

## Wonder Doctor Chapter 1883

As he spoke a figure had descended from the sky and appeared in front of the crowd, and this person Lin Ran also knew, it was none other than Elder Leng Chen who was in charge of their admissions.

Seeing Elder Leng Chen arrive, everyone's eyes turned their heads to look over, it was obvious that this so-called worship meeting was about to begin.

"Quiet!"

Elder Leng Chen opened his mouth and shouted, and instantly the entire square fell silent.

Lin Ran and Bu Er Swordsman looked and found that behind Elder Leng Chen were following several youths, each with extraordinary clothes and very strong auras.

"Who are these people?"

Bu Er Swordsman asked with a frown, the clothes of these people also seemed to be disciples of the Sword Immortal Sect, but how come he didn't even seem to have seen them before?

"We'll find out later!"

Lin Ran said indifferently, these people had followed Elder Leng Chen along, so he thought there was a purpose for them.

Sure enough, as if to corroborate Lin Ran's words, Elder Leng Chen spoke at once.

"First, I'll tell you about these people behind me!"

"They are your senior brothers, and they are each the favoured disciples of the great elders of the Sword Immortal Sect!"

"Today they are the ones who have come in place of the great elders, and later on each of you will have a chance to fight, if anyone performs well and is seen by the elders!"

"At that time you will be able to stand behind the corresponding disciples, and when the worship meeting is over, you will be able to follow them to meet the elders!"

"Have you all heard clearly?"

Elder Leng Chen swept his gaze across the room.

The crowd returned in unison.

"Heard it clearly!"

"Very well! Of course, there might be people asking if the Sect Master accepts disciples, and here I can tell you very clearly that as long as your natural talent is good enough, the Sect Master will also accept disciples!"

Leng Chen's words instantly triggered the atmosphere here, who among the people present did not want to be under the discipleship of the Sect Master.

Just would anyone really be able to enter the eyes of the Sect Master?

“Alright! Without further ado, the next step is up to you, ten people at a time, five groups in total, let’s begin!”

As Elder Leng Chen’s voice fell, ten stone pillars appeared in the ring, these pillars rose rapidly, and eventually rose by half a meter, and on each pillar was a large black stone.

“What is this thing?”

Lin Ran frowned as he watched, this stone always gave him a strange feeling, it seemed to be a living thing!

“Rumble!”

Just as Lin Ran was thinking in his mind, suddenly on the side of the square there actually rose another larger stone monument, which was strangely empty above the long sleeves.

“Alright! The first group of people will take the stage!”

Elder Leng Chen’s voice suddenly rang out, and immediately ten people rushed straight up.

“You are the first group, so I will talk about the rules carefully, and all those behind you listen carefully, I won’t say it twice!”

Elder Leng Chen said.

“The stone pillars in front of you are placed with puppets, the competition will start after you activate them later, all of these puppets are at the peak of the Heavenly Mansion realm, you have to defeat them in the fastest time possible!”

“The stone tablet at the back will record your times and rank you according to your times, the higher the ranking the more likely you will be to join the elders!”

“Of course, whoever has no information about their strength can choose to give up!”

“Alright! Start when you’re ready!”

Elder Leng Chen didn’t say much, and stopped talking after the important ones were said.

All of them looked at each other at the words seemingly not ready to make the first move!

Tianhu was among them, and seeing this, he coldly snorted and spoke.

“None of them are coming, so I’ll go first!”

Saying this, he instantly slapped one on top of the stone pillar in front of him, and instantly the black stone on the pillar please see turned into a black puppet.

As soon as the puppet appeared, a reading of the seconds appeared on the stone pillar in the distance.

Seeing this, Tianhu didn’t bother to say anything more and rushed towards the puppet with a single arrow step.

Seeing this, the other people around him did not delay either, and all of them struck out one by one.

“Brother deceased, how do you feel about these puppets?”

Bu Er Jian Ke was busy turning his head to ask Lin Ran, he knew Lin Ran’s strength very well, he still trusted Lin Ran’s opinion on how these puppets were.

“Not bad, puppets are puppets after all, they have no spiritual intelligence! It’s not difficult to defeat!”

Lin Ran said, while pointing at the puppet opposite Tianhu.

“Look at the puppet Tianhu is facing, this puppet has a strong frontal body and obviously has a very strong defence!”

“If you want to defeat them, you must not attack strongly, this fellow Tianhu relying on brute force to attack strongly is not the best option!”

The Buji swordsman looked at his words, and indeed found that Tianhu was fighting hard against the black puppet, and although he did suppress the puppet for a while, he was unable to defeat it!

“You’re looking at the other side!”

Lin Ran pointed at a cultivator next to Tianhu.

The Buji Swordsman looked at his words and found that this person hadn’t even rushed to make a move, instead he had been defending as if he was looking for a break.

“This man even has more brains than Tian Hu, you must have been watching him for a shorter time than Tian Hu!”

Lin Ran said.

And it was exactly as he said, after a mere two minutes, the cultivator next to Tianhu was the first to settle the fight, with a mere sword jump, directly picking the puppet to the ground, the first to win!

This scene made Tianhu very unhappy, but he was already fighting with the black puppet, so he had to intensify his attack before he could completely overpower the puppet and win the match.

Some of the others also finished their matches one by one, and the results were just as Lin Ran had expected.

Tianhu only came in second place.

“I’ve been taught!”

The Buji Swordsman said as he rushed towards Lin Ran with an arch of his hand.

Lin Ran trendily waved his hand and said.

“No matter, it’s just a competition, in the end it’s strength that counts, these are just skills, alright! It’s your turn!”

“Yes!”

The Buji swordsman nodded and immediately rushed towards the stone platform.

There were only five groups of ten people in a group, plus the opponents were puppets, so the match went very quickly.

In less than a minute after he got into the ring, Buji Swordsman settled the fight straight away, and his ranking instead immediately shot up to first place.

“That bastard! He’s relying on pure speculation!”

Tianhu, who was on the stage, was very dissatisfied when he saw the result.

However, everyone else didn’t say anything, a match was a match, and it was a skill to find an opportunity.

Lin Ran turned his head and blandly glanced at Ah Kuan in the distance, sending down this man who was staring at himself at the moment, and couldn’t help but shake his head.

Suddenly, just as he was about to withdraw his gaze, Ah Kuan gestured at Lin Ran.

Lin Ran followed Abduction’s gaze and found that a young man in white robes was also looking at him on the stone platform.

This person had a distinguished aura and was one of the ones who had followed Elder Leng Chen over earlier.

“The elder’s disciple?”

Lin Ran’s heart twitched as he wondered who this person was, except that the other person’s gaze was clearly looking at him with ill-will.

“Could he be Bai Chang?”

Lin Ran thought to himself, the only person he had offended in this Sword Immortal Sect was this one abduction, the youth on the stone platform he did not know at all.

But the other party clearly had hostile intentions towards himself, he really couldn’t think of anyone else other than Bai Chang.

Looking at the other party, Lin Ran couldn’t help but shake his head unhindered and sighed in his heart.

“It seems that in the future, life in this Sword Immortal Sect will not be lonely!”

As he thought in his mind, the fourth group of people had also gotten out of the ring, Lin Ran could only take a deep breath when he saw this and swirled towards the stone platform.
