

Wonder Doctor Chapter 1877

“Bai Chang is nothing, don’t use him to pressure me!”

Su Sa was furious at his words, if not for the fact that everyone was a fellow disciple, she was afraid that she would have struck out long ago.

Intentionally interrupting someone while they were meditating, I’m afraid that this was something that no cultivator could tolerate.

“Humph! Cut the crap, I’m not here for you!”

Seeing that Su Sa was very angry, Ah Kuan was not paying her any attention, although this Su Sa was a woman, her strength was not something he could fight against after all.

Rather than annoying her later, it would be better to just ignore it.

“Sect Master this”

In the mid-air void, the crowd couldn’t help but be angry when they saw this scene.

Especially Leng Chen, Lin Ran was brought into the Sword Immortal Sect by Leng Chen.

Originally, Lin Ran was likely to get that inheritance straight away, but now he was actually interrupted by a fellow disciple.

If this had been done in normal times, he would have expelled that Ah Kuan from the sect.

But now, with Tianxuanzi beside him, he didn’t dare to say anything more and was all waiting for Tianxuanzi to speak.

“No harm done!”

Tianxuanzi quickly spoke up.

“There are many geniuses, but those who make it to the end are very few, this kid, although I don’t know what his relationship with her is, may have drawn the sword marks to resonate, and even I see that he has already received part of the inheritance!”

“That means he has a destiny with this three-character sword tablet, this kind of person should not be elevated too much, that will only ruin him!”

“Let’s pretend that this matter never happened, just watch for now!”

Seeing that Tianxuanzi had said so, the crowd naturally did not dare to have any opinions.

They all knew Tianxuanzi’s character, this person was cold on the outside but hot on the inside, even to his own disciples.

Although Lin Ran was highly gifted and several of their elders looked very fond of him, Tianxuanzi was also intentionally trying to test Lin Ran.

If he couldn’t bear to be interrupted in front of a great opportunity, then his heart would have to be another story.

As the saying goes, the road to success is never smooth, and although it seemed a pity that Ah Kuan had interrupted Lin Ran's meditation.

But who could say that it was not an ordeal for Lin Ran?

Tianxuanzi and a kind of elder remained hidden in the void, just quietly looking down.

And at that moment, Lin Ran had opened his eyes, and he slowly stood up, his divine sense no longer as uncomfortable as it had been at first.

He saw that a youth whose legs were not very nimble was standing not far in front of him, looking at him with a disdainful expression.

Next to him was a silhouette in white, so I think she was the one who had just spoken up to voice his displeasure.

"Thank you, Miss Su Sa, I'll handle this matter myself!"

Su Sa didn't say anything, she just nodded her head.

Lin Ran then looked at Ah Kuan at the side, and his face instantly went icy cold.

"You're looking for me?"

"Yes! You are the deceased?"

Ah Kuan had a disdainful face, although he had just disturbed this brat's cultivation, he didn't care at all, he had already seen that this brat was only at the Heavenly Mansion realm.

And he himself was at the Enlightenment Realm, where would he look at the other party.

"I am, you better tell me what you came to me for, if you can't convince me, I'll make you pay the price!"

Lin Ran's eyes were icy cold and his voice carried an equal amount of anger.

A man of clay still smelt like dirt, not to mention the fact that he had just been in the middle of cultivation and had been directly disturbed by this guy, his injury was secondary, but he hadn't finished receiving that sword technique inheritance yet!

At this moment, if we were to say who was most angry in his heart, it would undoubtedly be him.

"The price? Are you a fool? This is the Sword Immortal Sect, and you're talking to me like that?"

Ah Kuan said with a disdainful face, in order to find Lin Ran, he had worked a lot to find him, and now that he had finally seen him he would naturally not give Lin Ran any good looks.

"You'd better answer my question!"

Seeing that Abduction did not answer his question positively, Lin Ran instantly walked towards him.

Abduction couldn't help but laugh at this.

“What? I interrupted your cultivation just now and you’re upset? Want to make a move, huh? Kid, think about it, I’m in the Realm of Enlightenment! Impulsiveness is fine, but brainless impulsiveness is not a good thing for a newcomer like you!”

“Have you finished?”

Lin Ran had reached him close by now, stopping to look at him with an icy gaze.

“I’ll give you one last chance to answer my question!”

“Huh! What the fuck do you think you are, I just won’t tell you, what can you do to me?”

Ah Kuan looked like a dead pig not afraid of boiling water.

Lin Ran’s eyes completely frosted over at this, and his voice was icy cold as he said.

“The Sword Immortal Sect seems to have a rule that you can’t kill each other, but if I don’t kill you, because it doesn’t count against the sect’s rules, right!”

“Don’t kill me? Kid, do you really think you’re some kind of fucking figure, a little Heavenly Mansion realm believe it or not, I can slap you to death with one slap!”

Ah Kuan was full of disdain.

Seeing this, Lin Ran didn’t bother to say anything more, so he raised his hand and slapped Ah Chuan in the face.

“What the fuck are you doing to me!”

Seeing this, Ah Chuan raised his hand and met him.

However, their palms did not collide at all, as Lin Ran’s palm seemed to be illusory and passed right through Ah Chuan’s arm.

The next moment, there was a “pop” sound, and immediately, Ah Kuan’s whole body flew backwards.

He then hit the ground with a heavy thud.

This scene made Su Sa from afar frown slightly.

“This kid’s strength!”

Lin Ran was at the Heavenly Mansion realm, but he had slapped the Daoist Enlightenment realm’s Ah Kuan out of the way with a single slap, which she really didn’t expect.

It wasn’t just her, even Tian Xuanzi and the others who were in mid-air at the moment were looking dumbfounded.

“I have long said that this son’s strength is extraordinary, and I am afraid that in the entire Sword Immortal Sect, only Su Rou and Bai Chang can suppress him!”

“And it’s only now, when he’s cultivated in the Sword Immortal Sect for a few years, I’m afraid that there won’t be anyone in the entire Sword Immortal Sect who is his opponent!”

Leng Chen spoke up, and the crowd didn't say anything when they heard that, obviously acquiescing to that as well.

Tian Xuan Zi had heard Leng Chen speak about Lin Ran and the Tian Kui Sect's Bai Qu before, and at this moment, seeing Lin Ran directly slap Ah Kui away, he couldn't help but nod his head.

"You're fucking looking for death!"

When he was slapped away by Lin Ran, Ah Kuan became furious and lunged towards Lin Ran with an arrow step, while his entire body's aura of the Enlightened Dao Realm radiated out and swept towards Lin Ran.

However, Lin Ran stood still, not even a hint of true qi appeared on his body.

He just stood quietly in place, as if the matter had nothing to do with him in the slightest.

"Bang!"

Suddenly, the very moment that Ah Kuan approached him, Lin Ran directly raised his arm and instantly actually passed through Ah Kuan's sweeping breath.

It then firmly grabbed Abduction's neck and lifted his entire body up.

"Say! Who sent you here, and what is the purpose of your visit!"

Lin Ran's voice was icy cold as he looked at Abduction and questioned in a cold voice.

"You You"

Abduction was also confused at this point, he was at the Realm of Enlightenment, while this kid in front of him was clearly at the Realm of Heavenly Mansions, but he was actually not the right person to speak to.
