

The One and The Only Chapter 161 - 170

Yash smiled and said: "Is not a recent crackdown led children Crime Well, on top of very strict supervision, they are also afraid of things blow up," "City recently to tinker with a statue statue city politics , Ordinary citizens can directly call the mayor if they have any questions. He will attach great importance to them and solve them as soon as possible." "I just called the hotline of the mayor for inquiries about politics, and I didn't want to deal with it." Song Pingting heard When the words were true, Zhu Lifeng and Hong Wenjie were half-believing.

...

At this time!
Bandung Clubhouse, inside the box.
Xu Jingming is toasting to a Southeast Asian man.
This Southeast Asian man is 1.7 meters tall and wears a wolf tooth around his neck.
He has a dark complexion and strong muscles. At first glance, he looks like a farmer in the countryside.
But this man has a lot of background. He is the mercenary leader who has been among the small countries in Southeast Asia all the year round, killing wolves. Shabalang has a mercenary team composed of dozens of people, who carry out mercenary missions in Southeast Asia all the year round.
Among them, helping people kill and protecting drug traffickers' transit is their main business.

China has a very strict attitude towards mercenaries. Given China's superior strength and stability and prosperity, there is not much room for mercenaries to survive here.

General mercenaries are not willing to risk offending Huaxia to come here to perform tasks, because they are usually caught and the punishment is very serious. However, this time Xu Jingming bid 80 million yuan to ask the wolf group that killed Yulang to kill Yash Nics.

Kill Yulang's heart!

This is also the reason why Jade Wolf appeared in China Mannity, and why he is drinking with Xu Jingming at the Bandung Club.

Killing Yulang has been mixed in Southeast Asian countries and is proficient in Asian languages. At the moment, he spoke in a slightly blunt Chinese and said: "Boss Xu, although

Yash Nics is an ordinary person, killing him is easy."

"But this is China. Fighting mercenaries is very severe, so we take a lot of risk."

"You pay half of the money now, and I will lead the team to help you kill Yash Nics tonight.

You will give the remaining half after you are done, is that okay? "

Xu Jingming smiled and said: "It's reasonable, Yan Luo, transfer money."

Yan Luo is another powerful arm of Xu Jingming.

Yan Luo's original name was Yan Tian, and he was so skillful that he could kill people like a numb.

Everyone in the underground circle of Yunlan City talked and called him Yan Luo.

Yan Luo said in a deep voice, "Yes, boss." A

few minutes later, the 40 million commission had been successfully transferred to

Shapolang's account. Shapolang said

with satisfaction: "Very well, dealing with a refreshing person like Boss Xu is easy."

Xu Jingming picked up the wine glass and said to Shapolang: "I wish you all the best in killing Yash Nics, cheers."

Sha Po Lang picked up the glass: "Cheers!"

... In the

evening, Yash Nics and Song Pingting took their daughters to Zhushan Amusement Park.
I originally wanted to ride the Happy Ferris wheel and carousel with my daughter, but I didn't expect the moon to be bright when I went out, but when I arrived at Zhushan Amusement Park, it was windy.
Moreover, black clouds in the sky rolled, constant lightning, and the sound of thunder faintly heard, and it was obvious that a heavy rain was approaching.
Yash Nics said to Song Pingting and her daughter: "It's going to rain and the amusement park is about to close. Let's go back."
Song Qingqing was a little bit disappointed, but she also knew that she couldn't play now, so she could only reluctantly say, "Yeah. ."
Yash Nics was holding her daughter and was about to leave the amusement park with Song Pingting.
But he suddenly felt like a man on his back. This is an intuition that has been born on the battlefield all the year round.
Yash Nics would have this instinct of life and death only if he was aimed with a gun behind his back.
He didn't hesitate to hold his daughter and drag Song Pingting, suddenly hiding behind a huge Snow White statue nearby.
At this time, far away from five hundred people, they were aiming at a mercenary sniper in Yash Nics with a light sniper rifle, and couldn't help but let out a soft sound.

The One and The Only Chapter 162

Sniper Cao Hua looked at Yash Nics who suddenly disappeared from the scope of his sniper rifle, and muttered, "What's the matter?"
He lay beside him, holding a telescope as an observer. Zhou Xing, who assisted the sniper

to shoot, was also very puzzled.

While observing with a binoculars, he said: "It's probably because it's raining, so I want to hide from the rain?"

Cao Hua wondered: "Damn, just aim at him. If you give me one more second, I'll be fine. The shot was fired."

Zhou Xing said calmly: "It was windy just now, with a southeast wind of level five. It is very difficult to correct the bullet trajectory."

"Even if the shot was shot just now, it may not be able to kill the target with one shot."

"They are now. Hiding behind the Snow White giant eagle, there can't stop the rain, but wind at best."

"I guess they will come out from behind the statue soon. Wait patiently and try to get it done with one shot."

