Chapter 1632

"I'm here." Xu Zeyan's gentle voice came suddenly.

At the same time, he also saw the howling woman.

The woman is probably in her fifties, about the same age as Shu's mother, with a wrinkled face and black and white hair. The woman's clothes were ragged, and her hair was in lumps, and her face was so dirty that she couldn't tell whether her hair was black or white.

"Do you have anything to do with me?" At first glance, Xu Zeyan thought that the middle-aged and elderly person had mental problems, but even when dealing with mentally ill people, he had respect and patience.

However, what Xu Zeyan didn't expect was that the old man stopped crying immediately, she sat on the ground and moved to Xu Zeyan, looked up at Xu Zeyan: "Mr. Xu, it's like this, I... just got hit when I was young. It happened once, so I lost my memory intermittently, and then I slowly recovered, but I couldn't find my own home."

"I lost my ID too, but I'm not stupid."

"They want to bathe me and send me to a mental hospital. I know that they take me in and bathe me with good intentions, but I'm not stupid and my spirit is fine."

"I just want a decent job, and when I've been working for a while, I've saved some money, and I'll go back to my hometown."

“I just want a job, even if it’s street sweeping.”

Xu Zeyan: “...”

“My requirements are very low, Mr. Xu, who is not too high, you are a good person who does good deeds, please help me, I don’t want to be circled as a patient, I just want to clean the toilet, clean the toilet, and be self-sufficient. That’s it.”

Seeing the pleading appearance of the aunt in front of him, Xu Zeyan thought of Mama Shu.

By the time he was able to stand up and return to Nancheng, Mother Shu already had a home and was already very respectable, but Xu Zeyan knew all about the fact that Mother Shu had been wandering for seven or eight years.

After so many years, when many people see Mama Shu, they may think that Mama Shu is a neurotic, right?

He can understand the pain and needs of the aunt in front of him.

Xu Zeyan immediately said gently: “Auntie, I understand you, so you still have to take a bath and then I will accompany you to the hospital to check, if you can really work normally, I will arrange a job for you, okay? ?”

“Hey! Hey, good Mr. Xu, find me the cheapest bathtub, I can wash it myself.” The old man said gratefully.

“Auntie, let me take a bath for you, so that you can rub it clean.” At this time, Chu Tiantian, who was next to Xu Zeyan, said with a smile.

Aunt: “Little girl, you...”

She saw the little girl in front of her in her early twenties, dressed neatly and neatly, with a sunny face, very foreign.

How could such a girl take a bath for an old woman like her, the old aunt immediately shook her head: “No no no, child, I... I will stain you.”

“It’s okay, Auntie!” Chu Tiantian looked at Xu Zeyan: “This is...my boyfriend.”

“My boyfriend is very keen to help people, I just like my boyfriend’s advantages in this aspect, I like him, and what my boyfriend likes to do, I naturally like it, after all... .”

After a pause, Chu Tiantian blushed and said, “In the future, I want to marry my husband and follow my husband!”

After some words, the old aunt thinks this little girl is really nice.

Xu Zeyan was also very touched.

The little girl is clean, sunny and pure in mind.

Really nice.

No wonder the fourth brother had to introduce him.

The fourth brother’s way of looking at people is still very poisonous.

His affection for Chu Tiantian couldn’t help but deepen.

When Xu Zeyan and Chu Tiantian were on their first date, they both worked together to help an aunt take a bath, did a physical examination, and determined that there was no problem, and then found a job for that aunt.

It took my aunt only one month to save enough money to find a home.

A month later, my aunt made a special call to thank Xu Zeyan.

Xu Zeyan happened to be dating Chu Tiantian.

In a month’s time, the two have become very familiar with each other, and they have dated ten or eight times.

However, almost all Chu Tiantian took the initiative.

Chapter 1633

But the little girl wasn’t embarrassed at all.

Xu Zeyan is a mature man in his thirties, who has experienced ups and downs again. He is introverted and tolerant. Chu Tiantian understands this, so even if Xu Zeyan never took the initiative to ask her out, she doesn't care.

Anyway, for every date, he took the initiative to pay for the bill, and he would greet her with greetings, buy her a lot of gifts, and take good care of her.

The only thing that made Chu Tiantian embarrassed to say is that he never touched her.

The two are ten years apart.

Maybe Xu Zeyan's thinking is backward?

He always felt that before he had a word with a girl, it would be inauthentic to destroy other girls.

he can not.

