

Chapter 1661

Ito Yuihiko couldn't understand why Charlie came here, and Tanaka couldn't understand even more.

After all, in his impression, Charlie's identity is just Aoxue's coach, a local master in Aurous Hill, but why did he suddenly appear in Tokyo, and also in the meeting room of Kobayashi Pharmaceutical?

What is even more confusing is why Charlie said he is a major shareholder of Kobayashi Pharmaceutical?
!

At this time, Ito's expression was a bit ugly.

On the way he came, he heard Tanaka talk about Charlie. In fact, he was very disdainful of such so-called masters, so he didn't take him to heart.

So he observed at Charlie and shouted in a cold voice: "Boy, you must consider the consequences before speaking. You can't afford the price of talking about it!"

Charlie didn't know Ito Takehiko. Seeing that this man looked like he was about fifty years old, with a big back, his expression and tone were very arrogant, and he suddenly felt a little dissatisfied.

He observed at Ito Takehiko, and said coldly: "Don't think you can pretend to be aggressive when you are old, and you will hit me if you get angry."

When did Takehiko Ito feel so angry?

Even the current Yamaguchi Group's Seventh Generation Mee must be respectful when meeting him. In this country, no one dares to talk to him like that.

As a result, Takehiko Ito was immediately furious, pointed at the two bodyguards beside him, and shouted angrily: "Teach him a lesson!"

As soon as the voice fell, the two people who had not moved like a mountain immediately rushed to Charlie.

They are all top masters, and different from the competition-type players like Yamamoto Kazuki, they are all real combat players, really hands-on, there may not be any good-looking tricks and postures, but they are absolutely lethal!

The two of them let out a low growl, all the strength of their bodies was raised, and they immediately attacked Charlie.

Seeing these two people rushing towards Charlie, Tanaka became tense.

He was not worried about Charlie, but about the two personal bodyguards of Ito Takehiko.

He had seen it with his own eyes at that time, how Charlie used a palm to destroy Yamamoto Kazuki, and Yamamoto Kazuki was a sc*m without fighting power in front of him!

No matter how strong these two bodyguards are, they can't be several times stronger than Kazuki Yamamoto, right?

For Charlie, it could be done in just a few palms.

At this moment, the two bodyguards had already rushed to Charlie, one on the left and the other on the right, hitting both sides of Charlie's ribs with heavy punches.

The ribs on both sides are one of the weakest parts of an adult's body. The ribs are not as hard as a skull, and they are extremely prone to breakage when hit from the side. If the ribs are broken from the side, the broken ribs themselves will also become a sharp blade pierced the victim's body.

The ribs protect the most important internal organs. Once a broken rib pierces the internal organs, it is extremely easy to cause severe internal bleeding, which may directly kill the other party!

This kind of cruel trick is almost lethal!

Charlie couldn't help narrowing his eyes slightly.

In ordinary conflicts, very few people come up and use such insidious tricks, either running their faces or running their limbs, even if they abolish all limbs, they will not kill others.

But he didn't expect that these two men would be so insidious that they wanted to kill him if he didn't agree with them. Looking at it this way, don't know how many people have already lost their lives!

Moreover, these two people know how to use hands, and it seems that they are also a good practice.

So Charlie sneered, and at the moment when the two fists were about to hit his ribs on both sides, he suddenly stretched out his hand and grabbed the wrists of the two at extremely fast speed.

Chapter 1662

The two powerful offensive stopped abruptly at this moment!

Both of them were frightened by the sudden huge force on their wrists, and found that their fists couldn't move in, and they couldn't retreat. They immediately realized that they had met a master today!

The two looked at each other, and they could see the panic in each other's eyes.

Afterwards, the two exchanged glances, and at the same time they exerted force, trying to free their right hand from Charlie's hand.

But unfortunately, with all their strength, they still couldn't withdraw their right hand even at all!

Charlie looked at the two with a smile on his face, and said with interest: "The hands of the two are a bit dark! They attacked others' ribs when they came up, are you afraid of killing them?"

The two were very nervous, and one of them said: "We just want to test your strength, nothing else!"

