Chapter 1707

Dead still.

Deathly silence.

The whole restaurant was silent for a moment.

The group of tattooed men is even more confused.

The corners of his eyes twitched.

Peat~ Shoe shine is just that, what a big deal.

Going around in such a big circle, I don't know, I thought you were going to kill us.

“Ha~” “Haha~” “Yes, brother is right, saying that we were negligent.”

“What are you doing in a daze?” “What are you going to do? Go and polish your shoes~”
After a long time of surprise, these People also smiled and ran over to polish Mark's shoes.

It's really not that Mark has too many things.

Can't blame Mark's small belly chicken intestine.

The main reason is that Helen Qiu bought the shoes on Mark now.

The shoes my wife bought were trampled on by a gangster.

Mark didn't kill them, it was already his great kindness.

“Brother, look, is this okay?” After a while, these people polished Mark's shoes.

Mark glanced, then nodded.

“Okay, get out.”

“Don't let me see you again.”

Mark said angrily.

Hearing Mark's words, those gangsters had just been pardoned, so they turned their heads and ran away.

After those people left, the diners in this restaurant were still in shock, and had not recovered for a long time.

Only Haruhi Yingyue smiled foolishly.

She didn't know why, the longer she followed Mark, the more she felt that this man was so interesting.

In the past, the world of Haruhi Yingyue was very small, just the size of Sword God Palace.

On weekdays, in addition to cultivation, it is cultivation.

The family ignored her, so Mochizuki occasionally taught her a few swordsmanship.

Therefore, during the first half of her life, she spent almost all of her time alone.

This trip to Noirfork is the farthest she has traveled, and it is also the one she has seen the most people.

Especially Mark, let Liang Gong Yingyue have a different feeling to him.

She couldn't tell what kind of feeling it was.

It's like how good it is that fish and water can always be with each other.

Thinking of this, Haruhi Yingyue felt a bit disappointed again.

A voice in my heart became clearer and clearer.

"Damn it!" "It hurts me so much."

"The skirt is broken~" "This is my favorite skirt!" At this time, the two sisters, Qianchiyan, who had just escaped, were in shock.

Especially my sister Qian Chi Yan, who was rubbing her red arm while complaining.

While talking, Qian Chiyan became more and more angry, and finally walked in front of Mark, and angrily accused Mark: "You guy, why didn't you do it earlier?" "If you do it earlier, I will And my sister, how can I be humiliated by this?" "How can they break my skirt?" "I think you did it on purpose."

"I see our sisters being humiliated on purpose."

“I don’t care, I am now Let you pay for my skirt!” Qian Chiyan said angrily, but vented all the anger on Mark.

At that time everyone was fascinated.

Even Haruhi Yingyue, who is also a Japanese woman, immediately blushed after hearing Qianchiyan’s unreasonable words.

“How can you talk like that?” “If it weren’t for my master’s rescue, do you think you can stand here now?”

Chapter 1708

“You don’t know how to be grateful. You still blame my master?” “Also let the master pay you for your skirt?” “Why?” Liang Gong Yingyue said angrily.

Qian Chiyan sneered, “You don’t have to talk about anything else.”

“Am I wrong?” “If he could shoot early, would my sister and I be so frightened?” “You~” Haruhi Yingyue was so angry that she had never seen such a brazen person in her life.

“Sister, it is indeed us who should apologize.”

“We should thank him for saving us. How can you blame him?” At this time, it was Qianchiyan’s sister Qianchijing who couldn’t stand it anymore, and left. Come out and whisper.

“Shut up!” “You shit Nizi, what do you know?” “From now on, when I speak, you are not allowed to interrupt!” Qian Chi Yan immediately gave a low voice, making Qian Chi Jing Qiao’s face white with fright, and then bowed her head. , Dare not speak.

After training her sister, Qian Chiyan stared at Mark again and said coldly.

“Okay, you don’t need to pay for your skirt.”

“Looking at your poor, I guess you can’t afford it.”

“But you have to apologize to our sisters!” “Have you heard?” Qian Chi Yan said aggressively.

“Sister, stop it~” Qianchi Jing couldn’t help but persuaded his sister again.

However, it was naturally another reprimand.

Finally, facing Qian Chiyan’s angry whisper, Mark, who had been silent for a long time, suddenly smiled after putting down the tea cup in his hand.

He turned his head, his original delicate face suddenly became cold.

“Let me apologize?” “You deserve it too!” Boom~ This low drink, only if thunder exploded.

Qian Chiyan was so scared that her pretty face suddenly turned white.

But Mark’s words still echoed.

“Whether I do it, when do I do it, what do I do with you?” “It’s just an ant. Are you dead or alive, are you humiliated, and what do you do with me?” “I am not your father, and I am not used to your obligations.”

Noisily, those people just confiscated your life, then I will take it!” Mark ranted angrily.

Senran words, like swords, swept the Quartet.

Killing rages!

In a short time, under Mark’s might, Qian Chiyan was so scared that she was so frightened, her feet softened, and her whole person was directly on the ground.

The body was trembling, her pretty face was pale, and she was full of fear, but she never dared to say a word again.

After speaking, Mark took Liang Gong Yingyue and got up and left.

Time is almost up, Mark should also go to the airport.

However, when Mark and the two turned and left, a timid voice sounded quietly.

“That...that, I’m sorry~” “We were wrong.”

“I’m really sorry.”

“But no matter what, thank you for your salvation just now.”

Qianchi quietly lowered his head and put his arms around him. With a full of apology around his waist, he kept bowing and apologizing to Mark.

Mark didn't turn around, but turned his back to her, and said lightly: “You don't have to apologize, it's not you that was wrong.”

Then, without looking back, Mark left with Liang Gong Yingyue.

When leaving, Mark couldn't help but sigh with emotion.

With the same parents and the same living environment, why is there such a big gap between the two sisters?
