

Chapter 1781

Zhiyu was hurt by Charlie's attitude.

She looked at Charlie's profile, bit her lower lip vigorously, did not speak anymore, turned and left the courtyard with her brother.

The siblings staggered out, and Zhifei asked in a low voice, "Zhiyu, those ninjas were defeated by the young man just now?"

Zhiyu said solemnly: "It's not that young man, it's Grace."

Zhifei nodded in a hurry: "Well, it's Grace, so were those ninjas defeated by him with bare hands?"

"Hmm." Zhiyu said seriously: "I have never seen such a strong person...this is the first time..."

Zhifei smacked his lips and said, "It would be great if he could be included in the Su family and used for the future."

"Impossible." Zhiyu shook her head: "Grace has an arrogant personality and will definitely not be used by others, and he may be the top master of the hidden Sejong Sect. He may not put the Su family in his eyes."

Zhifei said angrily: "It's also...hey...thanks to your benefactor, otherwise the two of us will have to die in Kyoto..."

After he finished speaking, he was busy and said again: "By the way, Zhiyu, hurry up and call dad! This time we were kidnapped, the family must have sent a lot of masters over, it is very likely that dad is here too! You have to let him know about us that we are in Kyoto, also ask him to quickly chop off Matsumoto b@stard! I really didn't expect it to be this b@stard who has been doing bad things behind our back!"

Zhiyu nodded and took out her cell phone too busy.

At this time, a burst of fire suddenly appeared behind them, turning the originally dark night into red!

Zhiyu hurriedly turned around, and saw that the two-story small building where they had almost died just now was ignited in an instant!

The wooden buildings burned, and there was a crackling sound of wood cracking, a bit like the sound of firecrackers. With this heavy snow, it also had a taste of Chinese New Year.

Zhifei touched his chin and asked Zhiyu: "Zhiyu, did you say those ninjas died?"

Zhiyu asked back: "Is it possible to survive such a big fire?"

Zhifei waved his hand: "I didn't mean that, I mean, did the benefactor kill them first and then set the fire, or did he just put them all in a pot?"

Zhiyu felt a bit of cold air coming out of her back, and immediately shook her head: "This kind of thing...I can't say it..."

After that, Charlie's figure appeared in her mind again, and she couldn't help muttering: "Benevolence, he... is not a mortal... I really want to know what his identity is."

Zhifei smiled and said: "If you want to know, let the family check it out. In the country, who else has a clue that we can't find?"

Zhiyu shook her head: "Benevolence obviously doesn't want us to know his identity. If we deliberately investigate, what if we anger him?"

Zhifei smacked his lips: "Oh, that's what I said..."

After that, he thought of Charlie's previous conversation with Iga Kamino and said, "By the way, when I was covered with my head just now, I heard En-gong tell the Iga family that he seems to be the Ito family Missy's friend?"

"Oh yes!" Zhiyu nodded and blurted out: "The reason why he came here is for Ito's daughter."

Zhifei said: "It seems to be called Nanako?"

"Yes." Zhiyu blurted out: "It's Nanako, a very beautiful girl, and she's also a martial artist."

Zhifei said in some gossip: "Hey, Zhiyu, do you think Grace is Nanako's boyfriend? Maybe he can even become Ito's future son-in-law. Let's cooperate more with Ito in the future. , More contact, maybe there is still a chance to see Grace."

Zhiyu heard this and suddenly became very uncomfortable.

She was extremely disappointed and asked: "Is Grace really Nanako's boyfriend? Grace is Chinese, why should he be with a woman from Japan? Shouldn't he fall in love, get married, or have children with a Chinese woman?"

Thinking of this, Zhiyu sighed faintly, and said: "Let me call Dad first..."

"Okay." Zhifei nodded, bent over and grabbed a handful of snow from the ground, and smeared it on his face, sighing with emotion: "Oh, the feeling of the rest of my life is really good..."

