

Wonder Doctor Chapter 1878

By this time Abductor was also a bit flustered and spoke up.

"I'm one of Brother Knife's men, and it's Brother Chang's idea to come to you, so if you know what's good for you, you'd better let go of me!"

"Brother Knife? Brother Chang? Sorry, I don't know any of them!"

Lin Ran said in a cold voice, and then he threw out a handful of hands and directly threw Ah Chuan out towards the distance again.

"You!"

Before he could finish his sentence, he hit the ground again with a bang, and this time he slashed far away before he was able to stabilize himself.

"Bastard! I'm one of Brother Dagger's men, how dare you hit me!"

Standing at a distance, Ah Kuan angrily rebuked, only this time he wasn't using his own strength to taunt Lin Ran.

Instead, he was using the so-called Brother Knife to pressure Lin Ran, as if he was tacitly acknowledging that Lin Ran was stronger than him.

"What? Now you don't say you're at the Realm of Enlightenment? You're starting to say something about Brother Sword? Where's your Brother Sword?"

Lin Ran looked at Ah Kuan indifferently, his voice bland.

"You! How dare you look down on Brother Dagger, you wait for me!"

Abduction said angrily, still following and turning around to actually do it.

"Stop right there! Did I tell you to leave?"

Lin Ran suddenly spoke.

"Hm?"

Abduction smiled and busily turned around to look at Lin Ran, his face cold.

"What do you mean!"

"What do you mean? What do you mean!"

Lin Ran said in a voice, while slowly walking towards Abduction again, saying as he did so.

"I was cultivating just now, do you not understand or are you pretending not to know, spoiling my cultivation, and now you're talking about leaving, don't you think it's too easy to end things!"

"Then what do you want!"

Ah Kuan looked at Lin Ran and said in an icy voice, while unconsciously taking two steps back.

The youth in front of him looked like he was only at the Heavenly Mansion realm, but the pressure he was under at the moment was immense.

“Don’t want what, pregnant with my chance, then you’ll have to pay some price too!”

Lin Ran said as he violently raised his hand and directly grabbed Ah Chuan’s arm, and the next moment, he only heard a “click” sound, followed by Ah Chuan’s entire arm directly dislocating.

“You!”

Ah Chuan’s face instantly changed, but Lin Ran didn’t stop, and then he pointed a finger at Ah Chuan’s arm.

A surge of true qi immediately gushed out and directly rushed into Ah Quang’s body.

“You!”

Abduction was instantly shocked, and he could clearly feel the surge of Qi quickly coiling around his dislocated joint for a long time.

Dislocation wasn’t a problem at all for cultivators, but this surge of true qi Lin Ran sent in was making it impossible for him to even try to put it back together on his own.

“The true qi will dissipate on its own in a month, come bother me in the meantime and I don’t mind just blowing your arm off!”

Lin Ran looked at Ah Kuan indifferently for a moment, and then added.

“Also go back and tell your what’s-his-name Brother Blade Brother Chang, if you want to trouble me come over directly yourself, by whatever cats and dogs are coming, I don’t have time to accompany them here just to teach the dogs a lesson!”

“You!”

A abduction smells angry, but he can still say what, fight and is not Lin Ran’s opponent.

“Fine! Good, I’ll remember! The old man, right, you wait for me, I will tell Brother Knife these words as they are, when Brother Knife comes to you, I hope you will still be so arrogant!”

Abduction said angrily, and then turned around and left, except that when he came he only had one leg that was not sharp, and this time when he went back he even had one arm that was not sharp.

After seeing Ah Kuan go away, Lin Ran then turned his head to look at Su Sa at the side and spoke.

“Thanks a lot just now!”

“It’s alright, I should do it, but you just now you”

Su Sa was just about to open her mouth to ask Lin Ran if she had just received the inheritance, but before she could finish her sentence, she was interrupted by Lin Ran.

“Girl, there are some things that you should not open your mouth!”

After saying that, Lin Ran went straight back to the futon only, his inheritance hadn't been fully received yet and he wanted to try again to see if he could get that Lancang Sword Technique completely!

"You!"

Seeing Lin Ran being so unapproachable, Su Sa couldn't help but frown slightly, but the fact that this guy in front of her could obtain that person's inheritance made her heart puzzled, and she couldn't help but want to go up and ask.

Only this time, before she could open her mouth, a figure suddenly appeared next to her and directly stopped her.

Su Sa turned her head to look, and when she saw who the visitor was, her face instantly changed, and she was busy saluting respectfully.

"Sect Master!"

"Mm!"

The old man nodded his head.

"You felt it too, Sect Master, who the hell is he!"

Seeing Tianxuanzi, Su Sa was busy asking all the doubts in her heart.

Only Tianxuanzi was shaking his head, and then said.

"I don't know either, this person was brought back by Elder Leng Chen just today, and is said to be a Qualification Recipient of Xue City!"

"Qualification recipient?"

Su Sa couldn't help but frown slightly at his words and asked busily.

"Then is his identity and background known?"

Tianxuanzi shook his head at his words.

"That!"

Su Sa couldn't help but freeze.

"Sect Master, you have seen the situation just now...? This person doesn't even know his identity background why he was able to obtain the inheritance from my master, that is Lancang"

"All right!"

Su Sa did not finish a sentence, was interrupted by Tian Xuanzi.

"Your master was able to obtain the inheritance back then by virtue of her own ability, and you are merely taking advantage of your master's light, is it possible that the world is so big that it doesn't allow others to obtain that inheritance as well?"

"I don't mean that, I'm just afraid that my master's good intentions will end up in the hands of bad people"

Su Sa was busy saying.

"Don't worry about that, I have my own way!"

Tianxuanzi said.

"All right, you go back first, this matter you do not mention in, also do not talk to him, this person's identity is unknown, I have to examine a little!"

"Then the matter of inheritance!"

Su Sa was still a bit uneasy.

"If this person has a good heart and is a good person, it is not impossible to pass it on to him! Back then, my ancestor created the Sword Immortal Sect in order to carry forward the sword dao! You should understand this point!"

Tian Xuanzi said.

"I understand!"

Su Sa nodded his head and did not say more.

"Alright, you go first!"

Tian Xuanzi then said, Su Sa heard no more nonsense, nodded at the former and left the place in a whirl.

However, at this moment, Lin Ran? sat cross-legged on top of a futon, but could no longer sense the summoning of that peach blossom sword mark, as if that thing had not existed before.

"Ai!"

Lin Ran helplessly sighed, what is chance this is chance, chance is chance after all, miss it will probably really miss it!

"If it had just been not interrupted, that third form I"

When Lin Ran thought of this, he couldn't help but be chagrined, if he could have been smarter and obtained the inheritance earlier, he wouldn't have been cut off from his chance by that abduction!

"Young man, everything cannot be forced!"

"Chance is chance, if you can get it, it means you have a chance with this sword tablet, not exactly a chance, who can guarantee that you won't come across it again in the future?"

Lin Ran was stunned at his words, and was busy turning his head to look.

"Senior!"

Seeing the old man, Lin Ran was busy getting up and saluting respectfully, even though the other party had not indicated anything and might have appeared in front of him unnoticed, and his strength was simply not something he could fight against.

“Hm!”

Tianxuanzi nodded, then said.

“It is late at night, go back, chance cannot be forced, it will come naturally when destiny arrives!”

Lin Ran was stunned at his words, and without further ado, he gave an arch of his hand at Tianxuanzi, and then also left the place.
