

Chapter 1681 - 1682 of A Dish Best Served Cold Novel

Chapter 1681 Old Man Qiu's Ignorance

When Helen Qiu heard the news, she had an inexplicable feeling in her heart.

Should she be happy?

But after all, Qiu Shui Logistics is the company for which she has been fighting for many years. In her body, the blood of the Qiu family is even more flowing. Her grandfather and other relatives also rely on it to support her.

The closure of Qiu Shui Logistics undoubtedly means that the Qiu Family has completely declined.

Helen Qiu couldn't be happy.

Should she sympathize?

However, grandpa's eccentricity, uncle's snobbery, Terrisa Qiu and others' insults, and Qiu's unfeeling, everything is vividly visible.

To end today is also to blame.

Thinking of this, Helen Qiu felt that they were not worthy of sympathy.

It was under this tangled mood that Helen Qiu finally chose to ignore it.

She did not go to save QMove Logistics, nor did she go to bed.

She chose to go with the flow and let him go.

Since she has been expelled from the Qiu family, why should she bother about the Qiu family.

Of course, Helen Qiu was not really hardhearted.

In the meantime, she tried to get someone to give Mr. Qiu some money.

After all, Father Qiu loved her when she was young.

Later, when Terrisa Qiu was bewitched, she made mistakes again and again, but Helen Qiu did not forget her past kindness.

But it's a pity that the old man Qiu was so proud, even if he fell here, he would not accept Helen Qiu's "charity" at all.

Since then, Helen Qiu has never had anything to do with the Qiu family.

Before that, Helen Qiu thought that Qiu Muqi and the others should learn their lesson and find another way out.

However, Helen Qiu never thought that she would meet again today in this way.

"Grandpa~" "You..."

"Sorrowfully, Helen Qiu still yelled to Grandpa Qiu. However, Grandpa Qiu turned a deaf ear. As if he didn't see Helen Qiu, it didn't make sense at all, so she followed Qiu Muqi and so on. People, entered the Shanshui Guild Hall. Helen Qiu's pretty face suddenly turned pale. She never thought that her dearest grandfather was now a stranger. With inexplicable emotions, Helen Qiu followed everyone. Walked in. "Miss Mo, go sit up quickly.

"I don't know, who are these?"

Seeing Mo Shanshan, Ferguson Wu smiled enthusiastically and quickly invited them into the seat. This Mo Shanshan is the niece of Mo Wuji, the head of the Mo family, and she has a small status in the Mo family. Ferguson Wu naturally does not Dare to neglect. While speaking, Ferguson Wu looked at Qiu Muqi and his party curiously. "He is my fiance, his name is Qiu Muqi.

"These two, one is my fiance's father and the other is my fiance's grandfather."

Mo Shanshan introduced to Ferguson Wu. Ferguson Wu was slightly surprised when he heard it. The gaze that looked at Qiu Muqi immediately changed. After all, a daughter who can conquer a wealthy family will naturally make people admire a bit. "Haha~" "It turned out to be Mr. Qiu.

"Sure enough, Ms. Mo and Ms. Mo are very talented and beautiful, a perfect match.

"However, if you can get Miss Mo's heart, Mr. Qiu must be a great man."

Ferguson Wu greeted warmly. Qiu Muqi smiled politely: "Wu Shi has praised it.

"I have been classmates with Shanshan for many years, and we met while studying abroad."

"Now, it's just not long after the relationship is established."

After the two exchanged greetings, Ferguson Wu asked Xiang Mo Shanshan: "By the way, Miss Mo, I don't know when Patriarch Mo will arrive?"

Chapter 1682

Of course, Ferguson Wu's presenting such a big scene today was not just to entertain Mo Shanshan. The main purpose was because he got news that Mo Wuji, the head of the Mo family, would be in Wrilfill tonight.

How dare Ferguson Wu neglect the wealthy patriarch who descends to Wrilfill from heaven?

You know, just this morning, He Lanshan, the governor of Noirfork Province, called him personally and asked him to do a good job in hospitality.

Even He Lanshan greeted him personally. It is conceivable that this Mo Wuji's face is so great?

It was also because of Mo Wuji that Ferguson Wu was so polite and polite even to the younger generation like Mo Shanshan.

"My uncle is on the way to and from Wrilfill and will be there soon."

Mo Shanshan replied.

"En, that's good."

Ferguson Wu nodded.

"By the way, Wu Shi."

"The President Qiu I asked you to invite, this time, can you invite him?" Mo Shanshan asked suddenly.

"Well, Mr. Qiu was here long ago. Did you just go out to welcome you?" Ferguson Wu said with a smile.

"Really?" "Then call her to come over."

"I want to see, what kind of woman is this?" Mo Shanshan said with interest.

Soon, Helen Qiu was called by Ferguson Wu.

"Miss Mo, are you looking for me?" Helen Qiu walked over, looked at this strange woman with some doubts, and asked immediately.

“Oh?” “You are Helen Qiu?” “The wife of the door-to-door son-in-law?” “The abandoned daughter of the Qiu family?” “My fiancé’s Qiu Shui logistics is destroyed by your hands?” “For the time being, regardless of your skills, this beauty alone is really good.”

“No wonder, at a young age, you can flourish in Wrilfill.”

Mo Shanshan’s words made Helen Qiu extremely unpleasant and cold. Asked: “Miss Mo, I don’t know what you mean by this?” “What do I mean, you can’t hear it? Could you tell me to speak out in front of everyone?” Mo Shanshan smiled inexplicably.

At this moment, Mo Shanshan, with a beautiful body sitting in a respectable position, looked at her condescendingly, her beautiful eyes were full of teasing.

“You~” Helen Qiu was frustrated, and Ferguson Wu quickly stopped her when she was about to attack.

“Mr. Qiu, be calm and not rude.”

“Justify your identity.”

“You have to know, who is sitting in front of you?” Ferguson Wu winked at Helen Qiu, reminding her not to be impulsive.

No way, due to the opponent’s background and power, Helen Qiu finally resisted it.

Sullen expression, did not speak.

Seeing this, Qiu Muqi on the side suddenly grinned.

Helen Qiu, Helen Qiu, even if Mark is Mr. Chu?

What if it is the respect of Noifork?

In front of the real giants, you still have to be subdued!

Yes, the reason why Mo Shanshan named Helen Qiu to accompany the wine today was entirely Qiu Muqi’s idea.

Since the closure of Qiu Shui Logistics, Qiu Muqi has been unwilling to sleep day and night.

He was never reconciled, so he lost to Helen Qiu.

Finally, he found Mo Shanshan and accepted Mo Shanshan’s courtship.

When studying abroad, Mo Shanshan has been pursuing Qiu Muqi.

Unfortunately, Mo Shanshan was not the style Qiu Muqi liked, so he never agreed to Mo Shanshan's pursuit.

But now, Qiu Muqi has no choice.

In order to save the Qiu family, and because of his unwillingness, he could only agree to associate with Mo Shanshan.

And in exchange for Mo's support.