Charlie laughed: "Such a bad reason can be imagined, and it seems there is really something!"

Seeing that his two personal bodyguards were completely controlled by Charlie, Ito became nervous and blurted out: "What do you want to do?! Do you know who I am? If you mess with me, you will never end well in Japan!"

Charlie smiled: "The duck has a hard mouth when it dies, you really have your unique opinion."

After finishing speaking, he looked at the two bodyguards of Ito Takehiko, and said lightly: "You two remember that all your encounters today are due to your master!"

The two of them were asking for mercy, and Charlie suddenly twisted his hands, and their right arms were twisted into woven ropes!

At this moment, the two cried out in pain, and everyone at the scene paled!

What is the identity of Ito Yuhiko?

He is the patriarch of Japan's top family!

The bodyguard next to him is almost the strongest bodyguard in Japan, but what they didn't expect is that the two people added up are not Charlie's opponent!

At this time, Ito Yuhiko was also dumbfounded.

He never dreamed that these two bodyguards with rich practical experience and lots of blood on their hands would be abandoned at the same time so easily.

In Charlie's eyes, these two people are just a little bit stronger than ordinary people, but they are still far from the level of a master.

Even the worst among the eight heavenly kings can't match.

Together, the two can at most be similar to Oliver Vincent.

How could such a person be Charlie's opponent.

If Yuhiko Ito really finds out the so-called master of ninjutsu in Japan, he might even give Charlie a look.

At this time, Takehiko Ito scolded with a little nervousness: "You are an outsider, so you dare to go wild in Tokyo! Are you not afraid that I will not let you return to China?"

Charlie smiled and said: "What? Do you still want to keep me in Japan as your son-in-law?"

"b@stard!" Ito Yuhiko exclaimed, "Boy, you are too arrogant!"

Charlie said with a bit of disdain in his eyes: "I have no one in my eyes? I came here today to take over my own company. Instead, you barked at me in my company. What are you? I didn't beat you out. I am already respecting the old and loving the young!"

Hiroshi Tanaka hurried forward and said respectfully, "Mr. Charlie, calm down your anger. This is the head of the Ito family and the chairman of Ito Corporation, Mr. Yuhiko Ito!"

Chapter 1663

"Ito Yuhiko?"

Charlie frowned when he heard this, and asked Koichi Tanaka: "What is his relationship with Nanako?"

Hiroshi Tanaka hurriedly said: "Mr. Charlie, President Ito, is Miss Nanako's father!"

Charlie suddenly realized.

He actually didn't know much about the Ito family, except for Nanako, he didn't know anyone else.

Hearing that the middle-aged Japanese man with a big back head turned out to be Nanako's father, his expression eased slightly.

Afterwards, he looked at Ito Takehiko, and said lightly: "For the sake of your daughter's face, I won't be familiar with you this time. Since you are not from the Kobayashi family, then you don't need to stay here and take your people and leave."

Ito Yuhiko's face was pale with anger!

As the patriarch of the dignified Ito family, when did he receive such contempt?

Moreover, this young man's tone was extremely proud, as if he was just taking care of his daughter's face, so he didn't care about himself. It was too much!

Thinking of this, he gritted his teeth and said: "Boy, why do you say that this is your company? You also said that you are a major shareholder of this company? I tell you that I just signed a contract with the representative chairman of Kobayashi Pharmaceutical. Officially acquired a 30% stake in Kobayashi Pharmaceutical!"

"Oh?" Charlie said with a smile: "Which representative chairman has this right to sign a contract with you on behalf of Kobayashi Pharmaceutical?"

Masayoshi stood up and said, "I am the acting chairman of Kobayashi Pharmaceutical. All shareholders clearly agreed to Mr. Ito's shareholding in Kobayashi Pharmaceutical. Why are you an outsider interfering? Besides, you in this company have nothing to do. If you don't leave, I will call the police!"

Charlie smiled: "I have nothing to do with this company? Come here, I will introduce you to an old acquaintance."

After that, he clapped his hands and shouted outside the door: "Come on, invite Mr. Kobayashi in!"

Issac and Mr. Orvel immediately took Ichiro and walked into the meeting room.