Cao Hua lay on the ground, slowly His mobile sniper rifle was aimed at the Snow White giant vulture, while humming the hunting folk rumors in a low voice, while squinting his eyes, he was ready to shoot and kill the prey that appeared in his field of vision. Song Pingting was suddenly pulled behind the Snow White giant eagle by Yash Nics. She asked with all her doubts: "What's wrong?" Yash Nics said flatly, "It seems that someone is sneaking at us." Song Pingting immediately Thinking of her uncle being kidnapped two days ago, her pretty face showed a worried expression: "

Could it be that someone wants to disadvantage us?" Yash Nics said flatly, "It's okay, I'll take care of it."

Yash Nics took out his mobile phone and called Dianchu, "I'm in Zhushan Amusement Park, and something is wrong ." Dianchu was taken aback when he heard this: "I'll lead the team over immediately."

Yash Nics: "Don't say anything, lest you startle the snake."
"Yes" Dian Chu said, "Today is the third and seventh of the eight tiger guards of the guard, responsible for secretly protecting your daughter, the youngest marshal ." "The third and seventh are in the Zhushan Amusement Park. I immediately order They acted, and I led the team to arrive."
Yash Nics: "Good!"
The highest point of Zhushan, in the pavilion.
The two mercenary sniper team Cao Hua and Zhou Xing were frowning, staring at the huge Snow White statue on the playground down the mountain with a scope and binoculars.
Cao Hua wondered and said: "Why are they hiding behind the statue? They haven't found us yet?"
Zhou Xing flatly denied: "Impossible, how could he discover our existence?"
Cao Hua felt right, but He saw that Yash Nics hadn't appeared in his sniper field for a long time, and he also began to be a little impetuous, and said, "Or, let's change the sniper position."
Zhou Xing just wanted to answer, but an indifferent voice came from behind them: "No need!"
Someone behind!

Both Cao Hua and Zhou Xing were taken aback. They were well-trained mercenaries and were extremely alert.
But now someone unexpectedly came behind them!
Both were dead souls, Zhou Xing drew the pistol from his waist without hesitation, turned and pointed behind him.
Cao Hua also gave a low shout, raised the light sniper rifle, and aimed behind him.
However, as soon as they turned around, their throats were cut cleanly with a military

dagger.

The two of them were like roosters whose necks had been wiped off, with blood pouring from their throats, and they fell weakly.

The two fell to the ground, the vitality in their eyes quickly disappeared. The two of them opened their eyes wide and stared at the upright Chinese man standing in front of them.

This Chinese man is no one else, but Aqi among Yash Nics's eight tiger guards.

The One and The Only Chapter 163

Ah Qi raised the sniper rifle on the ground to control this commanding height.

Wow, another figure appeared beside Ah Qi.

It's another Eight Tiger Guards, the third.

The third child looked at the two corpses on the ground, and then said to Ah Qi: "I searched it again. In Zhushan Amusement Park, no other suspicious killers were found for the time being."

Ah Qi: "Then send a message to the marshal and tell him that the danger is already there.

Release?" As

soon as Ah Qi's voice fell, the phone rang on a corpse on the ground.

The third child turned over the phone from the body and looked at the phone that was

calling. Instead of answering the call, he raised his head and looked at Ah Qi.

Ah Qi frowned: "It seems that the two killers still have companions!" The third child: "Report the marshal immediately!"

Yash Nics soon received a message from the third of Bahuwei: The danger is temporarily

relieved, but the enemy There are accomplices, please don't leave the amusement park for

the time being, the subordinates provide sniper support and protection at any time.

Yash Nics read the text message on the phone to see if the rain had fallen.

He smiled slightly at Song Pingting and his daughter: "It's okay, let's go to the amusement park restaurant in front of us, let's hide from the rain temporarily, and wait until the rain stops before leaving."

Outside Zhushan amusement park, on the street, there are seven or eight dilapidated vehicles Van.

Killing Yulang and his 28 wolf pack mercenaries, all holding weapons and hiding in the car.

Two plans were prepared to kill Yulang and Yash Nics.

The first plan is to send a sniper team to kill Yash Nics in the playground with minimal cost.

The second plan is to kill Yulang with his team of mercenaries directly into the amusement park and kill Yash Nics.

Then took advantage of the rainy night to cover, and then evacuated under Xu Jingming's response.

But now there is no news, and even he impatiently calls the two snipers, but no one answers.

Wohuo kill Jade Wolf said: "Cao Zhou Xing Hua with two bastards, in the end what do not care, carried out the second program immediately, Huaxia this place, we should not stay mercenaries must be a quick fix?."

Just Sha Yulang ordered his subordinates to check the guns and ammunition, when preparing to implement the second set of plans.

Several humble container trucks are driving into Zhushan Amusement Park.

In the containers of several transport vehicles, there are rows of elite soldiers of the Raptor

Special Forces, heavily armed and loaded with guns.

There was a rumbling, a thunderous thunder, and heavy rain fell like a splash.

On the square of Zhushan Amusement Park, five container trucks spread out.

In the compartment of each car, there was a platoon of Raptors special forces God of War sitting expressionlessly.

In the five container trucks, there are a total of five platoons of soldiers, adding up to a total of more than two hundred people, the entire size of a strengthened company!

It's raining, hula la la.

Five container trucks were quietly parked in the square, and the soldiers did not get off the car, but were waiting for the commander's order.

