

# Catch Me If You Love Me Chapter 158

No one knows what happened to them inside.

But at this time, Zoey Gu lying on the ground embarrassed, there were blood stains on her hands that were obviously cut by the porcelain pieces. She covered her face, her lips were red and swollen, and there were glaring blood stains on her face.

Except for violence, Xiaolan couldn't think of a better explanation!

She raised her head tremblingly, and met Liam Lu's scarlet and fierce eyes.

The next second, a long leg suddenly lifted, and instantly kicked the sour noodle in front of him.

Snapped.

The rich soup sprinkled on the ground instantly!

The man's tall body stood upright, exuding a terrifying breath that no strangers should enter, and he curled his lips bloodthirstily, Sen Han said.

"A bowl of sour noodles with clear soup and watery sour soup, just want to send me, what do you think of me as Liam Lu?"

Xiaolan's legs softened and she collapsed on the ground.

"Two...Second Young Master!"

Suddenly, Xiaolan raised her finger at Zoey Gu without thinking about it, and said indifferently, "It's June to do this, she didn't put you in her eyes!"

Zoey Gu still covered his face and lay on the ground, looking at Liam Lu with a puzzled face. He didn't understand what he was going to do?

Liam Lu didn't hear about it, snorted coldly, took the phone out of his pocket, and made a casual call.

"Bring someone up!"

But within a few minutes, a few tall men went upstairs like a gust of wind, and rushed into the room a few steps.

"Master!"

Liam Lu responded coldly, and his icy eyes swept across the shaking Xiaolan and Zoey Gu, and said blankly.

“I just made a mistake. I was locked up here and punished by the old lady. What do you think I am? A broken pet dog?”

After speaking, he turned his head to look at his head next to him, and asked coldly.

“What is the end of the humiliation and contempt for the future ruler of the Lu Family?”

“Back to the second young master, you are at your disposal!”

Liam Lu immediately curled his lips and sneered, then lifted his finger and landed firmly on Xiaolan.

“Why don’t you drag it away and handle it yourself?”

Upon hearing this, Xiao Lan, who was already trembling, instantly changed her face, suddenly got up and threw herself in front of Liam Lu, firmly grasping his trouser legs!

“Second Young Master! Second Young Master, I know I was wrong, and I will never dare to do it again! Give me a chance, you can’t do this to me!”

Liam Lu raised his eyebrows when he heard the sound, his expression ruthlessly like an arrow.

“Oh? Can’t move you? Don’t you look better?”

Xiaolan suddenly turned into a discouraged ball, “I...I am an old lady, she was sent to look at you.”

“Old lady’s person?”

There was a flash in Liam Lu’s eyes. He narrowed his eyes calmly, and suddenly lifted his foot to kick Xiao Lan out!

Bang!

Xiaolan slammed into the carved railing, screamed, and squatted on the ground!

Liam Lu’s icy voice followed.

“Since it’s an old lady’s person, pack it up and deliver it directly to her old man!”

When the words fell, the two men suddenly strode forward, dragged Xiao Lan, who had fallen half-dead, turned around and walked downstairs.

The remaining man did not move, and asked Zoey Gu, who was still lying on the ground.

“Master, what are you going to do with this?”