Chapter 1782

Tokyo at this moment.

The chaos remains.

The TMPD has been driven mad.

First, the Su family's brothers and sisters were kidnapped and a dozen people were killed. Then the Takahashi family found several human popsicles. Then, Takahashi's son was burned alive in the car!

These few things, if you take out one of them, can be regarded as an annual criminal case.

However, in a very short period of time, one after another broke out in Tokyo!

Moreover, almost all the top big families are involved.

This is simply stepping the TMPD's face on the ground, and then repeatedly beating with a belt desperately!

Even worse, the TMPD has not found any useful clues.

A bunch of waste wood was almost digging three feet into Tokyo, and they still couldn't find a clue to the Su brothers and sisters. They didn't even know who did it, let alone where they were.

Therefore, the entire TMPD was collectively caught blind.

Zynn was about to lose patience.

The life and death of his son and daughter are still unknown, and his whereabouts are unknown, and he has to wait endlessly for the Rubbish of the TMPD. For him, it is simply the greatest suffering in his life!

Just when he was planning to contact the Japanese Ministry of Foreign Affairs directly to raise the matter to a major diplomatic incident, he suddenly received a call from a local Japanese mobile phone number.

After he connected suspiciously, he immediately heard Zhiyu's voice: "Dad, it's me! Zhiyu!"

Hearing his daughter's voice, Zynn's heart almost jumped out. He blurted out with excitement, "I know..."

At this time, Zhiyu on the phone hurriedly interrupted him and said: "Dad, is there anyone else around you? If there are, don't let others know that I am calling!"

The human-like Zynn looked around. In addition to his own people, there are a few heads from the TMPD and even a few cabinet members, so he hurriedly changed his words: "Do you know me? Very busy now?! Hang up if there is nothing important, just say if there is something important!"

Zhiyu said: "Dad, brother and I are safe now. We have been rescued, but we are not in Tokyo, but in Kyoto."

While Zynn breathed a sigh of relief, he couldn't help but frown and look at the people from the TMPD.

At this time, he hated these idiots in his heart.

"These dumb donkeys! They vowed to tell me that the other party is very likely to hide in Tokyo, and it is unlikely that they will go out of the city!"

"Furthermore, they also said that they blocked Tokyo's external traffic in time and set a strict check on all those who left the city, so the son and daughter are definitely in Tokyo. It just takes time to find them out!"

"The results of it?"

"People are in Kyoto, hundreds of kilometers away!"

"I really want to take a knife and engrave the word idiot on their faces!"

However, Zynn also knew that now is not the time to be angry, so he asked, "What do you need me to do?"

Zhiyu said: “Dad, don’t tell the people in the TMPD. I doubt their abilities, and they are likely to leak information, so I want you to send our own people to Kyoto. Pick me and brother.”

Zynn said immediately: “Okay!”

Zhiyu said: “Also, Dad! The kidnapper was Ryoto Matsumoto in Tokyo! He wanted to kill us and then blame Takehiko Ito, so he brought us to Kyoto!”

“What?!” Zynn’s tone suddenly became extremely gloomy: “It’s him?!”

Chapter 1783

Zynn had highly suspected that the man behind the kidnapping of his children should be Takehiko Ito.

However, the TMPD secretly monitored Takehiko, dug deep for so long, and found no clues.

At first, Zynn thought that the TMPD deliberately protected Takehiko, but now he knows that Takehiko really has nothing to do with this matter.

Not only is it okay, but it’s almost being blamed!

What Zynn did not expect was that the Master behind the whole incident turned out to be Matsumoto!

He didn’t even include him in the category of suspects!

It seems that this Ryoto Matsumoto is really sinister!

He was able to provoke so many incidents secretly, and it made the Ito family and the Takahashi family suspect each other, and the Su family concentrated their eyes on these two families!

Thinking of this, Zynn could not wait to devour Matsumoto’s life!

