

## Chapter 1591

In order to please Charlie, Weiliang put away the little sympathy in his heart for Delon.

He sternly said with a cold expression: "Delon, everyone is an adult, so you should be willing to bet and lose. I don't think you will be haggling here anymore. Hurry up and swallow this jade!"

Delon's expression immediately turned into a bitter face that was too bitter.

Weiliang said coldly: "I'm telling you, please feel lucky in your heart. Last time you swallowed a necklace. This time it is just a pendant. Fortunately, I didn't match this pendant with a chain, otherwise you have to swallow it with the necklace.!"

Delon was crying and looked at his cousin Elsa, and pleaded bitterly: "Elsa, my good sister, please quickly plead with Mr. Charlie, let Mr. Charlie let me go this time, I really know I was wrong. From now on I will never do it right with him again. From now on, I will be his dog. I will do what he asks me to do. Even if he lets me bite, I will never hesitate, but ask him to forgive me this time. ...."

Elsa's heart was also very tangled at this time.

The cousin was so dissatisfied with Charlie just now.

Women are like this, don't think Delon is Elsa's cousin, the relationship between the two people was really good when they were young.

But Charlie is Elsa's long-time lover, so if these two people are placed in front of her, she must be biased towards Charlie in her heart.

Now Delon asked her to intercede with Charlie, and she suddenly didn't know what to do.

When Juanita saw this, she ran to Elsa and knelt down while crying, and wailed and said, "Elsa, give auntie face, please beg Mr. Charlie, he can raise his hand and spare your cousin once, you aunt kneels down for you!"

Elsa wanted to stretch out her hand to help, but Juanita wanted to kneel down, and the two of them were so deadlocked.

Elsa really couldn't bear her aunt to kneel to herself, so she hurriedly looked at Charlie, apologized, and asked a little pleadingly: "Charlie, please look at my face. Just forgive my brother this time. ...."

Charlie hesitated for a moment, and said to Elsa: "Let's take a step to talk."

Elsa nodded hurriedly, followed Charlie to the side, looking at Charlie nervously, for fear that he would be angry with her.

Charlie looked at her and asked, "When in Aurous Hill, a pair of brothers named Oliver and Vincent tried to assassinate you. Does it have anything to do with Delon?"

Elsa waved her hand quickly: "It was not my cousin who did that thing, it was my other cousin..."

"Your cousin?" Charlie frowned, "Is he here?"

Elsa shook her head and said: "It is said that after the incident last time, someone with a lot of background warned the Dong family that my cousin had a guilty conscience and hid abroad and never came back. This time my grandma passed her birthday. He did not come even today."

Charlie nodded lightly, and then asked, "So, you and your cousin Delon have no contradiction, right?"

"That's right." Elsa said hurriedly: "My cousin is...how to put it, ego is built a little bit, and he doesn't know how to learn, but he hasn't done anything that hurts the world, just he just likes to boast..."

Speaking of this, Elsa pleaded diligently: "So, Charlie...you don't have trouble with him today with this matter. Give me a face, okay?"

While talking, Elsa already grabbed Charlie's arm with both hands, shook it gently like a baby, and her face was full of pleading and shyness.

Charlie was helpless, knowing that since Elsa had pleaded with him, he couldn't continue to embarrass her cousin even if he was looking at her friend's face.

However, Delon's pretended to be a bit too big, if he were to spare him like this, it would be too cheap for him.

Thinking of this, he said to Elsa: "Well, since it is your cousin, then I have to give you face in whatever you say."

## **Chapter 1592**

Elsa was overjoyed and said excitedly: "Thank you so much Charlie!"

Charlie said hurriedly: "Wait a moment, I don't need to ask him to swallow that string of pendants, but he still has to accept other punishments, otherwise I'm afraid he won't remember it."

Elsa hurriedly asked, "Charlie, what punishment are you going to make him accept? It won't be more serious than swallowing a pendant, right?"

"No." Charlie smiled faintly and said: "You can rest assured that my punishment is a good thing for him."

Elsa just relieved her heart and said affectionately: "Charlie, thank you, you forgave my brother for me, then give me a chance and let me repay you..."

Charlie asked in surprise: "How do you want to repay me?"

