

Chapter 1685 - 1686 of A Dish Best Served Cold Novel

Chapter 1685

The deep voice sounded quietly.

Like a thunder on the ground, in an instant, everyone in the entire hall was attracted by it, turning around and looking at it.

In the corner, Mark was sitting there.

He shook his head and smiled, holding tea, and gently tasting the tea in the cup.

When he said these words, he didn't even look at Mo Shanshan. The arrogance and contempt were so vivid.

"Mr. Chu, what are you doing?!" "Say it carefully!" "That's Miss Mo, his uncle is the Patriarch of the Mo family in Gritsberg."

"The wealthy family who has been in Vietnam for a long time~" Ferguson Wu heard Mark's face turned pale at that time.

The thing he worries the most, still appears.

Before, Mark remained silent.

Ferguson Wu thought that Mark had self-knowledge.

Knowing the Mo family, he cannot afford to offend.

So simply closed one eye to what Mo Shanshan and others did just now.

However, it now appears that Ferguson Wu was wrong.

Think about it, too, this Mark, who is used to being the king and hegemony in the Noifork land, is at the age of high spirits, how could he forbear.

However, Ferguson Wu still tried hard to persuade.

"Huh?" "Mark, it's you?" "I didn't expect that you guy would be here."

Just now, Qiu Muqi and the others did not pay attention.

Qiu Muqi didn't notice Mark's existence until Mark spoke.

At first, Qiu Muqi was surprised.

Then he smiled.

"Huh?" "Who should I be?" "It turned out to be the Megatron party, Mr. Chu who stuns Noirfork."

"Yes, in this whole Noirfork land, besides you, who else is facing my family Shanshan? At that time, so arrogant?" Qiu Muqi walked out, smiling triumphantly.

The tone was full of sarcasm.

To Mark, there was absolutely no fear or dread.

With Gritsberg's wealthy family to rely on, Qiu Muqi is naturally not afraid of anyone.

"Humph~" "Mark, we meet again."

"Thanks to you, our QMove Logistics has gone bankrupt."

"Once, I thought the story of the ugly duckling would only be in fairy tales."

"Unexpectedly, I can see it in reality."

"A poor countryman, a humble son-in-law, can become the lord of Noirfork?" "I can only say that we have no one in Noirfork."

"However, Mark, you don't want to I thought that our Qiu family would be afraid of you ever since."

"Speaking of which, I have to thank you."

"If it weren't for you, it would be impossible for my son and Shanshan to come together."

"Similarly, if it wasn't for the collapse of Qiu Shui Logistics," Our Qiu family will not move into Gritsberg with the whole family, and prepare to make a comeback."

"Thank you, Mr. Chu, for giving us the opportunity of Qiu Family, a Phoenix Nirvana."

When Simon Qiu saw Mark, he also gave a cold snort.

He smiled faintly, looking at Mark's eyes, full of resentment.

Elder Qiu also glanced at Mark, his face was cold, and he obviously didn't give Mark any good expressions.

However, they also had to admit that Mark's current achievements were indeed far beyond their expectations.

In the beginning, when he heard that Mark was Mr. Chu from his population, everyone in the Qiu family undoubtedly didn't believe it.

But what can I do if I don't believe it?

Many things are just there.

Beside the Trivan Lake, entertain all the heroes.

Yundingshan Villa, Helen Qiu stays in high profile.

The small Mufan real estate has transformed into a group of 100 billion Dollar.

Chapter 1686 Mark's Disappointment

In connection with the previous opening ceremony, Wanbang came to congratulate.

One after another, they have to accept the cruel reality.

Before, their Qiu family looked down upon the wasteful son-in-law, Mr. Chu.

If there is no regret, it is undoubtedly impossible.

After all, as long as they treat Mark and his wife better and haven't driven them out of the Qiu family, then the Qiu family today is a different story.

Where will it fall to this point?

But fortunately, Qiu Muqi is also regarded as winning, and has a girlfriend with a strong background.

Now, Father Qiu can only place his hopes on his grandson, hoping that he can use the momentum of the Mo family to revive the Qiu family.

However, facing the ridicule of Qiu Muqi and others, Mark shook his head in disappointment.

"I thought that after experiencing so many things, you would learn a lesson."

"You will feel guilty and regret for what you did to Helen before."

“In that case, I don’t mind letting Helen return to the Qiu family. “Don’t mind, help you Qiu Family, ascend to the top of Noifork, and become the most powerful family.”

Mark said slowly.

These words of him are absolutely not false.

Just now, Helen Qiu was humiliated by Mo Shanshan, and Mark remained indifferent.

Why?

He actually wanted to see the reaction of the Qiu family.

Blood is thicker than water.

People like Mr. Qiu and others are Mu Cheng’s blood relatives after all.

Qiu Shui Logistics was destroyed under his hands. Although Helen Qiu didn’t say anything, Mark felt it, and Helen Qiu was still a little bit lost and sad.

After all, get along day and night for decades.

Is it so easy to give up the affection buried in blood?

Mark also understands this.

So today, when meeting the Qiu family, Mark was born with the desire to help Helen Qiu ease the relationship with the Qiu family.

“But now it seems that I took it for granted.”

“Even now, you still have no intention of knowing your mistakes, and no intention of repentance.”

“Helen has been bullied by others, so you just don’t care about it, and you actually paid it back. Helping Zhou to abuse.”

“Help the Mo family wicked girl and bully Helen?” Mark’s deep words sounded slowly.

Above the delicate face, there was disappointment and coldness.

“Haha~”

“Mark, don’t you think it’s ridiculous to say this now?” “Returning to the Qiu family, and helping the Qiu family to climb to the top of the Noifork?” “Put away your benevolent benevolence?” “Because of you, Qiu Shui Logistics They are all bankrupt.”

“The foundation of my grandfather’s life was ruined by you.”

“My father and his third uncle are in jail because of you.”

“Even my fourth sister’s marriage is regretted because of you.”

“You It damages our reputation and breaks our Qiu family’s foundation. It’s nothing more than the vengeance of life and death.”

“Now I want to go back to the Qiu family?” “Do you think you can come back?” “You, and Helen Qiu? , You couple of dogs and men are destined to be removed from the Qiu family tree forever.”

“In the future, all children will be nailed to the shame of my Qiu family!” “And, I promise, when our Qiu family makes a comeback , It will make you hard to die!” Qiu Muqi’s eyes were red, and he smiled gaffefully, and the whole person looked a little rugged.

Ferguson Wu and others around, watching such a scene were undoubtedly shocked.

Obviously, they did not expect that there would be such a deep entanglement between Mark and Qiu Muqi.

No wonder that Mo Shanshan and his wife deliberately humiliated Helen Qiu just now.