However, the electronic information technology soldiers in each platoon were acting quietly.

Each vehicle is equipped with thermal imaging and various wartime electronic equipment.

At this time, not only all the communication equipment signals of the entire Zhushan

Amusement Park are monitored.

Moreover, the trajectories of all people within two kilometers of the surrounding area are all mastered by thermal imaging equipment.

In other words, no matter someone uses any communication equipment here, or someone walks within a radius of two kilometers, the Raptors special soldiers in the vehicle are all aware of it.

In the restaurant in the amusement park, there were a few tourists who did not leave in time and were trapped by heavy rain.

Yash Nics, Song Pingting and Song Qingqing were eating hamburgers and Orleans grilled wings.

Yash Nics looked out the window and vaguely saw that there were seven or eight vans roaring in the rain.

Several vans stopped in the middle of Zhushan Amusement Park, and a strong Southeast

Asian man got out of the car first. It was the captain of the wolf pack mercenary, killing the jade wolf!

The One and The Only Chapter 164

Killing Jade Wolf is called Killing Wolf in China.

28 members of the mercenaries got out of the car one after another, braving the rain to stand beside the killing jade wolf.

Most of them are equipped with pistols and daggers only, and only a few are equipped with submachine guns.

When wolves mercenaries perform missions in Southeast Asia on weekdays, their equipment is very luxurious, and all kinds of armored combat vehicles and even helicopters will be dispatched.

But this is China, a hell of mercenaries.

It is not easy to get a large number of advanced weapons and equipment in China in a short period of time.

In addition, in the eyes of Killing Yulang, Yash Nics is just an ordinary person, and there is no need to spend a lot of money to get too many good equipment in China. Everyone is equipped with pistols, daggers, and a few submachine guns, enough for this task.

Killing Yulang wiped the rain off his face with his backhand, and said viciously: "Yash Nics's

car did not come out of the playground. He must still be here."

"All of you will be divided into two groups. You must spread out to find.

Find him within 15

minutes and kill him!"

"Yes!"

28 mercenaries responded in unison, preparing to disperse.

But at this moment, the five inconspicuous container trucks around the square suddenly

swayed, and countless dense figures of soldiers appeared. Cha Nai, the deputy who killed Jade Wolf, exclaimed: "No, we are in ambush. There are a large number of Chinese soldiers here!" Cha Nai said, he took the submachine gun in his hand, and wanted to be the first to attack the large number of fierce people around. Long special soldiers shoot. But at this time, hundreds of meters away, there was a sniper rifle from the Zhushan pavilion. With a bang, the bullet coming from howling directly killed Cha Nai on the spot. Moreover, the huge impact carried by the sniper rifle's bullets also carried Cha Nao's body seven or eight meters away. "There are snipers!" The mercenaries of the wolves couldn't help but scream.

At this time, Dian Chu had commanded more than two hundred special raptor soldiers to completely surround the Jade Wolf gang. Dian Chu said coldly: "Let down your weapons and surrender, otherwise you will kill without mercy!" As soon as Dian Chu's voice fell, there was a special soldier translator, speaking loudly in Thai, Vietnamese and Chinese, all facing the besieged Shayu. The wolf and others roared again. The wolves mercenaries, looking at the black and crushing Chinese special fighters around, all tensed, and tremblingly asked to kill the jade wolf: "Captain, what shall we do, is it a bloody road?" There was a thunderous thunder. Exploded overhead. After lightning, Killing Yulang saw clearly that there were more than two hundred special fighters with submachine guns around him, and he even noticed the sleeve badge on a soldier's sleeve.

The upper half of the sleeve badge is embroidered with the red word North, and the lower half is embroidered with the ferocious dragon. Killing Jade Wolf was horrified to find that this was not an ordinary Chinese unit, but it was the Raptors special forces unit from the North China Army! At first, he was hesitant to fight to the death, trying to kill the jade wolf who was under the siege, and his face instantly became ashes. The prestige of the Huaxia Northern Army is well known all over the world. The Raptors Special Forces in the Northern Army are even more of the trump cards in the Northern Territory. Killing the wolf scolded Xu Jingming's ancestor for the eighteenth generation, and said that Yash Nics was an ordinary person, who could dispatch the Raptors Special Forces. Is this an ordinary person? I lifted the lid of your fairy grandma's coffin!

Killing the wolf knows that they have turned a lot of cases and are notorious in the world. If they fall into the hands of the Chinese army, they will definitely have no good end. He roared: "Kill, make a bloody road." After speaking, he raised the submachine gun, wanting to fire first. However, he had just given birth to a heart of resistance, and had just made a move, Ah Qi on the top of Zhushan had already pulled the trigger again, and with a bang, killed Jade Wolf on the spot. Almost at the same time, Dian Chu also ordered: "Shoot!" The One and The Only Chapter 165 Bang?more than two hundred Raptors special fighters fired at the same time. However, each person only fired one shot, and two hundred shots were fired at the same time, resulting in a longer shot.