When Ichiro entered the meeting room, everyone was stunned in shock!

"This...this...isn't this Ichiro?!"

"Isn't he dead?!"

"Yes! Jiro issued a kill order before and ordered his life to avenge the old president!"

There were a lot of discussions.

Ichiro's expression was a bit ugly at this time, and he said coldly: "I tell you, you are all deceived by that bastard Jiro! I didn't poison my father to death at all, but he was poisoned to death and then blamed on me! In order to monopolize Kobayashi Pharmaceutical, he also spent a lot of money and wanted to take my life!"

"Impossible!" Masayoshi said coldly: "I know exactly how the president died! You said that you got a magic medicine from China that would make the president stand up again, and the president was

excited, he took Jiro and me to the airport to wait. After the medicine was delivered, the president died suddenly after taking the medicine. Do you dare to deny it?!”

Ichiro gritted his teeth and said: “I did get the magic drug at the beginning, but Jiro arranged for the magic drug to be dropped! You don’t even think about it, why should I kill my father?”

Chapter 1664

Masayoshi angrily said: “You naturally want to monopolize Kobayashi Pharmaceutical, so that’s why you killed the president!”

Ichiro scolded angrily: “Your dog’s brain is broken. You keep saying that I killed my father to save Kobayashi Pharmaceutical, but you keep your dog’s eyes open to see clearly, I am exclusive. After father died, who became the new president of Kobayashi Pharmaceutical?!”

Everyone observed each other when he said this.

Ichiro was right.

After the death of the old chairman, Masao Kobayashi, it was Ichiro’s younger brother, Jiro, who succeeded the chairman.

Moreover, Jiro also spent a lot of money to get the head of Ichiro.

If this incident was really planned by Ichiro, is he too stupid? Not only did he not get any benefits, he even gave others a wedding gown, and even worse, after others put on the wedding gown, they wanted his life in turn...

Thinking of this, everyone suddenly realized that what happened back then might have something else hidden.

At this time, Masayoshi’s mood is very complicated.

First of all, he managed to get rid of Masao Kobayashi and Ichiro, and then missed Jiro and took the position of acting chairman of Kobayashi Pharmaceutical Co., Ltd.

But in a blink of an eye, Ichiro came back unscathed!

Isn’t this f*cking epic unluck?

The good life of co-working himself is just beginning to end? !

He was full of resentment, and said angrily: “Ichiro, you have left Kobayashi Pharmaceutical for a long time. The current Kobayashi Pharmaceutical has been fully exercised by the shareholders meeting, and you have not eliminated the murder of your biological father. We will not allow you to take the Re-in charge of Kobayashi Pharmaceutical!”

Ichiro was also furious, and he sternly reprimanded: “Uncle, you are my elder. I wanted to give you respect. I didn’t expect you to be so ignorant of good or bad! I am the real heir of the Kobayashi family, and the entire Kobayashi Pharmaceutical. It was founded by my dad. You just follow part-time jobs and get a high salary. Why do you interfere with our family’s property? What the h*ll are you? Believe it or not, I will let you get out of the company now?!”

“You...you...you...” Masayoshi was scolded bloody, and trembling with anger, cursed: “You murderer of the father sc*m, Kobayashi Pharmaceutical will never fall into your hands!”

During this period of time, Ichiro worked hard at Orvel’s kennel, and he was suffocated. He finally returned to Japan and returned to his own company. He didn’t expect that this man would dare to yell at him. He immediately became angry and went up and gave Masayoshi a slap in the face!

After working in the kennel for so long, Ichiro’s physical fitness has improved a lot. In addition, he is a mature man, and Masayoshi has been slapped with a slap.

All the members of the Kobayashi family present were horrified. Ichiro pointed to the bewildered Masayoshi and cursed: “Dog stuff, I will let you know today!”

After that, he looked at Charlie and bowed respectfully: “Mr. Charlie, please publish the video of Jiro’s confession to let them know the truth!”

Charlie nodded and winked at Mr. Orvel. Mr. Orvel immediately took out his phone and played the video of Jiro’s confession to everyone.