So he gritted his teeth and said: “I know everything you said, keep the phone open, and I will let the people under me contact you.”

Zhiyu hurriedly said, “Okay, brother and I are waiting in Kyoto.”

Zynn hung up the phone, stood up and said to the Tokyo Metropolitan Police Commissioner: “I have something to do, you go ahead.”

The Chief of Metropolitan Police hurriedly asked, “Mr. Su, where are you going?”

“What does it have to do with you?” Zynn said in an unkind tone: “You still have to find a way to find my son and daughter, otherwise, I will call the Japanese Ministry of Foreign Affairs!”

The Chief of Metropolitan Police hurried forward and pleaded bitterly: “Mr. Su, you will give me the next 12 hours. Even if I turn Tokyo over these 12 hours, I will definitely find the son and daughter!”

After he finished speaking, he added: “Mr. Su, even if the Ministry of Foreign Affairs knows about it, they still submit the case to our TMPD. After all, the Ministry of Foreign Affairs is not a law enforcement agency, and they have no extra manpower to come. Do this...”

Zynn coldly snorted: “Then you guys hurry Don’t linger here!”

After that, Zynn turned angrily and walked away.

After leaving the TMPD, his first sentence in the car was to tell his confidant next to him: “Josh, you will immediately take twenty people to Kyoto to pick up Zhifei and Zhiyu. I’ll take a while. Give you a cell phone number, you can contact Zhiyu.”

The middle-aged man is known as Josh, a confidant secretary who has followed Zynn for many years. Hearing Zynn’s instructions, he immediately asked: “Master have you found the young master and the young lady?”

“Yeah.” Zynn nodded: “They are fine, but the black hand behind the scenes is beyond our imagination!”

Josh hurriedly asked: “Master who is it behind the scenes?”

Zynn gritted his teeth and said, “It’s Mr. Matsumoto! d*mn, dare to calculate on my son and daughter, this Matsumoto has enough life! With a bang, let everyone else know, before dawn, I want Ryoto Matsumoto’s head!”

Josh’s expression froze, and he immediately said, “Okay master, I’m going to order!”

Zynn rubbed his temples and said, “You let one of our planes fly to Osaka now. After you receive Zhifei and Zhiyu in Kyoto, you will directly send them to Osaka and let them return to China by plane. I’ll take over the things in Japan!”

“Ok, master!”

.....

After a few minutes.

Chapter 1784

Nearly a hundred hidden masters of the Su family in Tokyo stopped secretly searching for Zhifei and Zhiyu. Twenty of them drove straight to Kyoto in the middle of the night, and the remaining nearly 80 people all started to follow Matsumoto. His mansion is surrounded by them now.

Matsumoto didn’t even know that he was in the mouth of the disaster.

He checked the time and saw that it was already ten o’clock in the night, so he took out his cell phone and called Iga Kamino.

According to his plan, let Iga Kamino kill people now, and then hide the bodies in the Ito family mansion half an hour later.

Then, wait patiently for a few more hours, when the body has almost completely lost its residual temperature, then anonymously report the clue to the TMPD.

In this way, Takehiko will be finished early tomorrow morning.

After Takehiko Ito is finished, the only enemy in front of him was Machi Takahashi.

The current Machi Takahashi should still be immersed in the pain of bereavement, unable to extricate himself, it can be said that it is the most vulnerable time, he can set an ambush to kill him when he is going to die for Eiki.

Matsumoto thought this in his mind, but the phone in his ear kept beeping unhurriedly.

“Why can’t Iga Kamino’s phone call get through?”

Matsumoto frowned involuntarily.

“Didn’t I tell him before? He must always keep the phone open, so that I can communicate with anything in time. What’s wrong?”

Matsumoto’s heart suddenly twitched, and he said to himself, “Iga Kamino, could there be an accident?!”

