Chapter 1725

“Young Master” “a*shole, you actually abolished our young master’s leg?” “I tell you, you are finished.”

“You just wait, the Miyamoto family’s endless revenge!” When everyone trembled, Miyamoto Those of Bennan’s subordinates have already risen from the ground.

While shouting at Mark, they carried Minami Miyamoto into the car with trepidation, and drove away quickly.

Following the departure of the Miyamoto family, the world returned to peace here.

But Haruhi Yingyue was worried.

“Master, the Sanhe Consortium is very powerful in Japan.”

“Since the Miyamoto family is backed by the Sanhe Consortium, they will never let go of things today.”

“When the time comes, they will definitely bring someone to find you. Revenge.”

Liang Palace Yingyue’s pretty face was worried.

Mark didn’t have any worries. Instead, he chuckled, “Get revenge on me?” “It doesn’t have to be so troublesome.”

“Today, isn’t it the 60th birthday of the Patriarch of the Miyamoto family?” Come to visit your birthday!” “By the way, I’ll visit a certain deceased.”

Mark whispered.

Standing with his hands in his hands, he looked far away in the direction where Minami Miyamoto and others had left, and the corners of his mouth suddenly formed an inexplicable arc.

“Sanhe Consortium?” Dongjing, Chuo District.

This is the most prosperous area in Dongjing City, not one of them.

Everywhere you see is towering skyscrapers.

Banks, department stores, listed companies, everything.

However, just in the central area of this inch of land and gold, there is a huge manor standing.

“Wow~” “Sister, there are so many luxury cars.”

“The streets are full.”

“I remember my grandfather’s birthday last year. Isn’t it half of this year?” At this time, outside the manor, luxury cars gathered.

The celebrities from all walks of life that are rarely seen on weekdays are now all gathered here.

Seeing the lively scene outside the manor, a young woman suddenly trembled and sighed.

If Mark were here, he would definitely find that the woman in front of him was the two sisters Qian Chi Yan and Qian Chi Jing who had a relationship with them in Jiang Hai.

“Look at how you haven’t seen the world.”

“This year is Grandpa’s 60th birthday.”

“This is a birthday once every ten years!” “Of course the specifications are far beyond usual.”

“This time, it is said that the Sanhe Consortium Managers will meet. The president of the president will be there to celebrate my grandfather’s birthday?” Qian Chiyang said proudly.

Looking at Qianchijing’s gaze, he was full of helplessness and disgust.

They are all so big, and still don’t understand anything.

Why do you have such a stupid sister?

Qianchi Jing naturally didn’t know the voice of his sister, and still exclaimed.

“What?” “The president will also come?” “Really?” “Then Grandpa must be happy, right.”

Qianchi Jing said with joy.

The Sanhe Consortium is one of the six largest consortiums in Japan, and it can be described as powerful.

However, there are also many factions within the triad consortium. For many years, the major families have struggled to gain control of the triad consortium.

Even the triad consortium showed signs of splitting.

But in this process, there was a man who turned the tide and, with strong means, completely reversed the internal division of the Sanhe Consortium, swept Liuhe, integrated the strengths of each family, and finally boarded the seat of the president of the Sanhe Consortium. .

Completely controlled the entire triad consortium and made all the families surrender.

But for so many years, this president has always been simple, he is only commanding behind the scenes and never shows up.

Chapter 1726

Now that she has made an exception to wish her grandfather birthday, Qian Chi Jing is naturally surprised and honored.

“Okay, don’t talk nonsense.”

“Hurry in and see Grandpa?” Qian Chi Yan was in no mood to chat with Qian Chi quietly, and after a urge, she walked into the huge manor in front of her.

The hall is full of guests.

Business celebrities and political elites have come to celebrate their birthdays.

There are even popular stars who are also invited to come.

However, these stars, compared with those powerful and powerful, are only standing.

After all, the actor is an actor, and can’t get on the stage at all.

At the highest point in the hall, I thought the old man was sitting safely.

Although the old man was already in his sixties, he was physically strong and energetic, and he was also powerful in speaking.

Yes, this person is the Patriarch of the Miyamoto family, one of the vice presidents of the Sanhe Foundation Managers’ Association, Miyamoto Intermediary.

“Haha~” “The elder of the Miyamoto Council should be strong. I haven’t seen him for many years, but I don’t see the old attitude at all.”

“I, Suzuki Ao, represent the Suzuki family. I wish the Miyamoto Council long life.”

“You are welcome.”

“Please sit down.”

~” Intermediary Miyamoto replied with a smile.

Soon, as the members of the Suzuki family offered birthday gifts, other guests from all walks of life also stepped forward to celebrate their birthdays.

“Chairman Miyamoto, happy birthday!” “I, Ichiro Nomura, representing the members of the Yamaguchi group, present a birthday gift to Chairman Miyamoto.”

“I wish President Miyamoto, good life and health!” At this time, a strong man with tattoos , Respect each other.

Many guests were surprised when they saw this person.

“I’ll go!” “As expected of the Miyamoto family, even the Yamaguchi team sent people to celebrate their birthday.”

In Japan, the Yamaguchi team is undoubtedly a powerful force that everyone knows.

This organization once ruled the entire underground society of Japan.

At that time, some people said that in Japan, the day belongs to the six consortiums and the night belongs to the Yamaguchi group.

This shows how strong the Yamaguchi Formation was once?

However, with the development of the times, the Yamaguchi Formation gradually declined.

But even so, a lean camel is bigger than a horse.

Today’s Yamaguchi group is still the top power in Japan after the six major consortia.

“Haha~”

“Okay, okay.”

“Ichiro, thank you Captain Sato for helping me.”

“I have the opportunity to pay a return visit.”

Intermediary Miyamoto laughed and watched all the dignitaries worship each other. At this time, the old man can be said to be full of spirits.

Just like the emperor of Japan, worshipped by the officials.

The feeling of fluttering and ecstatic is like embarking on the pinnacle of life.

However, at this noisy moment, the door of the Miyamoto family was suddenly knocked open.

After that, only a few people were seen, and they rushed into the hall with embarrassment.

“Huh?” “Nan’er?” “This, this” “What’s the matter?” This sudden change surprised everyone.

Looking down at the hall, Miyamoto Minami who was full of blood and howling in pain, Miyamoto’s intermediary stood up in shock, her old eyes suddenly tightened.

But those who brought Miyamoto Nan in, all knelt on the ground, tears streaming down their faces and weeping sadly.

“Patriarch, Master, he has been abolished!” What?

what?

Hearing this, everyone present was silent.

Miyamoto Intermediary, the Patriarch of the Miyamoto Family, sat up in shock.

“You said Anan was deposed by someone?” The palace agency was shocked and asked aloud.

Anxiously, he quickly ran down from the seat to check the injury of his son Minami Miyamoto.

“Father, it hurts so much~” “It hurts~” “My hand hurts so much~” “Father, kill him, take revenge, take revenge for me”
