## Chapter 1585

“Mark, I think it’s better to let Helen take over.”

“I can’t.”

“I haven’t touched business matters in ten years. You came up and let me take this responsibility. I’m afraid it won’t work. Ah~” At this moment, in a luxurious office where the Denham branch of Mufan Group is located, Ye Ximei sits in a white women’s suit, and three thousand green silks are combed into a noble phoenix hair crown. Graceful and luxurious.

It is estimated that no one wanted to know that the noble beauty in front of him, in order to raise Mark, lived in seclusion in the countryside for ten years.

Ten years have passed, even women who have been in Fenghua will eventually change their appearance under the erosion of time.

Just like Ye Ximei at this time.

Years ago, Ye Ximei had assisted that man, opened up the Vietnamese market, and attacked the business world.

If we say that behind any successful man, there is a successful woman.

Then Ye Ximei was the woman behind.

It is no exaggeration to say that the vast majority of the Chu family’s industries and power in Vietnam back then were created by Ye Ximei for the Chu family.

Of course, at that time Ye Ximei had always been behind the scenes, so not many people knew her.

There are only two people in the world.

One was Mark, and the other was the man who had asked Ye Ximei to entrust him for life.

Of course, I also paid a lifetime by mistake.

For many years, she hadn’t touched the business field. Now that Mark gave her a company management, she was naturally panicked and repeatedly declined.

When Mark saw this, he shook his head and smiled: “Mom, it’s okay, just take your time.”

“Besides, you helped him manage all the Chu family’s industries in Vietnam, and you decided the flow of hundreds of millions of dollars every day.”

“Now let you manage a small branch, my son thinks it is a talented person.”

Mark said casually, but Helen Qiu and Shen Yuxiang next to him were shocked when they heard it.

“I’ll go!” “Aunt Ye was so good when she was young?” “In charge of the flow of hundreds of millions of funds every day, at least he must be a vice president-level executive?” Shen Yuxiang exclaimed.

Helen Qiu was also slightly astonished. She suddenly felt that her mother-in-law was by no means as simple and ordinary as she seemed.

“It’s all the past, what are you doing?”

These words of Mark seemed to evoke memories of Ye Xi’s unbearable look back, and her mood suddenly became much lower.

Upon seeing this, Mark knew that he had said something wrong, so he silently said nothing about the past, but calmly said: “Mom, you don’t need to be too stressed.”

“For company matters, I will ask Lei San to arrange someone. I’ll assist you.”

“Well, that’s okay.”

Ye Ximei still didn’t hold back Mark, and finally agreed to be the president of this branch.

After dealing with his mother’s affairs, Mark also called Shen Yuxiang to leave the company.

At this time, it was night, the night was quiet, and the moon was as cool as water.

The two Mark, facing the moonlight, walked together on the bustling streets of Denham.

The mother had a destination, Mark had forgotten it but lost a lot of worries in his heart, and the whole person felt a lot lighter.

“Fatty, how is your place?” “Wenya parents, have you agreed to your marriage?” The two chatted as they walked.

Although, Mark had forced the fat man to take Du Wenya away at the wedding.

However, Du Wenya’s parents always disagree with their marriage.

The fat man’s family background is one aspect, and the main reason is that he has no serious work and is difficult to trust.

## Chapter 1586

Parents are also worried that their children will suffer in the future.

Mark naturally understood this.

“Haha~” “Brother Mark, I was just about to tell you that after knowing that I became the general manager of the 100 billion group, Wen Ya’s parents immediately agreed to our marriage and stopped blocking it.”

“I and Wen Ya, Are you going to get your marriage certificate tomorrow?” The fat man laughed, his small eyes narrowed at this moment.

“Well, that’s good.”

“Fatty, then I would like to congratulate you in advance.”

Mark smiled with relief.

“Congratulations, if it weren’t for Brother Mark, you have helped me many times. Maybe Wenya would marry someone else.”

“Brother Mark, seriously, the biggest fortune in my fat man’s life is to meet you.”

“If not Brother Mark, my life, Shen Yuxiang, must be a darkness where no light can be seen.”

The night breeze made him feel something, but he said quietly.

To Mark, the fat man is really grateful from the heart.

After graduating for many years, I have seen a lot of human love, wine and meat brothers, and Mark is the only one who treats him consistently.

It was Mark who accompanied him to snatch his relatives, and now it was Mark who gave him status and glory.

The fat man knew his abilities, and with his ability, let alone the general manager, he was not even qualified to be an assistant.

Thinking of this, the corners of Fatty’s eyes were slightly red.

He suddenly raised his head, looked at Mark, and said firmly: “Brother Mark, as long as you don’t dislike it, Fatty will follow you for the rest of my life!” Phoo~ Fatty’s words follow the cool night breeze, slowly brushed over.

After Mark heard it, he shuddered: “Huh~” “You can hear that, how damn it is.”

“My goose bumps are all up!” “Okay, stop talking about the extra nonsense. The most important thing is to improve yourself.”

“I can help you for a while, but I can’t help you for the rest of my life.”

“Fatty, life is long, no one can accompany you to the end.”

“The only thing you can rely on is yourself. “Go ahead~” Mark patted the fat man on the shoulder, poured him a bowl of chicken soup, and watched the fat man go home.

“This company has also been established, and good friends have helped. Should we go home too?” I don’t know when, Helen Qiu has already arrived behind her.

She came forward, her beautiful eyes reflected the intoxicating moonlight, and asked Mark softly.

Tonight’s Helen Qiu wore a Korean-style suspender dress with an off-white plush coat, slender legs, graceful body, and intoxicating face.

From the moment she appeared, the world was the most beautiful and stunning.

Facing the inquiry, Mark shook his head: “I have something to do, I am afraid I will be able to go back later.”

“Or, tomorrow I will let Lei San send a car to take you back.”

“Now the company As the scale expands, people in Wrifill are indeed inseparable.”

“In the future, you, the beauty president of the Hundred Billion Group, will have a heavier burden.”

Mark said teasingly.

Yes, today’s Mufan Real Estate has been completely expanded into the Mufan Group.

In the past, Mark wanted to let Helen Qiu rely on her own to make the company bigger and stronger.

However, time is not enough.

Now that the “LiaoDollar” plan is about to start, Mark will also officially retreat.

After leaving the customs, he will immediately go to the Chu family and settle his grievances for many years.

Before that, Mark naturally wanted to place the two most important women in his life properly.