Therefore, he has always held the bottom line that a man should have.

It's really bad girl.

However, she could only be in a hurry, instead she liked this reserved man more and more.

Anyway, don't worry, just make sure he likes you.

Anyway, she knew that he was by no means a casual man.

When the two were eating western food together, Xu Zeyan received a call from his aunt, who wanted to thank them in person, but did not know where to find them.

Xu Zeyan immediately said, "Auntie, let's go find you now."

After all, the aunt has to take a bus and a special car when she goes out, so it is better for them to go there.

Before the western food was ordered, Xu Zeyan drove Chu Tiantian to the old aunt. The old aunt was more radiant than a month ago. When she saw Xu Zeyan, she cried with joy: "Mr. Xu, I saved this month. Eight hundred dollars, I have enough money for the journey home, I want to go back to my hometown,

Before I left, I bought you fruit. "

Xu Zeyan took out 10,000 yuan from the car and handed it to his aunt: "Auntie, don't be too busy to thank me, go back to your hometown first, wait for your hometown to settle down, then come out to work, and then buy me fruit, I guess you The 800 yuan is only enough for the fare, you always have to bring some money when you go back to your hometown, you can take this money."

The aunt declined in a sincere and fearful manner: "No, no, no, how can I ask for your money, I..."

"Take it, Auntie." Chu Tiantian said, "it's the same when you earn money and then give it back to us. You haven't returned to your hometown for so many years, so you can't be out of money in addition to tolls, then you're thinking about coming. Nancheng works, where can I get money?"

The aunt thought about it too, so she didn't refuse.

The two took their aunt to the train station together, bought tickets, bought snacks, found the carriage, put them on the train, and found a seat, all of which were handled by Chu Tiantian alone.

Seeing such a capable little girl, Xu Zeyan suddenly wanted to marry her home quickly.

He should have a home.

can not wait.

After the aunt's affairs were settled, Xu Zeyan asked Chu Tiantian, "Are you hungry?"

After all, I haven't eaten lunch, and it is now four o'clock in the afternoon.

Chu Tiantian touched her stomach and said coquettishly, “Well, you have to treat me to dinner twice this afternoon!”

Xu Zeyan said with a gentle smile: “Let’s go, I’ll take you to a place.”

Chu Tiantian: “Where?”

“You’ll know where you are.”

An hour later, the two had arrived outside Suzi’s house.

Ring the doorbell and the door opens.

“Uncle!” Shen Weiyi shouted suddenly in surprise.

Immediately afterwards, she saw the beautiful woman behind her uncle again, and Shen Weiyi’s expression suddenly changed: “Why are you! What are you doing at my house!”

Chapter 1634

Chu Tiantian did not expect that Xu Zeyan would bring her to the home of the president of the Fu Group.

It was her turn to have such an honor.

It’s just that she didn’t expect it. The little queen of the Fu Group would not like to see her.

Chu Tiantian smiled awkwardly: "Hello little princess, my name is Chu Tiantian, and I'm your uncle's girlfriend."

Shen Weiyi rolled his eyes: "Come in!"

Xu Zeyan was also embarrassed at first, he couldn't help scolding Shen Weiyi: "The only one, don't be rude!"

Shen Weiyi nodded, very obediently: "I know!"

Then he smiled at Chu Tiantian: "Hello, sister."

Chu Tiantian also laughed dryly.

Then followed Xu Zeyan into the entrance.

Here is the big flat.

The size of the living room was frightening, making Chu Tiantian feel dazzled.

Chu Tiantian couldn't help being a little timid, but when she actually walked into the living room and saw two people sitting in the living room, when one of the little girls was about his age, Chu Tiantian relaxed.

"Hi, hello." She greeted generously.

Xu Zeyan also saw Chu Tianling and Pan Mingsai.

"Ze Yan!" Chu Tianling stood up immediately: "You are here too!"

Xu Zeyan smiled warmly: "Lao Ling, I haven't seen you for a long time, it's been a few months, what are you busy with?"

Chu Tianling was also very emotional: "Lao Xu, I didn't expect you to call me Lao Ling, I thought you didn't want to be my friend anymore, just occasionally want to know your news, it's also from my brother, I didn't expect Today at my brother's place, I can meet you."

Chu Tianling never had the chance to come to Suzi and Arron.

