## Chapter 1672

Xu Zeyan nodded: "So, people...you can't look good."

Then he looked at Shen Weiyi again: "The only one! This is the girlfriend you want to introduce to your uncle? Not to mention that she is eight years older than your uncle, and... once misbehaved, it must be said that she started Was forced to work in a nightclub, and then what?

Now that you have a family with children, a family you have finally got, if you don't live a good life, you have to be pretentious.

Let the daughter lose her mother since childhood, can the daughter hate her?

The only one, you introduced such a person to your uncle as a girlfriend, you are hurting your uncle!

You are far worse than your father's eyesight. "

"Humph!" Shen Weiyi raised his chin and looked at his uncle very unconvinced: "Let's see! My Shen Weiyi's vision is the best!"

Things that children think are difficult to change for a while.

Xu Zeyan also did not intend to make Shen Weiyi agree with him.

Most importantly, he felt sorry for his little niece.

“Okay, okay, when you show evidence that she is a very, very good person one day, how about making her your uncle’s girlfriend?” Xu Zeyan coaxed Shen Weiyi.

“It’s almost.” Shen Weiyi smiled.

“Come here, uncle, uncle will feed you.” Xu Zeyan said.

Shen Weiyi went to his uncle’s place with his own rice bowl.

To put it bluntly, she is still very close to her uncle.

The uncle went back after dinner at home. At this time, Suzi and Arron called Shen Weiyi to their side. They were very patient and educated the children in a soft and gentle manner.

“The only one, mother told you, you are still a child, and you can’t give your uncle some mandarin ducks.”

Shen Weiyi didn’t quite understand: “Mom, what’s the mess?”

Suzi: “...”

What is chaotic mandarin duck music?

My daughter is only six years old, how should she explain it to her daughter?

She asked back, “Only, do you want your uncle to be happy and happy?”

Shen Weiyi said without hesitation: “Of course! Besides my father, the person I feel most distressed about is my uncle. Of course I hope my uncle is happy.”

“You heard from my mother that when my uncle and Chu Tiantian are together, it is my uncle’s happiness.”

“If uncle really listens to you and is with that Shang Hongmei, uncle won’t be happy, he will be depressed for the rest of his life, understand, baby?” Suzi explained to his daughter patiently.

Seeing her daughter helping Xu Zeyan win over Shang Dongmei so earnestly, Suzi knew that she had to clear things up with her daughter in the simplest way, not to let her have emotions in her heart, nor to let her really destroy her uncle's happiness.

But I never thought that the little thing's eye circles were red again.

Suzi and Arron looked at each other.

What happened to this kid?

Shen's only character should be sentimental type, and I have never seen her so sentimental.

"What's wrong with the only one?" Shen Weiyi immediately squatted down with difficulty and hugged his daughter.

Shen Weiyi choked: "But that aunt is really nice. When Uncle Christopher took me out of the car, I saw her holding a stray puppy, and I heard her speak."

Shen Weiyi didn't just want to introduce a homeless person to his uncle because he was hot-headed.

She is considered.

## **Chapter 1673**

She really saw the aunt who was squatting by the wall holding the stray dog that day.

Shen Weiyi heard clearly that the aunt said to the dog: "Little dog, where is your mother? Can't you find your mother? Seeing that you are hungry, your legs can't stand up straight, come on, auntie I will give you my pancakes, and you must find your mother after eating."

"How pitiful is a child without a mother?"

"If your mother can't find you, she will be very anxious."

"Here, eat the pancakes. After eating, you will have the strength to walk, and you can find your mother."

After saying these words, Shang Hongmei really ripped apart the oil cake bit by bit and gave it to the puppy.

Shen Weiyi, who had just got off the car at the time, saw it clearly.

“Mom, that aunt is so good to every stray dog, how could she be bad to her daughter?”

“The only thing I liked when I saw that aunt at first sight, I liked her very, very much, because that aunt looked very much like my mother before. At that time, my mother wore very torn clothes every day, and she was covered in mud and water, and sometimes her body stinks. , but... the happiest thing for my uncle at that time was to see my mother come back. Even if my mother came back dirty, my uncle was the happiest.”

“I thought...I thought my uncle would like this.”

“Because the only one has always felt sorry for my uncle, my mother and I both returned to my father’s side, but my uncle couldn’t go back to my father’s side, and my uncle was alone, so I wanted to find an identical home for my uncle...”

