## Chapter 1812

Pan Haoyang's satisfied voice came from the other end of the phone: "Suzi, my road is clear now, when will you come?"

Suzi asked, "What about the only one?"

Pan Haoyang immediately shouted briskly: "The only one, come here quickly, Mom's phone."

Suzi heard the sound of dong dong dong running from the phone.

When receiving the call, Suzi could still hear the little girl panting: "Mom, what are you doing, Mom?"

Shen Wei's voice was very light.

Very happy look.

"Tell my mother, are you having fun with your uncle?" Suzi asked Shen Weiyi calmly, surprised by his excitement and wanting to cry.

Shen Weiyi immediately said: "My uncle Haoyang treats me better than my father. The strike robot that my uncle bought is twice as tall as me. Mom, I can't even climb up. I like this robot so much."

Suzi's heart was slightly relieved: "That's good."

“Mom, you don’t have to worry about me, I want to play here with Uncle Haoyang for a few days. When I miss you and Dad, I will call you again. You don’t worry about me unfairly, I’m playing here with Uncle Haoyang. Very happy, hee hee.”

“Mom, I won’t tell you, I’m hanging up. I’m going to play with the robot.” Before Mom could say anything, Shen Weiyi hung up the phone first.

She looked like she was heartless, dragging Pikachu’s jumpsuit and running back to the robot.

The robot Pan Haoyang bought for her is very large.

A full two meters high.

Really spectacular.

Shen Weiyi really liked it. She sat in front of the robot and looked up at Pan Haoyang: “Uncle, can you stop calling my mother in the future? My mother is getting more and more nagging now, I want to play with you for a while. Time, I don’t want my mother to disturb me, okay, uncle.”

In order not to let Shen Wei be afraid.

Not to cause indelible panic in her young mind, Pan Haoyang never told Shen Weiyi that he used her to blackmail her parents.

In fact, Pan Haoyang’s psychology is indeed distressing for Shen Weiyi.

Like loving your own child.

Hearing Shen Weiyi begging him like this, Pan Haoyang’s letter suddenly softened: “Only, if uncle doesn’t call your mother, uncle is afraid that your mother will worry that you know your mother? Your mother is eight months pregnant now, she can’t have anything accident.”

Shen Weiyi pouted: “Oh, I know uncle.”

“However, uncle can make up for you in other places. Tell your uncle, what more do you want?” Pan Haoyang asked.

Shen Weiyi tilted his head, extremely innocent: “Uncle Haoyang, are you telling the truth?”

“Of course!”

“Hee hee, I want my dad!” Shen Weiyi laughed, utterly innocent.

Pan Haoyang: “...”

For such an instant, he wanted to crush this child!

He treats her so well, he buys everything for her, spends more time with her than her father, and she still misses her father!

hateful!

Abominable!

However, Shen Weiyi did not see the fleeting evil on Pan Haoyang’s face.

Instead, she leaned her small head against Pan Haoyang’s arms.

This made Pan Haoyang suddenly feel flattered, and his heart was instantly melted.

“Did you know fourth uncle, my dad is so annoying! I haven’t seen my dad for almost a month. When I wake up every morning, my dad is no longer at home. Every night before I fall asleep, I don’t see my dad. Saw my dad come back.”

“I really miss, miss, miss my dad, Uncle Haoyang, woo woo...” After speaking, the little girl actually cried.

Pan Haoyang was a little caught off guard.

He didn’t know how to coax Shen Weiyi, who was crying.

Shen Weiyi was lying in his uncle's arms: "Uncle Haoyang, you and my dad are twins, why are you so good, why is my dad so annoying! Woohoo, I hate my dad, hate it!"

## Chapter 1813

Pan Haoyang suddenly laughed.

He suddenly understood why she said she wanted to see her father when he said she wanted to be like a little girl just now.

That's because she hasn't seen her father for a long, long time.

She missed her father again and was angry.

She also hates her father.

Pan Haoyang was suddenly very happy.

Very good father.

As long as Shen Weiyi is willing to hate his father, then Pan Haoyang will be able to integrate into Weiyi's heart as soon as possible.

And now is the best chance.

The more her father treats her badly, the more he has to treat the only one better.

Besides, being good to the only one was originally the most important thing for him, Pan Haoyang.

"Don't cry, the only one, don't cry, okay baby, the fourth uncle and your father are twins, so the fourth uncle will make up for what your father is wrong, okay? Don't hate your father, okay? Dad can't accompany you, Fourth uncle came to accompany you for him, okay?"