The main reason is that he will be embarrassed to see Suzi. In fact, Suzi has nothing to do, not to mention that she is Suzi's life-saving benefactor, Suzi is grateful to him.

However, Chu Tianling rarely came.

He has also been very busy lately.

The Chu Group was managed by him with great success.

Not only that, but Pan Mingsai, who was by his side, also worked very hard. She ranked first among the 400 students in the high school resumed class.

Thinking that when she first entered the high-level resumption class, she was almost at the bottom of the last place.

Today happened to be the weekend, because Shen Weiyi suddenly wanted to play with Pan Mingsai. Shen Weiyi asked his father to call Chu Tianling on his own initiative, and Chu Tianling came over.

Shen's only child likes to play with Pan Mingsai the most.

And he listened to Pan Mingsai's words very much.

When opening the door for Xu Zeyan, the two were playing a small game.

Seeing someone coming, Pan Mingsai was also polite: "Hello...you are so beautiful."

She would say this whenever she met a girl. In fact, most girls were prettier than Pan Mingsai.

"What, sister Mingsai, you are the most beautiful, she is not as beautiful as you!" Shen Weiyi immediately corrected.

Pan Mingsai + Chu Tiantian: "..."

The two girls were embarrassed.

In fact, anyone with raised eyes can see that Chu Tiantian is more than ten times more beautiful than Pan Mingsai?

But fortunately, Chu Tiantian was generous, she didn't care at all, she just smiled: "Well, your little sister is very beautiful."

Soon, the three girls were playing together.

It is also very harmonious.

Shen Weiyi, the shrewd little sister Mingsai for a while, and Sister Tiantian kept shouting for a while.

Here Chu Tianling, Xu Zeyan and Arron are chatting together.

Chapter 1635

Home, company, development direction.

In the kitchen, Suzi and several domestic servants were busy.

Now that Suzi is five months pregnant, the fetus is much more stable than before. She also walks around appropriately and helps a little.

Seeing the busyness in the kitchen and the liveliness in the living room warmed her heart.

Especially seeing that Xu Zeyan has a girl he likes, it makes Suzi less of a big heart.

Xu Zeyan is a relative.

And mother, and only, and the same relatives as Shaoqin.

His happiness is especially important to Suzi.

When helping in the kitchen, Suzi couldn't help but ask several domestic helpers.

"Sister Tian, what do you think of this girl Tiantian?"

Sister Tian said with a smile: "I watched the little girl be the aunt for the only one, okay!"

Sister-in-law Li also looked at Chu Tiantian and smiled: "Nowadays, there are really not many young girls who are so sensible."

“However, I think that Miss Pan, although she doesn’t look very good-looking, she is also a true person. She is very attractive and very quiet.”

Suzi nodded immediately: “Yes, both girls are good girls.”

Looking at Chu Tiantian and Pan Mingsai, she couldn’t help but smile and sigh: “I’m really relieved that they both have girls they like, otherwise, my heart will always be over 100 million. Yes, now that it’s done, I can rest assured.”

This dinner, all four guests ate at Suzi’s house.

During the meal, Chu Tianling couldn’t help but said to Arron: “Fourth brother, take your sister-in-law and the only one back to see my grandma, grandma is a good person, she is getting more and more confused now. , who knows how long he will live?”

“You just don’t want to hang out with your uncle and aunt, so you have to go and see my grandma.” Chu Tianling said very sincerely.

Arron said with a faint smile: “You boy! Now you are getting more sensible and filial. I will go back because of your caution. I didn’t take Suzi and Wei Wei to the old house before because Suzi’s fetus was unstable. Now that she has had a shot in the month, and the fetus is stable, I will take them back when I find time.”

“Thank you cousin.” Chu Tianling smiled.

“Eat!” Arron said.

The family meal was all home-cooked, but everyone enjoyed it.

During the banquet, Suzi even asked Xu Zeyan: “Brother, when will you and Tiantian get married?”

Xu Zeyan was stunned for a moment, and then a little embarrassed: “I’ve only known Tiantian for a month, how can I be so hasty? You must be careful about marriage matters.”

But Chu Tiantian took it and said, “I’m fine. I can take it anytime!”

The little friend Shen Wei, who was on the side, immediately turned her head, and without looking at Chu Tiantian, she rolled her eyes.

This scene happened to be seen by Pan Mingsai.

Pan Mingsai immediately asked her with a smile, "What's wrong?"

Shen Weiyi shook his head.