Children’s minds are so simple.

But so attentive and kind.

Suzi burst into tears when she heard it, and she hugged the only one: “Baby, you are right, you are right.”

Shen Weiyi was sad: “But uncle... doesn’t seem to like that aunt.”

Suzi comforted his daughter: “Baby, if you think like this, you love your uncle the most, right?”

Shen Weiyi nodded: “Of course!”

Suzi then said: “You feel sorry for your uncle, and of course you want your uncle to feel happy, right?”

Shen Weiyi: “Mmmm.”

“So, whoever uncle likes in his heart, can be with the person he likes, and uncle will be happy, do you understand?”

Shen Weiyi nodded: “Mom, I know, I won’t let that aunt be my uncle’s girlfriend in the future.”

Her tone was a little sour.

Suzi still hugged her: “But the only one needn’t be sad, although my uncle doesn’t treat her as a girlfriend, we can treat him as a friend. This way, the only one can see her from time to time, okay?”

Shen Weiyi immediately smiled: “Well, good mother, if only that aunt could work in our house like Grandma Li and Aunt Tian, would that be okay, Mom?”

Suzi thought for a while: “Yes, yes, but I need to ask the aunt’s opinion. It’s too late today. Mom and Dad will contact the aunt tomorrow and ask her if she wants to come to our house to work. How about it?”

Shen Weiyi nodded: “It’s very good!”

The little girl is actually very good at communicating and is very understanding.

This evening, Suzi coaxed Shen Wei to sleep back to the big bedroom, and talked to her husband about it.

“Shaoqin, what do you think we should do about this?” Suzi asked, “Should you call Shang Hongmei to the house and make her a servant? She doesn’t have a job now anyway.”

Suzi also had a good impression of Shang Hongmei.

Arron nodded: “You are the hostess of this family. You are in charge. As for her and her daughter’s affairs, we can adjust it slowly. Your mother and your grandfather can adjust it well. How can your biological mother and daughter not adjust well?”

Suzi nodded: “Okay.”

The next day, Suzi called Shang Hongmei early in the morning: “Hey, Ms. Shang, would you like to be my family and work as a domestic helper?”

### Chapter 1674

On the other end of the phone, Shang Hongmei refused without hesitation: “I’m sorry Ms. Shen, I have a job.”

Suzi: “Uh...”

I didn’t expect Shang Hongmei to refuse so bluntly.

Before Suzi could say it’s okay, Shang Hongmei spoke again: “Ms. Shen, you already told me that Xu Zeyan is your elder brother, please persuade your elder brother to keep him away from my daughter. !”

At this time, Suzi definitely wanted to speak for Xu Zeyan, but Suzi was still gentle and patient: “They are true love, your daughter is already an adult, your relationship is not very good, you continue to interfere like this. ...”

“True love?” Unexpectedly, before Suzi finished speaking, he was stopped by Shang Hongmei on the other end of the phone.

“Ms. Shen! You also have a daughter, don’t you!”

Suzi: "What do you want to say?"

In fact, her impression of Shang Hongmei was not bad. It was this moment when she heard Shang Hongmei's clear and aggressive attitude, which made Suzi feel oppressive, and she couldn't help but feel a little angry.

I can't help but say something in my heart: No wonder your daughter and your husband don't want you!

Deserved!

At that end, Shang Hongmei's tone became sad: "Ms. Shen! Your brother should be a pampered man! He should be a wily man, right? You should admit these two points?"

Suzi: "My brother is a pampered person, but he is not scheming!"

"Ha!" Shang Hongmei smiled: "How can you manage such a big company without being scheming?"

Suzi: "..."

Shang Hongmei's tone gradually calmed down: "A man in his thirties who can run a big company, how deep the city is, don't you need to say more to people like you and me who are both mothers?"

"Especially when you gave birth to a daughter."

"Ms. Shen, have you ever thought that one day in the future your daughter will grow up and only twenty years old. If she meets a man in his thirties who has much more experience than her, tell me. , will you let your daughter marry such a man?"

Suzi: "..."

The answer is, she would hesitate.

Really hesitate.

Generally, men are ten years older than women, and they are accepted by society, but for their biological parents, they must not want to accept them.

After all, would that man lie to his daughter?