“But this shouldn’t be it! They took the Su family siblings all the way to Kyoto, and the TMPD has been searching for so long without any clues. How could there be an accident? No sense!”

“If they were discovered while hiding their bodies in the Ito family, and they were killed by the Ito family’s ambush, it sounds logical, but the key is that they did not get his own orders and could not kill them in advance. This doesn’t sound logical at all!”

“So, what happened to Kyoto?”

Ryoto Matsumoto, who had always been confident and thought he was strategizing, suddenly fell into a strong self-doubt.

.....

At this moment, it is not just Ryoto Matsumoto who can’t make a call, but also Takahashi, who just lost his son.

Machi Takahashi has ordered that the Tenglin family ninja who is ambushing in Kyoto kill Nanako first and take a video of her killing.

Then, he used this video to torture Takehiko and let Takehiko die in extreme pain.

However, the ninja of the Tenglin family never gave him any reply.

He called to ask about the progress, but the call was completely unreachable, and after several changes, no one answered.

Seeing that all the calls couldn’t get through, Takahashi shoved the phone to the ground and shouted angrily: “It’s a hll! It’s a hll! The invincible Tenglin Ninja, why is it all f*cking rubbish these days?”

“Before, Tenglin and the others disappeared for no reason, and they were finally sent back frozen as popsicles. Now there is no news about this batch of d*mn ninjas, will they be sent back frozen as popsicles too!”

The subordinates hurriedly said: “Mr. President, Master of the Tenglin family, will he encounter an ambush at Ito’s house?”

“Where the h*ll came the ambush from?” Takahashi scolded annoyedly: “The situation over there has long been clear. The Ito family doesn’t even have a ninja in Kyoto, just a few housekeepers, servants and ordinary bodyguards. What did these people use to ambush the ninjas of the Tenglin family? And there are still six people!

After speaking, Takahashi couldn’t help but mutter, “What could happen in Kyoto?!”

Chapter 1785

Neither Matsumoto nor Takahashi could understand what happened in Kyoto.

However, Matsumoto is far more shrewd than Takahashi.

When he couldn’t contact Iga Kamino, although he couldn’t figure out why, he had realized in his subconscious that the matter was probably going to be a big mistake.

Thinking of this, he immediately called the other members of the Iga family and immediately asked them about Iga Kamino.

But the people of the Iga family are also unaware of what happened in Kyoto.

They also couldn’t get in touch with Iga Kamino, and didn’t know if he was alive or dead.

At this time, Matsumoto really panicked.

He nervously paced back and forth in the living room at home, his brows were constantly frowning, and even his hand holding the cigar was shaking uncontrollably.

His younger brother Ryosuke Matsumoto saw him very nervously, and hurriedly calmed him down: “Brother, don’t panic, if you panic, we really don’t know how to deal with it next!”

Unlike Machi Takahashi, Machi Takahashi’s goal is Nanako, which has nothing to do with the Su family, so it doesn’t matter if his motivation is revealed.

The strength of the two families can basically come between five and five, so he is not afraid of Takehiko.

However, Matsumoto knew very well in his heart that if his motives were revealed, he would not only face the behemoth Su family, but also the Ito family and Takahashi family.

So, he smoked a cigar and said to Ryosuke Matsumoto: “The hand I played almost squeezed all our chips. If I win, the Matsumoto family can become the top in Japan; if I lose, The Matsumoto family will be ravaged to death by the three big families of Su, Ito, and Takahashi!”

As he said, he couldn’t hide his nervousness and said, “Now, Iga Kaminori can’t get in touch, and Zhifei and Zhiyu are dead or alive. don’t know if our motives have been revealed. If it is not revealed, it doesn’t matter. , At most, it’s planting the plan of Takehiko Ito, but if it is revealed, then we will basically have no way to survive.”

Matsumoto Ryosuke hurriedly asked: “Brother! We don’t know if we have been exposed, are we just waiting for the verdict? That would be too passive? Even if we die, we have to find a way to fight back. You must not just give up like that.”

