

The One and The Only Chapter 181 - 190

Song

Pingting asked suspiciously : “Why do you want my husband to wait outside?” Tang Haibo

sneered, “Because I don’t like having a third person when discussing terms with others.

There was a lot of people and there was no result after a long discussion.”

“If Mr. Song is unwilling to let your husband out, then we don’t have to talk about it. Please

ask Gaoming for you!”

Song Pingting is concerned about those in the hospital. The life of a dying worker could only

quietly say to Yash Nics: “Yash Nics, would you like to wait for me outside first?”

Yash Nics glanced at Tang Haibo and said calmly, “Okay!”

Yash Nics went out. After that, only Song Pingting and Tang Haibo were left in the reception

room.

Song Pingting asked: “Doctor Tang, let’s talk about it, how much money do you

need to perform operations on the three wounded?” Tang Haibo raised two fingers, and

Song Pingting said, “Two million? The price is similar to that of the three wounded. The

charges for surgery on the rich are about the same. I promise you.”

Tang Haibo sneered: “Two million, you are sending a beggar. I mean 20 million for one

operation, and you cost 60 million for three operations!”

Song

Pingting opened her eyes wide, and said silently , “Sixty million, is this too outrageous?”

Tang Haibo said coldly, “Sixty million is cheap. There is an accident on your construction

site. Now many news media are reporting on this. The entire Mannity people are paying

attention to whether these three seriously injured workers can survive.”

"I will perform operations on these three people for you, taking a great risk. If the operation fails, it will have a great reputation for my medical skills. Influence. So I will charge you 60 million, which is reasonable and reasonable."

Song Pingting was stunned when she heard this, but she didn't expect this to be said.

Tang Haibo looked at the faint whiteness of Song Pingting's collar, and said with a smirk:

"Of course, if you can't bear 60 million, there is another way."

"That's what you are now obediently lying on the desk, let me once, I will not give you money to save people."

Song Qiao Lian Ping Ting heard instantly reddened, Xiu Fen, he said: "Shameless"

Having , Will leave angrily.

But Tang Haibo stretched out his hand to block her way and said

squintingly, "Miss Song,

don't rush to go. The entire Mannity, and even the entire South, I can help you save people."

"If you refuse me, then three of you The worker died, and the accident at your construction site last night was a major accident."

"By then, your company will be over, and you, the project leader, will also be arrested and jailed."

"So I still advise you to obey and let me do well. It's so refreshing..."

Song Pingting just wanted to sternly refuse, but there was a loud bang in her ears. The door

of the conference room was kicked open, and Yash Nics came in with a calm face. .

Seeing the murderous Yash Nics, Tang Haibo subconsciously felt a panic of fear, and said

with a trembling, "You, what do you want?"

Yash Nics raised his hand and slapped Tang Haibo's face with a slap.

The slap was so cruel that Tang Haibo spit out a spit of blood mixed with a few broken

teeth. He flew out at an angle and knocked over the conference table with a thud.

Yash Nics said indifferently: "Dean Qin Guo Shi Wushuang, how come you are such a beast student. Give you a chance to see me at Mannity Hospital in the afternoon, kneel and kowtow to admit your mistakes, otherwise your life will be over."

Yash Nics said After that, she took Song Pingting's hand and turned to leave.

After Yash Nics and Song Pingting left, several staff members rushed in, helped Tang Haibo,

and asked nervously, "Doctor Tang, are you okay?"

Half of Tang Haibo's cheek was swollen and his teeth were cut off. Never tried to be beaten

so badly.

What made him tremble with anger was that Yash Nics also threatened him to go to the

door in the afternoon and kneel down to admit his mistakes.

Tang Haibo was full of grim expressions: "As far as Zhong Hai is concerned, I can save the

three severely injured people. This bastard dares to threaten me."

"Okay, I will go and watch this afternoon. You guys and dogs will have to kneel in front of me

at that time. Licking my shoes, otherwise I won't shoot you the

sword!" Tang Haibo still had a more vicious thing not to say, that is, after Yash Nics and

Song Pingting knelt down and begged him for the sword, he would also deliberately kill him.

Three severely injured people.

Let the nature of the security incident become serious, and put Song Pingting, the person in

charge of the project, to jail.

The One and The Only Chapter 182

Yash Nics and Song Pingting came out of the Angel Ai Private Hospital.

Song Pingting

sighed in depression, "Oh, you beat him. It is estimated that even if we promised 60 million,

he I won't be willing to save people anymore."

Yash Nics said confidently: "It's okay, academician Qin can save people.

As for his scum, if

he doesn't follow my instructions and kneels and begs for mercy, then he's lost. "

Song Pingting shook her head when she heard the words, and felt that these two things

Yash Nics said were impossible.

Yash Nics and Song Pingting returned home, and she hadn't slept all night, so she could be

said to be haggard.

Song Zhongbin and Ma Xiaoli prepared a meal, and the family sat down for lunch.

Except for Yash Nics's ability to remain calm, Song Pingting's faces are full of sadness.

On the TV screen, news from Mannity TV Station is being broadcast, and a reporter is

seriously criticizing the safety incident that occurred in Haitang Square last night.

The reporter said sternly: "The accident last night caused 32 injuries, and three of them

were dying and not out of danger. It is said that Song Pingting, the person in charge of the

project, is just a young woman in

her twenties." "In addition, she has never been. With experience in infrastructure projects,

this safety accident is likely to be caused by her unprofessional management."

"When the investigation results of the investigation team come out, she will

definitely pay for her negligence and go to jail." Song Zhongbin With Ma Xiaoli, their faces

changed drastically when they saw the news broadcast by the TV station, and they quickly

turned off the TV.