She met Chu Tiantian at her father's company.

However, Shen Weiyi didn't like Chu Tiantian very much.

Shen Weiyi was very angry when he saw that his parents, as well as his uncle, liked Chu Tiantian so much.

But because she was in her own home, she couldn't be too rude.

It wasn't until Uncle and Chu Tiantian, as well as Sister Mingsai and Uncle Tianling left, that Shen Wei's unhappiness showed.

"Humph!" She pouted, glaring at her parents angrily

"What's the matter, you little thing, there have been so many lively guests at home for a few days, and sister Mingsai you like is also here, why are you unhappy?" Suzi asked patiently.

Shen Weiyi immediately said: "When did I say that I don't like sister Mingsai anymore, she is so beautiful, I like the little freckles on sister Mingdie's face, and her small eyes, the bridge of her nose is collapsed. .I think Sister Mingsai is the most beautiful woman."

Suzi + Arron: "..."

The husband and wife seriously suspect that there is something wrong with the daughter's aesthetics.

Before waiting for his parents to say anything, Shen Weiyi roared, "I don't allow my uncle and Chu Tiantian to fall in love!"

Chapter 1636

Suzi asked his daughter in disbelief: “Why, why don't you like Sister Tiantian? Don't you want your uncle to find a girlfriend? You don't know how lonely your uncle is. You find a girlfriend and get married, and you give birth to younger brothers and sisters. 's relatives!”

Suzi was even worried in his heart, could it be that his little girl started rebelling before she was seven years old?

You actually learned to contradict adults and interfere with adults' choices?

This will not work!

If this is the case, she must teach Shen Wei a good lesson.

Arron also looked at Shen Weiyi with a sullen face: “The only one, this is the girlfriend that Dad personally chose for your uncle!”

Shen Weiyi blinked his eyes and said incredulously, “You, did you choose?”

Arron scolded solemnly: “What doubt do you have!”

Shen Weiyi sighed and shook his head: “Dad! You are really clueless when it comes to choosing women, you know!”

“Shen Weiyi!” Suzi angrily reprimanded.

Shen Weiyi immediately shrank his head: "Except for my mother's accident, it is convenient for you to choose other women. You are really not an expert, do you know that, Dad! Because the women you have met and the women you have known are too few!"

Arron: "..."

"If you don't believe me, if you let my Uncle Christopher see Chu Tiantian, my Uncle Christopher will definitely not like her!"

Arron: "..."

He was annoyed, and his face couldn't hold back a little: "Your uncle Christopher doesn't fall in love with her! It's your uncle who is in love with Chu Tiantian. I'm very sorry, your uncle likes Chu Tiantian!"

"My uncle is very simple, don't you know!"

"Are you as innocent as my uncle!"

Arron: "..."

Suddenly I found that my little girl, who was less than seven years old, seemed to have grown up.

Her thinking ability, her level of calmness, are not much less than what he deserves.

"You... what do you mean?" Arron asked patiently.

Shen Weiyi then sighed: "Once, I went to Daddy's company to play. Many sisters in the company liked me and played with me. Chu Tiantian also played with me. I also felt that Chu Tiantian was playing with me at first. very good."

"However, once I wanted to urinate and went to the toilet, I accidentally heard Chu Tiantian calling in the women's bathroom. She was swearing!"

"Do you know who she scolded?"

Suzi was stunned for a moment: "Who is she scolding, wouldn't it be... your father?"

After all, Arron is the boss of the Fu Group, and the employees under him are dissatisfied with the boss and may scold him in private.

“Scolding her mother!” Shen Weiyi said slightly sadly.

She’s a mother-in-law madman.

In this world, no one can hurt her mother, and neither can her father, so when Shen Weiyi saw someone disrespectful to her mother, she was very disgusted by such a person’s behavior.

Suzi + Arron: “...”

This is something they should think about.

This evening, when the couple lay in bed, they were still thinking about this matter.

“The only thing you said, what’s the situation? If this Chu Tiantian really has a personality problem and even scolds her own mother, she really can’t introduce it to your brother, she will be disobedient to your brother then. What about my parents?” Arron said worriedly, holding Suzi in his arms.

Suzi was originally cradling Arron’s arm, and when she heard the man say this, she immediately raised her head and hit the man with her hand: “Hi! This is easy to explain, you are like my mother, she often quarrels with her father, quarreling with him. The most powerful time of her life, she was also told by outsiders that she was not filial to her father, but who knows the inside story?”