That man is so old, why doesn't he get married, and he has a lot of money, is there any hidden disease?

Is that man good or bad? I haven't been married in my thirties. Is my worth not clear, so I don't dare to get married?

And now they are getting married again, is there any conspiracy?

various...

Suzi has been thinking about this issue for a long time.

All because, he also has a daughter.

In that instant, she suddenly understood what Shang Hongmei was thinking.

A real concern for a biological mother.

Immediately afterwards, Shang Hongmei said again: "Ms. Shen, although I was a mess in Nancheng, I have seen all the things that happened in Nancheng seven years ago. Now that the Internet is so developed, all kinds of short videos are competing with each other. spread."

Speaking of this, Suzi's heart suddenly froze.

"Shang Hongmei, what do you mean! Talking about your daughter! You brought me up on my head? You just wanted to tell me that for seven years, you once saw a video on one end, although the video was taken down not long after. People deleted it, but you still remember that video of me being sandwiched between two men?"

Suzi never escaped from his past.

Therefore, she could easily say these words from her own mouth.

However, Shang Hongmei said, "Ms. Shen, that's not what I meant."

## Chapter 1675

“I said these must have touched your sore spot. I sincerely tell you that I am very sympathetic to what happened to you seven years ago. I never thought you were a woman who behaved badly. On the contrary, I have always taken You are my idol, even though I am older than you.”

“You may not believe that the reason why I really cut off all contact with Chu Hongfa is largely because of you.”

Suzi: “...”

This was something she didn't expect.

Why did it go so far?

Shang Hongmei continued: “Originally, I didn't want to tell you these words, because you are pregnant and the month is so old. I don't want to affect you because of this, let alone we are unrelated people.”

“However, if you asked me today, I'll just tell you.”

“I left Chu Hongfa very early,

To be precise, he was kicked out of the house. “

“But, for many years after that, we still had contacts, because I was going to give my daughter living expenses, and I had to visit my daughter from time to time. Later, because of seeing you, I made a painful decision. .”

“Seven years ago, when the whole Nancheng spread about you, I only admired you.”

“I admire your backbone, your tenacity, your survival and self-esteem.”

“In this world, some people are innocent, they don't need to explain to anyone, and you are such a person.”

“Because I saw that there are still people like you in this world, who were wronged like that and still stood upright, I thought, why should I compromise Chu Hongfa! Why should I let him hold mine What's the weakness? I don't want anything at all!”

“Since then, I have never given Chu Hong living expenses. As for my daughter, I deposit money in the bank for her every month.”

“So Ms. Shen, what I want to say today is that I don’t have a bad impression of you at all. On the contrary, I really admire you. However, your brother Xu Zeyan, seven years ago, what kind of thing was he in Nancheng! She once How many women did he play with! How many women did he play with in Nancheng with another young master who thought he was also surnamed Chu! I don’t need to check them one by one, right?”

Suzi: “...”

She had nothing to say.

Seven years ago, when Suzi didn’t know Xu Zeyan, he did hang out with Chu Tianling every day.

To be honest, even Suzi himself never dared to count the little girls in the upper-class circle of Nancheng, and some girls in the clubhouse. How much was Xu Zeyan contaminated back then?

At the other end, Shang Hongmei was still saying, “How can I ask such a man to marry my daughter?”

“I’ll be this daughter for the rest of my life!”

“I don’t want my daughter to follow in my footsteps!”

“So Ms. Shen, I know you are a righteous and kind person. Please stop your brother from harassing my daughter!”

“Otherwise, I will fight him desperately! Either he will die, or I will die!”

“Both of us will suffer, and I will not hesitate to kill both of us! As long as I can ensure that my daughter is not contaminated!”

Suzi: “...”

She simply wanted to give Shang Hongmei a job, that’s all.

But I never thought that Shang Hongmei would refuse so much.

Shang Hongmei is not what she looks like at all. She is stray and ragged, with a chaotic mind, cheating to eat and drink.

On the contrary, she speaks clearly, thinks clearly, and stands firm.

Since Suzi was not at all tired of this woman who threatened her, she even had a good impression of Shang Hongmei.

In the end, she only respected each other's tone and said, "I see, I will persuade my brother."

"I'm giving you trouble!"

"No, goodbye." Suzi said.

