

Chapter 1583 - 1584 of A Dish Best Served Cold Novel

Chapter 1583

In the small town, the neighbors and villagers were chatting about the eight monsters of the Ye Family. Whenever they talked about Ye Ya and Ye Tian brothers and sisters, it was a burst of disgust.

Listening to these harsh words, the two brothers and sisters Ye Ya and Samantha Ye who passed by were pale, bowed their heads and hurried away, for fear of being recognized by the people around them.

Now they seem to have become a joke of the whole town.

However, what everyone said was right. The three of their brothers and sisters ended up like this, and it is indeed their own fault.

In fact, as early as the first day of the new year, the brothers and sisters Ye Ya and Ye Ximei felt regretful.

Now, after learning that Mark founded the Mufan Group, their sister Ye Ximei is the president of the Wrifill branch. Even the unlearned little fat man of the Shen family, Shen Yuxiang, has become the general manager of the company. After the Marriott car, Ye Ya and the others were not calm.

Even people like Shen Yuxiang who are not relatives can be general managers in the branch. They are uncles and aunts. If they enter, they will at least be a vice president with an annual salary of one million.

Thinking of this, Ye Ya and Samantha Ye are undoubtedly regretful.

I want to slap myself to death!

I wondered why I was so blind in the first place, and a real dragon was placed in front of them. They didn't even see it, and they regarded others as worms?

It's too late to regret now.

However, regret alone is useless at all. At this moment, finding a way to alleviate the conflict with Mark is the top priority.

So, that night, Samantha Ye, Ye Ya and others from the Ye family knelt in the Ye family hall, begging the old man to intercede.

“Dad, we are your own son.”

“You can’t die without saving it~” “Among the whole Ye family, Mark listens to you the most.”

“As long as you come forward to help us plead, Mark I will forgive us.”

..... “Yes, Dad.”

“Can you help us tell Mark?”

Chapter 1584

“Now that Mark has opened a company again, there must be a shortage of people.”

“Our Ye family, some of them are people.”

“As long as Mark agrees to let us be executives and give us 10% to 20% of the company shares, we will definitely do our best. Mark’s assistant to Mark.”

“At that time, I will be the chief financial officer and my husband will be the head of personnel.”

“Xiaojian and my second brother are in charge of the sales department.”

“When Yulang and the others graduate, they can also be part of the team. The position of vice president of the company.”

“The little fat man from Shen Hai’s family has become the general manager. We are Mark’s uncles and aunts. We can’t ask for this too much, right?” Samantha Ye said slowly So, after learning that Mark had established the Mufan Group, she had already planned a beautiful blueprint for the future.

Anyway, she would be fine when she was idle. Then she would join the company as the chief financial officer, help Mark manage the money, receive a million annual salary, and participate in stock dividends at the end of the year.

However, listening to Samantha Ye’s words, Ye Old Man’s complexion grew even stronger. In the end, Ye Old Man was furious, and he got up and kicked Samantha Ye and Ye Ya directly.

“A group of beasts!” “Are you really aware of the mistake?” “Or just want to be in the light of Mark?” “Return to the chief financial officer and also the head of personnel? Is it a vice president?” Samantha Ye, you don’t take a piss and take a picture of yourself, you

are worthy!" Old man Ye was trembling with anger, furious, and wanted to kick the unfilial children to death.

He never thought that his children would become so snob and greedy?

There is only money in his eyes, but no love at all?

"Get out of here, get out of here!" "I'm Ye Xukun without you bastards."

..... "In the past ten years, how much humiliation have you given Mark mother and son?" "Now , It forced others to cut off contact with my Ye family and cut off blood!" "You bunch of idiots, have the face to let me intercede with you?" "What's the matter for Zao Te?"

"How many times have I said that I will make you treat Mark's mother and son better."

"But what about you?" "Look down on Mark and isolate their mother and son."

"What's the matter now?" "Who is the blame?" "Three Ten years in Hedong, 30 years in Hexi, don't bully the young and poor."

Old man Ye kept his eyes red and kept talking.

The voice of anger and sadness echoed throughout the Ye Family Hall.

The departure of Mark's mother and son undoubtedly made Elder Ye very sad.

As Qin Hongfei said before, if Mark doesn't leave, their Denham Ye Family, relying on Mark's power, will definitely be among the top wealthies in Denham.

But now, a real dragon is just like this being driven away by his own group of stupid children?

Father Ye, how could he not feel sad?

How can you not be angry?

Facing Master Ye's scolding, Samantha Ye and Ye Ya brothers and sisters also knew they were at fault.

He bowed his head, knelt there, his face was pale, speechless, dare not say a word.

In my heart, only endless regret swept through.

Denham city center.

A luxurious building stands majestically.

This building was formerly an office building under the Lei Shi Group.

However, the sign at the entrance of the building has now been changed to the four characters “Mufan Group”!