Shen Weiyi suddenly burst into tears: "Fourth uncle, is what you said true!"

"Of course! The fourth uncle speaks with one word."

Shen Wei immediately said with a smile: "Then can I? Don't want my father! I want the fourth uncle!"

"Of course!" Pan Haoyang was extremely happy, he thought, she was finally done.

Out of joy, he continued to ask: "The only one, tell the fourth uncle, what do you want?"

Shen Weiyi thought for a while: "I don't have any toys at home, my stinky daddy doesn't accompany me very much, so he buys toys for me every day, but he never takes me out to play, even the small street in Nancheng. Lane, I know very little..."

Hearing this, Pan Haoyang couldn't help but ponder.

He is bound to take the only one away.

In the future, I will raise her as an adult, and I will never see Arron again.

Since he was going to take her away, he had to let her take another look at the city.

He will be the only guardian in the future, the only person who loves him the most, and the role of his father.

The daughter has unfulfilled wishes, and he naturally wants to satisfy her. He swears that he will be better than Arron to the only one and to Suzi.

He swears!

Pan Haoyang put his arms around Shen Weiyi and said distressedly from time to time, "Baby, uncle can satisfy you if your father can't do it. Uncle will take you to the amusement park tomorrow and take you all over the streets and alleys of Nancheng."

"Really, is it true Fourth Uncle?" Shen Weiyi was extremely surprised.

Pan Haoyang nodded: "Of course it's true! Fourth Uncle will never lie to you."

“Fourth uncle, you are so nice. You are a hundred times better than my father. Fourth uncle, I want to give you a thumbs up and a love thumbs up.” Shen Weiyi said.

Pan Haoyang didn't understand: “What is a love praise?”

“You... Hahaha, fourth uncle, you are so old, fourth uncle, squat down, squat down, you squat a little shorter.” Shen Weiyi demanded.

Pan Haoyang squatted down very short.

Shen Weiyi lightly kissed the fourth uncle's forehead, and said proudly, “This is love praise.”

For a time, Pan Haoyang's heart was melted.

He looked at the time: “Good, go to bed, children can't go to bed late, they won't grow taller if they go to bed late.”

“Good night Fourth Uncle.” Shen Weiyi said good night to Fourth Uncle, and then entered the children's room that Pan Haoyang temporarily prepared for her.

“Good night only baby.”

“Good night Fourth Uncle.” The moment the children's room was closed, Shen Weiyi turned off the lights in the room.

She quickly crawled onto the bed and shrank herself up, with big tears falling from her eyes. She hugged her knees with her hands, and said in a soft voice that only she could hear: “Mom and Dad, don't worry. Me! The only way to escape.”

“Mom and Dad, I'm brave, I miss you, woo woo...” Shen Weiyi's tiny voice cried in the children's room.

## Chapter 1814

In the middle of the night, Shen Weiyi's small figure huddled under the covers, sobbing in disbelief.

Constantly shrinking.

She was scared.

Extremely frightened.

But she also felt that she was very brave, and she successfully deceived the fourth uncle.

For a few more seconds, how pitiful does she think the fourth uncle?

However, the six-year-old Shen Wei couldn't take care of that much anymore. She must escape from the palm of her fourth uncle as quickly as possible.

must escape.

No, she couldn't let the fourth uncle see his red eyes when he woke up crying the next day.

Can't be crying!

Shen only, don't cry! Don't be so cowardly, you have to be brave!

Your mother is about to give birth, you still have to take care of her 1

Brave!

Shen Weiwei wiped away a tear and forced himself not to cry.

She finally stopped crying.

With her bare feet, she tiptoed to the bathroom and washed her eyes and face with ice-cold water.

Then go back to the bedroom and sleep.

Be sure to sleep well.

After a while, the little girl fell asleep.

She had a lot of dreams this time. She dreamed that her mother really gave birth to a younger brother.

She dreamed that she took good care of her mother.

She was very young and was a little expert in taking care of her mother.

Shen Wei woke up with a smile.

When he opened his eyes, he saw the fourth uncle standing in front of the bed.

The fourth uncle held an incomparably beautiful little white dress in his hand and swayed in front of her.

“Finally, baby?” the fourth uncle said gently.

Shen Weiyi tilted his head: “Fourth uncle, why did you come in?”