If you don't listen carefully, you will mistake it for a thunder.
Although the two hundred Raptors only fired one shot, the more than 20
men who killed
Jade Wolf at the scene all fell at the same time.
Everyone was shot several times in the body and was killed in the end.
These wolves mercenaries were all killed on the spot without firing a
single shot.
Dian Chu said indifferently: "If you violate China, you must be
punishable."
"Clean up the battlefield, and then quickly evacuate. Don't disturb the
marshal and nearby
residents!"

Raptors special soldiers said together: "Yes!"
Soon, the corpses of the mercenaries such as Killing Yulang were all
dragged away.
The blood on the ground was also washed away by the heavy rain.
Dian Chu led his men and drove quickly to retreat, as if nothing had
happened in the rainy
night.
Yash Nics, who had just finished eating hamburgers and Orleans grilled
wings with his wife
and children, received Dian Chu's message: the danger is lifted and
everything is back to
normal.
Before long, the rain gradually decreased.
Yash Nics smiled and said to Song Pingting and Song Qingqing: "The rain
is getting
lighter, let's go home too." Song Qingqing cheered: "Okay, we can
finally go home."
Yash Nics drove and returned to Song Pingting and Song Qingqing.
Family.
Back at the door of Jiangbin Garden, Yash Nics asked Song Pingting to go
home first. He
had something to deal with.
Song Pingting didn't think too much, and went home with her daughter
first, and told Yash
Nics not to come back too late.
Yash Nics smiled and said, "Okay." After

Song Pingting's mother and daughter opened the door and entered the house, Yash Nics walked out of the community. At the gate of Jiangbin Garden, a black Big Ben and two jeeps were parked at this time. The person on the black rush is Dong Tianbao, and the people in the two jeeps are Dianchu and Bahuwei.

"Marshal!"

Dong Tianbao got out of the car together with Dianchu and Bahuwei, and said respectfully.

Yash Nics said indifferently: "Is it clear who hired the mercenaries?" Dian Chu

: "I've found out, it was Nanba Tian Xu Jingming who paid for the hire."

Yash Nics coldly

snorted, "I want to see him!"

Dian Chu Pao salute: "Yes, the subordinates will do it."

...

Bandung Clubhouse, in the luxurious box.

The lights were dim, and slow-shaking music was playing, and the champagne tower

flashed blurred lights on the lights.

Xu Jingming was kissing a young girl in his arms at this time. While pushing the young girl

on the sofa, he waved at the men in the box:

"Unless the jade wolf successfully kills Yash Nics and comes back to give me the good

news, otherwise If you don't, you can't come in and disturb you."

"Yes, boss!"

Yan Wang and several other men reverently withdrew, leaving the box for the boss to fight

with this third-tier female star.

Xu Jingming smirked and said to the beautiful young lady: "Hey, baby, I'm here."

He said, like a wolf pounding at a sheep, pounced on the beauty, a burst of wolves chewed,

and aroused the beauty's screams.

However, several fellows, Hades, just opened the door and went out.

Immediately, it was evil again, all stepping back from the door step by step.

Xu Jingming looked back and saw that Yan Wang's subordinates had retreated

unexpectedly. He had an unhappy expression on his face, and said angrily: "Didn't I let you out?" As

soon as his words fell, he found Yan Wang's subordinates retreating from the door. After

returning, another person walked in with a pistol and pointed at Hades' forehead. It was

actually Dong Tianbao.

Dong Tianbao was still with a group of men behind him. All of these men held a pistol in

their hands. A dozen pistols were pointed at Xu Jingming and Yan Wang.

Xu Jingming's face changed drastically, and he finally understood that the Yan Wangs were

forced to retreat with guns by Dong Tianbao and his party.

Dong Tianbao's eyes fell on Xu Jingming, and seeing Xu Jingming still pressed on a young

girl, the corners of his mouth rose slightly, and he said faintly: "Xu

Jingming, our young

master wants to see you."

The One and The Only Chapter 166

Dong Tianbao finished speaking, he looked at the woman on Xu Jingming and raised his

brows.

"Don't worry, you can go with us after you finish the cannon. Our young master is very

talkative, don't mind waiting for such a few minutes."

Xu Jingming got up from the Miaoling woman, and he looked at Dong Tianbao in fright and

anger. He said: "Dong Tianbao, you are so brave, do you know who I am?"

"I am one of the four courtyard pillars in the south of the Yangtze River, a disciple of the Zhu family!"

“The strength of the Zhu family in the south does not require me say more. Let me and my men walk out of this box now. I don’t believe you dare to do it.”

“If you dare to touch one of my hairs, I wish the Lord will destroy your family.” After

Xu Jingming finished speaking, he told Hades. Several subordinates winked and motioned

to them to walk out from here with him.

The Hells also felt that the backer behind them was the Zhu family, and Dong Tianbao didn’t dare to move the truth.

So followed Xu Jingming, reaching out to push Dong Tianbao and others, ready to leave strongly.

But Hades just about to reach out to push someone, Dong Tianbao’s men, did not hesitate to pull the trigger.

Bang, bang, bang... The

Hades were all beaten into blood sieves in an instant.