“In this world, don’t persuade them to be kind unless they suffer.”

“We haven’t experienced the suffering of others, so how can we praise others?” Suzi has always treated others fairly and fairly.

She doesn’t want to wrong any innocent person.

Arron also nodded: “That’s right.”

After a pause, he said: “Anyway, Zeyan is not in a hurry to marry Chu Tiantian this month. Let him have more contact. Only by contacting more can we get to know each other better.”

Suzi nodded.

As soon as she said it, she put it on her husband's shoulder again.

One hand rubbed the husband's neck back and forth: "Husband..."

Chapter 1637

"Yeah." The man's voice was low and hoarse.

"You said that recently, we have been worrying about sister Shan and Jun Jingyu for a while, and my brother's affairs for a while. Our own private life seems to be a lot less."

"You go to work every day. You don't know how boring I am at home alone."

"Every time I call you, you are either busy handing over his affairs with Mr. Jun, or discussing cooperation with my brother."

"Tell me, how long has it been since you cared about me?"

"Are you... tired of me?"

Suzi was actually just a joke. Just last night, his man took a bath for her, trimmed her fingernails, and even her hair was leaning in his arms, and he dried her for her.

As for when she blew dry, she didn't know, because she fell asleep.

"Husband, how long have you said we haven't..."

Is it four months?

Since knowing that her fetal image is unstable, the man has not touched her again.

After all, she is weak, and it is not easy to conceive a child. How can a man hurt her for his own selfish desires?

I thought it was for her good, but who knew that she came to blame him.

Men are really hard to tell apart.

he:”.....”

“Say it!” The woman raised Bai Nen’s hand and beat him on the chest.

Then she took the initiative to pick up his hand and touched her bulging belly, and said coquettishly, “Do you dislike our mother and son?”

Arron: “...”

Men’s self-control has always been strong.

But for Suzi, he was often unable to resist.

His hoarse voice scolded her: “woman, do you know you are playing with fire!”

The woman raised her eyebrows and said briskly, “I know, my husband is a fire, but you and I are legal husband and wife. Isn’t playing with fire my right as a wife!”

man:”.....”

“Husband!” The woman coquettishly again.

The man turned over and protected her under him.

Don’t dare to squeeze her too hard.

After all, she is pregnant with a child.

The end result is that the man almost died of exhaustion.

The woman smiled happily.

“Sleep well, I’ll get up and cook breakfast for you tomorrow morning, and treat you well!” The woman said to the man beside her contentedly.

The man snorted coldly, and fell asleep before she had time to answer.

The next day, Suzi really got up earlier than Arron.

He was not tired because of the tenderness of the night.

It's because he has been very tired recently. As Suzi said, he wants to hand over Jingyu's matters to Jun Jingyu, and he wants to cooperate with Xu Zeyan on some projects. Recently, he has been busy in the study until late at night every day.

There was one more thing that worried him.

That is some affairs of Jiaxing Island. Recently, there have been reports from the subordinates there. It seems that someone has recently attempted to challenge and shake Jiaxing Island.

Due to the busy work recently, Arron hadn't bothered to go up and check what was going on.

He didn't tell Suzi either.

Because he was worried about these things, he hadn't slept well recently, but last night because of the coquettishness of the idol, he had a good night's sleep instead.

The next day, he was awakened by a ringing phone.

Arron picked up the phone and answered in a lazy voice: "Hello, who are you?"

Chapter 1638

From the other end came a gruff voice like a hell witch: “Do you know that your Suzi is a lousy piece of shit! She has had affairs with so many men, why do you still like her so much? Why! You don’t Do you know how bad she is?”

“She had an affair with your cousin Chu Tianling, and slept with that shabby house named Xu Zeyan for six years.”

“She also has an affair with... and your brother, the illegitimate child from Jiaxing Island.”

“Arron, there is a dense prairie above your head.”

Arron: “Are you Qiu Cunxin?”

Qiu Cunxin: “You...how did you know it was me all of a sudden?”

Arron’s tone was flat and cold: “Because you are stupid!”

You must hang up the phone immediately.

It has been more than a month since Jingyu brought Dalia back. When Arron and Jun Jingyu were handing over business, they occasionally discussed his second uncle Jun Chengyin and his ex-girlfriend Qiu Cunxin.

Arron learned from Jun Jingyu that Qiu Cunxin was pregnant.