"Wait, I..." Shang Hongmei suddenly stopped Suzi, as if she had something to say.

### Chapter 1676

Suzi: "What?"

Shang Hongmei said apologetically, "I...Thank you for your little daughter."

Suzi: "..."

“Ms. Shen, I envy you for having such a good daughter, I like your daughter very much, she is very kind to me, I see a kind of warmth in your daughter, she is so young, only six years old, but she is Strong, she always has the compassion to protect her mother in her heart.”

“I can see that the reason why your daughter likes me and treats me well is because you used to be very down.”

“I really envy you, you have such a price treasure.”

“but me.....”

Having said that, Shang Hongmei suddenly laughed at herself: “It’s okay, Ms. Shen, I’m hanging up.”

Suzi: “Okay.”

After closing the line and turning around, Suzi saw Shen Weiyi.

The little girl just woke up, wearing a little Pikachu pajamas, looking at Suzi with a cute look on her face: “Mom, Aunt Shang doesn’t want to come to our house?”

Suzi didn’t know how to answer his daughter.

But Shen Weiyi is very sensible: “It’s okay mom, we can’t force things that people don’t agree to.”

Suzi kissed his daughter’s forehead: “The only one who is sensible, my mother is very pleased!”

She is not only the only comforter.

She is also happy with herself.

Just as Shang Hongmei said, her daughter, Suzi’s nine-death life, is worth it.

The only one who doesn’t seem to be afraid of the sturdy girl, she dares to fight with other boys, but she is a very loving and tender child in her bones.

Her sympathy and love for Shang Hongmei is enough to illustrate this point.

Suzi was very proud of his daughter.

Also like Shang Hongmei said, she is glad that she has a good daughter.

Instead of being separated from her daughter like Shang Hongmei, her daughter still doesn't recognize her when she grows up.

How cruel is it to a mother that her own daughter does not recognize herself?

Suzi's sympathy for Shang Hongmei has increased.

She thought that if she saw Shang Hongmei again, she must talk to the monk Hongmei who was in her shoes.

When Suzi had this plan, the little friend Shen Weiyi had already started to act.

On the surface, Shen Weiyi told her mother that it was all right, but she knew that the problem should lie with her uncle.

Aunt Shang must have hated her uncle, so she didn't come to the house.

This afternoon, after coming out of kindergarten, she said to Christopher, "Uncle Christopher, I don't want to go to my father's place."

Christopher immediately said: "As you order little princess! Uncle Yan will send you home now."

"I'm not going home either!"

Christopher: "..."

After a long while, he wiped the sweat from his forehead: "Little princess, you are only six years old, and you started... rebellious? Won't you go home?"

Shen Weiyi: "What!"

"Take me to my uncle!"

Christopher: "Oh, so that's the case. Sit down, little princess, I'm going to change course. Well, why are you looking for your uncle?"

"Don't tell you!"

Shen Wei only looked for his uncle to convince him.

She felt that Aunt Shang didn't come to work at home because of her uncle.

She must persuade her uncle to give up Chu Tiantian's girlfriend. If her uncle gave up on Chu Tiantian, then Aunt Shang would not hate her uncle. If Aunt Shang did not hate her uncle, Aunt Shang would definitely come home.

Maybe if Auntie Shang has been working at home for a long time, she can still fall in love with her uncle.

The little girl thought of saving the country with curves.

"Okay. Anyway, go to your uncle's place and beat your uncle, and your uncle won't do anything to you." Christopher started the engine and diverted to Xu Zeyan's company.

At this time, Xu Zeyan still had a few things at hand, and after finishing the deal, he originally planned to go to the Fu Group to pick up Chu Tiantian for a meal. As a result, Shen Weiyi came and broke Xu Zeyan's plan.

## Chapter 1677

"Little thing, what are you doing here! Are you spying on me!" Xu Zeyan asked angrily.

After hurting her for several years, now I feel that this little thing is a trouble!

snort!

Is he easy!

There are more than 30 people, and it is difficult to meet someone who I marry, and I have the support of everyone. Even my parents like Tiantian very much.

result!

Got stumped by this little thing.

Look at how she looks!

Xu Zeyan raised his slap angrily and wanted to beat her ass.

As a result, the slap almost came close, and he was not willing to land on Shen Wei's butt after all.