Matsumoto thought for a moment, gritted his teeth, and said coldly: "Of course we have to resist! Since the first card is still dead or alive, we will bet on the second!"

Ryosuke Matsumoto asked, "Brother, how do you bet on the second one?"

Ryoto Matsumoto said sternly: "I bet that our motives for the Su family have not been revealed yet! In this way, we will go all out to kill Machi Takahashi and Takehiko Ito! Kill them and we will have a chance to become No. 1 in Japan!"

"Ah? Kill them?" Ryosuke Matsumoto asked in amazement, "Isn't it just trying to deal with the Su family?"

Ryoto Matsumoto shook his head: "It is a wishful thinking to deal with the Su family. With their strength, as long as the target is aimed at us, we have no resistance."

As he said, Matsumoto said again: "However, Machi Takahashi must be at the weakest time now. He is deprived of a few ninjas and lost his son. Now is a good time to kill him! Let the Iga family again send a few ninjas to kill him! Anyway, Iga Ninjas are already in the same boat with us!"

Ryosuke Matsumoto asked again: "What about Takehiko? How to kill him? He seems to have no strength loss!"

Ryoto Matsumoto gritted his teeth and said: "Then he can only be outsmarted! Go and kidnap a few families of police officers from the TMPD, and then force these officers to come home, saying that they will return to the TMPD to assist in the investigation of the Su family. As long as he leaves home, we will have a chance to deal with the disappearance!"

Ryosuke Matsumoto continued to ask: "Brother, what if the Su family knows about us?"

Ryoto Matsumoto said with a vicious expression: "If they really know that they are all dead, then why don't they pull Machi Takahashi and Takehiko Ito under the water?"

Chapter 1786

"Okay!" Ryosuke Matsumoto said grimly: "Even if we die, some people will die with us! Anyway, we won't lose!"

.....

At this moment.

After Charlie set the two-story building on fire, he returned to the Ito family residence.

He went from the same road to Nanako's courtyard.

At this time, Nanako was sitting in front of the tea table with her eyes closed, her hands gently twisting a string of Bodhi beads, and she silently recited Buddhist scriptures to pray for Charlie.

Buddhism is not only prevalent in China, it has also been prevalent in Japan for a long time. Since Mr. Jianzhen traveled east to Japan, Buddhism in Japan has developed rapidly.

Although the Buddhism of the two countries is somewhat dissimilar, there is almost no essential difference between the believers of the two countries in the matter of chanting and praying.

After reading silently for a long time, the incense in the incense burner had already burned. She felt the fragrance dissipate. When she opened her eyes and wanted to order another plate, she found that Charlie was already sitting opposite her.

Nanako was frightened, covering her mouth and exclaimed: "Master, you...when did you come back?"

Charlie smiled slightly: "Just now, five seconds ago."

"Huh?" Nanako said incredulously, "Why didn't I notice any movement?"

Charlie smiled and said, "Because I thought you were chanting sutras, so I didn't disturb you."

Nanako blushed, and said softly: "I was praying for Master just now, and I hoped the gods will bless Master to return safely..."

Charlie smiled slightly and said, "Thank you!"

Nanako smiled unnaturally and said, "Master, you saved my life, so why bother to thank me for this little thing..."

Charlie said earnestly: "I saved you out of my heart, and you prayed for me also out of your heart. The starting point is the same for everyone, so naturally there is no difference in size."

Nanako couldn't help sighing: "Master, you are really the only gentleman I have ever seen in my life, you are always considerate of others..."

Charlie smiled and said, "I'm not a gentleman, so don't praise me."

After speaking, Charlie said hurriedly: "By the way, give me your hand and I will check your injury."

Nanako replied shyly: "Master, are you trying to signal me?"

