

Chapter 1601 - 1602 of A Dish Best Served Cold Novel

Chapter 1601 Mu Cheng's Worries

Of course, Lei San was also curious at first, and Mark asked him to block Denham Mountain.

Later, he estimated that Mark should have stored the jade in Denham Mountain, so he let him guard it.

However, all this is just Lei Laosan's guess.

As for the secrets on Denham Mountain, Lei San didn't know, and he didn't dare to look at it, but according to Mark's order, people continued to block Denham Mountain.

"All right then."

"Mr. Lei, I'm bothering you."

Helen Qiu hung up the phone with loss.

"That bastard, where did you go?" "No matter how busy you are, you have to call home."

Helen Qiu's resentment was full of resentment, and before she knew it, her beautiful eyes were red.

Once, Helen Qiu thought that as long as she succeeded in her career, her family would definitely be able to live a happy life.

Now, her dream has come true.

She lives in the best house in Wrifill and is in charge of the Hundred Billion Group. Many people say that she is the empress of Noirfork.

She has stood on the top of power, and all those who despised her at the beginning have no courage to look at her directly.

She got everything she had tried so hard to pursue, but Helen Qiu didn't feel happy at all.

Until now, Helen Qiu realized that that man actually occupies such an important position in her heart.

Prosperity and wealth are not as good as the company of that man.

“Qingtan, do you think he just left like this.”

“Never come back.”

“Otherwise, why haven’t you contacted me for so many days?” People will always think about themselves when they are gaffes.

What’s more, these days, Helen Qiu has always felt restless, always feeling that something is going to happen.

Reminiscing about the way Mark had explained his funeral before, this undoubtedly made Helen Qiu’s worry even more intense.

“Sorry, Sister Qiu, I am only responsible for your personal life and personal safety.”

“Other questions, I can’t answer.”

At this time, it was a young woman who was talking.

He has short hair, dark skin, and a bit of heroism between his eyebrows.

It seems that he is not very old, he is probably in his early twenties.

Yes, this person is the Qingtan who Mark had asked Old School Han to protect Helen Qiu.

Soon after Helen Qiu returned to Wrifill, Qingtan arrived.

She also told Helen Qiu that she was in charge of Mark’s order and was responsible for her daily life and safety.

Helen Qiu naturally left it behind, and she was still slightly moved at the time.

I thought that Mark, that fellow, is still interested!

Now, after spending half a month together, Helen Qiu and Qingtan are already familiar.

Although Qingtan has a cold personality and few words, he is in every way towards Helen Qiu in life.

Over time, Helen Qiu treated this girl younger than herself as her younger sister.

Many intimate things were told to her.

Facing Qing Tan's answer, Helen Qiu laughed at herself.

"Yeah, these questions, I asked you what you are doing, I asked Chu, I'm afraid you won't be able to answer."

"It's just that, where did that bastard go?" Helen Qiu was worried in her heart and even decided to find some time. Go to Denham personally to find Mark.

And when Helen Qiu was worried about Mark, a plane rushing to Noirfork in the land of Gritsberg had already taken off.

In the plane, Xu Lei carefully held the package in her arms.

That was the gift she prepared for Mark.

At this moment, she waited for ten years.

This time, she must personally give them to Mark.

It can also be counted, to draw a satisfactory end to the stunned youth and the full friendship with Mark for so many years!

Chapter 1602

"Miss, don't you go to Mr. Chu, don't you call him beforehand?" Lin Jing, the assistant beside him, asked softly.

Xu Lei smiled and shook her head: "No."

"I want to give Mark a surprise!" "But, do you know where Mr. Chu is?" the assistant asked again.

Xu Lei smiled and replied: "When I asked him last time, he said he was in his hometown in Denham."

"When we get to Noirfork, we will go to Denham first. If we can't find it, we will go to Wrilfill."

I will find it."

Xu Lei looked forward to this trip.

Like lovers who are suffering from lovesickness, looking forward to meeting.

When Xu Lei arrived in Denham, it was already the next morning.

Without taking a break, Xu Lei, after much inquiries, learned that Mark had opened a branch of Mufan Group in Denham.

Therefore, Xu Lei went straight to the door and went to the Denham branch of Mufan Group.

“Mr. Xu, please wait a moment.”

“Mr. Ye, we will be there soon.”

In the company’s meeting room, Xu Lei sat nervously and excitedly.

Obviously, she took Mr. Ye from the employee in front of her as Mark.

She thought that she would see Mark soon.

Finally, there were footsteps outside the door, Xu Lei couldn’t help feeling excited, and even if he took the initiative to walk out: “Brother Mark...”

Xu Lei hadn’t finished saying this, but when he saw the person coming After the beautiful woman, Xu Lei was stunned.

She looked at the noble woman in front of her in disbelief, and tremblingly asked: “Mei...Aunt Mei?” Huh?

“you are...”

“Xu Lei’s claim made Ye Ximei surprised. In her memory, there was only one person who called her that way. “Are you the little girl back then, Lei Lei?”

“Ye Ximei asked tentatively. “Yes, Aunt Mei.

“I am Leilei, I am Leilei.”

“After many years, seeing Ye Ximei again, Xu Lei was undoubtedly very excited, and her eyes became red without realizing it, and there were almost tears in them. For Xu Lei, in this world, except for her parents. Besides, it was Mark’s mother and son who treated her best. She would never forget that when she was in the Chu family, Ye Ximei almost treated her like a daughter. At that time, Mark’s mother and her son were not in the Chu family. When I see you, I live alone in a rudimentary yard. But that yard, for Xu Lei, is almost a second home. She was sick, and Aunt Mei made her medicine. Every time there was something delicious at home, Ye Xi Eyebrow will also let Mark call Xu Lei over to eat. The warmth of the year, Xu Lei has been vividly remembered. She threw into Ye Ximei’s arms and smiled with tears. “Aunt Mei, goodbye back then, I thought I would never see you again.

Ye Xi's eyebrows were also red, "Yes, Lei Lei."

It's been more than ten years, I remember back then, you were not as high as this table.

"Unexpectedly, after years of absence, she would have become a slim girl.

"I can't even recognize you."

"Hehe, but Aunt Mei hasn't changed at all, she's still as graceful and noble as before.

"Xu Lei smiled, only feeling cordial in her heart. The two talked for a long time, talking and laughing, seeming to be happy. However, almost at the same time, no one noticed that one old and one young, two uninvited guests came quietly. It's Denham! No one knows what kind of huge waves will be set off in Noifork and even in Vietnam as a whole with the arrival of these two people!