"Let's talk, I want my uncle to invite you to eat something delicious and take you to play. My uncle won't have a girlfriend today, so he will give his life to accompany his niece today!" Xu Zeyan said.

"Uncle, I have good news to tell you." Shen Weiyi tilted his head and said.

"Ha! Hurry up and speak up."

"I don't ask you to treat Auntie Shang as your girlfriend."

"Well, that's good! This is really good news. If that's the case, then the uncle can bring you Chu for dinner and play today..."

"But I also have bad news." Shen Weiyi interrupted Xu Zeyan.

Xu Zeyan: "..."

"I promise you not to let your Auntie Shang be your girlfriend, but you also have to promise me not to let Chu Tiantian be your girlfriend, how about we exchange?"

Xu Zeyan: "..."

Christopher next to him: "..."

I really sympathize with Young Master Ze.

Ze Shao, you have to hold on.

You are young and you haven't had a serious girlfriend yet, so you can't be mad at your niece.

Xu Zeya is so angry that he can't speak for a long time, okay?

"Uncle, Aunt Shang is very similar to mother, don't you think?"

Xu Zeyan put Shen Weiyi in his arms at once: "Uncle knows, uncle understands, uncle will take you to a place, okay?"

Shen Weiyi nodded: "Okay uncle."

"Yan help you go back first." Xu Zeyan said to Christopher.

"Okay Mr. Ze."

Christopher left, and after Xu Zeyan packed up his work, he drove away from the Xu Group alone with small things.

When he went out, he called Chu Tiantian: "Sorry Tiantian, today's appointment will be cancelled first."

At the other end, Chu Tiantian smiled understandingly: "Brother Zeyan I know, you should coax the little princess first."

"Okay" Xu Zeyan warmed his heart and said in his heart, Tiantian is a kind girl.

After closing the line, he drove Shen Weiyi all the way to the shelter that he cared about most.

Seeing those homeless people, Shen Yi's eyes suddenly turned red.

"Uncle, have you been taking care of them?" Shen Weiyi asked.

Xu Zeyan nodded: "Baby, my uncle has not forgotten my mother, and the hard days we used to be together. Uncle knows that the only one thinks the same way, right, the only one is a very kind child, right?"

When mother, uncle, and the only one is down, so the only one wants to help Aunt Shang, right?”

Shen Weiyi nodded: “Yes, uncle.”

“Look, uncle has been doing it all the time.”

“Uncle, I understand, uncle...” At this moment, Shen Weiyi suddenly became enlightened.

She pouted and said to Xu Zeyan: “Uncle, the only thing I understand, the only one who agrees with sister Tiantian to be your girlfriend, but can sister Tiantian not be so fierce to you in the future, don’t curse people, I really hear her Cursing is very fierce, I’m afraid she will bully you, do you want her to change her career?”

Xu Zeyan nodded, he squatted down and hugged the only one in his arms: “Of course! Uncle knows that the only one is the one who loves the uncle the most.”

At this moment, a voice suddenly came from outside the gate: “Xu, is Mr. Xu? I’m looking for Mr. Xu.”

### **Chapter 1678**

Xu Zeyan turned his head and saw that it was an old lady with gray hair.

He asked, "Old man, do you have any difficulties and need help? I am Xu Zeyan."

The old lady tremblingly came to Xu Zeyan: "Mr. Xu, I... I just have gray hair, but I'm only fifty-seven years old this year."

Xu Zeyan: "..."

Fifty-seven years old is indeed not big, but looking at the old lady, her face is old and gray, it is obvious that she has been devastated by life.

"I'm strong, I'm in good health, I... I heard that you helped people find a job as cleaning, Mr. Xu, can you help me find a job like this, I'm young, I'll show you my ID card." After speaking, the old lady took out her ID card and showed it to Xu Zeyan.

Xu Zeyan took a serious look at the old lady's ID card.

Really myself.

The actual age is really fifty-seven.

"Don't worry, old man, what's your current situation?"

He looked at the old man with a big snakeskin bag on his back.

This snakeskin bag is very similar to the one used by Qian Shenxiang in six or seven years.

Xu Zeyan's heart couldn't help but flash a trace of grief.

"Slowly talk about work, what's your current situation? I see that you are from this local suburb. Why are you in such a big snakeskin bag? You are..."

He wanted to ask if the old lady ran away from home?