Pan Haoyang said: “Today our schedule is very tight, so the fourth uncle wants to urge you to get up early, but when you come to your bed and see that you are still sleeping, the fourth uncle is reluctant to call you again, so he simply prepares the clothes for you today. Clothes, as soon as the fourth uncle put the clothes in, he saw that he was smiling so sweetly in his dreams, and said to the fourth uncle, what did you dream about?”

Shen Weiyi blinked his round eyes, and said with an air of air: “Humph! I just want to make my father mad!”

Pan Haoyang: “Pfft...”

After a pause, he said, "He's your father, you can't be mad at him, we just ignore him in the future, anyway, the fourth uncle loves you! Ignore him!"

Shen Weiyi: "Well! Ignore Arron in the future!"

"Get up and choose your clothes. After choosing your clothes, Fourth Uncle will show you around the streets and alleys of Nancheng today." The next thing he wanted to say was that maybe you will never set foot on this land again before you grow up. Therefore, Fourth Uncle will try to take you to a few more places today.

Pan Haoyang didn't say anything.

He just turned around and kicked the only one to pick clothes.

He is very serious and has a good eye, and the clothes he chooses for the only match very well with Shen's skin and temperament. If you don't know the outsider, you will really think that this is the two women.

Because there are musically similar facial features.

Because he is too much like a father.

When Weiyi changed his clothes, Pan Haoyang asked the driver to drive Shen Weiyi around the streets and alleys of Nancheng.

Take the only one to the major amusement parks in Nancheng.

Shen Weiyi was excited and kept screaming.

"Fourth Uncle, Fourth Uncle, I love you like Lao Shu loves rice." Shen Weiyi shouted.

Pan Haoyang sat in the car with the only joy in his heart.

That is a kind of happiness.

Pan Haoyang could feel it, it was very close.

## Chapter 1815

It's very close, and he can be reunited with Suzi, the only one, and the child in Suzi's belly.

They live an idyllic life, unfettered.

how good?

In a trance, Pan Haoyang's cell phone rang.

Pick it up and connect: "Hello?"

"Fourth Master, we have already investigated and poked. The entire Nancheng is not guarded by Arron's manpower, and the shipping line is also unobstructed. We can completely return to the island."

After a pause, the man said again: "It's just the fourth master..."

"If you have something to say, please say it directly?" Pan Haoyang asked.

"Fourth Master, do you really want to hand over your island to Tuyong?"

Pan Haoyang was silent for a moment: "I don't care about islands and money. When I made a deal with Tuyong, I just said yes, I can't say anything. That's all."

"But..." The other party hesitated.

Pan Haoyang immediately said: "I know, you all follow me to work hard, you 30 people can rest assured, I have deposited 5 million in each of your accounts, I don't have more, and I will take 5 million. Choose a place to do a small business, I'm sorry for being the big brother."

"I... I always feel that fighting and killing is not suitable for this era, and I am not weak and secure as a daughter-in-law of the pottery workshop. I have a small business and will have two or three children in the future."

Pan Haoyang's tone was extremely sincere.

The other party's throat was choked up: "Fourth Master, you are the best for us. We don't want anything. We would rather follow you all our lives. I will protect you. What if you don't have money, brothers earn it together."

Pan Haoyang was also very emotional: "Good brother! I understand, I know it all! But we can't all wander like this. I have decided to introduce our gang, and each person will be divided into five million."

"Fourth Master!"

"I've made up my mind, don't persuade me again, but if any of you are in trouble in the future, you can still come to me, do you hear?" Pan Haoyang said.

"Fourth Master, obey!" the man said reluctantly.

"good."

After closing the line, Pan Haoyang subconsciously looked back at Shen Weiyi.

Seeing that Shen Weiyi didn't speak, he asked, "What's the matter, baby?"

"Fourth uncle, who do you want to dismiss?" Shen Weiyi asked.

"Well, the fourth uncle thinks...every person like the fourth uncle should have a home, a wife who knows how to be hot and cold, and a lot of children, just live a small life, can't Fighting and killing again." Pan Haoyang did not hide Shen Weiyi.

Shen Weiyi immediately put his head on the fourth uncle's arm: "fourth uncle, you are so kind! You are the best fourth uncle I have ever met. When I go back to kindergarten, I will tell my friends, I am Shen. The only one now has a fourth uncle!"

"My fourth uncle is very handsome, very handsome, even more handsome than my father!"

"My fourth uncle hurts me more than my father!"

"My fourth uncle is obedient to me!"