Song Pingting smiled bitterly, as much as there was praise, there were as many slanders as

there were.

She had successfully bid for the Haitang Plaza project before, and many people were

jealous.

Now that there is a serious safety accident on the construction site, it can be said that the wall has been pushed down by everyone, and many people are eager for her to go to jail. Moreover, she also knows that the investigation team is investigating the cause of the accident.

If it was really caused by negligence in management, and if another worker died, then she might really go to jail. She ate a few mouthfuls of food casually, put aside the dishes, and wanted to go to the room to sleep for a while. She also urged Yash Nics: "Wake me up in half an hour, even if we can't ask Tang Haibo to give the three severely injured workers the surgeon. We must go back and find other famous surgical doctors to take the surgeon and try our best to save the three. A worker."

Yash Nics said calmly, "Don't worry, I know it in my heart." Song Pingting dragged her tired body back to the room to rest. Song Zhongbin and Ma Xiaoli finally couldn't help but ask: "Yash Nics, now it is said in the news that Xiaoting is responsible for a major accident in the project, she may go to jail, is it true?"

Yash Nics comforted the two old men: "You parents Don't worry, it's just that dozens of workers have been injured and no one has died. Now it can only be regarded as a general accident, not a major accident, Xiaoting will be fine ." Song Zhongbin and Ma Xiaoli listened to Yash Nics's explanation and relaxed a little bit. , But still very worried. Because they also heard from reporters in the news that there are still three people in the hospital who are not out of danger.

Song Qingqing pulled Yash Nics's sleeves and looked at Yash Nics nervously: "Dad, you must not put mom in jail, I'm afraid I won't see mom." Yash Nics picked up her daughter and squeezed her daughter's little nose, smiled and cursed: "What nonsense, dad promises you that he will definitely not let mom go to jail." Song Qingqing's eyes brightened, and she said in surprise, "Really?" Yash Nics smiled and said, "When did Daddy fool you? ? "

Song Qingqing heard giggled excitedly said: "Yes, my father said, and always able to do, and my father the most powerful of the "

Song Ping Ting this sleepy half an hour, but she woke up , But found that it was already four o'clock in the afternoon. She actually slept for four hours! Yash Nics didn't even wake her up according to her request! Song Pingting's pretty face was full of anxiety and anger, and she quickly got up and came out of the room, just in time to see Yash Nics in the living room. She just wanted to question Yash Nics angrily why she didn't wake her up on time? But she hadn't even spoken yet, and Yash Nics had already smiled and said first: "Wife, you wake up, just in time, we have to go to the hospital. Because the doctor who performed the operations on the three workers is about to arrive at Mannity Hospital." Song Pingting was stunned when she heard the words, Yash Nics had already found a famous surgical doctor while she was asleep? Thinking of this, the anger in her heart disappeared instantly, and she looked at Yash Nics's eyes with a touch of emotion. Yash Nics definitely saw that she hadn't slept all night, so he secretly arranged everything while she was asleep. Song Pingting looked at Yash Nics, eyes full of tenderness, and thought: idiot, you haven't

slept all night. You just want to let me rest, but you don't.
As she went out with Yash Nics, she asked softly: "Yash Nics, which famous surgical doctor did you find, is it reliable?"
Yash Nics smiled and said, "Absolutely reliable. As for who it is, you will know who it is when you go to Mannity Hospital. "

Soon, the two drove to Mannity Hospital.

The ICU ward of the hospital is in chaos.

It turned out that one of the three seriously injured workers deteriorated and must be operated on immediately.

Xu Baoming, the director of surgery at Mannity Hospital, told the patient's family that the success rate of the operation was only 10%, and asked the family to sign and agree to arrange the operation immediately.

The family members of the patient heard that there was only a 10% success rate, and they

all cried sadly and were unwilling to sign for the operation.

Director Xu of Mannity Hospital and a group of patients' family members immediately

surrounded Yash Nics and Song Pingting when they saw Yash Nics and Song Pingting.

Director Xu said: "President Song, an injured person's condition is deteriorating and his life

is dying. The operation must be arranged immediately." The

patient's family trembled: "President Song, Director Xu said that he was in charge of the

operation. The chance of successful surgery was only 10%. Why do we sign and agree to the operation!"

"Mr. Song, didn't you say that you should invite the famous surgeon Doctor Tang Haibo to perform the operation? What about Doctor Tang?"

Song Pingting was speechless and looked at Yash Nics for help. She also wanted to ask where is the famous doctor Yash Nics said? Ning has not been open, there is a crowd of people head out, high channel: “! I’m here,”

the scene all the people look to this person, this person puffy cheeks, a few broken teeth, is the morning The Wude doctor Tang Haibo who was slapped by Yash Nics.

Tang Haibo strode over, looking resentfully at Yash Nics and Song Pingting.

Director Xu saw Tang Haibo, but his eyes lit up and he was pleasantly surprised: “Oh my God, Angel loves the famous surgical doctor of the private hospital, the senior student of

President Qin Wushuang, Tang Haibo, Doctor Tang!”

Director Xu excitedly said, “If Tang If the doctor comes to the surgeon, I think the chance of a successful operation is at least 50%.”

The family members of the patients were excited when they heard that this person was

Tang Haibo.

They said that it was great that Mr. Song had invited Doctor Tang to be the chief surgeon.

Tang Haibo sneered and said, “I’m sorry, everyone, I just passed by here, not here to perform

an operation on the

patient.” The family members of the patient just saw the dawn of hope, and now they are all

stupid to hear what Dr. Tang said.