"Yes." Charlie nodded and said, "Don't you want to go for a walk in the snow? I will help you heal your injury quickly, and let's go for a walk on the snow in the yard. If you are not satisfied, I'll take you outside!"

"Ah?!" Nanako asked dumbfounded: "Master, you mean my injury will be healed soon? Before the snow melts?"

Charlie said seriously: "You don't need to wait for the snow to melt. You can cooperate with me. We can walk in the snow together before it stops."

Chapter 1787

Nanako couldn't believe that Charlie could really heal her.

But when she thought that the man in front of her who was eager to try to heal her was the one she loved, she was willing to give a try.

So she shyly handed her right hand to Charlie, and said shyly: "Master, then...please!"

Charlie nodded slightly, and stretched out his fingers to gently place her veins.

A trace of aura traveled through Nanako's veins into her body, and within the blink of an eye, it completely wandered through her body.

After a while, Charlie took the opportunity to see the specific situation of Nanako's injury.

From this look, he discovered that her injury was indeed serious.

Almost all of her organs have suffered serious internal injuries. Not only that, but the meridians and bones are also damaged. The whole person seems to have become a fragmented porcelain doll. A little carelessness may cause serious secondary injuries.

Although she has been rescued from danger to life after being rescued, her whole body has been in a state of very low safety.

She is currently less than one-fifth of ordinary people.

Someone who fell might be unharmed, stand up and dust the dirt and leave. If she falls, it would be life-threatening, and she would have to be sent back to the hospital for treatment.

Charlie could imagine how severe pain Nanako's body would have to endure from such a severe injury, and the pain was continuous, even in her sleep.

Thinking of this, Charlie couldn't help but feel distressed, and said with emotion: "I told you at the time that martial arts is a kind of spirit. There is no need to care too much about winning or losing the game, let alone putting yourself in a dangerous situation in the game. , Why were you betting your life against Aoxue?"

Nanako said with some shame: "Master, I was not betting on her life, but hoped to go all out without leaving any regrets..."

Having said this, she sighed and smiled bitterly: "It's just that I didn't clearly realize the gap between myself and Aoxue. She was really too strong, incredible..."

Charlie shook his head helplessly.

At this time, he also has his own treatment plan.

There are two options for treating Nanako.

The first is to directly use the aura in her body to repair the damage suffered. Compared with ordinary people, her body is indeed seriously damaged, but for him, it is not a big problem. With the aura it will be repaired soon;

This method is simple, direct and convenient, with many benefits.

However, this approach has drawbacks.

If he directly repaired her injury with Aura, how would he explain it to her?

After all, Nanako doesn't have a deep cultivation base, and she can't realize the existence of aura. In her opinion, he may just touch her hand and heal her in a confused way. This may be too incredible for her.

And the second way is to let her swallow the rejuvenating pills.

The efficacy of Rejuvenating Pill is beyond doubt.

Chapter 1788

For ordinary people, this kind of medicine is simply a panacea. It can be used by the elderly to prolong life for more than ten or twenty years; young people take it, and the body can be more than many times stronger than ordinary people; the injured take it, even if only one breath is left. , And can definitely strengthen the opponent's body on the basis of restoring the original.

In the beginning, Orvel was almost completely killed by Regnar's men, leaving only the last breath, and he was saved with a rejuvenating pill.

That rejuvenating pill not only saved Orvel's life, but also made him a few years younger, and his body was better than before the injury.

This is mainly because the effect of Rejuvenating Pill is too strong. When Orvel was cured, there is still remaining effect to improve his body.

Although Nanako's injury was also very serious, in Charlie's view, at most half a rejuvenating pill could be enough.

If she takes a whole rejuvenating pill, it goes without saying that Nanako's strength will be upgraded by one or two levels at the peak state before!

Therefore, Charlie had a question in his heart.

Should I give half a rejuvenating pill for Nanako, or just give her one and give her a chance.

Charlie is not a stingy person, and the main reason why he is entangled with half or one is because Nanako is not his compatriot.