Xu Jingming’s face instantly turned pale, and the young girl not far away couldn’t help screaming.

Dong Tianbao hissed at the beauty, motioned for silence, and ordered: “You, I didn’t see anything.”

“Yes, yes, I didn’t see anything, I didn’t see...”

The woman finished in horror. He quickly covered his mouth.

Dong Tianbao looked at Xu Jingming with a gray face and calmly said, “Can I go now?”

Xu Jingming was sweaty, and looked at Dong Tianbao’s eyes full of fear. He couldn’t understand why these people are not afraid of Zhu’s family?

.....

Eastern suburbs, abandoned and ruined buildings.

Two nights ago, Xu Jingming sent someone to kidnap Song Zhongxiong to this place.

But the irony is that now he has been held hostage by Dong Tianbao and his party.

Yash Nics, Dianchu and Bahuwei have been waiting for a long time.

Dong Tianbao pushed Xu Jingming to Yash Nics and said respectfully:

“Master, I have brought Xu Jingming.”

Yash Nics looked at Dong Tianbao indifferently: “You are looking for mercenaries to kill me?”

Xu Jingming There was a storm in his heart, and since Yash Nics was all right, the

mercenaries who killed the Jade Wolf must have been horrible.

He couldn't figure out why the mercenaries who killed the Jade Wolf didn't kill Yash Nics.

Instead, Yash Nics killed him, causing him to fall into Yash Nics's hands now.

He knew that since Yash Nics came to him, there must be full evidence, and there is only a dead end to denial.

So he threw a plop, knelt in front of Yash Nics, and begged for mercy in a trembling voice:

“Mr. Chen, I was wrong. Lord Zhu ordered me to trouble you.”

“I'm just a pawn, please see. For the sake of not causing a catastrophe, please spare my life.”

“I promise you to get out of Mannity immediately, and never dare to step into Mannity again.”

Yash Nics said lightly, “Okay, let's go!”

Xu Jingming opened his eyes wide when he heard this, but didn't expect Yash Nics to really let him go?

However, Yash Nics said that if he let him go, he naturally had no reason to leave, so he quickly thanked him, and then got up and ran.

He slipped out of the waste and came to the highway when a taxi came over.

He hurriedly stopped the taxi, opened the door and sat down in the back seat, and then told

the driver: "Go to Mannity Airport, thank you."

After he finished speaking, he took a long breath and looked out the window and muttered

to himself: "Fucking, Yash Nics and Dong Tianbao, you two are cruel enough. When I escape

from Mannity, I will report to Master Zhu, and then I will settle accounts with you. . Sooner or

later I will kill your whole family to solve my hatred."

Suddenly, Xu Jingming discovered that something was wrong, and the driver did not drive.

He looked at the driver suspiciously: "Hey, you..."

The One and The Only Chapter 167

he finished speaking, the driver had pointed a gun at him.

The driver is Dong Tianbao's capable man, Shi Qing.

Shi Qing pointed at Xu Jingming with a gun, and said with a sneer: "I heard that you want to

kill our young master and brother Bao and the whole family after you were born?"

Xu Jingming opened his eyes wide and looked at Shi Qing, unable to tell for a long time.

Words come.

At this time, the motorcade of Yash Nics, Dong Tianbao, Dian Chu and others had slowly

driven out of the abandoned building.

When Yash Nics's car passed by, it stopped.

When the window fell, Yash Nics looked at Xu Jingming, who was desperate in the taxi

opposite, and said faintly: "Look, I gave you a chance to survive, but you are not sure of it. I

will advise you to be kind in the next life."

Yash Nics finished. , Raised the window, and at the same time ordered the driving Dian Chu:

"Let's go."

Yash Nics's motorcade left quickly.

Not long after driving, I heard a gunshot from the taxi behind.

Through the rearview mirror, Yash Nics vaguely saw that Shi Qing was dragging Xu Jingming's body from the taxi in the moonlight, preparing to put it in the trunk.

Dian Chu asked respectfully as he drove, "Master, it seems that Zhu's family is doing a ghost behind his back. Do you want to beat Zhu's family?" Yash Nics calmly said, "Let's take a look first, if Zhu's family doesn't absorb it yet. Lessons, if you continue to die, I don't mind smoothing out their entire family."

...

At this time!

Tianhai Hospital, VIP inpatient department.

In the best ward, Zhu Jiuling was lying on the bed blankly.

His parents Zhu Fenghua and Qin Haili were looking at him distressedly.

Zhu Fenghua indignant, said: "... South Tyrant Xu Jingming this guy turned out to be a

fictitious grandfather let him kill you with Yash Nics Dong Tianbao, I did not think he should be to kill Dong Tianbao"

"But you Jiuling Don't worry, we wish your family's connections all over the South, and your grandpa said he would send a reliable person to revenge you again."

Zhu Jiuling, wearing a white medical gown, finally spoke, his voice is not as loud and

powerful as the male voice of the past, but instead Become a bit feminine and sharp.

He said coldly: "Dad, you tell grandpa, I will take revenge myself."