Everyone looked at Song Pingting in amazement, “Mr. Song, didn’t you say to invite Dr. Tang

to be the chief surgeon in the morning? What’s the matter?”

Song Pingting was also anxious at this time, and said to Tang Haibo

hurriedly: , I agreed to

your terms. You perform operations on three severely injured people, and I will pay you 60

million yuan.” At

60 million, everyone on the scene gasped. They knew that Dr. Tang was specifically treating the rich, but they did not expect that Dr. Tang's charges would be so outrageous. Even the families of the patients were silent. They felt that Song Pingting's willingness to spend so much money to save the lives of three ordinary workers showed Song Pingting's conscience.

However, everyone was dumbfounded. After listening to Song Pingting's words, Tang Haibo sneered: "Hehe, my condition is 60 million hard work in the morning." "But you didn't agree at the time. Your husband hurt me and even threatened me to kneel and beg for mercy. . " " now my terms, not just the world's largest has been so simple. " Song Ping Ting face became very ugly, difficult question:"? Do you have any conditions " Changsha, Hunan Province looking at Ning, grinning, said: "In addition to giving me 60 million hard work, I also want Yash Nics to kneel down and apologize to me, and I want him to lick my shoes."

The One and The Only Chapter 184

Everyone at the scene was in an uproar. Everyone felt that Dr. Tang was really greedy and lacking in virtue. Song Pingting's face was pale, and she was in a dilemma. She couldn't agree to Tang Haibo's request, couldn't let Yash Nics kneel down to apologize to Tang Haibo, let alone let Yash Nics lick Tang Haibo's shoes. But if she refuses, then no one can save the life of the dying worker, and it is likely to watch the worker die. She didn't kill Boren, but Boren died because of her. She would be guilty for a lifetime.

Just when Song Pingting's pretty face was pale and her body was shaking slightly, she couldn't make a choice. Yash Nics suddenly reached out and held her hand, giving her warm strength.

Yash Nics looked at Tang Haibo and said coldly: "You three-legged cat quack, you deserve me too?"

Tang Haibo heard Yash Nics say that he is a three-legged cat quack and opened his eyes in disbelief.

Yash Nics turned his head to look at a group of patients' families, and said in a deep voice:

"Dear families, our Ningda Company has hired the most powerful surgeon to perform operations on the injured."

"And this surgeon is Bei The dean of the Jingjun General Hospital, Qin Qingping."

Everyone was silent after hearing Yash Nics's words.

Tang Haibo was also stunned, and immediately laughed wildly, and said sarcastically,

"Haha, it's a toad yawning, so loud."

"What are you, dare to brag about asking my master to come to Mannity to perform operations on these lowly migrant workers." ? " "

Oh, if you could please my master, I give you the spot to kneel down to apologize. but also

from out of the medical profession, never practiced medicine. "

field of the patient's family were all looking at Ning.

Everyone hopes that what Yash Nics said is true, but everyone knows that it is impossible to

invite Mr. Qin for surgery.

Even Song Pingting reprimanded Yash Nics in a low voice anxiously:

"What are you doing, are you still fooling around this time?"

Yash Nics smiled and said, "I didn't do any fooling. This quack doctor is kneeling today. I

want to practice medicine."

Song Pingting was anxious: "Since you keep saying that you have invited Lao Qin, where is Lao Qin now?"

Yash Nics smiled slightly and raised his finger to the sky outside.

Everyone was stunned, and Tang Haibo sarcastically said, "You mean you are far away in the sky? Haha, you really are!"

Yash Nics said flatly, "Not far away in the sky. I said Mr. Qin has already arrived and will soon fall from the sky."

Tang Haibo laughed loudly when he heard the words, and everyone at the scene shook their heads.

Everyone thought that Yash Nics was not mentally retarded, and Qin was not a god, how

could he have fallen from the sky?

But at this moment, suddenly there was a rumbling noise in the sky.

Everyone was shocked, and they ran out of the courtyard of the inpatient department and looked up.

Then, everyone was shocked to find that three helicopter gunships were flying from a distance in the sky.

Three armed helicopters landed slowly. The helicopter just stopped, and an old man with a white beard, escorted by a group of soldiers from the north, got off the helicopter.

Everyone at the scene saw the red-faced, energetic old man with white beard, and they all

lost their voice: "My God, it is really the Dean of the Northern Army General Hospital, Qin,

who is known as an unparalleled scholar, really It's his old man!"

Everyone at the scene was shocked, and many even wanted to go up and say hello to Qin

Lao with excitement.

But before he even approached, the soldiers from the northern border who was next to Qin directly shot them back.

Old Qin just got on and off the helicopter and saw Yash Nics and Song Pingting in the crowd.

When he saw Yash Nics, his eyes couldn't help showing reverence.

But when it fell on Song Pingting, a thick smile appeared in his eyes. As the marshal's military doctor, like many people who care about Yash Nics, he has always worried about when Yash Nics will get married.

Yash Nics has never faked colors with any woman. Qin Lao and the others were worried that Yash Nics would say something like the ancient famous Huo Qubing: If the enemy is not destroyed, how can you get married?

Now, seeing Yash Nics finally have a matching partner, Qin Lao smiled with satisfaction.

Old Qin ignored the people who were welcoming along the road, and strode straight to Yash Nics and Song Pingting.

He is like the old impish, grinning, said: "Yash, Miss Song, I take the plane from the sea in the Northern Territory was the airport, and then by helicopter to come should not be late, do not delay the timing of treatment of the injured right"

The One and The Only Chapter 185

The group of northern soldiers next to Qin Lao saw Yash Nics at this time, and his eyes were extremely excited.

