

Wonder Doctor Chapter 1882

“Not interested?”

Tian Hu smiled visibly with a slight frown, and the four juniors beside him also looked a few shades harder.

“Kid! Don’t blame old me for not reminding you, if you don’t join our Tiger Alliance, then you can be our enemy!”

Tian Hu looked at Lin Ran and said in a cold voice.

“Enemy? Where does that come from?”

Lin Ran was speechless, if you don’t join you then you are your enemy, is there any place for reason in this world?

“Kid, don’t be angry, we searched for you all day yesterday, so I guess there are many things you don’t know yet!”

A little brother next to him spoke up.

“Then I’ll tell you, just yesterday, among these new freshmen of ours, more than twenty of them have been bullied by the older students!”

“There are even several who have joined the old students in their power camp, our Brother Tiger came to look for you two, that’s because we’re all new students!”

“If you don’t join, you’ll definitely be absorbed by the old students’ camp in the future as well, so if you don’t join us you’re the enemy!”

Lin Ran smiled and Bu Er Swordsman looked at each other and sort of understood the reason for this.

Bu Er Swordsman spoke.

“Don’t worry, neither of us will join, so naturally we are not your enemies, the worship meeting is about to start, so if you have nothing else to do, please go back!”

Tian Hu obviously didn’t expect Lin Ran and Bu Er Swordsman to take themselves so seriously, his face was ugly as he said.

“You two are really arrogant, kid don’t blame me for not reminding you, the one standing in front of you at this moment is a peak Heavenly Mansion realm powerhouse! After today is bound to be able to worship under the Elder’s discipline!”

“If you lose this opportunity, next time you want to join my Tiger Alliance, I’ll have to think about it!”

“You don’t need to look at considering it, we are indeed not interested!”

Lin Ran said somewhat speechlessly, how could this Heavenly Tiger’s nature think so much like Wang Yifeng’s and sell himself short.

“You!”

Tianhu was infuriated and glared at Lin Ran before saying in a cold voice.

“Fine! Fine! Since you two don’t know how to behave, then I won’t be saying much more, you will naturally regret it after the worship meeting!”

“Come back to me then, it may still work, but once today is over and you want to join our Tiger Alliance again, don’t blame me for not giving you a chance!”

“No need,? I don’t need to join any forces!”

Lin Ran said indifferently.

This so-called force looked pretty good, saying that it was for the sake of everyone not to be bullied by the older students, but in the end, it was up to you to fight in the cultivation world.

He didn’t believe that there were any good things in this world that fell out of the pie, and joining a force would inevitably require sacrificing something.

And for him now, all he lacked was time, so he didn’t want to waste any time doing things that had nothing to do with his own cultivation.

“No need? Kid you’re really one of the wildest I’ve ever seen!”

Heavenly Tiger smiled at his words as he turned and pointed in a direction in the crowd and said.

“See, that one walking with a limp, do you know who he is?”

“No idea!”

Lin Ran said indifferently, just where he didn’t know that this was the guy who had interrupted his cultivation yesterday and ended up getting beaten up by him.

At this moment, he seemed to be seeking revenge, standing at a distance and still looking towards himself from time to time.

Tian Hu looked at Lin Ran and smiled blandly.

“See, that kid has set his eyes on you, I guess you don’t know who he is yet”!

“Brother Tiger I have a good heart, I’ll tell you today!”

“That kid’s name is Ah Kuan, he’s Liu Dao’s pony among the old students, this Liu Dao is of average strength among the old students, but no one dares to mess with him, do you know why?”

“Why?”

Lin Ran was busy asking, he really didn’t know anything about Ah Kuan, when he saw that Tian Hu knew so much about it, he couldn’t help but want to get some more information.

“That’s because the boss behind this Liu Blade is one of the best among the disciples of the entire Sword Immortal Sect!”

Tian Hu laughed, and the four men at the side also showed disdainful smiles when they saw this, as if they were laughing at the two Lin Ran’s ignorance.

Lin Ran and Bu Er Swordsman glanced at each other, both slightly puzzled that this Tian Hu knew so much about so many things.

“Kid! I know what you guys are wondering, this is the benefit of the alliance, we can definitely know far more information than you guys!”

The Heavenly Tiger laughed.

“Of course, you’ll definitely know this information later, but I’m telling you now just to remind you!”

“That Abduction seems to have set his eyes on you, so for your own safety, I advise you better reconsider whether or not to join our alliance with!”

Hearing these words from Tian Hu, the Bu Er Swordsman beside him clearly frowned slightly and looked at Lin Ran with some concern.

“Brother deceased, if what he says is true, we are afraid that ....”

“Don’t worry!”

Before the Bu Er Swordsman could finish his sentence, Lin Ran interrupted him with a wave of his hand and said.

“It has nothing to do with you, the only one he has his eyes on is me!”

“Kid, you didn’t offend someone, did you!”

Tianhu laughed at his words.

“How about it? Do you want to consider joining our Tiger Alliance? With old me covering you, go and apologise to someone when the time comes, and with my status as a soon-to-be elder disciple, it’s not like this matter can’t be resolved!”

Lin Ran sniffed and looked at him, his eyes were filled with speechlessness, this guy was really foolish enough.

“No need, I said I don’t need to join any strength, I came here to cultivate, not to gang up on people!”

Lin Ran said indifferently.

“You kid are really insensitive, what can you do with your strength? I’m afraid it’s not enough for others to stuff their teeth!”

Tianhu said in a cold voice.

Lin Ran smiled and said indifferently.

“That’s my business, and I’m saying it again, I don’t need to join any forces, now you can go!”

“You!”

Tian Hu was dumbfounded by the dislike and pointed at Lin Ran in a cold voice.

“Good boy, you have guts, I hope you don’t come looking for me in the future, I’d like to see how you’re going to be able to stand alone among the many forces of this Sword Immortal Sect by yourself!”

After saying that, Tian Hu did not bother to say more, turned around and left with his men.

Bu Er Swordsman seemed to be a little shaken, he was busy looking at Lin Ran and asked.

“Brother deceased, are you really not considering joining a force anymore?”

“Not interested, you can go if you want!”

Lin Ran said indifferently.

“That’s not what I mean, I’m worried about that abduction, if he ....”

Bu Er Swordsman said, just before he could finish his words, he was interrupted by Lin Ran.

“He you don’t have to care about, he was the one who interrupted my cultivation yesterday, so if we’re talking about conflicts, it’s me and him who have conflicts, I don’t think he should be looking for trouble with you!”

“As for the power, I still say that I’m not interested! I came here originally to cultivate, making so many fancy things doesn’t interest me at all!”

The Fuyi Swordsman didn’t say anything when he heard that, but in his heart there was a hint of embarrassment, he had indeed been a bit moved at that moment.

But after hearing Lin Ran say so he found that his dao heart seemed to be a bit unsteady.

Lin Ran had offended that what’s-his-name, but he was not afraid of it, but he was a bit afraid of it, was this the difference between the two of them?

“No wonder the deceased brother was able to obtain the Xue Cheng qualification, I am indeed inferior to him!”

Bu Er Swordsman lamented in his heart.
