Chapter 1625 the hustle and bustle of Dongchang Lake

“You are not the same.”

“So, ladies, please come back.”

“This place is dangerous and it is definitely not the place where you young people should come.”

However, Ren ChuLeonard and Tian Xiuxiu said that the sky was broken. The security guard who was in charge of the martial law still did not let them in.

Ever since Mochizuki River talked and made a fight with Mark here, in order to cause unnecessary panic, the entire Dongchang Lake has been under martial law for a 100-meter radius.

Except for those in the martial arts and some powerful and powerful people, ordinary tourists and ordinary people are not allowed to enter.

Of course, maintaining stability is on the one hand, and on the other hand, it is also to protect them.

The sword has no eyes. If a big battle really breaks out on Dongchang Lake and there are too many onlookers, it is not a good thing.

Everyone in martial arts is better, and they are physically strong.

But ordinary people, if they are affected by energy, it will undoubtedly be unimaginable.

“Xiuxiu, I think we’d better forget it.”

“Since the Dongchang Lake scenic spot is now closed and does not receive tourists, we will cooperate.”

“It’s a big deal, come back another day.”

“They also take orders. Don’t make them embarrassed.”

At this moment, a soft and pleasant female voice heard beside her.

This woman with long hair and shawl, her face is gentle and pretty, and her elegant dress can hardly conceal her outstanding appearance and temperament.

She is also Leonard Chu and their classmates in college, and her name is He Yurou.

She lives in Edensberg. During this time, she happened to be visiting relatives in Denham, so she also came to enjoy the snow on the banks of Dongchang Lake.

Now encountering such a change, He Yurou did not show any dissatisfaction, but said empathetically.

Hearing He Yurou's words, Leonard Chu nodded: "Well, Xiuxiu, Yurou said it is right. Today, Dongchang Lake, there should be some activities held, since people will not let us in, then we too Don't embarrass them."

Leonard Chu echoed.

The others also nodded one after another, agreeing with He Yurou's words.

However, just when Leonard Chu and his party were preparing to return.

Phoo~ A wave of air swept away, and then a Maybach drove up and stopped steadily at the roadblock.

Afterwards, the car door opened and several women got out of the car immediately.

"Helen, is this Dongchang Lake?" "Martial law is all over, can we go in?"

"It's okay, just follow me."

After a brief conversation, the three of them walked towards the bank of Dongchang Lake.

Sad, Leonard Chu hadn't paid attention to them yet.

But when she heard Su Qian calling Helen Qiu's name, Leonard Chu was startled, and immediately looked over.

"Huh?" "Why did she come to Denham?" Leonard Chu was puzzled, but did not take the initiative to strike up a conversation.

After all, Leonard Chu now has nothing to do with the Qiu family.

He also had no reason to pay attention to this Helen Qiu.

However, Tian Xiuxiu and the others kindly reminded them: "Miss Sister, Dongchang Lake is closed and can't enter. If you are here to enjoy the snow, should you come again another day?" However, in the face of Tian Xiuxiu and their dissuasion, Helen Qiu, Susie and Qingtan, maybe they didn't hear it, and they walked past them directly.

Being so disregarded, Tian Xiuxiu and others were immediately angry: "Who is this?" "It's all about persuading, not to say thank you, just ignore people?" "Hmph, if you don't listen to good people, you will suffer."

"Wait. Let's be kicked out."

Tian Xiuxiu and the others immediately watched angrily, gleefully waiting for Helen Qiu and his party to be kicked out.

Chapter 1626 the daughter of the governor of Noirfork

However, to their surprise, after seeing them, the guard at the lake not only did not stop them, but instead greeted them respectfully and personally led them in.

“F*ck!” “What’s the situation?” “Who do you look down on?” Leonard Chu and others were impatient at the time.

A wife who was a son-in-law went in.

They are not qualified to enter?

Angrily, they walked over again, clamoring to enter Dongchang Lake.

“I said you guys, don’t toast or eat fine wine.”

“I said, Dongchang Lake is closed for ten days, and people are not allowed to stay inside!” The guard by the lake was a little impatient and even pushed himself. He Yurou, who was beside her, almost knocked her down.

“Presumptuous.”

“Who do you mean?” “Dogs look at low things.”

“Do you know, whose daughter is the girl in front of you?” At this time, a man in a white down jacket next to He Yurou The woman suddenly came out and said angrily at these security guards.

“Her father, but the current governor of Noirfork Province, He Lanshan!” “The entire Noirfork land is under the control of Yurou’s father.”

“A small Dongchang Lake, can’t enter?” “Xinxin, say this. What are you doing?” He Yurou pulled down the corner of the woman next to her and said in a low voice. She didn’t seem to want to show her background.

“What’s the matter?” “It’s noisy, and I can’t do a bit of shit, why should I support you?” The hustle and bustle here quickly attracted the attention of people around.

At this time, Ericson, Chen Ao, and Lei Lao San happened to pass by. After hearing the noise, Lei Lao San suddenly scolded.

“San Ye, don’t blame us, they have to go to Dongchang Lake.”

“Also, it is the daughter of the governor of Noirfork.”

The subordinates said in fear.

Ok?

“He Lanshan’s daughter?” Lei San was slightly taken aback.

Chen Ao frowned and looked over.

“Yurou, is it really you?” “Why didn’t you follow your dad in Edensberg, why did you run here?” After seeing He Yurou, Chen Ao was shocked and immediately asked in confusion.

Chen Ao is in charge of Jiang Hai, which inevitably overlaps with He Lan Mountain.

After many years of dealings, he became friends.

The family has often eaten together, and Chen Ao naturally knows He Yurou.

Seeing Chen Ao, He Yurou also hurriedly called Uncle Chen politely, and at the same time said softly: “Uncle Chen, my friend wants to walk along Dongchang Lake. Can you let me and my friend go in?” “We I promise, I won’t run around.”

He Yurou pleaded.

Chen Ao hesitated for a moment, then nodded and said: “Well, let’s go in.”

“However, remember, don’t get too close to the lake. Moreover, follow the people.”

“Otherwise, even if it’s me. It’s hard to guarantee your safety.”

“Hey, thank Uncle Chen.”

He Yurou was immediately happy to see Chen Ao nodding.

After a few minutes.

On the banks of Dongchang Lake, the water was shimmering and misty.

Leonard Chu and his party also entered the Dongchang Lake scenic spot as they wished.

“Yurou, thanks to you.”

“If it weren’t for you, we might not be able to get in at all.”

“It’s good to be born in a rich family.”

..... “Haha~” “Yes, Yurou, really Unexpectedly, you turned out to be the daughter of the governor of Noifork Province.”

“We have been classmates for four years, but I don’t know anything about it?” “It’s really a real person.”

At this time, everyone turned their eyes and said with emotion to He Yurou.

Leonard Chu's gaze at He Yurou was undoubtedly very different from before, full of coveting.

“Haha~” “Yeah, Yurou, I didn't expect that you turned out to be the daughter of Noirfork Province.”