Elsa blinked and smiled deliberately: "Of course I promise, and then gave you a fat boy, what do you think?"

Charlie said solemnly: "In the future, don't say anything like this, I am your girlfriend's husband!"

Elsa nodded and said seriously: "I know, you two are having a fake marriage! There is no marriage in fact. In fact, the best solution for you two is to give each other freedom."

Charlie shook his head helplessly, and said, "I won't tell you this anymore, I'm also playing the piano to the cow."

After speaking, he turned back to the crowd.

Seeing him coming back, everyone hurriedly consciously stepped out of a channel.

Delon knelt on the ground, waiting for Charlie's sentence.

Charlie said indifferently: "Delon, because you are cousin of Elsa, I can give you a chance this time, but it depends on whether you can grasp it."

When Delon heard this, he immediately burst into tears and said: "Mr. Charlie, thank you for raising your hand. Don't worry, I will take good care of it and never pretend anymore!"

Charlie said: "It's useless to just say it. I can stop you from swallowing that jade pendant this time, but you have to use actual actions to prove that you can really change your mind!"

Delon nodded like smashing garlic: "Mr. Charlie, if you have any opinion, I can definitely do it!"

Charlie glanced at Elsa and said, "It's not easy for Elsa to be in Aurous Hill by herself. Let me say this. What about you, go to Aurous Hill and be a driver for Elsa for one year. You have to be honest this year. In Aurous Hill, if you dare to run or be passive, or if you dare to act with someone, I will feed you a piece of brick!"

When Delon heard this, his heart was very bitter.

Eastcliff's life is so moist, how can the small place in Aurous Hill have access to his own law?

Moreover, he still let him go there and be a driver for his cousin for a year, that too under Charlie's nose. If he really goes there, he can't even pretend to be important, and girls dare not to be... ..

However, when he thought that if he didn't agree, he would have to swallow the jade pendant, and Weiliang would definitely not let him go. He could only grit his teeth and agree, saying, "Okay, Mr. Charlie, I will definitely follow your instructions... .."

Charlie nodded in satisfaction and said, "Okay, I think you can prepare to set off after you have eaten this meal. The road is quite far away, and it will take more than ten days to talk about it."

"Huh?" Delon asked in surprise: "Mr. Charlie, it takes only two hours to fly from Eastcliff to Aurous Hill..."

"Flying?" Charlie said disdainfully: "It's up to you to be worthy of flying? You can ride a bike for me. Only tents and no hotels are allowed along the way. If you dare to take any other means of transportation, I will break your legs!"

### **Chapter 1593**

When he heard that he has to ride a bicycle all the way from Eastcliff to Aurous Hill, and then stay in Aurous Hill as a driver for one year, Delon wanted to die.

The key is that this road is almost more than 1,200 kilometers. If it is really cycling, it shouldn't be exhausting?

And in the twelfth lunar winter, you have to ride a bike all the way south, and you are not allowed to stay in a hotel by yourself. The requirements are too harsh, right?

Delon felt very wronged, and when he was not careful, tears rolled off his eyes.

What the h\*ll is this...

The Third Young Master of the Kevin family dignified, riding a bicycle to Aurous Hill.

With my small body, it is amazing to be able to ride fifty or sixty kilometers a day.

More than 1200 kilometers, co-authored to ride for 20 days!

But this is the twelfth lunar month!

He choked and said, "Mr. Charlie, if I go to Aurous Hill by bicycle now, it will be the first month when I arrive, and my sister will definitely have to go back to Eastcliff to celebrate the New Year. Wouldn't I be useless there?"

Charlie asked in a cold voice: "The first month is only here? Is your bu.tt growing like a leg? It's 80 kilometers a day, and it will definitely be there in fifteen days! Just like the end of the twelfth lunar month."

Delon was crying and he was riding a bicycle for eighty kilometers a day. Isn't this dying?

He usually says that the key point is that he has just finished the operation, and the movement range is large, and the knife edge is faintly painful, I will suffer the old sin...

Just when he was still trying to bargain, Weiliang on the side gritted his teeth and cursed: "*You fcking have an opinion, don't you? Believe it or not, I fcking make you not able to return to Eastcliff?!"*

Delon was so frightened that he trembled and nodded hurriedly and said, "I have no objection! I have no objection! I must be in Aurous Hill in fifteen days!"

