

Chapter 1703 - 1704 of A Dish Best Served Cold Novel

Chapter 1703

Seven days passed quickly.

On the evening of the seventh day, Mark was ready to leave for Japan.

“Mr. Chu, as per your instructions, the air tickets have been booked.”

“The plane will be tomorrow morning.”

“Suggestion, tonight, go to Edensberg and wait.”

Yundingshan Villa, Ericson and Lei San two people All in.

Now that Mark is about to leave, Ericson will naturally come to see him off.

As for Lei Laosan, Mark called and asked him to send Liang Gong Yingxue.

Previously, when Mark and Helen Qiu returned to Wrifill, they did not bring Lianggong Yingxue back, but put him under house arrest in the Ye family villa in Denham.

Now that the seven-day period has come, Mark naturally picked her up and went to Japan together.

At this time, Ericsonzheng respectfully said to Mark.

Mark nodded: “Okay, let’s set off now.”

“Dare you?” However, when Mark was about to get in the car and leave, there was a fierce noise coming from behind him.

Needless to think about it, it was naturally Helen Qiu.

“Well, wife, do you have any more instructions?” Mark gave a wry smile, poked his head out of the car, and asked carefully.

“You get off the car!” “No matter what is urgent, you have to leave after eating.”

“Have you heard?” Helen Qiu said angrily, in a blunt tone, without any room for discussion.

“that...

Okay.

The corner of Mark’s mouth twitched. He couldn’t help it. His wife had spoken. Naturally, he had to listen to his wife and leave after eating. “Mr. Chu, are they still waiting under the mountain?”

“Mark traveled this time, and many of the rich and powerful people who got the news naturally came. When I was at the bottom of the mountain, I was waiting to see Mark off. However, it doesn’t matter if Ericson didn’t speak. Mark suddenly said this. Angrily said: “So what a nonsense!

“Don’t see Master going to eat with his wife?”

“Let them wait, get out if you don’t want to wait.”

“No matter how big things are, it’s not important to accompany your wife to dinner!”

Mark scolded Ericson with his head and face. In the end, Mark left them aside, and went into the house to accompany Helen Qiu to dinner. The scolded Ericsonli drooped his head and did not dare to lift it for a long time. Haha~” “You fellow, you don’t know, Mr. Chu is afraid that his wife is not a day or two.

“Do you even hit the muzzle?”

“It’s easy to scold you. If you want me, I have to kick you.”

“Lao Lei smiled and said coldly. “Lao Lei, you are paralyzed!”

Old Ericson’s face was ugly, and he scolded Lei San in an angry manner. But after the scolding, these two smashing city-level bosses laughed helplessly. “Leave us like this on the side.”

Regardless of it, this promised Noirfork is probably also Mr. Chu.

“Ericson and Lei San both shook their heads with emotion. Inside the car, Haruhi Yingyue, who had been silent for a long time, suddenly smiled when he saw the scene just now. Ruyu’s pretty face showed an intoxicating smile. Obviously, Lian She also did not expect that the iron-blooded hero on Dongchang Lake would look like this when facing his wife. “What a, very interesting person?”

“It’s just, it’s a pity~” No one noticed, at this moment, there was a bit of pity and pity in the eyes of Haruhi Yingyue. No one knows, what is this girl thinking about at this time? Half? After an hour, Mark finally came out after eating.

Lei San was laughing and talking coldly.

“Lao Lei, you are paralyzed!” Old Ericson’s face was ugly, and he cursed Lei Lao San in an angry manner.

But after the scolding, the two arrogant city-level bosses laughed helplessly.

“Leaving us on the sidelines like this, this promised Noifork is probably Mr. Chu.”

Ericson and Lei San both shook their heads with emotion.

In the car, Haruhi Yingyue, who had been silent for a while, smiled at the scene just now.

Ruyu’s pretty face showed an intoxicating smile.

Obviously, even she did not expect that the iron-blooded hero on Dongchang Lake would look like this when facing his wife.

“Really, a very interesting person?” “It’s just, it’s a pity~” No one noticed that at this moment, there was a bit of pity and pity in the eyes of Haruhi Yingyue.

No one knows, what is this girl thinking about at this moment?

After half an hour, Mark finally came out after eating.

Chapter 1704 You Are Late

Before leaving, Helen Qiu said: “You bastard, come back early.”

“Otherwise, this lady will definitely green you.”

Helen Qiu threatened Mark with her teeth and claws.

Mark’s face turned black at that time.

Second Austria!

This woman is so cruel!

When Mark’s face turned dark, Lei San, who was next to him, almost laughed.

Mark was so angry that he kicked his ass: “Laugh at your sister, laugh!” “Hurry up and drive away.”

Lei San dared to talk, and immediately got into the car honestly.

“Haha~” “Old dog Lei, made you laugh at me just now.”

“Deserve it~” Ericson smiled happily.

Then, the engine roared and the wheels sped.

The black luxury car greeted the night, drove away from the Yundingshan Villa, and drove towards the distant sky outside.

On the top of Yunding Mountain, Helen Qiu had a red dress fluttering, and he looked at the man who was so far away.

“It must be safe~” whispered in the cold wind, there was a beautiful woman.

What is happiness, perhaps, this is happiness?

No matter where you go, there is someone who is looking forward to your return.

No matter where you are, there is a person who is dreaming and worrying about you.

However, soon after Mark left, someone came to visit Yundingshan Villa.

I saw Ferguson Wu walking in with a generous gift.

Seeing Helen Qiu who was still in the courtyard, she suddenly smiled and said, “Miss Qiu, is Mr. Chu there?” “It turns out that it is Wu Shi, is there something going on?” Helen Qiu smiled lightly, although her tone is counted. It is polite, but with a chill that refuses to be thousands of miles away.

Asking softly, there is no intention to invite Ferguson Wu into the room.

“Miss Qiu, it’s the case of the Shanshui Guild Hall last time.”

“That’s really a misunderstanding.”

“I’m here this time, it’s like an apology and explain it.”

“Ms. Qiu, I really apologize sincerely. “Mr. Chu is the one who came out of Wrifill. I really appreciate Mr. Chu from the bottom of my heart and want to be friends with Mr. Chu.”

Ferguson Wu was still explaining.

But now that Helen Qiu heard these words, she shook her head and sneered.

“Sincere?” “Wu Shi, are you really sincere?”

“I’ll just ask you, if Mark didn’t have the prestige that Mo Family Patriarch treats respectfully in the Shanshui Guild Hall that day, would you still come here to apologize in person like today?” “This~” Ferguson Wu’s mouth twitched. After smoking, he was stunned.

Helen Qiu was speechless when he asked about this.

The old face flushed, but he didn’t know how to answer.

Helen Qiu snorted when she saw this.

After that, he did not stay outside for more.

Turned around and walked towards the villa.

“Wu City, let’s go back.”

“You’re late.”

“Mark has already gone far.”

Helen Qiu’s sneerful words spread along the night breeze.

However, Ferguson Wu sighed after staying in the same place for a long time, after all, he went back with regret.

In fact, Mark’s impression of Ferguson Wu was still good.

When Mufan Real Estate opened, Ferguson Wu took the initiative to join in.

Mark also remembered this kindness.

Therefore, Mark didn’t mind being friends with Ferguson Wu before.

However, it is a pity that Mark can see through the affairs of Shanshui Guild Hall after all.

For snobs, Mark never liked it.

Therefore, no matter how Ren Ferguson Wu can save it now, it will not help.

Some mistakes, once made, are not worth forgiving.