As the saying goes, people who are not of my race must have different hearts.

I dare not say that the other party must be harmful, but at least it is difficult to keep one mind with the people of the different race.

And Nanako is a martial arts master, has been participating in various international competitions, and originally planned to participate in the next Olympic Games.

If he allowed her to improve significantly, she would definitely pose a threat to Aoxue in the future.

If Nanako represented Japan and defeated Aoxue who represents China in the next international competition, wouldn't it be equivalent to handing over the champion's title that should belong to China to Japan?

Charlie's hesitation was based on this.

It stands to reason that he can give half a rejuvenating pill to Nanako, so that she can fully recover, which is equivalent to giving her a great good fortune.

However, considering that Nanako is obsessed with martial arts and has a pious mentality.

Therefore, in Charlie's own selfish heart, he also wanted to give her another chance so that she could study the martial arts she loved more deeply.

Thinking of this, Charlie looked at Nanako and asked her: "Nanako, if I can cure you, can you promise me a condition?"

Nanako said without hesitation: "Master, even if you can't cure me, I will agree to any of your conditions, and I will never hesitate!"

Charlie nodded and said seriously: "I want you to promise me that after I cure you, if you still love martial arts, just concentrate on studying it yourself, but don't participate in any form of international competitions, you can promise?"

"Yes!" Nanako said with a firm gaze: "After the last match, I deeply reflected on the principles you taught me before. Martial arts is a spirit, not a competition, so I myself have lost that kind of passion."

Speaking of this, she looked at Charlie affectionately, and said seriously: "Since I met Master, I have known what is the truth that there are people outside the world and the heavens outside the world. A real top expert like Master will not participate in the so-called competition, only throw Only with the desire for competition, victory and defeat, can we have the opportunity to achieve a more sophisticated martial arts training. Therefore, if I really have a chance to recover from the beginning, I will definitely not participate in any competitions!"

Seeing what she said was serious and firm, Charlie felt relieved.

Immediately, he looked at Nanako, smiled slightly, took out a rejuvenation pill from his pocket, handed it to her, and smiled: "Nanako, if you take this pill, it will not only restore you to the original, but also your body strength will also improve!"

Chapter 1789

Although the effect of Rejuvenation Pill is very magical, it is very simple and unpretentious on the outside, but it is a black, round pill, and there is nothing special about it.

Nanako looked at this medicine, did not conceal her astonishment, and asked Charlie, "Master, can this really cure my injury?"

Charlie nodded and said with a smile: "If Master takes the shot, it will naturally cure all diseases and invalid refunds."

"Master?" Nanako asked in surprise, "Is this Master the nickname for Master Wade?"

"You can say," Charlie tried to take the discussion away from the topic.

"Hurry up and take the medicine. Didn't you say you want to go out to see the snow? Don't wait for a while and you haven't taken the medicine yet. "

Nanako smiled and said, "The weather forecast says that the snow will fall until tomorrow."

With that, she picked up the Rejuvenating Pill and looked at Charlie: "Master, is this eaten directly?"

"Yes." Charlie said seriously: "After you take it, I will help you guide the absorption of the medicine."

Nanako nodded gently, and put the pill in her mouth without hesitation.

At the moment of entrance, the pill immediately turned into a warm current, poured from the mouth into the stomach, and from the stomach to the whole body.

Nanako could clearly feel that her body was undergoing earth-shaking changes at this time.

She doesn't know how to describe this change. If she was injured before, it was like a porcelain bottle was broken on the ground and the fragments were all over the floor, then now she is like a broken porcelain bottle rewinding and playing all over the floor. The fragments quickly returned to the basket, pieced together into a complete self, who had never suffered any harm, and had never had a cracked self.

It's like going back in time, full of a strong sense of unreality.

At this time, Charlie grabbed Nanako's slender and white jade hands, and a trace of spiritual energy entered to help her guide the absorption of the rejuvenating pills.