But, it’s not Jing Yu’s. Because Jing Yu and Qiu Cunxin have never lived together.

He also got the cure from Jun Jingyu’s mouth. It turned out that Qiu Cunxin had had a night with Haoyang, and Qiu Cunxin thought that he was pregnant with Haoyang’s child, so he found his father Fu Zhengxiong and Qin Wenyu, and then asked Jun Chengyin smuggled Qiu Cunxin out.

Now, hearing Qiu Cunxin’s hoarse voice, Arron could think that Haoyang would definitely not admit that he was a child.

Although he didn’t have much contact with Pan Haoyang, he already knew 80% of Pan Haoyang’s temperament.

After all, the two are twin brothers.

With Pan Haoyang's ruthlessness, he wanted to torture Qiu Cunxin alive, and it was very possible that he could do it.

As for how Qiu Cunxin knew his Arron's mobile phone number, there is no doubt that Jun Chengyin gave it to her alive and Jun Zixian.

A raccoon dog.

Arron didn't take them seriously at all.

Nowadays, it is Pan Haoyang who really makes you worry about Fu Shaoqi.

Where did the father send Hao Yang?

Just yesterday, Chu Tianling persuaded him to go to the old house. After getting up and having breakfast, Arron said to Suzi, "Let's go out for a walk today."

Suzi immediately understood: "Do you want to go back to the old house?"

Arron nodded: "I haven't been there for a long time."

"I don't want to go!" Shen Weiyi pouted.

Every time she went there, someone dealt with her mother.

Every time I went there happily, but came back very sad, and then Shen Weiyi didn't want to go again.

Now that she hasn't been there for more than half a year, she doesn't want the grandparents and grandparents in the old house at all.

Suzi coaxed Shen Weiyi: "It's okay, the only one, my grandfather and grandmother are very old. If we don't go back to see them for a long time, they will be very sad, you know?"

Shen Weiyi only said with a sullen head: "Hey! Okay!"

However, this time, Shen Wei was surprised.

After arriving at the old house, not only the great-grandfather and grandmother were very enthusiastic about Shen Weiyi and her mother, but even the uncle Qin Wenyu, who was not close, was rarely very enthusiastic about Suzi and Shen Weiyi.

“The only one, come, let grandma hug you, grandma has a gift for you.” After speaking, Qin Wenyu took out a jade collar: “Come, grandma will bring it for you.”

Shen is the only one who is timid.

Suzi whispered to Shen Weiyi: “Go baby.”

It was only then that Shen Weiyi came to Qin Wenyu.

“The only thing, I will often come here to play with my grandmother in the future. Your grandparents love you. Do you know that you have an uncle, your father’s brother, and your uncle?” Qin Wenyu said. arrive.

“Are you talking about Uncle Pan?” Suzi asked.

Qin Wenyu nodded: “yes, your uncle Pan has a good relationship with grandma now.”

“Humph!”

Shen Weiyi suddenly broke free from Qin Wenyu’s embrace: “I hate Uncle Pan very much now!”

Chapter 1639

Qin Wenyu: “...”

There is a reason why she took the initiative to please Shen Weiyi today, and she took the initiative to please Suzi.

Because Qin Wenyu had already heard from Pan Haoyang, the child Qiu Cun had in his heart was not his at all.

Pan Haoyang said to Qin Wenyu angrily, “I will never get married in my life! In my eyes, no one can compare to Suzi, no one can compare to Shen Wei! Dear child!”

At that time, Qin Wenyu was quite shocked.

After thinking about it later, it made sense. After all, Haoyang and Arron were twin brothers. Haoyang looked at the only relative, and it was destined in his bones and blood.

So Qin Wenyu had an idea.

At this moment, she deliberately and patiently said to Shen Weiyi:
“Yiyi, how can you hate your uncle, how much your uncle likes it. She treats you like her own daughter, you know?”

“Don’t!” Shen Weiyi became more and more angry.

She originally liked Uncle Hao Yang very much.

But, as soon as she heard the old woman in front of her, the little girl immediately recognized that Uncle Haoyang was with the old woman now.

This renegade guy!

Hate!

Shen Weiyi cried.

When I came in the morning, I told my parents that she didn’t want to come, but my parents insisted that she come, and she was not happy when she came.

snort!

Never come again!

The little girl angrily left her grandparents’ house.

After leaving, Qin Wenyu almost died of anger.