Zhu Fenghua was stunned when he heard this, and Qin Haili couldn't help but persuade:

"Jiuling, why bother to follow suit in person. What about those barefoot lunatics fighting?"

Zhu Fenghua also persuaded: "Yes, let your grandfather find a reliable person and kill Yash Nics and Dong Tianbao."

Zhu Jiuling's eyes were as vicious as a snake, and he was hoarse. He said: "If you don't take

revenge yourself, what's the difference with Jinyi Yexing?" "I want to torture Yash Nics with my own hands. I want him to survive, but I want him to die. I want him to watch his bitch wife get killed by thousands of people. Ride thousands of people!" Seeing their son's emotions, Zhu Fenghua and his wife quickly persuaded: "Well, well, everything is according to Jiuling's wishes. Let's go back and let Grandpa leave Yash Nics first, and wait for two. You will be discharged from the hospital, and you will kill him yourself."

...

Time flies, two months have passed without knowing it. Mannity Song family, Song Qingsong and others have been secretly worried that the Zhu family will continue to look for their family's moldiness. Song Qingsong took care of Song Zhongbin's subsidiary, Tianzi Company, which was once dedicated to the Zhu family. The picture is to use Song Zhongbin's family to resist the revenge anger of Zhu's family. However, it has been two months since Song Zhongbin took over Tianzi Company. Except that the Zhu family dispatched Xu Jingming to make a fuss at the beginning, there was no more movement. This night, Song Qingsong called his eldest son Song Zhongxiong and his third son Song Zhongping to the study and discussed taking back the Tianzi Company.

Song Zhongxiong and Song Zhongping heard that their father wanted to take back the Tianzi Company, and they both agreed. Song Zhongxiong said with a sneer: "Dad, it seems that the Zhu family doesn't remember the villain, and doesn't really mean to settle accounts with us. Since the Zhu family doesn't

come to trouble us, then why should we manage Tianzi Company to the second brother? ? ”

Song Zhongping also said:” Yes, a brother they have no value, Tianzi company can take back from the hands of brother. ”

Song Qingsong his eyes, said:” well, tomorrow I will take Group As the chairman of the board, remove Zhong Bin’s position and re-administer Tianzi Company to Ge Meili.”

The One and The Only Chapter 168

next day, Song Zhongbin came to the company with great enthusiasm as usual.

But as soon as he arrived at the office, Ge Meili brought a group of company executives with a letter of removal from the group chairman.

Ge Meili sneered and handed the removal letter to Song Zhongbin:

“Second Uncle, you have been dismissed by the old man. From now on, you are no longer the general manager of Tianzi Company. Pack your things and go.”

Song Zhongbin looked at the removal letter. Dumbfounded on the spot. After a while, he came back to his senses, and he said emotionally: “This is not true. My dad praised me not long ago that I did a good job. Why did he suddenly dismiss me?”

He finished speaking and took out immediately. Cell phone, called his father Song Qingsong.

Soon the call was made. Song Qingsong lazily said, “Zhong Bin, Meimei has been in charge of Tianzi Company for a long time, and she is still good at clothing sales. After thinking about it, I feel that she is still the general manager of Tianzi Company. Appropriate.”

Song Zhongbin said in disbelief, “Dad, but I...”

Song Qingsong said displeasely: “Zhong Bin, you can’t be too selfish, you have to look at the overall situation.”

Song Zhongbin said in a low voice with a sad expression on his face . Said:
“Dad, I know. I

will hand over the Tianzi Company to Ge Meili according to your
request.”

Song Qingsong said with satisfaction: “Very good!”

Song Zhongbin hung up the phone and packed his personal belongings,
dingy. Holding the
cardboard box, Tianzi left the company in embarrassment under the
guidance of countless
employees of Tianzi Company.

Back home, Ma Xiaoli was watching TV with Song Qingqing.

Ma Xiaoli saw her husband coming back in despair, hurriedly greeted her,
and asked in

amazement, “Zhongbin, aren’t you going to work, what’s the matter?”

Song Zhongbin smiled miserably, and then told his wife what happened.

After listening to Ma Xiaoli, she trembled with anger: “I said they were
uneasy and kind. They

must have been afraid that the Zhu family would send someone to take
over the Tianzi

company. They didn’t dare to fight against the Zhu family, so they
managed the Tianzi

company for you. ”

Now that Yash Nics has chased away the troublemakers from Zhu’s
family, they

immediately unloaded the grind and killed the donkey, and dismissed
you from your

position. Damn it!”

Yash Nics and Song Pingting came back for lunch at noon.

See Song Pingting. My father didn’t keep the house today, so he asked
what was going on.

Ma Xiaoli didn’t hide it, and told Yash Nics and Song Pingting the matter.

Yash Nics felt angry when he heard that, the Song family members, after
using his

father-in-law, ruthlessly kicked his father-in-law away.

Song Pingting counseled: “Dad, don’t care, since grandpa and they are
not sincere and

sincere to hand over the Tianzi Company to you, then let’s not do it.”

Yash Nics also said, "Yes, tomorrow is your 50th birthday, Dad. . Xiaoting and I have already booked the Peony Room at the Zijinge Hotel, ready to set up dozens of tables for you to celebrate your fiftieth birthday."

