

# Catch Me If You Love Me

## Chapter 17

Zoey Gu had a meal with eating.

Mother Lu's voice rang again.

"That was the most frustrated and painful night of Liam's life."

Lu's mother looked at the wisteria rose in the courtyard, and her son seemed to have appeared the night five years ago.

"After you called him that night and said that he was going to run away with him, he was so happy that he didn't even eat any food, and urged me to pack up all night, saying that he would leave Berven City together."

"In fact, three days before you called, someone from the Lu family came and wanted to take him away. He is from the Lu family and has Lu family secrets on him. After the age of 23, he must return to the Lu family. Find a way to keep the secret."

Zoey Gu frowned slightly and seemed to remember that Liam Lu did say on the phone the night of the accident that he would tell her his secret after elopement together.

Unfortunately, she didn't wait.

"Liam told me that night before he left Berven City, he would tell you the secrets he couldn't tell you, and then it's up to you to decide whether to go back to Lujia together or live your own life."

"When he returns to the Lu family, he will give up all his inheritance rights in the Lu family to keep you. When he leaves, he is also willing to bear the consequences of not being able to keep the Lu family secret. But you..."

Mother Lu turned her head and looked at Zoey Gu.

"That night, he came back desperately in the heavy rain and told me that he was dumped by you. He was sitting on this step, drinking bottle by bottle, drunk to sleep, and woke up to continue drinking. I knew he felt uncomfortable, so Let him go."

"But I woke up later and saw him falling on the steps, covered in blood. While cutting a knife on his body, he kept asking me why he didn't feel any pain?"

After many years, Mother Lu still remembered that shocking scene.

She was frightened and insisted on sending Liam Lu to the hospital, while persuading him not to think about it.

Liam Lu took her hand, shook his head with red eyes, and smiled low.

“Mom, I didn’t commit suicide. I just want to know if it hurts or not? You don’t know, Zoey Gu dumped me and I slept with others. In our life, it’s impossible, impossible...”

Bang.

As soon as Mother Lu had finished speaking, Zoey Gu suddenly knocked over the bowl in front of him without warning.

“Mother Lu, stop talking, please stop talking.”

She squatted on the ground with her face in her hands, whimpering in pain, and apologizing incessantly.

“I’m sorry, Mother Lu, I’m really sorry, it was I who lost him, it was me!”

Zoey Gu stood up on the corner of the table, stumbled past Mother Lu, rushing out the door like a gust of wind.

“Zoey.”

Mother Lu’s anxious voice came from behind.

“Mother Lu doesn’t know if you are innocent. But if you have troubles, Liam will definitely help you, you believe me.”

Zoey Gu heard it, and the pace under him was faster, and he rushed out of the courtyard without looking back.

But he didn’t even notice that a black Bentley was turning the corner and drove in her direction.

She turned her head and met a pair of Senhan’s eyes in an instant, and her blood seemed to be frozen. She stood there blankly, letting the car rush towards her...
