As a result of what had actually taken place before, Yang Wen would certainly never ever quit. He didn't wish to make way too much problem, so he was going to let Yang Qi settle the matter.

3 years ago, Yang Qi didn't win the large prize, but he was fortunate sufficient to get Samuel's support, similar to Johann. That was why he was in such a setting today.

Power and connections were the first things Samuel did after he got here in Cloud City.

Johann was in charge of the forces in the gray area, while Yang Qi remained in Cloud City to open contacts for Samuel's needs.

" Well ..." Yang Wen didn't expect Rong Liu to have such a suggestion. He said, "Anyway, Yvonne is from the Sue family members. That's not good."

Rong Liu snorted coldly as well as said, "What's wrong with that? And do I even care concerning the Sue family?"

In the past, Yang Wen didn't need to consider it to understand that Yang Qi wouldn't take the Sue household seriously. And now it was various. The whole Cloud City recognized that the Sue family supervised of the task in the west of the city. Many people also understood that the obstacle in the west of the city was highly likely to make the Sue household a first-line family members in Cloud City. Whether Yang Qi would certainly have reconsiderations or not, it was hard to inform.

" Who resembles that good-for-nothing? Penalty, do as you claim." Yang Wen offered the goons an appearance and also made a really unclean motion with his hands.

After getting the signal, the criminals massaged their hands and strolled toward Yvonne and Linda.

" Two attractive women, you look great. Why don't you have males with you? Would you like us to have a drink with you?"

" It's a pity that such a stunning female is still solitary."

When a couple of criminals strolled to Yvonne as well as Linda, they began to feel uneasy and also drove the others away.

There were many admirers of Yvonne. When they saw this scene, they became angry.

" That are you? This is the hall that we booked. Leave here."

One of the criminals looked contemptuously at the male student that spoke and said, "That are you? Why are you speaking before me?"

The male pupil claimed coldly, "You may not know why we are right here. He is Yang Qi's nephew. I recommend you not to make trouble right here."

When Yang Qi heard this, he acted that he didn't hear anything and also gave Rong Liu a chopstickful of food.

The criminal stood up and walked towards the male pupil with a smile.

After walking in front of him, he kicked on the male student's reduced abdominal area and said coldly, "Darn, I do not understand that he is, however he really did not talk. Where did you get the courage to fart with me?"

The male trainee remained in so much pain that he broke out in a cold sweat and gripped his lower abdominal areas.

When the others saw that Yang Wen didn't do anything and Rong Liu was also acting as if it had nothing to do with them, they were shocked. This issue could not have been deliberately prepared by Rong Liu, right?

"Rong Liu, we're all schoolmates. You do not have to be so callous, do you?" A person stated to Rong Liu.

This issue has absolutely nothing to do with me. Rong Liu stood up as well as said angrily.

The Lot Of Money Tree Village was Yang Qi's place, as well as Yang Wen was Yang Qi's nephew. Just how could these individuals dare to make trouble right here?

Rong Liu described, all the students existing understood that this issue needs to have something to do with her.

However many individuals really did not want to upset Rong Liu, so with the exception of the male pupil who had been beaten, nobody else risked to claim anything.