After finishing speaking, he looked at Charlie again, choked up and said: "Mr. Charlie, can you let me leave after the New Year... Otherwise, I will come back to Aurous Hill again... "

Charlie smiled and asked him, "Delon, do you still want to come back for the New Year?"

Delon said blankly: "My sister will be back then, so I can't stay there alone, right?"

Charlie said: "After you arrive in Aurous Hill, the scope of your activities is limited to the administrative area of Aurous Hill City. Then I will ask someone to install a GPS locator on your ankle. As long as you leave Aurous Hill, I will send someone to catch you back. After the arrest, I will neither beat you nor scold you. Every time I arrest you, I will extend your one-year period. If you run away more often, stay in Aurous Hill for the rest of your life!"

Delon shrank his neck and said hurriedly: "Mr. Charlie, don't worry, when I arrive, I will never leave Aurous Hill..."

After that, he asked Charlie again: "Mr. Charlie, I have one more thing I want to ask you. You see that I grow up so much and spend every lunar year with my parents. Don't let me be alone this year. Aurous Hill New Year..."

Before Charlie spoke, Weiliang spoke first. He gritted his teeth and cursed: “Delon! Are you f\*cking tired and crooked? Are you always bargaining with Mr. Charlie? Did Mr. Charlie give you a face?”

“No, no...” Delon gave up the last resistance and hurriedly waved his hand: “I won’t bargain...I will set off when the birthday banquet is over, and will not leave Aurous Hill within a year. ....”

On the side, Juanita, who is eager for her son. Seeing that her son has finally escaped the pain and danger of having another operation, she was really relieved and hurriedly calmed down: “Son, rest assured, mom will let people buy you the best bicycle and the best set in Aurous Hill. A good house and buying the best car will never let you suffer in Aurous Hill!”

Delon finally relaxed.

That said, the punishment is fine.

Anyway, when he goes to Aurous Hill, he only has to avoid Charlie’s sharpness, and could enjoy life in a low-key manner during the rest of the time.

### **Chapter 1594**

The only painful thing is the bicycle ride from Eastcliff to Aurous Hill.

But it’s okay, riding a bicycle for half a month is better than lying in bed for half a month after surgery.

Moreover, he suffered a serious blow during the last operation, and hasn’t recovered yet. If this happens again immediately, the pain will be doubled.

But at this time Charlie said: “Let you go to Aurous Hill to make a good reformation. Do you think it is for you to enjoy the blessing? I tell you, this time to Aurous Hill, you can only ride the most ordinary old Phoenix 28 bicycle, other things You are not allowed to ride a car! Otherwise, I will let you go to Aurous Hill with a cart full of bricks!”

“In addition, after you arrive in Aurous Hill, apart from giving Elsa the time to drive, you can rent a single room in the shantytown of the village in the city at other times. Your monthly living expenses must not exceed 1,000, including the rent.”

“Don’t worry, when you arrive in Aurous Hill, I will let people observe you, dare to spend more, and the renovation period will increase by one day. If you spend tens of thousands there first, you will not want to leave in this life!”

When Delon heard this, he felt that the sky was about to collapse.

Let him dignified a Confucian master to live in the village in the city? ! And can’t even spend more than 1,000 a month? !

Don’t you want to let yourself eat the soil? !

He cried and said, “Mr. Charlie, one thousand, I am afraid that even the rent is not enough...”

Charlie said coldly: “Don’t worry, Aurous Hill’s consumption level is not as high as you think. The village in the city rents a single room for only 300 a month, and the remaining 700 is more than 20 per day. You will live fine.”

Charlie himself had been at the bottom of the city for many years. He knew the poor people's lifestyle too well.

The rent in the village in the city was very cheap. Back then, a small bungalow was only 100, and meals were not expensive. In the fly house in the alley, a veggie stir-fry was only two or three, and steamed buns could buy four for one. One, enough for one day.

Now it has doubled at most. One thousand per person and one month are enough.

Of course, that kind of life, naturally, there is no standard of living, that is, enough to eat.

However, that kind of life is the best solution for a dude like Delon, and it can definitely cure his pretending illness.

Delon heard this, the whole person has collapsed.