That night, Qin Wenyu called Pan Haoyang.

“Haoyang, you like the only one and treat the only one as your own daughter, but the only one doesn’t like you. She told me personally

that she hates you. Haoyang, you should still have your own family and your own children. “Auntie, I’m all here for your own good.”

At the other end, Pan Haoyang was drinking sullenly alone.

He said drunkenly: “Is the only... kiss, told you personally?”

Qin Wenyu persuaded with kind words: “She is not your daughter, he is your brother’s daughter, she will be the legitimate heir of the Fu Group in the future, but Haoyang, you are different, the Fu Group does not You won’t have the right to inherit half of your shares, and you’re not even the only relative uncle in terms of reputation.”

“You think, a child, who has been nurtured by her parents all the year round, how could she possibly like you?”

Pan Haoyang: “Old woman! You are not trying to provoke my brother and me...Is it my relationship with him!”

Qin Wenyu was immediately annoyed: “Haoyang! Why are you talking to auntie! Don’t forget, it’s auntie who sent you abroad! It’s also auntie who gave you one billion! My son is no longer alive, I only have You and Shaoqin, you are the real brothers! What can I do to provoke you!”

“Isn’t it true that you were kicked out of Jiaxing Island by Shaoqin?”

“You were so old in Nancheng, he never admitted you, isn’t it true?”

“How could the aunt provoke you in this matter!”

“Besides, the only child is Shaoqin. From what point of view, she can’t like your uncle who has only met a few times!”

Pan Haoyang: “...”

There was a crushing pain in his heart.

He was already in pain.

What’s the use of having money?

How can the all-powerful.

But what about his affection.

Kindness!

Carrying a wine bottle, Pan Haoyang went to Qiu Cunxin's hut, and when he came to the door, he kicked the door open with a 'bang'.

"Qiu Cunxin!" Pan Haoyang shouted angrily.

Chapter 1640

When Qiu Cunxin in the hut heard the voice, he shrank in fright.

Pan Haoyang didn't change so much that he really found someone to turn her around.

However, he let a group of men laugh at her as a completely useless woman.

After laughing, lock the lock again.

Sometimes she wouldn't be given food for three or two days, and when she was so hungry that she couldn't straighten her waist, she would cry and beg Pan Haoyang herself, she was willing to accompany her, she was willing to do anything, as long as she didn't get hungry, don't let her go. Just make her thirsty.

However, at that time, Pan Haoyang would really show his fierceness: "Woman! How disgusting do you have to be? How low is it, how contemptible?"

“My surname is Pan, and I’ve never tried to force a woman, and I won’t really let someone come and turn you around!”

“It’s because you are inherently cheap. You can’t even stand how many times you’re hungry or thirsty! What kind of scumbag are you!”

“That idiot Jun Jingyu actually liked you for ten years?”

“How can an inferior woman like you be domineering and hit anyone you want? My behavior is not proper at all, I have slept in a broken shoe by myself, and I have to rely on me! Am I, Pan Haoyang, being taken advantage of?”

“Do you have anything to compare with Suzi!”

“He’s still trying to kill her!”

“If Suzi is in your situation, she won’t beg for mercy if she doesn’t eat or drink for seven days and seven nights, do you understand?”

“Nausea!”

“stench!”

“Smelly shameless thing!”

“Do you know how stinky you are?”

After scolding Pan Haoyang, he was still puzzled. He still had to lick her hair, and every time he dragged her out, he dragged her far away from the ground.

Although it is not a cement road, it is a dirt road, but there are small stones everywhere, and every inch of Qiu’s heart is scraped by sharp stones, and his whole body is in burning pain.

In the end, Pan Haoyang still didn’t give her enough food or enough water to drink.

Qiu Cun’s heart really called out the sky and the earth.

She called her father far away in Kyoto, but unfortunately even if her father answered her call, he would calmly say, "There is nothing we can do."

After the number of beatings, the father said, "We spoiled you, and it is our fault. One day you will come to the underworld to find us to settle accounts."

Qiu Cun understood that his father was determined to not want her biological daughter anymore.

She called Jun Zixian, but every time she called, Jun Zixian couldn't implement the rescue plan.

On the contrary, Jun Zixian always said to her, "I will tell you an inch of heart, Jun Jingyu now puts all the property in his hands under the name of Dalia, and Jingyu is now a very strict wife. ."

"Aren't you uncomfortable at all?"