In the video, Jiro confessed in tears that his biological father, Masao Kobayashi, was killed by him, and he also admitted that he had spent a lot of money to hire someone to chase and kill his elder brother in an attempt to eliminate the trouble.

This completely subverted everyone’s understanding of the whole thing.

Masayoshi was also panicked. He now realized that Jiro might have been killed by Ichiro, and now this guy is going back to seize power!

Chapter 1665

At this time, Masayoshi was 10,000 unconvinced.

It was so hard for him to get to an acting president, just about to take charge of the entire Kobayashi Pharmaceutical, he didn’t expect to wake up so soon!

So, he gritted his teeth and said: “Ichiro! Did you poison the old president? You haven’t completely cleared the suspicion of this matter! Even if Jiro recorded this video, it cannot prove that the murderer must be him! Who knows if you kidnapped Jiro and forced him to record this video?”

Having said that, he immediately looked at everyone and fanned the flames, and said: “Am I right?”

Everyone nodded.

Kobayashi found out that he had a mass foundation, so he immediately continued to aggressively say: “This matter must be handed over to the police for investigation. When the police say that Ichiro is no longer suspicious, and then will we hand over the rights of the shareholders meeting? Here you are, before that, you must not interfere with Kobayashi Pharmaceutical in anything!”

As soon as Ichiro heard this, he ran away!

He kicked Masayoshi’s abdomen, and yelled, “Masayoshi, you f*cking tell me, are you shameless? According to Japanese law, I am the eldest son of the family and I should inherit the family business, and

now my brother has also disappeared. I am the only legal heir to my father. The company he founded is naturally inherited by me. You are a hired worker who works in the company. Why are you shouting at me here?"

Thinking of the torture he suffered during this period of time, Ichiro was full of evil fire, and now Masayoshi still wants to prevent him from taking over Kobayashi Pharmaceutical, this kind of man-armed car behavior makes him very angry!

So, he rushed up angrily to punch and kick at Masayoshi, and yelled: "Don't look, what the hell are you? Have you ever seen a group of servants occupying the house and not letting the owner's son live? Did you come in? How the hell dared to stop me back to Kobayashi Pharmaceutical? I tell you, you are now officially fired by Kobayashi Pharmaceutical, immediately get out of here!"

Masayoshi was beaten in various ways and grinned in pain. Although his heart was extremely angry, he was really frightened by Ichiro.

Ichiro's words sounded rude, but what he said was reasonable and legal.

He was originally the first heir of Kobayashi Pharmaceutical. Even if he was suspected of murdering his biological father and the police convicted him and arrested him in prison, it would not be possible to deprive him of the right to inherit the estate.

What Masayoshi said sounds like awe-inspiring justice, but in fact it is a manifestation of not knowing the law at all.

Seeing that Masayoshi was beaten up, Charlie said: "Okay, continue the fight. If something happens to him, then you might really go to jail."

Ichiro stopped then and said respectfully to Charlie: "I'm sorry, Mr. Charlie, I made you laugh."

Charlie nodded slightly and said, "You all listen to me. As the legal heir of Kobayashi Pharmaceutical, he has signed an equity transfer agreement with me. From now on, 90% of Kobayashi Pharmaceutical's shares are owned by me. The remaining 10% goes to Ichiro, so now I am the absolute majority shareholder of Kobayashi Pharmaceutical."

After that, Charlie waved to Paul: "Come on, Lawyer Paul, take out the copy of the contract and pass it on to them!"

Everyone at the scene was shocked upon hearing this.

Chapter 1666

Among them, Ito Yuhiko was the most unacceptable. He angrily protested: "Charlie, you don't talk about it here! I just signed a contract with Masayoshi, and used 4.5 billion USD in cash to buy 30% of Kobayashi Pharmaceutical's shares. ! I alone have 30%, so how can you get 90%? Isn't this a daydream?"

Charlie sneered and asked him: "Mr. Ito, right? I ask you, what position is Masayoshi in this company? What right does he have to sign such an agreement with you?"

Ito Yuhiko said coldly: "He is the acting president of Kobayashi Pharmaceutical! Since he is the acting president, he naturally has the right to sign a financing agreement!"

