

Chapter 1879 - 1880 of A Dish Best Served Cold Novel

Chapter 1879

Winter Capital, Hilton Hotel.

It was the evening when the sunset was west.

The afterglow of the setting sun dyed half of the sky red.

The city of Winter Capital, after a busy day, finally ushered in a moment of hustle and bustle at this moment.

In front of the Hilton Hotel, a graceful woman stood there slim and beautiful, with expectation and joy on her beautiful face, like a girl in love, waiting for her sweetheart.

The woman was wearing a pink-purple European-style long dress, with slender jade legs exposed under the skirt.

The jade body with ice muscle, the skin is like fat, whether it is the slender lotus root arms or the resting jade legs, it is like the most beautiful masterpiece in the world.

Coupled with the exquisite and noble high heels on the jade foot, it is even more fascinating.

The pedestrians passing by in front of the hotel were almost all attracted by her beauty. They looked sideways, and their eyebrows were filled with stunning colors.

During the period, many people passing by, rich and young, had chattered up, but without exception, they were all refused politely.

“This beautiful lady, don’t you really think about it anymore?” “Meeting is fate.”

“Really can’t appreciate your face, go to the bar to have a drink?” At this time, a gentleman with elegant talk and decent behavior, unwilling to give up, once again sent an invitation to the woman in front of her.

But the result is still the same.

“I’m sorry, I really don’t have time today.”

However, the noble son still doesn't give up. He doesn't believe it. With his own charm, can't he still win the girl in front of him?

"Miss, don't you rush to refuse?" "I really want to know you sincerely."

"If you are worried that I am a bad person, I can introduce myself first."

"My name is Ying Mulei, yes The general manager of the Sakuragi Group is responsible for the daily affairs of the entire group."

"Did you know the Sakuragi Group?" "It is an enterprise under the Suzuki Consortium with 100 billion assets and monopolizes the entire logistics industry in Japan."

"Next, ours The goal is to make the market reach Vietnam, spread across South Asia, and radiate the entire world."

Ying Mulei said with a smile, in a faint tone, full of pride.

Sure enough, after he had introduced his identity and background, the woman in front of him suddenly opened up with a smile on her stunningly pretty face, and opened her eyes.

Afterwards, he even rushed in his direction.

Sakuragi Lei was taken aback for a moment and thought, won't he?

Is it so direct?

Throw in your arms when you first met?

Her own charm really made women unable to resist.

Although some are not gentlemen, but such a beautiful sister takes the initiative to embrace, is there a gift not to be accepted?

In this way, Ying Mulei also opened her arms excitedly, waiting for the gentle fragrance of nephrite jade into her arms.

"Haha~" "I like the unruly aunt" Sakuragi Lei smiled haha, but as soon as his words fell, the girl in front of him passed by in front of him like this, and finally leaped in behind him. In the arms of the teenager.

"This~" "This" At that moment, Ying Mulei froze in place.

The corners of his eyes twitched, and the whole person was stuck in the wind and rain.

"Brother Mark~" "Hey~" "You really are in Dongjing."

In a foreign country, you have met old friends. It is conceivable that the joy in Cynthia Chen's heart is so rich?

As a result, Cynthia Chen threw himself into Mark's arms with excitement.

"Cough cough~" "Well, Nan Nan, pay attention to the influence, so many people watch it?" The face was as thick as Mark, and the old face was red when Cynthia Chen threw his arms around.

Mainly, the two touches on the chest are too obvious.

Chapter 1880 I' m Strict

Cynthia Chen has practiced dancing since he was a child, and his figure is too good.

At this moment, this girl kept rubbing in Mark's arms.

Mark's bloody and Fanggang age, how could he stand this?

I just feel that blood is rising, and the old face is blushing badly.

"Gluck~" "Dignified Noirfork Zun, would you be embarrassed?" Cynthia Chen seemed to like to see Mark's embarrassment, and at this moment, he was smiling and trembling, playing tricks on Mark.

However, seeing the two people so close, Ying Mulei next to him, his heart broke instantly.

The beautiful love has not yet begun, it just ended like this.

"Wow?" "Nan Nan, is this your boyfriend?" "Why haven't you heard that before?" "Have we fallen in love with the school flowers of Huaqing University?" "If this is to make the boys at school Hearing, I guess it's crazy, right?" Just as Mark and Cynthia Chen were talking, there was a startled sound in the hotel.

I saw a young woman dressed in a ceremonial dress and exquisitely dressed, walking over in surprise.

The appearance of the woman in front of her was pretty good, but compared with Cynthia Chen, she was undoubtedly far behind.

After seeing Cynthia Chen throwing her arms to Mark, the woman immediately came up to ask questions.

"Senior Sister Kong Hui, don't talk nonsense."

“Brother Mark is just.”

Unexpectedly, he would be seen by an acquaintance, and Cynthia Chen’s pretty face was undoubtedly red, and he explained quickly.

“Hey, Nan Nan, you don’t need to explain, don’t worry, my mouth is very strict, and I won’t spread it after I return to school.”

While speaking, Kong Hui began to look at Mark carefully, and at the same time stretched out her arm to talk to Mark Shaking hands: “Hello, I am Nan Nan’s fellow senior, Kong Hui.”

Cynthia Chen is now studying for a master’s degree at Huaqing University. This Kong Hui and Cynthia Chen belong to the same tutor, but one level higher than Cynthia Chen.

In academic circles, people like to be commensurate with seniors and sisters, so they appear cordial.

“Hello, Mark.”

Mark smiled back and shook hands with her.

“Well, you young couple tell the old love first. But Nan Nan, don’t forget that there will be a reception in a while, don’t delay the time.”

Kong Hui reminded Cynthia Chen, and then he blinked at Cynthia Chen, and then again Ran back to the hotel.

Being so disturbed by Kong Hui, the atmosphere here is undoubtedly slightly embarrassing.

“Um~”

“Brother Mark, don’t mind, my Senior Sister Kong Hui is just like that, she’s carefree and her mouth is open.”

Cynthia Chen explained like Mark.

Mark chuckled softly: “It’s okay.”

“By the way, Nan Nan, I haven’t asked you yet, why are you in Japan?” Cynthia Chen replied, “I came with my tutor.”

It turned out that Cynthia Chen’s mentor collaborated on a project with Japan.

The main investors are Japanese companies.

This time, they came here just to discuss the details of the project.

“As for me, the instructor asked me to follow, mainly to let me see the world.”

“Before I came, my father told me that you were also in Japan.”

“So I called you when I arrived. I thought you had already returned to Vietnam.”

, I didn’t expect you to be in Dongjing.”

“It’s nice to meet Brother Mark here~” Cynthia Chen smiled happily, looking intoxicating, like a kid who stole sugar.

After a brief chat, Mark was ready to go back.

“Nan Nan, keep busy, I won’t bother you.”

“Don’t, Mark brother. Tonight is a cocktail party, so you can go with me. Anyway, you are fine tonight, just be with you. How about my meal?”