Or have a falling out with your daughter, daughter-in-law or your own old man?

He had to ask clearly before he could really help the old lady overcome difficulties.

“I’m fine, I just want to find a place to work that includes food and housing. No matter how hard or tiring the work is, it’s fine. As long as you have food and housing, and the salary is fair to me, that’s fine, Mr. Xu, I beg you. “

Xu Zeyan: “...”

An old lady of this age needs food and shelter. Are her children unwilling to support her?

Xu Zeyan was heartbroken.

Just as he was about to continue to ask, at this time another person entered the yard, and the person who entered the door shouted, “Aunt, what are you doing here, I can support you, and we’ll talk about it when we go home, don’t come here.”

“Shang Hongmei!” Xu Zeyan shouted immediately.

Shang Hongmei explained to Xu Zeyan with a cold face: “I’ll take my father and my aunt away right away. I’ve made it clear to your sister about you and Tiantian. If you go to my daughter in the future, I will I will die with you!”

As she said, she carried the old lady’s bag and went out.

“Mei Mei, put it down!” Aunt scolded.

Shang Hongmei: “Auntie...”

“Auntie can’t drag you down. Auntie has to find a job and find a place by herself. Auntie can do it, and auntie can endure hardship. And Tiantian is right. She said that Mr. Xu helped the old lady to find a job before. It must be true. , I told him about my situation just now, and he will solve it for me immediately.” The old lady looked at Shang Hongmei and said.

Shang Hongmei: “...Auntie, let’s not talk about Tiantian and this man, let’s talk about you, you don’t need to come out to work hard, I can support you, not just for your grandson every month Send 1,500 yuan, I’ll give it, aunt I’ll give it, I just don’t want you to go out to work.”

“It has nothing to do with Tiantian.”

“Auntie, let’s go, let’s go home.”

The old lady still didn’t move: “Hongmei, your life is not easy. I think you work four or five jobs every day, you leave at five in the morning, and you come back in the middle of the night. Aunt can’t bear it. Sooner or later, you will come back. The body will cross.”

“Child, listen to your aunt, don’t count on Tiantian, don’t count on Chu Hongfa, the one who killed Qiandao, you are only forty years old, and it’s still too late to find a man to have a baby, child. Listen to your aunt!”

Shang Hongmei: “Auntie, I’ll listen to you. In the future, I’ll take you to live. I’ll take you to find a man to live. I can’t let you go out to work. Come home with me!”

## Chapter 1679

After a pause, Shang Hongmei looked back at Xu Zeyan coldly: “Maybe you are really a good person, just because you are keen to help these people, I believe you, but my aunt really can’t work here, she is fifty-seven I haven’t thought about happiness in my life, please don’t find a job for her, I’ll take my aunt away immediately.”

In a word, Shang Hongmei walked away without looking back, carrying her aunt’s snakeskin bag.

“Meimei, Meimei, wait for me, you child! Auntie will drag you down!” Auntie cried behind her.

The two aunts and nephews went further and further away.

After walking out for dozens of meters, Xu Zeyan and Shen Weiyi could still see Shang Hongmei walking forward with a big snakeskin bag hunched over her back, her aunt dragging her with difficulty.

“Uncle, they are so pitiful.” Shen Weiyi said.

Xu Zeyan: “Tell me about it. It’s hard for Shang Hongmei to carry this snakeskin bag. This old lady also carried it like this when she came. How hard would it be?”

“Uncle, let’s give them a gift, okay?” Shen Weiyi asked.

Xu Zeyan nodded: "Of course there is no problem! The only one who is the brightest child in the world, is the pride of my uncle."

As soon as she spoke, she led Shen Weiyi to chase Shang Hongmei and the old lady.

After two or three minutes, he caught up.

He took the snakeskin bag that Shang Hongmei was carrying from behind, and Shang Hongmei jumped in fright. She turned around abruptly and said angrily, "You...what are you doing!"

Xu Zeyan: "At least I'm Tiantian's boyfriend. I'll give you a ride. It's easier than you carry it on your back."

Shang Hongmei: "..."

Before she could react, Xu Zeyan had already put the snakeskin bag in the trunk, and then opened the car door: "Please drive, the old man and the only one sitting in the back row, still..."

He wanted to call out Auntie, but he felt that Shang Hongmei was too young.