A thousand is not enough to tell the truth a cigar each day.

Now that he wants to live for a month, isn't it equal to killing him?

Juanita was also distressed and cried, looking at Elsa, choked up and said: "Elsa, please beg Mr. Charlie again, don't push your brother to death!"

Elsa was also embarrassed at this time, what should she say? She has already asked for her cousin once, and at this time she is asked to speak again, and she is embarrassed.

After all, in the whole matter, her cousin was looking for trouble, and he didn't want Charlie to ignore him at all. In that case, wouldn't Charlie be wronged?

Charlie was her savior several times, and the only man she loved. She would rather be wronged by this hateful cousin than let Charlie make compromises for her.

So, she said embarrassingly: "Aunty, you can't always be so used to cousin, it will hurt him over time!"

Charlie said in a cold voice at this time: "Delon, I advise you to agree to it as soon as possible before I change my mind. Otherwise, I will arrange for you to carry cement at the construction site in Aurous Hill. Aurous Hill has a GEM listed company before. The boss, his name is Jones Jian, do you know what he is doing now?"

Delon shook his head in a panic.

Charlie sneered: "He is currently carrying cement at the construction site in Aurous Hill, and he will carry it for 20 years. Do you want to be with him?"

## **Chapter 1595**

When he heard that he was going to carry cement at the construction site, Delon immediately shook his head frantically!

In comparison, living in a village in the city and living expenses of 1,000 a month is just a bit of suffering. If you really go to a construction site to carry cement, you might have to leave half your life on the site.

Therefore, he almost nodded without thinking: “Mr. Charlie, I accept the conditions you gave and will never bargain with you again! Just don’t let me go to the construction site...”

Charlie was satisfied, and said coldly: “When you arrive in Aurous Hill, do a good job of reforming. Don’t be mad all day long. If you are a cynical second generation ancestor, stay in Eastcliff, maybe you will cause greater disaster. Come and kill the Dong family and the Kevin family!”

The brothers of the family on the side shrank their necks.

For them, Charlie’s words had a certain initiation effect.

Delon’s temperament, if he doesn’t grind him twice, maybe he can really cause a catastrophe!

Today this incident is very representative. If he is not careful, he not only offends Charlie, but also offends Young Mr. Gu. If Young Mr. Gu really wants to be honest with him, the Dong Family will definitely be destroyed.

Especially the eldest son of the Dong family, was even more annoyed.

Delon is not from the Dong family. Although he is the child of his own sister, he is still a foreigner. If this foreigner confuses his family, he will really cry without tears.

So, he said with a stern tone: “Little dragon! When you arrive in Aurous Hill, you must make a good reform and try to get rid of all the stinky problems on your body. Don’t make troubles like you are now. Do you understand?”

Delon vaguely said: “I understand the uncle...”

Juanita still feels a little dissatisfied. It’s okay for her elder brother not to talk to his nephew at all. It is really chilling to say such things.

Elder brother also knew that Juanita must have an opinion in his heart, so he said to her earnestly: “Juanita, in the future, you must strictly discipline Delon, and don’t just indulge him, otherwise, someday Delon cause trouble outside, it will cause trouble to the Kevin family. You daughter-in-law, in the eyes of the Kevin family, are also responsible for improper discipline, understand?”

When Juanita heard this, she suddenly realized that although the eldest brother’s words were not very close to humanity, they were all facts.

In case Delon really gets into a disaster and hurts the Kevin family, she, the daughter-in-law of the Kevin family, will inevitably take the blame.

Most of the people are partial. Don’t think that the Confucian elders and old ladies treat themselves well, but once Delon gets into trouble and has to be held accountable, they will definitely feel that they are more responsible for their children’s education than their husbands.

If the Old Master of the Kevin family is really dissatisfied with him because of this, his status in the Kevin family will definitely be greatly affected.

After all, the current Dong family’s strength is much weaker than before. His natal family is not strong, and his husband is not taken seriously in the Kevin family. Naturally, his status will not rise. If he is

affected by the children's troubles, then Don't even think about raising your head to be a man in the Kevin family.

Thinking of this, she also said to Delon with a serious face: "Delon! You must get rid of all those stinky problems on your body in the future, understand?"