"Cunxin, Dalia now has Suzi to support her, she has become the first lady of Kyoto, and she lives in Nancheng all the year round and gets along well with Suzi."

"That Suzi is also lucky. Originally, he came out of a prison. In terms of family and family background, ten thousand Shen Xiangs are not as good as you alone."

"Give it to me! Give it to me!" Qiu Cunxin immediately screamed angrily.

At that end, Jun Zixian asked knowingly, "Cun Xin, you... what do you want me to give you?"

"Give me Suzi's cell phone number!"

"Give me Arron's cell phone number!"

"I want their mobile phone numbers. Even if I die, I won't make them feel better!" Qiu Cun said with gritted teeth.

Chapter 1641

At the other end, Jun Zixian smiled and said, "Well, in heart, we are best friends after all, I must be busy with this."

It didn't take long for Jun Zixian to give Qiu Cunxin her cell phone number.

When he got the number, Qiu Cun cried.

She has actually realized that she has been being used by Jun Zixian all the time.

Originally, Qiu Cun thought that if she was Jun Jingyu's girlfriend, she was the only powerful woman in Kyoto. Even if Jun Zixian's surname was Jun, she was not as unscrupulous as Qiu Cunxin.

Qiu Cunxin once thought that Jun Zixian was a slave in front of her.

She would often laugh at and suppress Jun Zixian.

However, in this little black house in a foreign country, she figured it out, and in Jun Zixian's eyes, Qiu Cun's mind was a fart.

Jun Zixian will never call you to come back when she doesn't need you, and tell you that your boyfriend has been robbed.

The reason why I called you to come back as soon as possible is because the status of Jun Zixian's father Jun Chengyin is threatened.

And you, Qiu Cunxin, are just a pawn to check and balance the union of Arron and Jun Jingyu.

Maybe people all over the world have long known that Jun Jingyu loves Dalia deeply, and Jun Zixian knows this better, but she still informs you to come back and carry out the battle of wrestling.

As a result, you fail miserably.

Now, apart from a dead body, you are no longer a ghost.

But Jun Zixian still wants to use you to harass Dalia, Jun Jingyu, Suzi and Arron.

Qiu Cunxin, who was locked in a small room by Pan Haoyang, already knew very well Jun Zixian's true intentions, but she had to be willing to be used by Jun Zixian, because the only person she could count on was Jun Zixian.

If she rejects Jun Zixian, she may never be able to take revenge again in this life.

Therefore, Qiu Cun could only endure it, and he had to endure it if he couldn't.

Fortunately, the opportunity came today.

Pan Haoyang got drunk and came to her to get angry.

He kicked and abused her as he always did: "You damn woman! What good are you! Ten thousand of you are not as good as one Suzi! Don't say that you are not carrying my child, even if it's my child, and this child is a hundred times better than Shen Wei!"

While hiding, Qiu Cunxin responded viciously: "No matter how good Shen Weiyi is, she is not your daughter, she is your rival's daughter! Don't forget that Shen Weiwei's father married Suzi! They are a family of three! You are just as poor as I am."

"He's not my rival in love! No! That's me...my brother..." Even though he was drunk, Pan Haoyang's face was still painful when he mentioned Arron.

"Ha!" Qiu Cunxin sneered: "Your brother? Will your brother give you a penny of property? Your brother will drive you out of Nancheng? You think you are your brother? Believe it or not, as long as you dare to stop now Go back to Nancheng, and your brother will tear you to pieces!"

"I'll smash your corpse into tens of thousands of pieces first!" said Pan Haoyang's hair, which caught Qiu Cunxin's heart, was a violent beating.

Qiu Cun's heart shrank into a small ball, and he was beaten: "Ow!"

Until her voice became smaller and smaller, Pan Haoyang was also tired.

He kicked Qiu Cunxin aside with one foot, and then suddenly filled half a bottle of wine, sitting on the ground in a decadent manner.

He looked up at the bright moonlight outside.

Tears flowed out suddenly.

Immediately afterwards, he sneered horribly, and took out his mobile phone from his pocket after laughing.

He flicked his fingers to dial a set of numbers.

It was already late at night at the other end, and Arron was afraid of waking up the sleeping Suzi, so he got up with his mobile phone and went to the big terrace, and then connected: "Hello?"

"Arron! You are very nourishing!" Here, Pan Haoyang's sad, hateful and drunken voice came.