“Excuse me, do you have a fourth uncle like me? Surely not! Hee hee hee!”

Pan Haoyang: “...”

More and more smiles appeared on his face.

I never imagined that dealing with children would be so much fun.

He loves Shen Wei more and more.

At this moment, Shen Weiyi suddenly shouted: “Stop! Stop! Stop! I saw that delicious marshmallow, the oldest kind of marshmallow, I want to eat, I want to eat! Fourth uncle, you Take me to buy it and I’ll get one myself!”

Shen Weiyi shouted, and Pan Haoyang called someone to stop.

He took Shen Weiyi to the ancient craftsman, and Shen Weiwei pretended to be wearing a cotton candy trick.

“I want this! This! I want this too! I want a new one!” Shen Weiyi shouted excitedly.

These marshmallows have very bright and tender colors, and all children like them when they see them.

Pan Haoyang was dazzled by Shen’s unique advice, and he couldn’t help but say to the proprietress, “Everything the child wants, pick it up!”

“Okay sir, a total of eighty-six yuan.” The proprietress said after a bit of calculation.

Pan Haoyang took out the money, paid, and waited for the other party to find the money.

After paying the money and taking the kinds of marshmallows that Shen Weiyi wanted, Pan Haoyang turned around and found that Shen Weiyi was gone.

The only one?

Pan Haoyang immediately shouted: “The only! The only...”

### Chapter 1816

Pan Haoyang turned around, where is Shen Weiyi’s figure?

He was completely stunned at the moment.

The marshmallows in his hands fell to the ground.

“Sir, sir? You haven’t given the money yet,” cried the Marshmallow proprietress.

“Get out!” Pan Haoyang raised his foot and kicked the Boss’s body fiercely. The Boss’s wife was kicked and flew far, far away. When she fell to the ground, she vomited blood.

She was stunned to see this well-dressed and even handsome and educated man in front of her.

Unbelievable that he turned out to be a devil.

The proprietress has only seen a movie and television drama involving blackness a long time ago, and there is a line in it: “Is this melon cooked?”

Just one sentence, the melon buyer asks the melon seller if this melon treasure is ripe enough, is it enough?

Sellers of melons flick their noses and eyes to fool buyers of melons.

As a result, the melon buyers put the white knives into the red knives of the melon sellers.

That shot is more or less inauthentic.

But she's a cotton candy seller, she doesn't cheat people, she's a small business, an honest person, why can she suffer such a misfortune in vain?

The marshmallow seller was suffocated and scared.

I was thinking of a way to call the police, but I saw the young man who bought the cotton candy panicked, and his tone changed: "The only, the only, where have you been baby, don't scare the fourth uncle, come out quickly!"

"You don't want to go with the fourth uncle, do you?"

"Then tell the fourth uncle the truth!"

"Fourth uncle would rather not take you away, nor put you in danger, the only one..."

After speaking, the man's voice was choked up.

Marshmallow seller: "..."

She didn't call the police again.

She considered herself unlucky.

A man who has lost his child, who hasn't lost his temper?

The man goes further and further.

More and more anxious.

But what about the child?

No one saw where the child had gone for a few minutes.

At this moment, Shen Weiyi was hiding behind a pigeon cage.

The row of pigeon cages stinks, but she can hold it back.

She bit her lip hard to keep herself from crying.

She knew that whenever she moved a little, she would definitely be found out by Pan Haoyang.

If Pan Haoyang finds out, she will never see her parents again.

Shen Weiyi should not be separated from his parents.

do not want!

Big big tears dripped from Shen Yi's eyes.

She looked at the doves who symbolized peace, and the doves did not understand the situation of a six-year-old.

The six-year-old child's round, big eyes flashed with boundless helplessness and fear.

Shen Weiwei kept telling himself: "The only one you have to be brave! You have to be as brave and strong as your mother, the only one you can't be soft-hearted in the future, you want to be as cruel as your father!"

"Shen Weiyi was too soft-hearted this time, so he let grandpa deceive you."

I will never trust my grandpa again!

Don't believe it anymore!

woohoo woo...

No one noticed that behind the pigeon cage in this small crack in the wall was a silent crying child.

Pan Haoyang could not be found.

Suzi and Arron didn't even know.

Shen's only child's defensiveness is still extremely strong.

She knew that the streets might be full of people from the fourth uncle looking for her.

She also knew that even if the fourth uncle's people stopped looking for her, she would not borrow the phone to call her parents on the way.

Because she doesn't believe anyone.