Charlie said contemptuously: “Should be nonsense here, who did his generation of president seal it? Did he seal it himself? There is something for him? The entire shares of Kobayashi Pharmaceutical are owned by Masao Kobayashi. Masao Kobayashi is dead. Ichiro and Jiro’s father. Jiro’s whereabouts are unknown now, so it’s all Ichiro’s. Why would Masayoshi make a decision for Ichiro and sell you 30% of the shares?”

Takehiko Ito angrily picked up the contract signed just now, and angrily scolded: “You can read it clearly. This contract is clearly written in black and white. I, the Ito family, own 30% of Kobayashi Pharmaceutical! And I have already paid for it!”

“Oh, I’m sorry.” Charlie said blankly: “The person who signed this contract with you is not qualified to sign this contract at all, so this contract is invalid. You move yourself think about it, if I sign an agreement for you and sell you the entire Japanese island, will the entire Japanese island be yours?”

After speaking, Charlie took a copy of the equity transfer from Paul and threw it in front of Ito Yuhiko, saying: “Come, see what is written on this, Ichiro has voluntarily incorporated 90% of the shares into JX Pharmaceutical Company, in black and white!”

“And you have to figure out one thing, Ichiro is the legal heir of Kobayashi Pharmaceutical, so this agreement in my hand is truly and legally valid!”

“As for your share, I’m sorry, but it’s just a pile of waste paper! Even if you ask your lawyers and judges, I believe they will not admit that your pile of waste paper has any practical meaning!”

“You...you are a hooligan!”

Ito Yuhiko also collapsed.

He has been strong for a lifetime, and has never shown weakness in front of the Yamaguchi group, but he did not expect that he would meet a shameless person like Charlie here today!

However, he also knows that his two personal bodyguards are now useless, and he is not Charlie’s opponent at all. He can’t face him head-on, so he can only temporarily avoid his edge, then find a chance to take revenge, and think of other ways to get it. To the shares of Kobayashi Pharmaceutical.

So, he protested indignantly: “Well, since you said Ichiro is the legal heir, then we step back and say, anyway, I have paid 4.5 billion USD. If you say that the contract is invalid, then you Just return the 4.5 billion USD to me immediately!”

Charlie asked in surprise: “Mr. Ito, what did you say? I didn’t hear clearly just now.”

Ito Yuhiko said angrily: “I said you must immediately return to me the 4.5 billion USD in Kobayashi Pharmaceutical’s account!”

“Refund?” Charlie snorted and said contemptuously: “I’m sorry, Mr. Ito, you may not know something about me, I have always had an iron rule when walking around the rivers and lakes. don’t know if you hear me, or heard about it.”

Yuhiko Ito gritted his teeth and asked, “What is the iron rule?!”

Charlie smiled and said: “The iron rule is, never refund!”

Chapter 1667

“Never refund?!”

When Yuhiko Ito heard this, his shiny big back was almost exploded.

He covered his chest and pointed at Charlie and scolded: “You Wade, you keep saying that you have to follow the law, is that how you follow? I reached the account of Kobayashi Pharmaceutical for \$4.5 billion, you either give me shares, If you don’t give me shares, refund me. Do you still want to rely on my money and not give it to me?”

Charlie nodded, and said blankly, “Yes! I just want to rely on your money. When the money goes into my pocket, it’s up to me. If you ask me to take it out and give it back to you, I have to pay. Come out and pay you back? I don’t want face?”

“you.....”

Ito Yuhiko felt a sharp pain in his heart.

He really has never seen such a brazen person in his life.

So, he gritted his teeth and scolded: “I still don’t believe it, do you think you can swallow a huge sum of 4.5 billion?”

Charlie nodded and smiled: “Didn’t I already swallow this? And you took the initiative to feed me.”

Ito Yuhiko almost vomited blood.

Charlie said to Issac at this time: “Old man, invite Mr. Ito out.”

Issac nodded, and immediately brought a few of his men to Takehiko Ito’s, and said lightly: “Mr. Ito, you should act yourself, don’t force me to move, otherwise you will lie down for a while. Can’t get up for five months.”