Everyone straightened their waists, standing like a javelin.

Yash Nics smiled and said: "Old Qin, you are just right. There is a patient whose condition is deteriorating and needs to be prepared for surgery."

Song Pingting looked at Dean Qin with shock. She is calm in daily life.

Speaking knotted,

eating and eating: "Qin, Qin, it is really your old man."

Qin said with a cheerful smile: "It is Qin, the old man heard that you and Yash Nics invited me to save people, I Immediately rushed."

Everyone at the scene, including Song Pingting, couldn't help but look at Yash Nics after hearing the words, wondering who Yash Nics was, and why could he invite Qin?

You must know that even if it is Mannity City Zun, please don't touch a big man like Qin Lao.

Of course, Tang Haibo was the most shocked.

When Tang Haibo saw the appearance of Old Qin's figure, his face was completely scared, and his whole body was like chaff.

He can't wait to hide now, wishing Old Qin didn't see him as an apprentice.

Because he knows the character of his teacher very well. Although the doctor is kind, he is also jealous.

If the teacher knew what he was doing, I'm afraid his life in the medical world would come to an end.

However, although he wished to become a transparent person, Qin had already seen him.

Moreover, on the way here, Mr. Qin already knew everything that happened here.

Including Tang Haibo taking advantage of the fire to rob, asking Song Pingting for the astronomical knife fee, and Tang Haibo making unruly demands on Song Pingting.

Even Tang Haibo threatened Yash Nics to kneel and lick his shoes, Lao Qin knew about it.

Mr. Qin ordered the leaders of Mannity Hospital to immediately prepare the operation

department and administer anesthetics to the patients, and he was ready to perform

operations on the wounded whose condition deteriorated.

After he finished the order, the conversation turned, and his voice suddenly became cold:

"But before entering the operating room, the old man must do one thing first, and that is to clean the door!" The

words to clean the door were loud and powerful.
Listening to Tang Haibo's ears was even more like a bolt from the blue.
After talking to Yash Nics, Song Pingting, and the leaders of Mannity Hospital, Old Qin
turned to look at Tang Haibo indifferently, and said sternly, "

Bastard , do you know what's wrong?" Tang Haibo trembled: "Master!"
Old
Qin shouted angrily. "Kneel down!"
Old Qin is not only Tang Haibo's master, but also a Taishan Beidou in the medical world. He
also has an extraordinary position in the army.
He knelt down, Tang Haibo's feet softened, and he knelt down directly.
Old Qin stared at Tang Haibo angrily, and said angrily: "When I taught you these students, I
told you that you should first develop morality and then study medicine."
"You used what I taught you all these years. Medical skills, crazy wealth. I have heard about
it a long time ago, but I did not intervene."
"But I didn't expect you to do such a shameless act for money today."
"From now on, you will be officially expelled by me from the teacher's door. They are not my
students."
"In addition, I will ask the doctor to supervise the organization to ban your medical
qualification certificate, and you will not be allowed to practice medicine for the rest of your
life."
Tang Haibo was shaking with tears, crying and reaching out to hug Old Qin's feet: "Master ,
Please forgive me once, I know I was wrong..."
Old Qin was unmoved, but said coldly: "Just ask Mr. Yash, forgive or not forgive you?"
Tang Haibo looked in disbelief. Yash Nics, his master seemed to say that if Yash Nics
forgave him, he would have a way to survive.
Tang Haibo didn't care about so much at this time. He hurriedly climbed up to Yash Nics and

Song Pingting, kowtowing to beg for mercy: "Mr. Yash, Miss Song, I know it's wrong. I beg you to say a few good things to my master. Let me make a living."

The One and The Only Chapter 186

Yash Nics said calmly: "I gave you the opportunity to apologize after you reflect on it, but unfortunately you don't cherish the opportunity."

Tang Haibo trembled: "I apologize, I apologize now..."

Yash Nics

coldly snorted: "You just threatened me to kneel down and lick your shoes, but now you are counseling?" Tang Haibo hesitated, speechless.

Yash Nics said coldly: "Since you have chosen to be the bachelor, you have to be hard to the end. You look like you are now, making me look down on you even more."

"Go away, I hope you can be a good man after this lesson."

Yash Nics When the voice fell, two soldiers from the northern team next to them

immediately walked up without giving orders.

Tang Haibo, who was crying, was dragged away like a dog.

After Tang Haibo was dragged away, the operating room of Zhong Hai Hospital was also

ready, and the patient was also given anesthetic.

Old Qin entered the operating room and performed the operation on the patient himself.

On the way here, Mr. Qin had already seen the detailed medical records of three seriously

injured workers, so he could directly undergo surgery.

In half an hour, the operation is over.

The operation was very successful, and the congested blood clot in the patient's skull was perfectly removed, leaving his life in danger.

In an instant, the doctors outside the surgery, the patient's family members, and Song

Pingting and others couldn't help but cheer.

Old Qin is worthy of the Warriors of the Country. After he finished the operation, he immediately asked the other two seriously injured to prepare, and he continued to perform the operation.

After another two hours of hard work, the other two seriously injured workers who had been given critical illness notices also all succeeded in surgery, and they were free from life threats.

This news was quickly reported by major news media, praising Lao Qin for his unparalleled medical skills.

The leaders of Mannity City, the leaders of the Mannity Medical System, and the wealthy people from all walks of life came one after another to celebrate Lao Qin.

But Qin Lao refused, Qin Lao said that he would not participate in any banquets, he decided to go to Song Pingting's house for a casual meal.

