

Catch Me If You Love Me

Chapter 188

The moment the little girl saw Zoey Gu, she shouted loudly.

“Aunt Gu...”

The next moment, she stretched out her hand and pushed Zoey Gu away, and the locomotive rushed into the living room, looking for each room by opening the door.

While searching, he kept shouting.

“Dad! Where are you, daddy? Come out soon...”

When Zoey Gu saw this, her face became cold, and she immediately turned to look at Du Lanfu outside the door.

Du Lanfu raised her lips and smiled at her, holding an exquisite snack box in her hand, and walking in curlingly.

“Miss Gu, I really made trouble for you. It was Alina Yin who kept clamoring to let Mom and Dad accompany her for dinner. But Liam is too late to return, I guess he is here with you. So... Do you mind?”

It was the same woman, Zoey Gu could see through Du Lanfu’s mind.

But seeing Alina Yin, she suddenly softened her heart, walked to her side and knelt down to hug her, and said softly.

“Alina Yin, your father did say that he would come here today, but he hasn’t arrived yet.”

Alina Yin’s mouth was flat, her big black eyes looked straight at Zoey Gu, obviously not convinced.

“Aunt Gu, you said that no matter whether you are an adult or a child, you can’t lie.”

Zoey Gu was taken aback.

Alina Yin had already pushed her away, pointed at the two sets of chopsticks on the dining table not far away, and said angrily.

“Obviously you are eating with dad, why did you lie to Alina Yin? Alina Yin doesn’t like you anymore, how can you snatch dad with my mother and me?”

Those words, instantly like a knife, slammed into Zoey Gu’s heart.

She blushed suddenly.

Looking at Alina Yin, she can tell her children with confidence that she and her father truly love each other.

But facing the child's angry eyes, she couldn't speak.

Du Lanfu walked over and pulled Alina Yin from Zoey Gu's arms.

"Miss Gu, Alina Yin is still young. She just needs the love of mom and dad. There is nothing wrong. Please don't hurt my daughter's heart."

Zoey Gu narrowed her eyes and looked at Du Lanfu coldly.

"After you came back to the kindergarten, how did you educate Alina Yin on weekdays? You have a sense of accomplishment by misleading a child under five years old?"

After she finished speaking, she raised her finger to the open door of the living room, and made an order to chase away guests coldly.

"Sorry, there is no Liam Lu you are looking for here, let alone welcome you, please leave immediately."

"Miss Gu..."

"Please leave!"

Unexpectedly, the next second, Du Lanfu, who had been carrying the food box, suddenly let go of Alina Yin, rushed towards Zoey Gu, and grabbed her hand firmly.

"Miss Gu, if I make you unhappy, I apologize to you, but Alina Yin is a child!"

"I really don't mean anything else, I just want to satisfy Alina Yin's wish to eat with her parents."

She stretched tightly, and almost all the nails of her hands were embedded in the flesh of Zoey Gu's palm.

Zoey Gu's face was cold, and all her anger seemed to be forced to an end.

"Let go!"

"Miss Gu, who took a child's father, will your conscience really be safe?"

When the voice fell, Zoey Gu felt a tingling pain in her palm. She exhausted her patience completely and shook Du Lanfu's hand hard!

"I let you let go!"

Originally it was the strength of shaking her hand, but Du Lanfu, who had been pestering her, suddenly let go of her hand and fell back suddenly.

“what...”

Bang!

The food box fell on the ground, and the snacks were scattered all over the floor instantly.

Immediately afterwards, with a “plop”, Du Lanfu fell