“You...you dare to threaten me?!”

Issac smiled and said, “Hmm okay. I just threatened you. Master has always had a bad temper. If you don’t get out, he might beat you.”

Yuhiko Ito gritted his teeth tightly, his heart was angry, but he didn’t dare to resist here, he could only hold back his anger, and said coldly: “Okay! Very good! Charlie, I want to see who has this ability. , Can take my 4.5 billion USD! I will never finish this with you!”

After all, Ito Yuhiko left the meeting room with a black face after holding his hands.

Charlie looked at his back and smiled faintly.

He had heard that Ito Yuhiko has always wanted to invest in Kobayashi Pharmaceutical, so he wanted to marry his daughter Nanako to Jiro.

Thinking of this, Charlie felt a little unhappy in his heart.

Nanako is so beautiful and tender as water, she is definitely a standard Yamato Nadeshiko. Marry her to Jiro? Ito Yuhiko was afraid that he was blind.

In his opinion, Ito Yuhiko and his mother-in-law, Elaine, are not much different. They are people who would rather sacrifice their daughter's happiness and seek benefits for themselves.

Therefore, he naturally didn't have a good impression of Ito Yuhiko. This 4.5 billion USD thing, it is not bad to give him a bitter taste.

Koichi Tanaka came to Charlie at this time and said respectfully: "Mr. Charlie, I'm really sorry about this incident. I didn't expect that you are now a major shareholder of Kobayashi Pharmaceutical. If there is anything improper today, please forgive us."

As a person who has seen Charlie's strength, Tanaka has full awe of Charlie.

Abandoned Yamamoto Kazuki with a palm, and with his hands, Ito Yuhiko's bodyguards lost their combat effectiveness. Such a person was incredibly powerful in Tanaka's eyes.

Therefore, even if it is now in Japan and even if the Ito family has full influence in Japan, Koichi Tanaka still feels that the Ito family had better not provoke Charlie, otherwise, no one knows what will happen to the entire Ito family...

Chapter 1668

Seeing that Tanaka Koichi was quite on the road, Charlie's expression was slightly relieved, and he said: "Tanaka, leave me a contact information, I may have something to find you in the future for."

Koichi Tanaka immediately took out a business card and handed it to Charlie respectfully: "Mr. Charlie, this is the business card. Please accept it."

Charlie nodded, took the business card from him, and put it in his pocket.

Tanaka bowed slightly to Charlie and said, "Mr. Charlie, then I will leave first."

After that, he left the meeting room.

Ito Yuhiko's two personal bodyguards can only flee hurriedly, clutching the broken arm like the broken arm heroes.

There was dead silence in the meeting room.

Everyone looked at Charlie and Ichiro with anxiety, and didn't know what fate was waiting for them next.

Ichiro cleared his throat at this time and said, "I tell you, as the legal heir of Kobayashi Pharmaceutical, I have 100% decision-making power over Kobayashi Pharmaceutical, and the equity transfer agreement I signed also has 100% legal effect. , So now Kobayashi Pharmaceutical is already a subsidiary of JX Pharmaceutical, if you still want to make money here to support your family!"

At this time, some people questioned: "Before the old president gave us 30% of the shares of the family executives, now you give 90% of the shares to others, how to protect our interests?!"

Ichiro said coldly: "In the future, you can get 3% of the income from my 10% shares. I can assure you of this!"

"Thirty percent, becomes three percent?!"

Someone questioned indignantly: "How can we support our family after shrinking so much?!"

"Yes! Isn't this killing us?!"

"Yes! We will starve to death sooner or later if this continues!"

Ichiro did not expect that after playing Masayoshi, there were so many people against him.

At the bottom of his heart, he could not help but secretly said: "This matter is really tricky. I sacrificed 90% to Charlie. I was forced to use this 90% of the shares in exchange for freedom. Otherwise, don't know that I will be placed under house arrest in that kennel. When will it happen, but these people will certainly not be willing to sacrifice 90% of their own interests..."

Charlie said in a cold voice at this time: "If you can't accept Kobayashi's proposal, then go to the human resources department to go through the resignation procedures immediately."

