

Catch Me If You Love Me Chapter 176

Zoey Gu was startled and looked up at Logan Fu with an unclear face.

Seeing a twitch at the corner of his mouth, he lowered his head and blinked mysteriously at Zoey Gu.

“I promise, meeting this person, you will be happier than meeting Liam Lu.”

Half an hour later, Logan Fu helped Zoey Gu, who was still weak, entered the courtyard and walked towards one of them.

As soon as I got to the door, I heard a coughing cough with panting.

Logan Fu stood under the steps and yelled softly at the inside.

“Old man, it’s me.”

In the next second, an old voice came out slowly from inside.

“It’s Achen... the door is unlocked, you can come in by yourself.”

Zoey Gu only felt that the voice was very familiar, as if she had heard it countless times in the past.

That is...

Dad’s voice!

Zoey Gu’s whole body was shocked instantly, and she froze in place, losing all the blood on his face.

She looked up at Logan Fu tremblingly, and saw that the latter was looking at her with a smile.

In the next second, she shook off his hand, rushed to the steps like a gust of wind, and pushed open the door rolling.

Under the light, the back who was bending over and pouring water against him was Zoey Gu’s father who was “dead”!

She stared at the back, tears streaming out instantly.

“father...”

Zoey Gu took a few steps, knelt in front of his father with a “plop”, reached out and hugged his leg, choked and shouted.

“father...”

Father Gu took a whole meal, and turned his head when he heard a familiar voice. The moment he saw Zoey Gu, the teapot hit the ground with a “pop”.

“Zoey?”

In those muddy eyes, tears burst into tears, and he bent over and hugged Zoey Gu tightly.

“It’s really you! It’s really my daughter, Zoey...”

“Dad, it’s me, I’m Zoey! It’s your daughter Zoey Gu!”

Suddenly, under the dim light, the father and daughter hugged each other tightly, crying into a ball.

Gu’s father and Zoey Gu’s younger brother, Chase Gu, suddenly regretted the moment they drove into the sea.

They dragged down Zoey Gu, who was a daughter and sister, and should try to help her out of the sea of suffering, instead of letting a woman die.

Therefore, at the moment of falling into the sea, Chase Gu opened the car door and escaped from the car holding his father.

But in the vast sea, how slim is the chance of surviving at this time?

Later, Gu’s father was washed by the sea all the way to this small village near the sea and barely survived.

But his brother Chase Gu was missing.

Today’s father Gu no longer has the aura of being the person in power of the Gu clan. He is too old.

He took Zoey Gu’s hand and said tearfully.

“It’s my father’s incompetence that hurt you and Chase miserably. You have suffered so much, and Chase still has no whereabouts, and his life and death are unknown.”

“Dad wants to leave here countless times, but my body is dying, and I don’t have the face to see you.”

Zoey Gu hugged her father with red eyes. From the time of reunion to the present, she did not know how many times she choked up.

“Dad, don’t say that. You are still alive, I don’t know how happy you are! Moreover, I believe Chase must be alive.”

Zoey Gu thought of the face exactly like Chase he saw in the Qingcheng hypermarket, and couldn’t help but affirm.

“Don’t worry, I will definitely get Chase back!”

If Dad is alive, Chase Gu must be alive too!

When he reunited with his daughter by accident, Gu’s father was so excited that he took Zoey Gu’s hand and told her.

“Daddy can still see you in his lifetime, thanks to Achen. It was his men who found this place and arranged everything for me. Zoey, you must thank him for me.”

Zoey Gu followed his father’s sight and looked at Logan Fu, seeing the latter squinting his eyes and looking at her with a smile, and gently pursing his lips.

“Dad, I will.”

Taking care of his father to sleep, Zoey Gu still couldn’t calm down.

Out of the courtyard, she walked all the way to the beach.

Wherever she went, sure enough, there were traces of mess left by the typhoon.

When she reached the beach, she sat down on a large rock and looked up unconsciously at the endless black sea.

Dad found it.

No one knew how happy she wanted to share with Liam Lu in the first place.

But now, let alone sharing, she can’t even give him the news that she is still alive...

There was footsteps behind him.

Logan Fu walked to her and stood still, glanced at her, couldn’t help but mocked.

“Still thinking about your Liam Lu?”

“Silly girl, the world is so changeable, maybe when you go back, he will marry someone else a long time ago, his wife and children are hot on the bed.”

Zoey Gu was suffocated when he was said, and turned his head with a cold face.

Logan Fu next to him suddenly turned and said.

“Your father’s time is running out. If you are interested, you can stay here with him with peace of mind.”