By cheating on her grandpa this time, the six-year-old doesn't trust anyone anymore.

## Chapter 1817

Maybe after borrowing a phone call, parents can pick her up as soon as possible, but in this short time, the bad guy may inform the fourth uncle.

Shen Weiyi couldn't take this risk.

The only thing she could do was just believe in herself.

She is a child who knows the way very well, she is very smart. The reason why she let the fourth uncle stop here to buy marshmallows is not because the marshmallows are delicious, but because she knows the road.

Because recently, Uncle Christopher often drove her to the hospital after picking her up from kindergarten.

This is the way from kindergarten to hospital. Along this road, with her memory, she was able to walk back to her own kindergarten.

Then, after leaving the kindergarten, she was able to walk back to her own home based on memory.

The six-year-old was going to walk back in the stupidest and safest way possible.

Along the way, she was afraid that someone would ask her, "Children, where are your parents?" She was afraid that others would ask her

like this, so sometimes she would run a few times in a hurry and say, "Mom and Dad, wait for me. "

However, Shen Weiyi has come a long way, and she still hasn't reached her own school.

She is tired.

Tired and sleepy.

Also very hungry.

When she saw a public toilet, Shen Weiyi hid in the toilet and didn't dare to sleep for a long time. She forced herself to sleep for a while, then she slept for a while, and then continued to walk again after a break.

In this way, until half afternoon, she could not go to her kindergarten.

But Shen Weiwei knew that she was getting closer and closer to her kindergarten.

The hope in my heart is growing.

Shen Weiyi didn't know that at this moment, if she could call her parents, they would not make the next decision.

How does a six-year-old child let her know the insidiousness between adults?

A deal between adults?

She had used all the wit of a knife that a six-year-old could wield.

The wise Shen Weiyi didn't know that at this moment, father and mother were making their final farewell.

An hour ago, Suzi and Arron had called Pan Haoyang many times, but no matter how much they called Pan Haoyang, they would not answer.

Colleagues Suzi and Arron, who have always been extremely strong in their hearts, collapsed.

Until the last call, Pan Haoyang finally answered.

Before waiting for Pan Haoyang to say anything, Suzi couldn't hold it any longer: "Pan Haoyang! Don't... don't torture me, I... what you say now is what you say! I... .... the only one? My only one is good, right? You let me listen to the only voice, I will listen to it."

Pan Haoyang sneered: "Xiangxiang! I've let you listen to the only voice countless times! I've uploaded it now! It's inconvenient, I'm just waiting for you!"

"I'm going! I'm going! I'm going!"

"Farewell to that scumbag?" Pan Haoyang asked again.

Suzi nodded: "Farewell."

"The scumbag doesn't deserve you at all! You don't need to be sad! You and the scumbag have only been together for less than two years, and you were separated for six years. You can live well without being the same? Suzi, you Don't worry, you follow me, I will not let you suffer any grievances, I will make you mother and daughter happy, and the child in your belly, trust me Suzi."

Pan Haoyang on the other end of the phone was extremely sad.

Very sad.

He couldn't find the only one.

How much did he think, how much thought, how much thought to take away the only one?

But he couldn't find the only one.

He couldn't find it any more.

He was afraid that it would be too late.

Even Pan Haoyang was ready to break the net with Arron. As a result, a few hours later, Arron did not attack him.

That can only illustrate one problem.

The only thing is to escape.

But the only one didn't call his parents, Suzi and Arron didn't know that the only one had run away.

Pan Haoyang made a final decision on the spot: take Suzi away.

And the only one, can only reluctantly keep her by Arron's side.

The only run made Pan Haoyang grit his teeth angrily, but he didn't hate Shen Weiyi.

He hates Arron.

He just wants to make Arron suffer for a lifetime!

lifetime!

"I believe in you, I believe in you, I'll go right away! I'll go now!" Suzi said in a continuous voice.

"Okay, I'll wait for you!" Pan Haoyang hung up the phone.

### Chapter 1818

After closing the line, Suzi looked at Arron calmly: "Shaoqin, take care of yourself, okay?"

Arron frowned, and there were some white hairs on his temples.

“Trust me Shaoqin, I will be fine, I will bring the only one back to you safely, and the child in my womb. The three of us are all fine, trust me, the six years I spent in exile are the best proof, I will never let myself die.”

“We must not let our children have any mistakes.”

“I’m an incredibly strong mother.”

Arron hugged Suzi in his arms, and he hugged her so tightly.