Besides, Shang Hongmei never admitted that he was Tiantian's boyfriend, so she simply stopped shouting.

"You sit in the front." Xu Zeyan said.

Shang Hongmei was a little embarrassed: "Thank you!"

"You don't need to thank me, as long as you don't look at me with color."

Shang Hongmei: "..."

She got into the car and didn't speak the whole way, and after a long time she bit her lip: "I'm sorry! You don't have children! You're not a mother, you can't understand a mother's worries about her children. I'm not targeting you, I'm really worried my child."

Xu Zeyan: "..."

He is very like Shang Hongmei, why should he abandon her if it is for the sake of the child?

But he didn't say anything.

Because I don't want to quarrel with my mother-in-law.

Following the route pointed by Shang Hongmei, Xu Zeyan drove all the way to Shang Hongmei's residence.

She had already guessed that it was almost the same as the slum where Suzi once lived, but it was worse because it was a suburban village in Nancheng.

It stands to reason that there is nothing wrong with the countryside, but the locals in Nancheng basically buy houses in the urban area. Most of the people who stay in the countryside are migrant workers.

However, what Xu Zeyan did not expect was that although Shang Hongmei lived in a poor place, the house she had cleaned up was extremely clean and tidy, giving people a pleasing feeling.

Shang Hongmei's attitude towards him was also much better. She entered the door and said, "Sit down and I'll pour a glass of water for you and the child."

As soon as Shang Hongmei turned around, the door was kicked open.

An extremely vicious voice shouted: "Don't hide from me, immortal! I found you!"

## Chapter 1680

As soon as Xu Zeyan turned around, he saw three or four men standing at the door.

The man standing at the front was pointing at the old lady who had just sat down and scolding.

The frightened Shen Weiyi immediately fell into Xu Zeyan's arms.

Xu Zeyan held the only one in one hand, and protected Shang Hongmei and the old lady behind him in the other, and then looked sharply at the three or four men outside.

Strangely, the man headed by the man who scolded the old lady had a fierce voice, but he was well-dressed and even wore a pair of glasses, looking very gentle.

The two or three men he reached out didn't look like hooligans either.

Their brothers are all decent people.

"Who are you? How can you break into the house privately, do you know that you are breaking the law!" Xu Ze asked in a flat tone.

As he said, he covered his only ear: "Baby, if your uncle wants to fight with them in a while, you will run away, run to your uncle's car, and use your phone watch to call for help, understand?"

Shen Weiyi said firmly: "Don't worry, uncle!"

On the opposite side, the man headed up and down a lot of Xu Zeyan: "Who are you! As far as I know, the old lady Nancheng is this niece besides her son who is in prison. Who are you?"

After thinking about it, the man sneered: "Oh, are you her niece's concubine?"

The man glanced at Shang Hongmei: “Shang, since you said you want to take care of your aunt’s affairs, then hand over the money your aunt owes us! If you can’t afford it, you can let your concubine pay it back!”

Shang Hongmei’s eyes were red with anger: “You are still human, not human! Let my aunt pay you back! My aunt married your father at the age of forty-five for eleven years! There is no credit or hard work! Is it my aunt’s care?”

“How much is the labor fee for eleven years? My aunt took your money, and you asked her to pay it back! You are still human, not human!”

“Dong Linxiang! I’ll tell you! If you come to our house, I’ll call the police!”

“I’ll call the police now! Do you think I, Shang Hongmei, will be afraid of you!”

“Auntie, don’t be afraid of him! If we call the police, we will go to court!”

The words must be said, Shang Hongmei immediately took out her mobile phone and called the police.

As a result, her mobile phone was slapped by the man: “Is it right to call the police? I advise you to think about it first! It was your aunt who took my father’s money silently! A full 50,000 yuan! This crime of theft is not trivial. Numbers! You better think about it!”

“No way, your cousin went to jail, and you asked your aunt to accompany him in jail?”

“If you think about it, you can call the police! I’m not afraid to see you in court!”

The man picked up the phone and handed it to Shang Hongmei.

Shang Hongmei hesitated.

The man pressed on.

He first glanced at Xu Zeyan contemptuously, and then said: “Shang Hongmei, you thought that you could scare us by bringing your concubine here today, but you are the one who took the blame! Let’s do the goods! Your aunt did the next thing, the same as you!”