Delon could only nod honestly and agree.

Now he really doesn't dare to pretend to be forced.

A live-in son-in-law of Aurous Hill can make himself into such a miserable situation. If he really provokes the young master of the top family, he must kill him?

So he hurriedly expressed his position: "When grandma's birthday banquet is over, I will immediately set off on a bicycle to Aurous Hill. After arriving in Aurous Hill, I must reflect on myself..."

At this point, a farce finally came to an end.

## **Chapter 1596**

Charlie took the folding fan that Philip had given him from Delon, and personally gave it to Elsa's grandmother, and said: "Grandma Dong, this is a little bit of love from me and Claire. I hope you will accept it. In addition, what happened just now For your birthday banquet, I am here to apologize to you and hope you can forgive me."

The Old Lady was a little flattered and hurriedly said: "Mr. Charlie is polite. What happened just now was that my grandson did not do the right thing. In the final analysis, it was because we neglected to discipline and caused you trouble."

As she said, she looked at the folding fan and said, "Mr. Charlie, this fan is too valuable, and I really can't stand its value!"

Charlie hurriedly said: "Grandma, the gift is a kind of heart, it has nothing to do with value. You don't have to be polite. To be honest, I didn't spend any money on this fan. It was a gift from the chairman of the Gu Group. I just borrowed flowers to present it to you. Don't be so polite with me."

Elder Dong on the side knew that this fan belonged to Philip, and he actually hoped that the Old Lady would accept it.

After all, the value of this fan itself is very high, and the additional value behind it is even higher.

If you have this fan, the Dong family and the Gu family are still in touch. If Philip sees the face of this fan in the future and can help the Dong family, wouldn't it be a big profit?

Therefore, he opened his mouth and said: "Oh, Mr. Charlie is so polite! Our old man and wife are extremely grateful too! If Mr. Charlie has anything to do with the Dong family in the future, just one sentence, the Dong family will definitely go all out!"

When the Old Master said this, it was tantamount to accepting the gift.

Charlie also knew that the Old Master had his wisdom, so he nodded and said, "Grandpa Dong is too polite!"

As a result, the Old Lady had to put down the folding fan.

Seeing this, Weiliang said, "I tell you, Mr. Charlie has a very high status in my uncle's mind, and he is equal to half a son. If you please Mr. Charlie in the future, the Gu family will not treat you badly!"

The crowd nodded hurriedly and said yes, and their hearts were happy.

Especially Mr. Dong.

The look in Charlie's eyes is no different from that of grandson-in-law.

Elsa was in a trance.

She really can't understand why Charlie is so capable, and it doesn't matter if he has conquered a lot of Aurous Hill local rich. Even Eastcliff's third-ranked Patriarch of the Gu family attaches so much importance to him. Is it possible that he sees Feng Shui so well?

When she thought of this, she felt a sense of inferiority in her heart.

Although she is the eldest granddaughter of the Dong family, and she does not look inferior to other women, she is still a little embarrassed compared to a man with endless potential like Charlie, and feels that she is really unworthy of him.

However, she immediately thought of her best friend Claire.

She couldn't understand why Claire had such a good life? What luck is it to have such a good man who would rather be married to her and be guarded by him!

If it were to be her, she would have given Charlie a bunch of children, loved each other every day, and lived with him wholeheartedly.

But what about Claire?

So far, there is no real marriage with Charlie...

Thinking of this, she feels deeply for Charlie...

## **Chapter 1597**

Subsequently, the birthday banquet officially began.

Charlie was enshrined as a guest and sat beside the Old Lady with Elsa and Weiliang.

After the opening of the banquet, the Dong family took turns to toast to him, their expressions, tone, and actions were full of compliments.

Charlie didn't have much air, and someone would drink it when they came to toast. Even if Delon only came to toast, he would drink it readily.

During Weiliang's period, he also carefully toasted Charlie, licking his face and said, "Mr. Charlie, there is something I want to ask you, brother..."

Charlie knew what he wanted to say, but just wanted to restore his ability.

However, in view of the bad behaviors of their family of four and Philip's family of three, Charlie would never let them recover right now.

Adults, have to pay for their actions, otherwise, how can they remember their lessons?

