

Chapter 1757 - 1758 of A Dish Best Served Cold Novel

Chapter 1757

She yelled loudly and yelled unwillingly.

His eyes were red, and his heart was burning with jealousy.

Before, when Mark was there, Qian Chiyan didn't say anything because of Mark's pressure.

Now that Mark has left, Qian Chi Yan naturally has no scruples, and all kinds of dissatisfaction and derogation towards Qian Chi Jing.

After all, for more than two decades, she has been her sister-in-law Qianchi quietly.

Now, his sister has become the head of the Miyamoto family. Not only does she control the wealth of the entire Miyamoto family, but even the Sanhe Consortium also obeys her orders?

This made Qian Chiyan, who had always been arrogant, naturally unacceptable.

Originally, Miyamoto's intermediary promised to distribute part of the family's property to her.

But now, all was taken away by the sister she had always looked down upon, Qian Chiyan was of course unwilling.

"Shut up!" However, in the face of Qian Chi Yan's words, Miyamoto's intermediary was furious, and slapped Qian Chi Yan to the ground again with a backhand slap.

Qian Chiyan cried at that time.

She covered her face and looked at her grandfather with puzzled eyes.

"Grandpa, why are you hitting me?" "Am I wrong?" "For so many years, how can Qian Chijing compare to me?" "Compared to me, she is a waste!" "Except for that. Apart from the favor of Huaxia's bastards, who is she like me?" "I can't sit as the Patriarch of the Miyamoto Family. She is so quiet, so how can she be worthy to sit as Patriarch?" "I'm not satisfied, I'm not satisfied ~" Qian Chi Yan roared unwillingly.

Intermediary Miyamoto was expressionless. Once Qian Chi Yan was his favorite granddaughter, but now Intermediary Miyamoto looked at her with only disappointment and disgust.

In anger, he slapped it directly.

“Shut up!” “Dare to insult Mr. Chu?” “You want to die?” Miyamoto’s intermediary scolded.

“Grandpa, don’t beat my elder sister~” At this time, Qianchi couldn’t bear it quietly and spoke out.

Intermediary Miyamoto stopped now, but his expression was still sullen, looking at Qian Chi Yan who was stuck on the ground by him with sullen expression.

“Mr. Chu’s vision is right.”

“You are narrow-minded, pretentious, and short-sighted. Even if you have amazing talents, you are destined to be difficult to achieve.”

“However, you are right.”

“Compared with you, your sister is indeed far behind in many places.”

“Education is not as good as you, not as good as you in life, not as good as you in the world.”

“Food and housing are not as honorable as you are, and not as favored as you.”

“But, so what?” “Even if your sister is inferior to you in every way and inferior to you in every way, but her position in Mr. Chu’s heart is far superior to you.”

“Just this is enough to throw you away. Here!” “Sometimes, it is not talent or charm that determines a person’s achievement!” “It’s just an opportunity.”

“Unfortunately, you missed it, and your sister, grasped it.”

“So , She succeeded, and you are destined to be stepped on your feet by her all your life.”

The deep voice of Miyamoto’s intermediary kept ringing.

He was expressionless, looking at Qian Chiyan with cold eyes.

“Also, after today, you will leave the Miyamoto family, and you don’t have to go back in this life.”

“You have offended Mr. Chu several times before.”

“I have no respect for Mr. Chu in my heart.”

“It will inevitably be made in the future. It’s a big mistake.”

“I don’t want to affect the friendly relationship between my Miyamoto family and Mr. Chu because of you.”

“So, you go and leave Dongjing.”

Chapter 1758

“As for your sister Qianchijing, you don’t want to contact her again.”

“From now on, your sisters are two people in two worlds.”

The sound of the sorrow, only if frost swept, in this hall Among them, quietly echoed.

In the unfeeling words, there is no trace of affection at all.

How can a woman’s benevolence be a woman?

Since Miyamoto’s intermediary has decided to assist Qian Chi Jing with all his heart, and is unswervingly loyal to Mark, then he must clear Qian Chi Yan out.

This woman is narrow-minded and has a vicious temperament.

Disrespect to Qianchijing, and disrespect to Mr. Chu.

Such women, if they stay by their side, will inevitably be a disaster in the future.

It’s better than today, cut the mess with a quick knife, clear the relationship with him, drive him out of Dongjing, and completely cut off contact.

At that moment, Qian Chiyan was stunned, and said nothing for a long time.

Just now, the words and sentences of Miyamoto’s intermediary were nothing but swords, and they were fiercely inserted in the deepest part of Qian Chi Yan’s heart.

She never thought that, because of Mark’s likes and dislikes, the grandfather who loved her most wanted to drive her away and cut off contact with her.

What’s more, what makes Qian Chiyan unacceptable is that she won’t even have the qualifications to meet Qian Chijing in the future?

The two sisters once became people of two worlds just because of a Hua Xian boy?

Respect for a summit?

One becomes a servant?

At this moment, it was as if something broke deep in my heart, and sorrowful water flowed out.

She regretted it.

If so, when I first met Mark, like my sister, he treated Mark with respect.

If Mark had been in danger before, she had not fallen into trouble, but had also knelt and pleaded like Qian Chijing.

Perhaps today's ending is a different story.

She and her younger sister also met Mark.

But what I got now is a completely different ending.

But who can blame?

After all, it's just taking the blame.

"Sister, congratulations, you won."

"My sister didn't dare to imagine the glory and power, you got it~" Qianchiyan finally accepted her fate.

At that moment, with tears streaming down her face and full of regret, she looked at her sister Qianchijing who was sitting above her position, leaving tears of regret.

"take away!"

Without any hesitation, Miyamoto's intermediary waved his hand, and then a few people walked into the hall, drove Qianchiyan out of the Miyamoto family and expelled Dongjing.

From now on, these two sisters have finally become people of two worlds.

"Grandpa, why can't you keep my sister?" Qianchi Jing couldn't bear it, his brows were red, and he choked with speech.

"Patriarch, if you want to wear the crown, you must bear its weight!" "Since you have chosen this path, you should endure loneliness."

The deep voice rang slowly.

Qianchijing wiped away his tears and nodded heavily.

On the first day as the president of the Jinyan Society, this pretty woman in her early twenties learned to be strong.

“Huh, Master, you won’t like that Qianchijing lady, right?” “Otherwise, why would you give her such a great opportunity just by one side?” “Yue’er Having been with you for so long, hasn’t the master given anything to Guo Yue’er?” Bathed in the afterglow of the setting sun, this man and woman walked slowly.

At this time, Liang Palace Yingyue wrinkled her lovely Qiong nose and asked Mark angrily.

The gaze that looked at Mark was full of resentment.
