Chapter 1596

"Your Majesty!" Named by Kraig, Jiu Mei was frightened and knelt on the ground and kowtowed.

She never imagined that this pregnant woman could have such an earth-shaking ability.

Kraig turned a deaf ear to Jiu Mei's begging for mercy, he only called the driver in front: "Elden, where are those people you dealt with last time?"

Elden: "Hui Jun, the chaos in the western suburbs... "..."

"Jingyu!" At this moment, Dalia suddenly stopped Kraig.

Kraig asked gently, "What's the matter, Ah Shan?"

Dalia said in a low voice, "Jing Yu, during the two nights and one day at He Quan's house, everyone was really bullying me, only this little one. The girl gave me some bread to satisfy my hunger, but when she asked me for help, I did not save her. Forget it, there is no deep hatred between me and her."

"There is no need to kill for me." After a

pause, Dalia said again: "There are also women who are angry with me in the tea room. I don't want to care about it. Forget it, I just want to see my mother earlier, okay?"

Kraig: "Okay, I will listen to you.

Yes ." He looked at the trembling people outside, and said in a very slow tone: "You should all thank my daughter-in-law, it is my daughter-in-law who has a good heart, please forgive you."

Turning around, he said to Elden: "Guangzhou, drive."

“Yes!” The

door was opened, and Elden started the engine.

A plume of black smoke came from the back of the car, and the car drove away.

Outside the door of the tea room, Jiu Mei was paralyzed with fright, and the woman who scolded Dalia just now was even more frightened and cried. The woman knelt on the ground and kept kowtow: “Thank you, thank you Mrs. Jun for a lot, thank you, thank you.”

These , Dalia naturally couldn't hear it.

She is already very tired.

She got an extremely affirmative answer from Kraig that he would save her mother.

Mom will be fine, he has ordered everything.

And the mother's heart, he will also bring her back to Kyoto and be admitted to the military hospital for the best treatment.

She doesn't have to worry about this anymore.

After letting go of her mind, Dalia suddenly felt very tired, very tired.

Kraig's arms were always around her, and she gradually closed her eyes and fell asleep on his shoulders.

She was sleeping peacefully.

like a child.

Because she was asleep, Kraig was able to take a good look at her.

She was emaciated all over without four taels of flesh, which made her belly bigger.

She suffered for the past four months, but her son was still intact in her belly.

very nice.

“Brother Dashan, I’m sorry... Brother Dashan.” Dalia suddenly cried out Collin’s name in her dream.

“I couldn’t take good care of my mother, my mother almost fell into the sea, Dashan brother, I can’t be with you in this life, we must be together in the next life, Dashan brother, woo woo...” She cried Extremely helpless.

While crying, Kraig, who was snuggling up, became tighter.

Kraig: “...”

He put his arms around her and patted her gently: “It’s alright, it’s alright, Ashan, it’s alright, sleep well, darling, I’ll watch you.”

“Well.” She approached her for a few minutes, and then slowly, slowly fell asleep.

Elden, who was driving in front of him, looked more or less unpleasant.

He couldn’t help but whispered: “Master, Madam is so weak, why don’t we choose the nearest airport and fly back to Kyoto, so Madam can suffer a lot less.”

Kraig sighed: “Let’s take a detour to the bay first. Haixian.”

Elden: “?”

He glanced at Kraig.

Kraig didn’t speak, just put one arm around his daughter-in-law. Under the sunglasses, he couldn’t see joy, anger, sorrow or joy.

But Elden could clearly feel a strong sadness in his grandfather.

Elden wanted to ask a question, but he did not dare to ask.

He didn’t think he had enough, so he didn’t ask.

Where does Ye Rang detour from, he, the temporary driver who drives the car, detours wherever he goes.

From Baihai City to Wanhai County, both cities are small towns. There are no planes between the small towns and the small towns. After driving for about eight hours, the car has just approached the border of Wanhai County.

Chapter 1597

Looking at the measuring layers and mountains on both sides, Kraig suddenly said to Elden: "Stop!"

At this time , it was just dawn.

On the way driving all night, Madam had been sleeping, and the more she slept, the better she slept.

At first, Dalia was resting on Kraig's arm, but later Kraig simply put the car seat down for her to let her sleep comfortably.

The driver driving in front couldn't help but looked at the lady several times in distress.

Madam, how long has it been since you had a good night's sleep?

In the end, it is still the thoughtful calculation of the father.

I really can't let Mrs.

After a long time, she can endure death outside.

Even if the master used means, at least the master is for the good of his wife.

At this moment, although the car was parked in this mountain range, Dalia resolutely did not wake up, and Kraig did not call her, so she resolutely put her arm on her pillow, and he was half-tilted, watching her sleep all the time.

Knowing that the sky was bright, Dalia woke up leisurely.

This time, she felt that she had slept for a long, long time.

She also had dreams.

In the dream, it was all sweet.

She dreamed that she was ten years younger than now, about twenty-four or five years old, and she was with Kraig.

The Kraig in the dream was also very young, one year younger than her.

He was wearing an olive green military uniform, very heroic.

The scene Dalia dreamed of turned out to be Dalia, who was in her twenties, married to Kraig, who was in her twenties.

Both are sweet and sweet.

very nice.

This dream was long and good, and later, she also dreamed that she was pregnant.

They also clearly saw their children.

It's such a beautiful dream.

She didn't even want to wake up.

It was the increasingly strong light that forced Dalia to wake up.

She didn't know where she was when she woke up?

I closed my eyes and thought for a while, where are I?

Rob's maid room?

He Quan's little house?

Where is it?

Dalia was stunned for a few minutes before she slowly realized that she was in Kraig's car.

When he turned around, he saw Kraig holding the other arm with one hand, stroking it back and forth.

“Jing Yu, what’s wrong with your arm?” Dalia asked.

“Your pillow is numb.”

Dalia said, “...” After a

pause, she asked again, “Che... why did you hear it, where are we?”

Kraig didn’t say anything. When he spoke, he just pushed the door open and got out of the car first, then stretched his arms and hugged Dalia to scare the car.

Dalia looked around, she was very unfamiliar with this place.

She looked at Kraig puzzled: “Jingyu, where is this, what did you bring me here for? Did something happen?”

She suddenly thought in a bad place.

Could it be that my mother’s illness did not survive to Kyoto, and she passed away on the way?

No!

Dalia’s eyes suddenly turned red, she bit her lip and asked, “Jing Yu, it’s my mother...Is something wrong?”

Kraig sighed deeply, “That hillside is Collin. The place where he died.”

Dalia: “...”