He has never felt more depressed than this moment.

Frustrated, he wanted to overturn an entire city.

But, his daughter is in the other’s hands.

He can’t do anything.

Even if Pan Haoyang was in front of him now, let Arron kneel down and learn to bark like a dog.

He will do the same.

Just like eight years ago, when his mother was in prison, he was restrained by several older brothers. At that time, he was dormant as he is now.

But, my wife is eight months pregnant.

Eight months!

“Promise me.” The man said sternly: “Promise me that I must live well, protect our children, and please believe me that I will find a way to save you as quickly as possible.”

“Suzi, you know, if...if Pan Haoyang is holding anyone hostage, I won’t let you risk your life, but the only one is our child, our daughter.”

“Even if Pan Haoyang wants all the assets of our Fu Group, I won’t exchange it with you.”

“But she’s the only one, she’s only six years old...”

“I know, don’t talk about Shaoqin, I know.”

“At this time, we must work together, we must tacit understanding, no one can help us, no amount of bodyguards will help, no one! Only the two of us must be highly concentrated and work together, we will reach the highest tacit understanding, Our family of three, no! Our family of four will surely be safe members.”

“And mom!”

At this time, Suzi mentioned Xia Shumin: “Mom is in the spirit of the sky and you will definitely bless us, Shaoqin, think about it, we have gone through so many hardships since we met, but we have all come here!”

“It’s all here!”

“Pan Haoyang is not a devil, he is another child of his mother.”

“I will definitely find a way to deal with him, and I will bring our child back safely.”

“Shaoqin, I think...” Suzi didn’t say any more, she raised her head and looked at Arron with hopeful eyes.

Arron said immediately: “What do you want to say, you say, even if I go through fire and water, I will do it for you.”

“I think, the last time I had a baby, you weren’t by my side, this time I...I think this time you can be by my side, I...I really want to .”

“Do you know Shaoqin, I envy Sister Shan very much.”

“Sister Shan has gone through a lot of hardships, but no matter how many hardships, when she gave birth, Jun Jingyu rushed to her side in time. How wonderful.” Suzi’s voice was very soft.

very light.

Lightly as if whispering.

But Arron could hear it very clearly.

Every word was heard in my heart.

He knew that she had a lot to say.

What she really wanted to say was: “Why does God treat her like this? She is more than a month away from giving birth, yet she is going to be separated from her husband?”

Can she really come back?

Could she really let her husband watch her give birth?

Or, she and the only one, and the child in her belly, will never come back?

She didn't say it.

Arron also had nothing.

He hugged his wife, weeping to each other.

## Chapter 1819

An all-powerful man, a king of the southern city. At this moment, a man's tears were shed.

Suzi suddenly broke free from Arron's embrace.

Take the bag, turn around and leave.

Arron: “Suzi...”

Downstairs, the driver was waiting for Suzi. She got into the car and said nothing. The driver knew where to take her.

Arron looked out the window, but he didn't say anything.

But he said over and over again in his heart: “Trust me, Suzi, I will rescue you as quickly as possible, you have to see our daughter as

soon as possible, as long as you are with her, my heart will be filled with joy. Calm down. I'll start to rescue you right away."

"I will do everything in the Fu Group and save you and the only one."

Suzi left.

Arron sat on the ground alone.

like dead.

After an unknown time, Christopher came.

He called softly, "Fourth Master, Madam has already been sent to the boat."

Arron asked in a hoarse voice, "Have you seen the only one?"

Christopher shook his head: "There is no fourth master. But I think that Pan Haoyang likes the little princess so much, and he will definitely not treat the little princess. What he wants most in his life is to live with Suzi and the little princess, and Mrs. I'm eight months pregnant now, and Pan Haoyang will definitely not be close to my wife before my wife is born. I think this is the safest time for my wife and the little princess during this month or so."

"So..." Before Christopher could finish speaking, he was interrupted by Arron.

"In this month's time, I will definitely find a way to save Suzi and Wei Wei! Even if all the assets of the Fu Group are exhausted, go, go to control now, and you can't delay for a moment!"

"Fourth Master..." Christopher shouted again.

"What's the matter?" Arron's tone was still hoarse, not the slightest bit angry.

"Old man, the driver beside the old chairman wants... to see you, saying that the old chairman is ill and is in the hospital..." Christopher said.

Arron asked, "Where are the people?"

“Below.” Christopher said cautiously.

“Destroyed!” Arron only had two words.

