisfaction: “Very good!

“Since the jade has been delivered, you can take me over to see it.”

Outside the town, the sights were full of stops. Cars. Cars full of trucks connected end to end, stretching for more than ten miles. As Mark approached, he already felt the sudden strong spiritual power between the surrounding world.

Even if Mark didn’t deliberately absorb it, every cell in his body’s hair and skin was actively, greedily, and unconsciously devouring the spiritual power between heaven and earth.

“Sure enough, Yundao Tianshu is right, jade has spirit.”

“When a certain amount of jade gathers, it will form a change from quantitative to qualitative change.”

“I just stop here, and I already feel the majestic power towards me. Perfusion in the body.”

“If I retreat and absorb with all my strength, then it will be of great benefit to my strength growth!”