Song Zhongbin said gratifiedly: "Okay, good intentions."

Song Zhongbin has rarely seen it before. Birthday, but the fifty-year-old birthday is no better than an ordinary birthday.

He also wanted to set up a banquet this time and invite all his relatives and friends to make it lively.

Let everyone know that he, the second master of the Song family, didn't mix that badly.

He heard that Yash Nics and Song Pingting had already booked a hotel, so in the afternoon

and evening, he was busy calling his relatives and friends, and asked everyone to go to the

Zijin Pavilion Peony Room for a banquet at noon tomorrow.

But when he called his eldest brother Song Zhongxiong, Song Zhongxiong actually smiled

and said: "Coincidentally, I also plan to celebrate my 55th birthday in the lotus room of

Zijinge Hotel tomorrow." Song Zhongbin was surprised: "Big Brother, isn't it three days

before your birthday arrives?"

Song Zhongxiong smiled and said: "Tomorrow is the weekend, so I plan to put the birthday

banquet wine a few days in advance. Otherwise, it is not a weekend, and the guests have to

go to work, so it is not convenient to come to the birthday banquet."

Song Zhongbin was dumbfounded and said to eat. "But we two brothers will have birthday

banquets at the same time or the birthday banquet in the same hotel.

What about relatives

and friends?" Song Zhongxiong grinned and said, "Although we are serving drinks in the

same hotel, you In the Peony Hall, I put them in the lotus hall.

They have nothing to do with each other.” “As for relatives and friends, they would like to drink in your peony hall or in my lotus hall, whatever they like, don’t you?”

Song Zhongbin had nothing but to hang up the phone, faintly worried.

The One and The Only Chapter 169

next day, Zijinge Hotel.

Song Zhongbin’s family and Song Zhongxiong’s family had a banquet in the Peony Room

and Lotus Room of the Zijinge Hotel.

Song Qingsong and Song Zhongping, a large group of Song family members, naturally all

went to Song Zhongxiong’s lotus room.

The relatives and friends who came one after another first came to Song Zhongbin to hand

over a small red envelope, and then ran to Song Zhongxiong with precious gifts.

Seeing the time before the banquet at 12 noon, Song Zhongxiong’s lotus room was full of

people, and people who came to celebrate the birthday were endless.

On the other hand, Song Zhongbin’s Peony Hall was deserted.

Apart from the hotel staff, Song Zhongbin and his wife, Yash Nics, Song Pingting, and Song

Qingqing, none of them were relatives, friends or guests.

Suddenly, a man in a suit came in. It was Song Zhongbin’s cousin, He Jiahao.

A rare guest appeared. Song Zhongbin took the family and hurried up to greet him. Song

Zhongbin said very politely: “Cousin, you are here.”

He Jiahao smiled and took out a red envelope, handed it over, and said, “Congratulations,

second cousin fifty. Dashou, come, this is my red envelope.”

Song Zhongbin handed the red envelope to Song Pingting to accept, and said affectionately:

“Cousin, it’s good to be here. Why are you so polite. Come and sit down first. Have a good

drink. By the way, why didn’t the younger sister-in-law come together?”

He Jiahao waved his hand and said not to sit down. He said a little apologetically: Well. I'm here to give a red envelope, and I'll be eating with my eldest cousin later, so you don't have to entertain me with my second cousin." After He Jiahao finished speaking, he left and went to Song Zhongxiong's side. Song Zhongbin couldn't stop calling. Song Zhongbin has experienced a lot of cold and warm feelings before. But today I had a birthday banquet with my eldest brother. The eldest brother is full of friends; he has no relatives or friends here. He finally realized that water is worse than soup without salt, and ghosts are worse than people without money. Song Zhongbin face shame, blame Ning Painting with Song said:. "? You see, what I say, do not tinker with predetermined birthday fifty tables, guests are now a no, people laugh at it." This At that time, the hotel manager next to him came over and asked in a low voice: "Mr. Song, there is still half an hour left before the banquet. How come you have not seen any of your guests? Can you still open the banquet on time for the fifty-table banquet you reserved?" Song Zhongbin looked at the strange gazes of the manager and the waiters, his face was fierce, he wanted to say that he could order the chef to cancel the banquet, and he would bear the loss. But when he just wanted to speak, Yash Nics had already taken the lead and said: "Of course the banquet will be held on time. You can arrange more waiters for me, otherwise you will be too busy to wait for too many guests." The hotel manager looked at the deserted Peony Hall. , Sneered, and snorted indifferently.

She feels that there are no customers coming, and there will be no more customers after waiting for half an hour. Yash Nics also brags that the waiters are too busy to come. What a joke!

Song Pingting was also very anxious, and whispered to Yash Nics: "My relatives and friends are all going to the uncle's place. No one is coming to Dad's banquet. What can I do?"

Ma Xiaoli also said, "Yes, we book I have 50 tables of wine and food, and now there are no guests at the table

, and I am embarrassed to go to my grandma's house." Yash Nics smiled and said, "It's okay,

I promise that after half an hour, all fifty tables will be full."