Therefore, he didn't wait for Weiliang to finish, he interrupted lightly: "Weiliang, you have looked at this from beginning to end today. You should also know, why should I ask Delon to go to Aurous Hill to reform for a year?"

"Yes, yes!" Weiliang nodded repeatedly and said, "Mr. Charlie, you are upright and fair, and you are naturally trustworthy, but for this matter... Can you give us the same as you did with Delon? Set a time? So that we have hope in our hearts, what do you think?"

Charlie nodded and said, "You also know that Delon does no evil, it is nothing more than a lower mouth, so I asked Delon to reform for a year, but you four, you are doing too much, and you even wanted to take my life before. The threat, of this nature, is much worse than Delon!"

Weiliang's face was covered with cold sweat.

He knew what Charlie meant.

Delon had a fight with him, and if he lost, he had to reform for a year.

With his father, third uncle, and cousin, the four of them forced the uncle to hand over trillions of property, and even threatened to solve aunt and cousin after his death. This sin is really much more serious than Delon's.

Moreover, the uncle is the good brother of Charlie's father, Changying, and the aunt is the good sister of Charlie's mother. The cousin is the fiancée of Charlie's marriage contract since childhood. With such a close relationship, Charlie must hate the four of them even more!

Speaking of Delon, Delon's mouth and guns have been reformed for a year, wouldn't the four of them be reformed for ten or twenty years?

When he thought that the next ten or twenty years might not be able to bear children, and even less qualified to enjoy the comfort in that respect, Weiliang wanted to die.

With a bitter face, he pleaded: "Mr. Charlie, for my uncle's sake. Forgive us this time... Or you can shorten the time for the transformation... .."

Charlie said indifferently: "It depends on your performance. If you perform well, it may be enough for three to five years. If you do not perform well, it may not be for 20 to 30 years."

Weiliang was about to cry, and whispered, "Master, you will be my brother-in-law from now on, and I will be your brother-in-law from now on. You can look at this relationship, please forgive me. If your brother-in-law is impotent in the future When the news goes out, your will lose face too, don't you think?"

Charlie smiled: "I think it's okay, there is nothing shameless."

"Uh..." Weiliang almost collapsed.

Charlie simply doesn't get in oil and salt!

He also wanted to rely on his cousin's relationship to do some tricks, but he didn't expect that they would not give a chance.

Moreover, even if you perform well, it may take three to five years, three to five years of abstinence, isn't this killing your own?

But apart from that, he didn't have any other good solutions. He could only say respectfully and cheeky: "Brother-in-law, I will do well in the future. Don't worry."

Charlie said with a black face, "Don't talk nonsense, I'm not your brother-in-law."

Weiliang nodded his head: "I know, not yet. Sooner or later you will be..."

Charlie was too lazy to talk to him about such silly questions, so he simply stopped paying attention to him.

Elsa came over and asked him in a low voice at this time: "Charlie, when are you going back to Aurous Hill?"

"Tomorrow."

#### **Chapter 1598**

"Huh? So early? Not staying in Eastcliff for a few more days?"

"My business is over, there is nothing to be done, I will leave tomorrow."

When Elsa heard this, she said without hesitation: "Then I will leave tomorrow, shall we be together, okay? Take the same plane back."

Charlie wanted to refuse, but seeing her pleading, he couldn't say anything to refuse.

After all, it's normal for friends to fly together, and he can't deliberately not fly with her on the same plane.

So Charlie said: "Okay, let's go together."

Elsa hurriedly said: "Then you will come back and give me the ID card information, let me buy the tickets!"

"Row."

.....

When the birthday banquet was going on, Delon's uncle and second uncle had already given him the equipment for riding to Aurous Hill.

They arranged for someone to purchase an old Phoenix 28 bicycle, and installed a luggage rack on the back of the bicycle, and then bought him a riding helmet, thick down jacket, sleeping bag, and tent. Kettle and other things.

They didn't really care about this nephew, but wanted him to go on the road as soon as he finished eating, so as not to drag him, and make Charlie angry. If he hurts the Dong family again, it would be a big loss.

Juanita didn't care about getting angry when she knew it, so she quickly called Old Kevin, her husband, who had just finished his work and was about to come to the birthday party, and told him the matter, and then asked him to quickly pack some luggage for his son from home and change the clothes. Clothes inside and outside, dry food to be used on the road, etc.