This shocked many outsiders once again, speculating about the relationship between Qin

Lao and Yash Nics and Song Pingting?

Even Zhu Jiuling, who was behind the scenes and framed Yash Nics and Song Pingting, was shocked.

He quickly sent someone to investigate the relationship between Qin Lao and Yash Nics and Song Pingting.

News soon came out. It is said that Yash Nics once served as a soldier in the Northern

Territory. Yash Nics had a superb chess skill and played against Qin Lao.

As a result, Qin

Lao lost to Yash Nics.

The old Qin who lost the chess promised to do Yash Nics a favor unconditionally.

Because of this, Yash Nics asked Old Qin for help this time.

After listening to the report, Zhu Jiuling showed a stunned expression and snorted coldly: “I

said Yash Nics and Song Pingting, how can they please Qin Lao. It turned out that Qin Lao

lost to Yash Nics in the game and owed Yash Nics. It’s just a promise.”

The

subordinate said: “Now Qin has fulfilled the promise, and it has nothing to do with Yash

Nics.”

Zhu Jiuling said with a gloomy expression: “This time it is Yash Nics and Song Pingting’s

good fortune, but next time, they are both. There won’t be such good luck.”

After dinner, Qin Lao said goodbye to Yash Nics and Song Pingting’s family.

Then take the special plane and return to the north.

Yash Nics and Song Pingting had just sent off Lao Qin on the front foot, and Song Qingsong

came with Song Zhongxiong and Song Zhongping’s family on the back foot.

When Song Pingting’s family saw Song Qingsong and others, their expressions were gloomy

and complicated, and they all realized that something had happened.

Sure enough, after Song Qingsong and the others sat down, Song Qingsong said straight to

Song Pingting: “Xiaoting, there is such a serious safety accident on the construction site,

why don’t you discuss it with several of our shareholders in the first place?”

Song Painting heard explained: “Grandpa, big Bosan Shu, site security incidents last night,

I’ve been busy dealing”

“You really had said several shareholders participate in the management of the company, so

I’m going to put emergency The situation is dealt with, and then we will have a meeting with

several of your shareholders to discuss the follow-up matters.”

Song Qingsong squinted: “Then how did you handle it?”

Song Pingting said, “All the injured workers are out of danger. The situation of this safety

accident has been brought under control.”

“The next thing is the follow-up treatment of workers, as well as the issue of compensation for injured workers. This is what I plan to discuss with you.”

Song Qingsong said impatiently, “You There is no need to tell me every detail of medical expenses, compensation, construction site losses, etc. Just tell me directly, how much will Ningda Company lose this time?”

Song Pingting said softly, “Conservative estimate, the loss is over 100 million yuan. !”

The One and The Only Chapter 187

Song Qingsong and others’ faces become ugly. Their family has a lot of shares, and Ningda

Company loses 100 million, and they lose tens of millions.

Song Zhongxiong said coldly: “It is said that China Shipping Emergency Management

Bureau has established an investigation team and is investigating the cause of the accident.”

“If the accident was caused by Ningda’s management problems, then you have to bear the greatest responsibility.”

Song Ping Ting nodded: “Yes!”

Song Zhongping also said, “What’s more serious is that it is said that after the safety

accident of Ningda Company. The city leaders felt that Ningda Company was not strong

enough to be competent for the Haitang Plaza project, and planned to put Haitang

Transfer the square project to other companies?” Song

Pingting opened her eyes wide when she heard the words, shook her head and said, “This is

a rumor, at least I haven’t been notified by any city leaders.” Song Qingsong snorted coldly,

“Xiaoting, you This time we have produced such a big Yaoyaozi. Not to mention the serious

losses of the company, it may also cause the company to lose the projects that the company depends on.”

“Your uncle and third uncle are innocent and cannot be blamed for your fault. Pay the bill!”

Song Pingting frowned, “Grandpa, what do you mean by this?”

Song Qingsong said with a high face and indifferent: “It’s meaningless, but we think you are responsible for this loss. And we have to return us. With the shares you hold, you are required to return all of the 900 million funds we invested in.”

Song Pingting fell silent: “What? Grandpa you asked for the shares at the beginning. Now something has happened, and you don’t want to bear it together. If you lose, you have to withdraw the shares in full?”

Song Qingsong said coldly: “Yes, we will return all the shares to you. We have invested 900 million shares, and you have to return a lot of it to us.”

Song Zhongbin and Ma Xiaoli, this Shi was also anxious and angry. The Song family was too bully.

What’s worse is that the security accident suffered serious losses.

Song Qingsong and the others withdrew their shares in full and drew all the company’s funds away. Then Ningda Company’s finances will be in trouble.

Song Pingting said anxiously: “Grandpa, it seems that you are not in compliance with the rules. Even if you get to the court, you will lose the lawsuit .” Song Qingsong was furious: “Presumptuous, you want to kill grandpa, uncle, and uncle. Sue to court?”

Song Zhongxiong snorted coldly, “Hehe, Song Pingting, your wings are hard now, and you don’t even

look at your grandfather, uncle, and uncle ?” Song Pingting is naturally not good at treating grandpa, uncle, Sanshu all went to court.

In that case, even if she wins the case, the Song people have become a joke in the business community of China Shipping. Moreover, even if she wins the case, Grandpa and the others will still withdraw their shares.

It's just that the refunded money is converted according to the current market, and the refund is a little less.

Song Pingting hurriedly said: "Grandpa, don't be angry. I am not going to take you to court."