Song Pingting When one family heard this, they were all surprised and said: "Yash Nics,

don't you just go to the street and pull in passers-by or beggars to make up the count? If this

is the case, people will be even more laughed at."

Yash Nics smiled. Said: "Today is my dad's 50th birthday. How can he casually invite a

passerby to be a guest? Of course he must have some identity."

"Let's do this, I will call all the leaders of Mannity to wish my dad a birthday!"

The One and The Only Chapter 170

What, call all the leaders of Mannity?

Song Zhongbin's eyes looked at Yash Nics as if they were looking at a fool.

Song Zhongbin sighed and said, "Yash Nics, at this time, you don't brag anymore. You still

call the leaders of Mannity, why don't you call the city lord?"

Yash Nics naturally said, "Yes. , The leaders of the Mannity gang I mentioned, including

Shizun himself!" Song Zhongbin's family couldn't help rolling their eyes when they heard

this.

This Yash Nics, bragging not to be stubborn, all bragging to the sky.

...

On the second floor of the Zijinge Hotel, the Peony Hall is on the east and the Lotus Hall is on the west.

Compared with the desertedness of the Peony Hall, the Lotus Hall is full of people.

The relatives and friends of the Song family unanimously chose to attend Song

Zhongxiong's fifty-five-year-old birthday party, but none of them came to Song Zhongbin's

fifty-year-old birthday party.

If I had a better relationship with Song Zhongbin, I came over and gave me a small red envelope.

More people, like Song Zhongbin, went directly to Song Zhongxiong's birthday banquet.

Everyone knows that Song Zhongxiong takes care of all the affairs of the Song family, and

that Song Zhongxiong will be in charge of the future.

What is Song Zhongbin, a trash that even the Song family doesn't want to see.

Song Zhongxiong is now wearing a Baifu Tang suit, welcoming the guests one by one with a

bunch of family members.

Song Qingsong saw that many people came to celebrate his son's birthday. He was very

satisfied and felt that his son was still very well connected.

However, there are regrets.

Because these people who came to wish Song Zhongxiong's birthday were part of the

relatives of the Song family and part of the senior executives of the Rongda Group.

Some of them are business partners and social friends, but there are no distinguished

guests from political circles.

Of course Song Qingsong knows that if the business needs to be big, it won't work without political figures.

Therefore, when he saw that Song Zhongxiong's guests were all relatives and friends from the business community today, he sighed slightly.

Seeing his father sigh secretly, Song Zhongxiong couldn't help asking, "Dad, what's the matter?"

Song Qingsong whispered, "There are many relatives and friends who came to congratulate you today, but there is no political distinguished guest. Others have seen you. , Don't you think it doesn't matter if our Song family is in politics!" Song Zhongxiong was stunned when he heard the words, he looked at the scene.

Distinguished guests, just the few Rongda Group's business partners, apart from that, there are really no leading guests.

Song Haoming next to him suddenly said, "Grandpa, Dad, don't worry about this. I have had several dealings with Mr. Tang Rong, the secretary of the city hall. I can try and invite Mr.

Tang Rong to be our seat.

Grand guest." Song Qingsong, Song Zhongxiong and Song Zhongping all showed surprise

expressions when they heard the words.

Song Qingsong was overjoyed: "Xiao Ming, you actually have friendship with

Lord Shizun 's secretary, it's amazing ." Song Zhongxiong was also full of excitement:

"Quickly, quickly, you call Mr. Tang."

Song Zhongping also Said: "Yes, remember to be polite and sincere."

"Mr. Tang Rong is the secretary of the mayor, and he is also a confidant of the mayor.

Whether you are a business tycoon or a department leader, you have to be polite when you see Mr. Tang . " "

If I could, Mr. Tang Eng invited, that our family is really a long face. "

Song Haoming some pride, immediately took out the phone, very flattering tone, said today

is father's birthday, you want to please Don Secretary Come for a drink. Before long, he hung up the phone and smiled at Song Qingsong and the others: "Secretary

Tang said he would take a look first. He may not come here free, but if he is free, he will come back and sit for two minutes."

Song Qingsong and others nodded repeatedly and said: "Understanding, after all, Mr. Tang is

not an ordinary person. He is the secretary of the city veteran, so he can understand even if he has no time to come." Ge Meili walked over and

said to Song Qingsong: "Master, we have reserved fifty tables for a banquet, but now the

guests are already full. It is estimated that there will be a lot of guests coming. By then, our

lotus hall can't sit down, what should I do?"

Song Qingsong frowned slightly when he heard the words. , Said: "

Would you like to set up a few more tables in the corridor at the entrance of the lotus hall?"

Song Zhongxiong shook his head: "Dad, how can we let the guests eat in the corridor, how

rude!"

Ge Meili said, "I have a suggestion. Didn't the second uncle put wine in the Peony Hall

opposite? I just took a sneak peek. It was deserted and there weren't any guests."

"Or let's just go over and tell him and ask him to let the Peony Hall out and give it to us. The

guests are seated."

Song Zhongxiong heard it, his eyes brightened, and he said happily: "This is a good idea!"