Christopher: “...”

“Went out!”

Christopher immediately said: “Yes! Fourth Master!” He must speak, and go down.

Two hours later, when Christopher came back, he said to Arron calmly, “Master, it’s done.”

Arron was expressionless.

At this moment, Arron’s cell phone rang, and he immediately connected: “Pan Haoyang...”

What came from the other end was Fu Zhengxiong’s voice. Fu Zhengxiong’s voice was extremely old: “Shaoqin, my son, Dad, I’m sorry for you...”

“Your driver has been killed by me.” Arron said lightly.

Fu Zhengxiong: “...”

“From now on, as long as there is one person from the Fu family’s old house, I will kill everyone, including you, Fu Zhengxiong! I, Arron, are not afraid of taking on the name of murdering my father. You can push my daughter into doom, why should I? Can’t kill my father?” Arron asked coldly.

Fu Zhengxiong: “Dad... Dad is very sorry, Dad is really sorry, Dad is sorry for you... You should kill Dad.”

“Sooner or later!” Arron said.

Fu Zhengxiong: “...”

Here, when Arron was about to hang up the phone, there was a knock at the door.

who?

Who else could it be?

Arron said to Christopher, "If you come, you will kill!"

Christopher immediately went to open the door, and when he was about to open the door, Christopher was suddenly stunned, and then he was so excited that he couldn't even speak.

Immediately afterwards, a dirty, stinky little thing ran towards Arron while crying: "Dad, dad, woohoo, dad, I'm back, where's my mom? Tell my mom that I'm back. "

Arron: "..."

### Chapter 1820

"Dad, am I brave?" Shen Weiyi threw himself into Arron's arms and rubbed Arron all over his body.

"Dad, although I stink, I have pigeon feces on my body, I still slept in the bathroom and got cake, I'm hungry, but I'm brave, I didn't ask for help along the way, because I know that there are Lots of liars."

Having said that, the dirty little stinky tone dimmed a bit: "Even my grandfather lied to me. My grandfather said that he is your father, and his relationship with you is just like the relationship between you and

me. It's the same, Dad...the only one who will never trust my grandfather again."

"Dad, the only one is back, I remember Lu's father."

"I could have come back earlier, because the place where I escaped, I only know how to get back to the kindergarten. I found my kindergarten first, and then I found my home from the kindergarten."

"Dad, what's wrong with you?"

"What's wrong with you, are you stupid, Dad? Dad, don't scare the only one..." Shen Weiyi cried.

She held her father's face.

Her little hand slapped Dad's cheek all the time.

Dad still didn't move.

Shen Weiyi looked back at Christopher again.

Christopher was also stunned there, motionless.

Suzi turned to look at Sister Li and Sister Tian who were sitting in the restaurant. They were also like wooden people, staring at her Shen Weiyi in a daze.

"Dad..." Shen Weiyi suddenly shouted, which awakened Arron.

The mobile phone in Arron's hand fell.

This is the second time in the past few days that he shattered the screen of his mobile phone.

"Shaoqin! Shaoqin!" On the other end of the phone, Fu Zhengxiong was shouting desperately, "Shaoqin, is the only one back? Is the only one back? Tell me if the only one is back!"

"Shaoqin!"

Arron didn't hear it.

He only held his own daughter's face in turn: "The only one, it's you! Are you back? Isn't Dad dreaming?"

Shen Weiyi nodded: "Dad, my foot hurts so much, I'll call for a bath."

"Let Dad pinch your little cheek, does it hurt?" After speaking, Arron tugged at Shen's only little cheek.

"Ow, it hurts... Dad, I hurt so much!" Shen Weiyi screamed.

Arron smiled: "It's true, Dad is not dreaming."

"No, I can't pinch you, I have to pinch myself to be sure if you're really back." With a word, Arron raised his hand and bit into his mouth fiercely.

"Ow!" he screamed suddenly in pain.

When he pulled his hand away again, his thumb was bitten and bloodshot.

However, Arron didn't care about this injury at all.

He suddenly picked up his daughter and kept spinning in circles in the living room: "Ow, my daughter is back! My daughter is back! My daughter..."

"My only one..."

After turning around, he ran to the balcony alone and shouted, "My daughter is back... woo woo woo."

The sturdy man in his thirties was like the sky whimpering at this moment.

desolate

sad

He suddenly turned his head to look at the only one, tears streaming down his face.

Behind him, Christopher was also crying.

Yes!