"I just want to ask you not to rush to withdraw shares. When the security incident passes, the company will return to normal. Would you consider withdrawing shares?" When

Song Qingsong's family came, they heard news that after the safety incident, the city

leaders intended to replace the Haitang Plaza project with other infrastructure companies.

If Ningda loses the Haitang Plaza project, it will be nothing.

Song Qingsong's family didn't want to take risks, so they were anxious to withdraw their

shares immediately.

They don't care about Song Pingting's life or death, they just want to avoid the risk and get

back the 900 million yuan they invested in.

Therefore, let Song Pingting request all kinds of requests, Song

Qingsong's family is very

strong request to immediately withdraw from the stock.

Song Pingting was so anxious that tears rolled in her eyes: "Grandpa, you are now

withdrawing from stocks. This is going to push me on the road to the end!"

Song Qingsong said indifferently: "We don't care, we have only been a shareholder for a few

days, you just assume that we have never been a shareholder, don't you get it?"

Song Zhongbin and Ma Xiaoli saw that their daughter was forced into this way by their

grandfather and both of them. I was too anxious, but I couldn't help. Even Song Qingqing, who was doing homework accompanied by Yash Nics. She also had a flat mouth, and she whispered to Yash Nics in tears, "Dad, grandpa and they bullied her mother again."

Yash Nics's eyes fell on Song Qingsong's family, and he slowly said, "Wife, don't beg them.

Since they want to withdraw their shares, let them withdraw their shares."

"I promise, they withdraw today, and soon they will regret that their intestines will turn green."

Song Pingting looked at Yash Nics in shock, and said with a trembling:

"Return 900 million

yuan to my grandpa and the company's capital chain will be completely broken. Maybe He

didn't even have money to treat and compensate the workers."

Yash Nics said flatly: "What a big thing, after returning their shares, naturally other bosses

will come to invest." After

Yash Nics finished speaking, he immediately called Dian Chu. "Help me tell the CEOs of

Mannity that Tianzi Company is short of funds. Come to see me within half an hour when I

want to invest. The number of places is limited. Those who desire it as soon as possible."

After

Yash Nics finished speaking, he hung up the phone.

Song Qingsong's family sneered. If there was no such accident, many people wanted to

invest in Ningda Company.

But when this accident happened, there were rumours that the city leaders would give the

Haitang Plaza project to other companies. Who would invest heavily in Ningda Company at

this time?

Yash Nics actually said that the number of places is limited, and those who want to hurry, this is not a joke!

Song Pingting had a complicated face and asked Yash Nics in a low voice: "Should we really agree to return all 900 million funds to Grandpa and take back the shares of Ningda Company?"

Yash Nics said calmly, "Of course, they are theirs to withdraw shares. Why don't we agree to the loss."

Song Pingting still hesitated, and Yash Nics smiled and said, "After so many things, don't you believe my wife yet? If you believe me, call the company lawyer. Prepare the contract. , And took back all 48% of their shares."

Song Pingting looked at Yash Nics's faithful eyes, biting her lip, and finally chose to trust Yash Nics.

She said to Song Qingsong and others: "Okay, I promise you to use 900 million yuan to recover the shares in your hands."

After that, Song Pingting called the company's lawyer to come over. Song Qingsong's family all showed triumphant expressions.

I thought that because of the accident at Ning University, they would lose a lot of money,

and even the money they bought into shares would be locked up.

But didn't expect Yash Nics and Song Pingting to be so simple, they actually agreed to use

900 million funds in exchange for their shares.

Soon, the lawyers of Ningda Company dared to come.

The contract was prepared on the spot, and Song Pingting signed with Song Qingsong's family.

The two parties had just signed the contract, and suddenly a group of big men in suits and shoes came to visit.

The richest man in China Shipping, Xiao Zhiyuan.
President of China Shipping Bank, Liao Xuewen.
The owner of Junan Hotel, Zhang Debang.
Huaxun Group CEO, Liang Huaqiang.

Chairman of Hengchang Group, Qin Yue.

Song Qingsong's family was stunned to see such a big boss appearing. These characters, any one's worth of assets, crushed the Song family. The Song family was even more like a beggar in front of Xiao Zhiyuan, the richest man in Mannity.

Song Qingsong and others looked at Xiao Zhiyuan's gang with shocked faces, thinking in shock: Oh my God, these big people, aren't these big people really rushing to invest in Song Pingting?

As if to prove their conjecture, Xiao Zhiyuan's gang went straight to Yash Nics and Song

Pingting, and said with a flattering smile: "Miss Song, I heard that some fools have withdrawn. The company is short of funds and needs investment?" Stupid hat?

Song Qingsong looked at each other with Song Zhongxiong and Song Zhongping. Are you talking about them?

Song Pingting's pretty face was full of shock. She turned her head and glanced at Yash Nics

who was smiling beside her, then swallowed hard, and bit her head and said to Xiao Zhiyuan

and others: "Mr. Xiao, how are you bosses.

" Something went wrong with my company recently, which coincided with my grandfather's withdrawal of shares, and the funds were indeed short.

Xiao Zhiyuan smiled and asked, "I don't know how much investment Ms. Song needs?"

Song Pingting said, "Two hundred million, no, one hundred million."