After hearing the causes and consequences of this incident, Old Kevin was angry and frightened. Fortunately, the incident did not offend the Gu family. Otherwise, the Kevin family was afraid that it would be in great trouble.

So, he ignored his mother-in-law's birthday banquet, and hurried home to pack his son's things.

When the birthday banquet was almost over, he drove hurriedly.

When Delon saw his father coming, he cried bitterly when he held his father apart.

He was about to go to Aurous Hill for a year of reformation. He had already guessed how hard it would be this year, so when he saw his father, he felt very sad.

Old Kevin was also extremely helpless.

Although he feels sorry for his son, he has been hanging around in Eastcliff for so many years, and he knows the essence of high society too well.

In this upper class society, it is money that crushes people by one level.

Don't look at the Kevin family, but when you meet a top family like the Gu family, you don't even dare to let go. Since the son has offended the Gu family's people and the Gu family's distinguished guests, this matter must have to pay a price. Otherwise, the Kevin family will follow the Gu family's anger.

There was a family like this before. The son got into trouble, but he was eager to protect the calf. He had to use the entire family to carry it. As a result, the family was almost bankrupt, and the son could not be saved. The son was directly by the big family. The people were scrapped.

Nowadays large families do business, basically like walking a tightrope.

If you want to do large transactions of more than 100 million, you must use financial leverage, otherwise it will not develop at all.

Even Wanda Group owes a large number of loans to banks for rapid development. According to rumors, large enterprises like Country Garden have 900 billion in debt.

If it works well, the speed of making money must be greater than the speed of paying it back, so there will be no major situation.

However, once the capital chain breaks, it may be overwhelming at any time.

There are a large number of banks and capital relationships behind the three major Eastcliff families. If you really want to reorganize a company and draw salaries directly from the capital chain, the other party will go bankrupt because the capital chain is broken.

Therefore, Old Kevin fears the strength of the Gu family more than Delon.

It is precisely because of this that he was fortunate in his heart. Fortunately, it was only his son who was unlucky in the end. If the Kevin family was affected, he would be scolded to death by the Old Master!

## **Chapter 1599**

When the birthday banquet was over and the guests left, Delon had already pushed his brand new 28 bicycle.

Delon suddenly remembered a hit song on the short video website.

What is it, ride my beloved little motorcycle...

Thinking of that song, he looked at this old and ugly 28-year-old bicycle, and he couldn't help but sigh in his heart: "If you can go on a motorcycle, you can ride three or four hundred kilometers a day. Hurry to Aurous Hill, and you don't have to suffer too many troubles along the way..."

It's a pity that Charlie won't give him room for bargaining. He can only push the 28 bicycle honestly and prepare to set off.

Uncle Dong Jianghai was holding a green riding helmet and was going to put it on for him. While dodging, he asked awkwardly: "Uncle, why do you buy me a green helmet..."

"Don't mention it." Uncle said helplessly: "don't know what's going on. Helmets are being grabbed everywhere. The helmets in the bicycle shop have long been robbed. There are only a few green ones that have not been sold. I let them buy one for you, safety is the most important thing!"

Delon was almost crying.

No wonder this helmet is not robbed, it is green and oily! Fresh leeks are not as authentic as the green color of this helmet!

Although he has 10,000 dislikes in his heart, he also knows that safety is the first priority. Otherwise, if he breaks his brain by a fall, wouldn't he be finished?

So he gritted his teeth and asked the uncle to put the helmet on top of his head.

His uncle fixed the fixing strap of the helmet for him, then pointed to the phone holder on the bicycle handle, and said seriously: "Little dragon, this is a phone holder specially bought by your uncle. You put your phone on it. Tucked in, you can navigate on the road for more than a thousand kilometers. Be sure to watch the map carefully and don't go wrong."

Delon nodded and asked him: "Uncle, why didn't you buy me a power bank? What if my phone runs out of power while I am riding..."

"Oh!" Uncle patted his forehead: "Forget about this, or if you wait for a while, I will let someone buy you one!"

Elsa's father, Hagel, hurriedly said at this time: "I have one in my car. I bought it for a rainy day. I'll get it for you!"