“No wonder there are two people, one is going to jail for the son, and the other is the daughter who doesn’t recognize you! It’s strange that your daughter recognizes you when you are recruiting concubines outside!”

Shang Hongmei gritted her teeth: “Dong Linxiang, if you have something to say, don’t insult people!”

“Okay, let’s talk about something! Immediately pay back the 50,000 yuan!”

“No!” Shang Hongmei said.

Let her get the 50,000 yuan all at once, where will she take it?

“No? I’ll give it to your concubine! Does your concubine look decently dressed? That car outside is two or three million? I didn’t expect Shang Hongmei to be able to hook up with such a young concubine at your age, eh? , I said Xiaobai face, pay back the money for your woman!”

“You fart!” Shen Wei was annoyed!

## Chapter 1681

Dong Linxiang: “...”

“Look at me biting your pants! You bastard!” Shen Weiyi was so angry.

She likes Shang Hongmei the most, how can she watch Shang Hongmei being insulted?

Before his uncle could say anything, Shen Weiyi was already angry.

She got off her uncle, akimbo, and looked fiercely at the man opposite her, who looked like a little wolf dog.

Dong Linxiang is not a real hooligan, he is here to get 50,000 yuan for his father.

Naturally, he couldn't be as knowledgeable as a child.

He was stunned: "You...you...hurry up and pick up your child, I won't have the same knowledge as a child!"

At this time, Xu Zeyan spoke coldly and slowly: "Mr., I don't think you are a hooligan. Can you tell me in detail what's going on? Let me know what happened, after I understand it. , I will pay you back the money I owe you!"

After saying that, Xu Zeyan hugged Shen Weiyi again: "The only one is good, uncle will handle this matter."

Shen Weiyi just lay on her uncle's body and didn't move, but she was still angrily waiting for the person opposite.

The opposite Dong Linxiang immediately said, "Shang Hongmei's aunt is the wife my father married. My father was sick a while ago, and the wife stole 50,000 yuan from my father and ran away!"

"If your concubine can pay her back the money more readily, I won't sue her for stealing!"

"If no one pays the old lady's money, then I must report to her for theft!"

"Fifty thousand yuan is not a small amount! Enough for her to stay in jail for a while!" said Dong Linxiang with a sneer and contempt.

Xu Zeyan also sneered: "Listen to Dong, I'm not someone's concubine! You don't want to shout one concubine after another! As for the money the old lady owes you, I can pay you back for her! But I also Ask the old lady first! If you say she stole, the old lady doesn't admit it!"

"This matter needs to be made clear face to face! Besides, you said she invested the money, what evidence do you have, have you seen it?" In fact, Xu Zeyan had no doubt that the old lady took the 50,000 yuan.

He was just puzzled.

He wanted to clear this doubt.

Sure enough, Dong Linxiang said: “Of course there is! There is surveillance in my house, and the surveillance is very clear! The evidence is conclusive, she cannot escape!”

Having said this, Dong Linxiang suddenly changed the subject, and his tone turned a little better: “I also know that Shang Hongmei is unable to pay back the money. Since you are not her concubine, I will not look for you.”

“I thought of a way, Shang Hongmei, do you think it’s feasible or not!”

Shang Hongmei said angrily, “Tell me! It’s the interest, right? Okay! I’ll give you the interest!”

Dong Linxiang said: “Our family has no shortage of 50,000 yuan! My dad is now sick and paralyzed in bed. As long as the old lady is willing to go back to take care of my dad and fulfill her obligations as a wife! I won’t pursue her for stealing money! And the interest You don’t need a cent! You just need to slowly repay the loan in installments, and even if you have ten years, we won’t force you!”

Xu Zeyan: “...”

I finally understood something.

The main purpose of these people is not to ask for money.

Looking for someone to go back to take care of his sick father?

Shang Hongmei was also so angry that she couldn’t speak for a long time.

At this time, I suddenly heard a roar behind me: “I will let you grandchildren bully my old wife and my niece again, I will fight with you! I will hack you to death!”

Xu Zeyan and Shang Hongmei both turned their heads together and were stunned.

At some point, the old lady had a kitchen knife in her hand and was running towards Dong Linxiang and his brothers.

“Auntie, put down the knife!” Shang Hongmei was shocked.