The only one is back, how happy is it?

As long as the only one can come back, Arron doesn't feel bad about letting the Fu Group go bankrupt.

But, Suzi left.

Shen Wei's mother, Suzi, has already boarded the boat in order to save Shen Wei.

Behind them, Sister Li and Sister Tian also burst into tears.

Sister-in-law Li said with tears in her eyes, "What kind of world is this! Why doesn't God keep his eyes open, why does he torture such a good lady like this? God! You're not fair!"

Seeing that everyone in the family was crying, Suzi suddenly had a bad feeling.

She didn't ask.

She ran quickly to her parents' bedroom like a bunny, but she didn't see her mother.

Shen Wei was still not giving up.

She went to the bathroom again.

There is no restroom either.

She went to her mother's cloakroom again, still nothing.

Turning around, Shen Weiyi went to his children's room, toy room, father's study, and the terrace on the top floor.

No mother at all.

What about mom!

She came to her father and looked at him in fear.

## Chapter 1821

Her voice was trembling: "Dad, I... Where's my mother?"

Arron stared blankly at his biological daughter.

How could God be so cruel to him?

Are you punishing him?

Punish him so ruthlessly that even his half-brother doesn't show mercy?

Punish him for not taking good care of his mother?

Punish him for not being filial to his father and grandparents?

But, every piece of it, which one is blaming him?

In the past, if he didn't put his brothers to death, then he, Arron, would be the one who killed them first. He, Arron, just fought back.

Fight back!

what about mom?

He has done his best to take care of his mother, at least Suzi loves his mother so much, but what will happen to Suzi?

Eight months pregnant, was taken hostage!

Does God have to provoke him, Arron, and let him kill him!

At this moment, Arron's face was hideous.

There was a momentary thought that he wanted the entire Fu family's old house to be wiped out!

What a father, what an aunt!

What grandparents!

If it weren't for the Fu family's old house that has stood for a hundred years, where would there be such grievances and grievances!

First of all, my mother must be living a very good life. Maybe she is an architect designated abroad, and the person she married is also learned!

And he and Pan Haoyang, the love-hate brothers, would not be born!

Then, all the grudges will be gone!

It's all old houses!

All the original sins are the old house!

Arron's hands were as stiff as steel.

Just then, his cell phone rang.

Picking it up and looking at it, it turned out to be Suzi's cell phone number. Her number hasn't been thrown away yet, and she hasn't turned off the phone yet?

Arron didn't even think about it, and immediately connected: "Hello, is it... Suzi?"

At the other end, Suzi cried and cried.

She was speechless at all.

She no longer intends to live.

She negotiated with Arron, and resolutely came to Pan Haoyang's ship, but Suzi was not on board.

At that moment, Suzi was about to go crazy.

She really broke down.

Suzi, who has always been strong and tenacious, sat on the deck with a big belly and wept.

Pan Haoyang came to persuade her, and she scratched Pan Haoyang's face with blood troughs everywhere.

"I'm sorry Suzi, I'm sorry! I'm also very sad when I lose the only one! Trust me, I feel no less heartache for the only one than you. I love her very much, and I treat her as my own child." Pan Haoyang was extremely heartbroken. Speaking of.

"Go to hell! Why didn't you crash to death! Why didn't you drown, you're too dead!"

"Dead pervert, dead pervert! You're a maggot!"

"Ten thousand, a million you can't compare to my husband!"

"Maggots! Go to hell! I'm sick of seeing you! You bloody maggot!"

Suzi scolded the most disgusting words, and Pan Haoyang, who was scolding, looked at her with sad eyes: "Suzi, in your eyes, I am so unbearable? I am the man who saved you twice, after all. I'm a maggot in my eyes?"

"You go to hell! You go to die! You kill me! Kill me now!" Suzi madly ran towards the railing with his stomach stretched out.

She really has no face to live.

She promised Arron very well that she would bring the only one back.

But what about the only one?

The only thing missing.

The only thing is all of her Suzi, the only life and death is unknown, she can't live at all.

"Let me die..."

Pan Haoyang hugged Suzi: "Suzi! What if the only one didn't die? You make a phone call at home, maybe the only one has returned home?"

Suzi sneered: "Why are you farting, you maggot? The only one is only six years old!"

Having said that, Suzi still called Arron, and she said in tears:  
“Shaoqin, I’m sorry for you, she is the only one...”

“Our daughter is back, Suzi.” Arron whimpered desolately.