"I only need one hundred million to make Ningda Company tide over this difficult situation.

every boss, who can extend a helping hand and invest me 100 million? "

Xiao Zhiyuan laughed loudly when they heard the words, and Xiao Zhiyuan said heartily:
“How can one billion be enough? At least one billion.” We have five bosses on the scene,
each of whom has just invested 200 million! ”
Song Pingting’s pretty face was round, and his face was full of disbelief. Just now my grandpa and the others were going to withdraw their shares, but now a group
of rich people are rushing to invest.
Seeing that Song Pingting was shocked, Yash Nics reached out and hugged Song With a
slender waist, Ping Ting said with a smile: “My wife, since Boss Xiao and they are so sincere,
then you can accept their investment reluctantly! ”
Song Pingting woke up like a dream, she took a deep breath, calmed the stormy waves in
her heart, and said gratefully: “Thank you Mr. Xiao and all the bosses. You are willing to
believe in me and are willing to invest in me at this time. ”
I will definitely live up to expectations and let the money you invest in will be rewarded.” ”
A group of rich and powerful people, seeing Song Pingting accept their investment, they
seem to be happier than Song Pingting.
One by one, as if picking up the sky, they smiled openly and said, “It’s easy to say, easy to
talk. ”
This makes the Song Qingsong family on the side completely dumbfounded!
Song Qingsong and the others are not fools, and they also believe that Xiao Zhiyuan and
this group of rich and powerful men are not fools.
On the contrary, all these big men like Xiao Zhiyuan are old foxes, shrewd it.
Therefore, they believe Songqing Song, Xiao Zhiyuan, who certainly will not blindly invest.
on city leaders want to change the message to other companies responsible for Begonia

Plaza, also hundred percent a rumor.
Song Painting of rather large company, still The future is endless!

Song Qingsong's family realized that they had done a stupid thing, and regretted it in their hearts at this time.

It's a pity that there is no regret about taking medicine in the world, and they can only leave in despair.

What they didn't know was that what happened two days later caused them to regret their decision to withdraw from stocks today, and their bowels were all green.
The One and The Only Chapter 189

Song Qingsong's family left in a dingy manner, Xiao Zhiyuan and a group of business leaders also wisely left soon.

Only Yash Nics and Song Pingting were left in the house, and there were no outsiders.

Song Pingting finally couldn't help looking at Yash Nics, her pretty face was full of suspicion

and asked: "Yash Nics, why do you have so many business leaders rushing to invest in me after your phone call?"

Song Zhongbin and Ma Xiaoli returned Song Qingqing looked at Yash Nics curiously.

After what happened just now, not only Song Pingting became suspicious.

Even Song Zhongbin and Ma Xiaoli felt that something was wrong.

There was a safety accident in the project that Ningda Company was responsible for, and

there were rumors outside that the city leaders wanted to change the company to take charge of the project.

Against this worrying background, Song Qingsong's family asked to withdraw shares to

protect their own interests, and Xiao Zhiyuan and others were even willing to invest.

Song Pingting's family felt that there must be a reason!

They all became suspicious of Yash Nics's identity and looked at Yash Nics suspiciously, waiting for Yash Nics's explanation.

Yash Nics smiled and said: "Boss Xiao and the others are scrambling to invest. Apart from being optimistic about Ningda Company, there are indeed other reasons."

Song Pingting asked, "What's the reason?"

Yash Nics said with a smile, "Because of Mr. Qin. !"

Song Pingting's family was dumbfounded when she heard this, and the second monk was confused.

Yash Nics explained with a smile: "I called Lao Qin to invite the workers to perform the surgery. Lao Qin also refused the banquet from the leaders of Mannity and the rich and came to our house for dinner."

"These leaders and the rich Guys, I must have misunderstood that I have a very good relationship with Qin."

Song Pingting did not wait for Yash Nics to finish her words, she already showed a sudden expression, took Yash Nics's words, and said: "Lao Qin is the dean of the Northern Army General Hospital, and it is said that he is also the Royal Military Doctor of the Northern Army's marshal. , His status and status can be said to be very prominent."

"Xiao Zhiyuan, the bosses, mistakenly think that you are closely related to Qin, and want to curry favor with you?"

Yash Nics said with a smile , "It's almost what it means! "

Song Pingting, Song Zhongbin, and Ma Xiaoli all showed dumbfounding expressions.

Because they knew that Yash Nics had no friendship with Qin Lao, Yash Nics was able to ask Qin Lao to help this time, entirely because Qin Lao lost to Yash Nics in the gambling game back then to fulfill the betting contract.

Song Zhongbin looked at Yash Nics with a smile and said, “Anyway, thanks to you.”

Ma Xiaoli also laughed from ear to ear and said: “Yes, Yash Nics, you are the lucky star of our family. Since you came to our house. Whatever bad things happen to you, you can turn good luck.”

Song Pingting couldn’t help smiling when she heard her parents’ words. She felt that her parents were right. Yash Nics always played cards not in accordance with common sense, but often had unexpected effects that made her dumbfounded.

In the evening, Yash Nics asked Song Pingting, who looked a little haggard, to rest early with his daughter, and he went out for a while.

When Yash Nics came out of the house, Dong Tianbao had been driving a Volkswagen

Phaeton and had been waiting at the door for a long time.

Yash Nics got into the car and sat down in the back seat of the car, and asked calmly, “I

found the guy named Ergou?”

Dong Tianbao said, “Yes, I thought that kid had already run away, but I didn’t expect him Still

in Mannity, fooling around with his lover.”

Yash Nics said indifferently: “Drive and find him.”

Dong Tianbao: “Yes, Master!”

Volkswagen Phaeton drove unhurriedly and headed towards the old town.

It turned out that Yash Nics had discussed the accident at the construction site with Hong

Daxiang, the person in charge of the construction site.

Hong Daxiang felt that the dumping of the tower crane was very abnormal, more like

man-made, and didn’t want to be an accident.