"Let us resign?" Someone sneered: "The entire R&D, production, promotion, and sales of Kobayashi Pharmaceuticals are all done by us. If we leave, Kobayashi Pharmaceuticals will immediately be paralyzed! All of the many production bases in the country will all be in chaos, then you will just wait for bankruptcy!"

Charlie smiled and asked him, "This friend, what are you responsible for at Kobayashi Pharmaceutical?"

The man said proudly: "I am in charge of R&D! I am the head of the R&D department! Kobayashi's Weisan was developed by me and Mr. Jiro! Without me, the entire R&D of Kobayashi Pharmaceutical will be suspended!"

Someone echoed: "Yes! If Makawa Kobayashi leaves Kobayashi Pharmaceutical, then the entire Kobayashi Pharmaceutical will completely lose its ability to innovate!"

Charlie nodded and smiled and said, "Oh, that's great. I was thinking on the way here. After merging Kobayashi Pharmaceutical, I must make drastic reforms to Kobayashi Pharmaceutical. The first department to be cut down is the R&D department! Because the R&D department of Kobayashi Pharmaceuticals is worthless in my eyes, it is rubbish!"

Makawa Kobayashi angrily shouted: "I am a postdoctoral fellow majoring in biopharmaceuticals at the University of Tokyo and one of the top pharmaceutical experts in Japan. The department I lead is the strongest among Japanese pharmaceutical companies. You dare to say that I am rubbish?!"

Charlie said disdainfully: "As for the Kobayashi Weisan you developed, at least 80% of the prescriptions are stolen from ancient Chinese prescriptions, and the remaining 20% is a little improvement of your own. Obviously, it is plagiarism, and it is said that it is self-developed, and calling you garbage is an insult to the word garbage!"

Chapter 1669

Objectively speaking, as a developed country, Japan has indeed made high achievements and achievements in many fields.

However, in terms of their medicine, in addition to Western medicine, almost all of the remaining line is copied from traditional medicine from elsewhere.

Among them, Kobayashi Pharmaceutical, Ota Pharmaceutical, and Dapeng Pharmaceutical are models. They search for prescriptions from traditional medicine classics.

For example, Dapeng Pharmaceutical once launched a so-called traditional medicine slimming granule, and the name they gave to this granule is actually the ancient Chinese genius doctor, Bianque.

This shows that these pharmaceutical companies have no real accomplishments in Kampo medicines, and they almost rely on plagiarism.

This is also the fundamental reason why Charlie dismissed their R&D department.

He has so many magical prescriptions on the Nine Profound Heavenly Secrets, how can he use the R&D department of Kobayashi Pharmaceutical?

After Makawa was ridiculed by Charlie, his cheeks were hot.

Makawa Kobayashi knew exactly what happened to Kobayashi Pharmaceutical.

Indeed, as Charlie said, all the prescriptions of Kobayashi Pharmaceutical are basically derived from ancient Chinese medical books.

So he felt blushing at this moment, but he didn't know how to refute Charlie's words.

Charlie looked at Makawa, and said coldly: "R&D personnel like you who can only plagiarize are of no value to me, so I announce that from now on, the R&D department of Kobayashi Pharmaceuticals will be dissolved on the spot. Expelled, not leaving one!"

"what?!"

The people at Kobayashi Pharmaceutical were almost speechless in shock.

Is this Charlie not too ruthless?

We must know that there are more than 100 people in the R&D department of Kobayashi Pharmaceutical. Behind these more than 100 people, there are more than 100 families.

Japan's social environment is that only one person in the family goes out to work, and most of the husbands go out to work, and the wife raises the family and the children at home.

This situation has led to extremely high requirements for job stability in the families.

Generally speaking, most Japanese can work for a job for decades until retirement.

So for the Japanese, the most feared thing is unemployment.

Makawa Kobayashi was also shocked.

Although his previous income has not been low, his pressure is not small at all.

Tokyo's housing prices are originally the highest in Asia. In the past few years, when Kobayashi Pharmaceuticals was booming, he bought a large apartment in the urban area and repaid bank loans every month, which was more than 200,000.