At this time, Delon's father Old Kevin patted him on the shoulder and said seriously: "It's better to go to Aurous Hill. There are also very well-developed cities along the way. There is no wilderness, so you don't have to worry too much. Pay attention to safety and find a big tent in a park in the city at night. You should be able to reach Aurous Hill in a dozen days."

Delon cried and nodded.

Director Kevin sighed, and said: "You, you must ride it all the way honestly. Sneak r@pe and skiing are absolutely not allowed in the middle. This is also an experience for you, you know?"

Delon whimpered: "I know Dad..."

Juanita also wiped her tears on the side, and exhorted: "You must pay attention to safety when riding, and hide a little when you see a big car, you know?"

Delon choked repeatedly: "Okay mom, I see..."

Elder Dong also asked: "Don't be lazy. If you are late, Mr. Charlie will be angry."

Delon's heart is extremely depressed, is this still pro-grandpa? What he cares about is not to make Charlie angry...

The Old Lady was very gentle. She took out a yellow amulet from her pocket and handed it to Delon, saying, "Delon, this is the amulet that grandma asked for from the Lama Temple when she was young. The monk opened it and it was very effective. Grandma always carried it with her. Now, I will give it to you, and it will keep you safe!"

Delon nodded gratefully: "Thank you, grandma..."

Charlie, who has not spoken all the time, said: "Look, you have made progress now, at least you know to say thank you to your family!"

Delon was ashamed and whispered: "Thank you Mr. Charlie for teaching, I will act in a low-key manner and be a good man in the future!"

## **Chapter 1600**

"Yeah." Charlie nodded, and said: "Okay, let's leave."

At this time, Hagel also ran over with the power bank, handed both the power bank and the charging cable to Delon, and said: "Delon, take the power bank!"

Delon put it into his backpack, wiped away his tears, and said to everyone: "Grandma, master, father, mother, uncle, second uncle, I'm leaving..."

Everyone waved at him: "Take care, pay attention to safety on the road!"

Delon looked at Charlie again and bowed to him: "Mr. Charlie, I'm leaving..."

Charlie snorted and said: "Hurry up, you will be punished if you delay time."

Delon nodded busy: "Don't worry, I will do my best!"

Charlie waved his hand: "Okay, time to go!"

Delon nodded, glanced at his relatives reluctantly, and then straddled hard on the huge 28 bicycle, pedaled twice, and it swayed out.

Juanita cried bitterly, and Old Kevin hurriedly took her in his arms and comforted her: "Okay, Delon has grown up, and it's time to take responsibility for his own actions."

Juanita cried and nodded. Although distressed, she couldn't say it anymore.

Charlie looked at Elsa at this time and said seriously: "When your cousin arrives in Aurous Hill, you must strictly restrain him. If he is honestly reforming, he may be able to change his mind, otherwise, this person may be abandoned in the future."

Elsa quickly responded and said, "Don't worry, I will strictly restrain him."

"Yeah." Charlie nodded and said: "Okay, I'll go back first."

Elsa asked: "Then I book the ticket and will tell you?"

"It is good!"

Elsa asked again: "Do you want me to pick you up where you live and go to the airport with you?"

Charlie waved his hand: "No, see you at the airport."

Weiliang hurried up and said with a smile, "Mr. Charlie, are you going back to my uncle's house? It's not easy to take a taxi here. Why should I not drive you?"

Charlie glanced at him and nodded slightly: "All right."

The whole Dong family put Charlie and Weiliang in the car together, and finally breathed a sigh of relief when the car drove away.

In the car, Weiliang said with a compliment: "Mr. Charlie, your handling of Delon is really amazing!"

Charlie said indifferently: "That's the case, you don't have to flatter me here."

Weiliang hurriedly said: "I'm really not trying to flatter you. Usually, when people solve such problems, they often have to teach the other party and force the other party to honor the bet. But you can open the net, let him go, and give him Tailoring such a set of transformation plans is absolutely deliberate! I believe Delon will never dare to be arrogant and domineering again!"

Charlie looked at him and asked, "What about you? Do you still dare to be arrogant and domineering in the future and draw swords at your relatives?"

Weiliang's expression was stunned, and he blurted out: "No, no, absolutely not!"
