

Chapter 1717 - 1718 of A Dish Best Served Cold Novel

Chapter 1717 Soul Seal

It was already dark.

At this time, Dongjing's snack street is especially lively.

There was a hustle and bustle of people all around, full of voice.

Along the way, the girl was so happy.

However, for some reason, Mark always felt that Liang Gong Yingyue had something to hide from him.

When she returned to the hotel in the evening, Liang Palace Yingyue felt dizzy again, and her body staggered a few times and almost fell.

This is not the first time Mark has seen her like this.

The previous few times, Mark didn't care, only thinking that Haruhi Yingyue was tired from playing.

But this time, when Mark went to help Liang Palace Yingyue, he suddenly felt a strange power from Liang Palace Yingyue.

That kind of feeling was like something sealed in the body of Liang Gong Yingyue, and it was about to come out through the body.

At this time, Haruhi Yingyue couldn't help it anymore, groaning in pain, and then fainted directly in Mark's arms.

“Yue'er~” “Yue'er?” Mark suddenly cried out worried.

Then hurriedly lifted Haruhi Yingyue to the bed, ready to help her check her body.

Outside the window, the full moon was bright and clear.

The huge moon wheel is like a roulette, hanging high between the sky and the earth.

The bright moonlight, like running water, shone in through the window.

At the same time, Mark resolutely discovered that there was a crescent mark on the center of the eyebrows of Liang Palace Yingyue, looming.

Even if Zi Xi checked it, she replied and found that there were many obscure runes engraved on the moon seal.

“this is....

Soul seal?

After Mark saw it, he was immediately shocked. There was a record in the Yundao Tianshu that there was an ancient ninjutsu in Japan called the soul seal. The soul consciousness of people can be sealed and preserved and refined into a soul seed. Some Ninjas plant the refined souls in others and grow by absorbing the host's soul. After maturity, they will directly annihilate the host's consciousness and seize the host's body to achieve the purpose of manipulating others. In other words, Is to raise Gu. Before, Mark only thought that this kind of secret technique was only recorded in the Yundao Tianshu. Even if it existed, it might have been lost now. But he didn't expect to see it on Liang Gong Yingyue today. It's here. But, Haruhi Yingyue is a disciple of the sword god Mochizuki River. In Japan, who would have the courage to plant a soul mark on the disciples of Mochizuki River? But now is not the time to doubt this. Mark found that the soul of the seal in Liang Palace Yingyue's body has become stronger now. If it is not cleared in time, it will not take long before her body will be occupied by the soul in the soul seal. And Liang Gong Yingyue herself The consciousness of will also dissipate. So, Mark didn't hesitate, and immediately pointed a finger on the forehead of Liang Palace Yingyue. An invisible force immediately followed Mark's fingers and slowly penetrated towards Liang Palace Yingyue's forehead. Go. Om~ However, the moment Mark just used it, an invisible force came out. Mark's whole body was directly shaken back for a few steps. At that time, Mark's expression completely sank. “This~” “What a strong power?”

“The soul planted in Yue'er's body must have been a supremely powerful person in his lifetime.”

“Mark's eyes were dignified. A few hours later, Haruhi Yingyue finally woke up. In the room, the dim light fell faintly. When Haruhi Yingyue opened her eyes, she saw a thin figure. , Standing by the bed.

A few hours later, Liang Gong Yingyue finally woke up.

In the room, the dim light fell faintly.

Haruhi Yingyue opened her eyes and saw a thin figure standing by the bed.

Chapter 1718 A Woman Treated As A “Container”

“Master, where am I?” Liang Palace Yingyue asked softly.

Mark did not answer her question, looked at her condescendingly, and said lightly: “You have been planted with a soul mark in your body, should you know?” “I...

Haruhi Yingyue lowered her head. “It seems that someone told you about it.”

“But what I need to remind you is.

The soul mark in your body is about to be unblocked.

“If nothing else, your body will be occupied by “her” in a month.

“And your consciousness is also annihilated.

“In other words, after a month, there will be no more Liang Gong Yingyue in this world.”

Mark was expressionless, and slowly stated a fact to Haruhi Yingyue. A Fanghua girl, her life will come to an end in a month. Very cruel. But even so, she should know The truth. Liang Palace Yingyue is still silent, always silent. Mark frowned. “Aren’t you going to say something?”

“Perhaps, you told me who helped you plant this soul mark, and I can save you.”

“The person who needs to tie the bell to untie the bell. Mark can’t save her without knowing anything. But if Haruhi Yingyue tells him everything, he may still have a way to save her life. One so innocent. Mark didn’t want her to die like this. However, facing Mark’s words, Liang Gong Yingyue shook her head. “Master, it’s useless.

“I was born as a container for others.”

“My existence is to provide for the soul of the moon reading god.”

“What?” Mark was shocked when he heard it. “Moonreading God?”

“You mean, the soul planted in your body belongs to the Moon Reading God?”

“Mark’s pupils shrank, because of the horror, waves swept through his heart. He never thought that the little girl in front of him was actually sealed with the soul of the Moon Reading God? You know, the Moon Reading God is. The “moon god” of the Japanese kingdom. For thousands of years, the moon reading god has always existed in the legend. According to legend, the moon reading god has sheltered the Japanese kingdom for many years, and has the supreme divine power, standing on the top of strength, is the belief in the hearts of the Japanese people God. Her position in Japan is like the Nuwa of Vietnam. Of course, when it is said that it is a god, it is also a human being. When some people have mastered the power and made outstanding contributions, Grateful for his kindness, the people will respect him as a god.

Just like the three emperors and five emperors in the history of Vietnam, and even the Tathagata Buddha in Buddhist stories, and Ye Qingtian, who is now revered as the “God of War” by Vietnam.

They are not really illusory, but people who have been passed on from generation to generation have been deified by others.

There is no god in the world, but if there are more believers, they become gods.

“Yeah.”

Haruhi Yingyue nodded. “The teacher once told me that in those days, the God of Moon Reading sheltered Japan and stood tall. But when the time came, she used the soul seal technique to seal the soul.”

In the future, I will find a suitable container and be born on the basis of weight.”

“And I am the chosen container.”

“My sister said, being chosen by the Moon God is my glory and the glory of our family.”

Said that in the future, I will join the Moon God to ascend to the top of the Japanese power and enjoy the endless glory.”

“But I know, they are all comforting me.”

“Once the seal is lifted, the Moon God is reborn, and this world is just fine. There is no Haruhi Yingyue.”
