

Catch Me If You Love Me Chapter 163

When the voice fell, the air dropped to freezing point abruptly!

Zoey Gu looked at Liam Lu with a pale and uneasy face, and Liam Lu coldly squinted at the old lady.

The old lady snorted and looked at Liam Lu mockingly.

“Why, I’m afraid that I really died in Nandu, and I won’t have a chance to see your girl again?”

Zoey Gu stared at the old lady, clutching her heart tightly.

She is not a fool.

The old lady repeatedly mentioned “Zoey Gu” in front of Liam Lu, not accidentally.

Seeing Liam Lu pull his lips slightly, he straightened up and seemed to move.

Zoey Gu suddenly closed her eyes and inhaled, before turning her head to look at the old lady.

“Old lady!”

Zoey Gu raised the volume and immediately attracted everyone’s attention. She immediately leaned forward and pushed Tangshui towards the old lady like a fool.

“Sweet water is better to drink while it is hot. I made this myself. Would you like it?”

Liam Lu stood up for a while, raised his eyebrows and looked at her with interest.

The old lady narrowed her eyes and looked at her quietly for a long time before reaching out and picking up the spoon.

Seeing her scooping a spoon into her mouth, and then slowly swallowing it, Zoey Gu subconsciously breathed a sigh of relief.

But only for a moment, the old lady put down the spoon, looked at Liam Lu again, raised her eyebrows and asked coldly.

“Why, don’t want to drink?”

“If you don’t want to drink, then hand over the person who helps you relieve the drug. Even if you don’t want to, I still have a way to let her come out by herself.”

Liam Lu straightened his back and sat with a horrified face, and a bloodthirsty chill flashed in his eyes.

But it was only a moment, his gaze swept over Zoey Gu beside him, still pressed his lips tightly, and raised his hand toward the tablet on the table...

“and many more!”

Zoey Gu suddenly said, leaning forward abruptly, raising his hand and patting off what was in Liam Lu’s hand!

Snapped...

White pills spilled all over the floor.

Liam Lu raised his eyes sharply, facing Zoey Gu’s resolute touch, suddenly remembering the phrase she said “I don’t want you to be controlled by the old lady anymore,” and his brows wrinkled fiercely.

The old lady on the side raised her cane and slammed it on the floor.

“@ssh0le!”

“What are you, who gave you the qualifications to be presumptuous in front of me?!”

Zoey Gu pursed her lips, unconsciously straightened his back, and stepped towards Liam Lu to stand.

“Old lady, I am the Zoey Gu who forced Liam Lu back to the Lu family.”

When the words fell, Liam Lu beside him suddenly got cold, kicked off the chair and stood up, and whispered coldly.

“What are you fooling around?”

He strode to her side, almost subconsciously shielding her in his arms, and his fetters made a sharp, harsh sound.

Zoey Gu felt more and more congested, and felt unspeakably distressed.

“Liam, you didn’t do anything wrong, there is no need to suffer this way for me again.”

She raised her hand and gently held Liam Lu’s hand, turned her head to look at the old lady, there was endless irony in her words.

“Seriously, growing up like this, this is the first time I have seen my grandmother giving medicine to my grandson. Liam, is she really your grandmother?”

“Zoey!”

“You bastard!”

The old lady was so angry that she raised her crutches heavily again and stood up directly, “You are so...”

The old lady was about to attack Zoey Gu.

In the next second, she suddenly frowned, lost the crutch in her hand and raised his hand to cover his stomach.

The butler next to her changed his face immediately.

“Old lady, what’s wrong with you?!”

Even Liam Lu frowned suddenly and moved forward.

As soon as he turned around, he was held back by Zoey Gu by his side.