In addition, he has two sons and a newly born daughter.

Plus his wife, a family of five, all depend on his income alone.

Originally, his income from Kobayashi Pharmaceutical was very high, almost 700,000 a month, so his previous life was very comfortable, his wife and children also lived in the upper-class life, daily consumption is also very luxurious.

However, if he suddenly loses his job now, his family will immediately fall into a huge financial deficit, with a gap of at least RMB 500,000 per month. If they cannot find a job with more than RMB 500,000, the family will soon be overwhelmed.

Chapter 1670

The nervous little Makawa hurriedly cried and pleaded: "Mr. Charlie, I am a high-end talent in the field of biological preparations. If you fire me, it must be a huge loss for you. I beg you, Please keep me here. I will definitely work hard for you!"

Charlie said blankly, "I know you are begging me now? I'm sorry it's too late. You must go through the resignation procedures within today. Otherwise, the company will directly end the labor relationship with you."

After that, Charlie looked at Issac: "Kick him out for me."

Issac nodded, and immediately stepped forward, grabbing Kobayashi Makawa by the collar like a chicken, and dragging him out.

At this moment, the others in the conference room finally realized the urgency of the situation.

Charlie has already obtained the equity transfer of Ichiro, and he is now the new boss of the company, so he holds the power of life and death for everyone present at the scene.

If you anger him, you will really be kicked out of Kobayashi Pharmaceutical!

As a result, everyone immediately stood on the spot like a quail, afraid to move, let alone speak.

Charlie said at this time: "To tell you the truth, I only need to keep the production links for the entire Kobayashi Pharmaceuticals, and all other links such as research and development, promotion, and sales can be eliminated!"

When this was outstanding, everyone was even scared to almost death.

Charlie continued: "The medicinal effect of JX Weisan relies on word-of-mouth communication. The real word-of-mouth medicinal effect is more effective than any kind of advertisement, so there is no need to leave a special promotion department;"

“The same is true for the sales department. JX Weisan is now in short supply, and dealers take the initiative to come to ask for goods, so there is no need for a special sales department to be responsible for sales in various regions.”

“Therefore, Kobayashi Pharmaceutical’s promotion and sales departments are all dissolved on the spot, and all employees and leaders are not left!”

The scene was in an uproar!

There are only a few major departments in total. As a result, all the other departments except the production department have to be killed now. Thousands of people will be unemployed!

Three-quarters of these Kobayashi Pharmaceutical executives at the scene will also lose their jobs!

Moreover, the current global economic situation is not so good. The middle-aged crisis is very serious. There are many middle-aged people across the world who have suffered layoffs and eventually jumped to commit suicide. This shows how stressful middle-aged people are now.

Most of the senior executives of Kobayashi Pharmaceutical at the scene were between 35 and 55 years old. They belonged to a typical middle-aged group and suddenly lost their jobs. To them, it was like the sky had fallen!

The whole scene suddenly cried.

Most Japanese, like Americans, have typical hedonism in their consumption philosophy. They don’t like to save money but spend it as soon as they earn it. They are very keen on buying luxury houses, luxury cars, holiday villas and even yachts.

And their wives, not only do not usually make money, but also spend a lot of money, which intensifies the daily expenses of the family.

Studies have shown that Japanese women have a high demand for luxury per capita. For brand-name bags such as Chanel, lv or GUI, 90 Japanese women will have at least one, not to mention other luxuries.

Such a family, of course, is very smart when there is no accident, but once the family’s income collapses, it will immediately be on the verge of bankruptcy.

Many wealthy middle class immediately became negative equity holders after the economic crisis. They not only went bankrupt, but even became homeless. The reason is that they spend a lot of money but do not save money at all, resulting in poor risk resistance. .

This is also the case with most of these Kobayashi Pharmaceutical executives.

So Charlie’s announcement that they are unemployed is almost equivalent to announcing that their family finances are bankrupt.

Charlie has no sympathy for these wailing middle-aged people. Kobayashi will be his own company in the future and will never raise idle or worthless employees. Therefore, these people must be expelled, and expelled as soon as possible!