Therefore, Yash Nics did not wait for the investigation results of the investigation team of

the Emergency Management Bureau to come out, so he called Dong Tianbao and asked

Dong Tianbao to investigate the investigation.

Dong Tianbao is now the emperor of the Mannity underground circle, and everyone who eats on the road must deal with him.

With a word from Dong Tianbao, all the people in the underground circle of Mannity started to take action.

It didn't take long before there was news.

According to the clues obtained by Dong Tianbao, it is seriously suspected that the accident

at the Haitang Square construction site was caused by a guy named Ergou.

However, why Ergou did this is not yet known.

Yash Nics and Dong Tianbao are now going to find this guy named Ergou and figure out the truth.

The One and The Only Chapter 190

Emgrand Nightclub, in the biggest diamond box.

A tall, thin, thin man in a black leather jacket was holding a young woman in his arms, and

having a presumptuous carnival with a group of friends.

This man is a second dog!

He sneaked into the Haitang Square construction site last night, and after causing a safety

accident, he received a reward of one million for the hard work.

However, he did not follow Zhu Jiuling's instructions and immediately ran away.

Instead, he stayed in Mannity, hung out with his lover Miao Yuting, and had fun with his gang of pig friends.

Tonight, he not only spent 100,000 yuan to pack the largest box in the Emgrand Nightclub,

but also ordered a dozen 5888 bottles of Remy XO, and said triumphantly: "Everyone will get drunk tonight!"

Miao Yuting posted in Miao Yuting. On Ergou's body, Jiao Didi said:
"Ergou, people don't
want to drink brandy, people want to drink red wine!"
Ergou proudly said: "Tell the waiter, take a bottle of Lafite in 82 years,
and gargle my woman!"
"

Wealthy, arrogant!

Miao Yuting's body on Ergou's body became softer.

The group of friends in the box cheered again. Someone shouted
excitedly: "Ergou, you

really sent it. You are also willing to drink the 80,000 yuan bottle of
Lafite. Brothers will
follow you in the future."

Ergou really enjoyed the feeling of being overwhelmed by the stars, and
said triumphantly:

"It's easy to say."

Not long after, a young man came in with a Lafite wine.

Miao Yuting and the others cheered: "The legendary Lafite of 82 years is
here!" The

young man proficiently helped the crowd to drink, and then personally
gave Ergou and the
others a small glass of red wine, and respectfully took the poured red
wine one by one.

Hand the cup to the two dogs.

When the young man handed a glass of red wine to Ergou, the dim light
in the box covered
him, and the powder hidden in his fingernails calmly flicked into the
wine.

Ergou did not doubt that he was there. He took the red wine from the
waiter and said

triumphantly: "Cheers!"

"Cheers!"

Ergou toasted with Miao Yuting and others, and drank the red wine with
their heads up.

When the young waiter saw Ergou drinking the red wine he secretly
medicated, his eyes

flashed a cold light, and he smiled and said, "Slowly use it, everyone, and
then left the box."

...

Ergou, his woman, and a group of friends, are right. Drunk so dimly. Suddenly the door of the box was opened, and a burly man walked in, turned off the music and turned on all the lights in the box, and the box was instantly bright as day.

This burly man is Dong Tianbao!

After Dong Tianbao turned on all the lights, Yash Nics walked in unhurriedly.

The two dogs and a group of people stared at Yash Nics and Dong Tianbao, all stunned.

“Who the hell of you two, who let you in?”

Ah Hao, who was the strongest next to Ergou, approached Yash Nics and Dong Tianbao

angrily, poking his finger on Yash Nics’s chest while cursing.

But before his fingers hit Yash Nics’s chest, Yash Nics shot out like lightning, grabbing his fingers and snapping them.

Click!

Ahao’s finger was directly broken by Yash Nics!

”

Ah— ” As soon as A Hao’s scream sounded, Yash Nics had already taken a kick and kicked A

Hao upside down.

Ah Hao smashed it heavily on the coffee table, smashing it to pieces.

Ah Hao’s strong chest sank deeply, and all his chest ribs were broken.

Ergou and the others looked at Yash Nics, who was slender in shock, and obviously didn’t

expect Yash Nics to be so terrifying.

Yash Nics looked around the crowd and asked calmly, “Who is Ergou?”

Ergou’s expression changed drastically. He was not stupid. Seeing Yash Nics and Dong

Tianbao two menacingly, he guessed that it must be related to the construction site

accident.

His eyes flashed, and he turned his head to break the window and escape.

But when he just wanted to escape, Yash Nics had already noticed it, and Yash Nics picked up a wine bottle and threw it over.

The wine bottle spun out and hit the back of Ergou's head accurately and shattered with a snap.

Ergou also fell directly to the ground, and then remained motionless. Yash Nics frowned slightly when he saw this. He had a sense of action, and the bottle he threw was definitely not fatal.

Dong Tianbao strode over, picked up the two dogs who were lying on the ground and stopped moving, and said viciously: "I am Dong Tianbao, you kid honestly explain, who instructed you to sneak into the Haitang construction site to cause a safety accident..."

Dong Tianbao said Before he finished speaking, he found that the two dogs were foaming at their mouth and bleeding from their eyes, nose, mouth and ears, and they were dead.

Dong Tianbao showed a surprised expression and turned his head to look at Yash Nics:

"Master, he is dead!"

Miao Yuting and the others couldn't help it anymore and screamed, saying that they were murdered!

"Shut up!"

Yash Nics let out a low drink, walked quickly to Ergou's body, checked it, and said in a deep voice, "He was poisoned to death. It seems that before we came, someone had already poisoned him. "