Nanako thought that the feeling of turning back in time was extremely magical, but she did not expect that half of the effects of Rejuvenation Pill had not been exerted.

With the help of Charlie, she felt that every cell in her body seemed to be nourished by the medicinal effect. She could feel that her body level had reached the peak level in the past and continued to improve and increase!

A few minutes later, she opened her eyes, ignoring the sweat on her face, looked at Charlie in amazement, and blurted out, "Master, what exactly is this magic medicine? How can it be so powerful?"

Chapter 1790

Charlie smiled slightly and said, "This medicine is called Rejuvenating Pill."

Nanako suddenly remembered something, and said: "I know! I know! Master Wade! Aoxue's strength suddenly improved before the quarterfinals. It should be because of this kind of rejuvenation pills?"

Charlie nodded: "Yes, it is indeed the effect of Rejuvenation Pill."

Nanako asked again: "Because of this, Master didn't want me to have a head-on contest with Aoxue in the future, so you won't let me continue to participate in international competitions, right?"

Charlie said frankly: "Yes, you were indeed out of this consideration."

Nanako bit her lower lip lightly, and after hesitating for a while, she asked tentatively, "Is Master Wade asking this because he likes Aoxue?"

Charlie shook his head: "I am more like a brother to my sister Aoxue. I don't want you two to meet on the field. It's more because we represent different countries. I didn't want to influence it because of her. To the national honor of Chinese athletes, so I hope you could not continue to participate in international competitions."

Nanako suddenly realized that she stood up suddenly, bowed to Charlie ninety degrees, and said seriously: "Master, please rest assured, from now on, Nanako will concentrate on studying martial arts and will never participate in any form of martial arts game!"

After saying this, she came back to her senses, looked at her legs, and said with excitement: "I have never thought before, it feels so good to stand up by myself"

Charlie nodded and smiled: "Don't you want to take a stroll in the snow? Let's go now!"

"Yeah!" Nanako nodded excitedly, walked around the tea table, took Charlie's hand, and said excitedly: "Let's go Master!"

Nanako, who had just improved her strength, couldn't see the look of any martial arts master at this time.

At this moment, she is just a simple and happy little girl, holding the hand of her beloved man, running towards her favorite snowy night.

Nanako loves snow, especially at night. In the quiet snow, you can enjoy the snow and the beauty of the night without being disturbed by others.

This is her girlish heart and her girlish feelings.

In the courtyard at this time, a thick layer of snow has fallen.

The trace of Charlie's killing of Tenglin Ninja had been completely gone. The thick snow, they stepped on it and made a creaking sound, which made people feel as if they were far away from the hustle and bustle of the city.

Nanako held Charlie's hand tightly without letting go, pulling him to walk in the snow, and then raising his hand high, and then holding his hand in a beautiful circle.

The exquisite skirt of the kimono, as she dexterously turns in the white snow, also sets off the extraordinary posture of Nanako, making her posture a little more enchanting in grace.

she turned around in the snow a few times, and stopped when facing Charlie.

She observed at Charlie with her pair of shiny and pure eyes, and said sincerely with a bit of infatuation: "Master, I have waited for this snow for several days. The weather forecast said that this snow was only a few days ago. After the meeting, I was sitting in a wheelchair, parked in the yard, looking up at the sky, waiting for the snow, while thinking of you."

"But that day, I didn't wait for the snow, let alone hope to wait for you."

Speaking of this, a layer of water mist suddenly appeared in her eyes, and she said with a bit of choking in her tenderness: "But I really didn't expect that today, the heavy snow that I have been looking forward to for a long time will be the same as mine Master, the long-awaited, you are here together with the snow."

"At this moment, it is really the happiest, most satisfying and perfect moment in my life, so perfect that I can't believe it, so perfect as true as false, as dreamlike as fantasy!"
