

Chapter 1889 – 1890 of A Dish Best Served Cold Novel

Chapter 1889: Unreasonable Request

“Miss Cynthia Chen?” “A nice name.”

“As graceful as your dancing.”

“This glass of wine, I toast you.”

Looking at the beautiful woman in front of him, Abe Zhongnan smiled lightly.

At the same time, he ordered the waiter to serve Cynthia Chen a glass of wine.

“Sorry, Mr. Zhongnan.”

“I don’t know how to drink.”

Cynthia Chen shook his head repeatedly, saying that he couldn’t drink.

But Professor An and Liang Haonan and the others on the side stared instantly.

After a hard glance, he quickly helped Cynthia Chen round the field.

“Yes, I can drink~” “How can you not drink the wine that Mr. Zhongnan toasts?” “This child can’t speak, Mr. Zhongnan, please don’t take it to your heart.”

Professor An smiled and said to Abe Zhongnan .

At the same time, he turned his head to look at Cynthia Chen, and said in a low voice: “Nan Nan, this dance is all done, it’s not bad for this glass of wine.”

“Yes, Nan Nan, drinking a glass of wine will not kill you.”

Gangster, it’s an honor for you to toast you in person. Why do you refuse?” “You are really confused.”

Kong Hui and Liang Haonan’s couple also persuaded Cynthia Chen.

In this world, the hardest thing to refuse is the advice of acquaintances.

In the end, Cynthia Chen regressed under the instigation of Professor An and others.

“Okay, I’ll drink it.”

Cynthia Chen took the wine, gritted his teeth, and was drunk by one of them.

“Haha~” “Miss Cynthia Chen is really bold.”

Abe Zhongnan applauded and laughed.

Now that the dance has been danced and the wine has been drunk, Professor An and the others are ready to go down: “Mr. Zhongnan, you continue to socialize, we will not disturb the few of us, and we will go on.”

, The three of you can go down first and let Miss Cynthia Chen stay.”

“Huh?” “Me?” Cynthia Chen was stunned. She didn’t know why Abe Zhongnan wanted to leave her alone.

Professor An was also a little curious, and asked: “Mr. Zhongnan, what else do you want to find Nannan?” “If it is a cooperative matter, she doesn’t know, you can talk to me.”

Abe Zhongnan waved his hand: ” Today’s reception is just for fun, not about work.”

“I just admire Miss Chen, I want to meet and make friends.”

“It just so happens that I have one less lady to accompany the wine.”

“Ms. Cynthia Chen is very suitable. Just stay with me and stay with me tonight. Drinking a bar with brother.”

“This~” Professor An’s face suddenly turned a little ugly when he heard it.

“Huh?” “Why, do you have an opinion?” “Or, don’t you worry about your student, think we will hurt her?” Abe Zhongnan frowned suddenly, his tone becoming colder.

“No... dare not.”

“It’s just that Nannan is young and ignorant. Let her accompany the wine, I’m afraid she can’t do it well.”

Professor An is not a fool, he naturally understood the meaning of Abe’s Zhongnan dialect .

It is clear that Cynthia Chen is in love.

If Cynthia Chen is really allowed to stay, no one knows what will happen tonight.

Therefore, even though Professor An was afraid of the power of Abe Zhongnan, he still whispered, trying to save Cynthia Chen.

Abe Zhongnan took a sip of the red wine in front of him, took a sip, and continued to smile: "It's okay. Wine is not a technical job. You can learn it as soon as you learn."

"Is it enough, or I will ask the assistant to invest an additional 100 million Dollar for you, what do you think?"

Chapter 1890

When Professor An heard this, he was immediately surprised.

"Really?" "Haha~" "Thank you Mr. Zhongnan for your trust."

"I promise, I will go all out to make the project beautiful and live up to Mr. Zhongnan's expectations."

Professor An was undoubtedly happy at the time. .

His main purpose in coming to Japan this time is to hope that the Abe family can spend more money, and finally put out another 10 million.

But I didn't expect that I hadn't said this yet, as soon as they came up, they would plan to invest another 100 million Dollar.

One hundred million?

This is undoubtedly a huge sum of money for a university professor.

With this money, his project is undoubtedly more than enough.

"Kong Hui, Honan, thank you Mr. Zhongnan for not being with me."

Professor An, who was excited, offered a glass of wine to Abe Zhongnan again.

After toasting the wine, Professor An immediately looked at Cynthia Chen who was aside: "Nan Nan, Mr. Zhongnan admires you very much, do you want to keep you by your side?" "For a while, don't go back with us. It's Mr. Zhongnan. Stay by your side. Pour wine and talk to Mr. Zhongnan."

"Mr. Zhongnan is Japan's foremost powerful man, and he can appreciate him. This is an unquestionable opportunity for many people."

Sure enough, after gaining the benefits of Abe Zhongnan. As soon as Professor An's attitude changed, he began to persuade Cynthia Chen to stay.

Perhaps this Abe Zhongnan left Cynthia Chen with ulterior motives.

But this is normal, men, who doesn't like beautiful women?

Besides, a woman marries anyone who marries. If Cynthia Chen is really lucky to be favored by Abe Zhongnan, then for Cynthia Chen, it is also a great opportunity that cannot be met.

In the future, she changed her body and became the wife of the Patriarch. Wouldn't it be a thousand times stronger than the hillbilly who married Mark.

Thinking this way, Professor An didn't have any burdens in his heart.

"Teacher, Brother Mark is still waiting for me, I can't..."

Cynthia Chen shook his head and said. "F*ck!

"Nan Nan, are you really stupid or fake?"

"One is a powerful man at the pinnacle of extreme power, and the other is a poor man from the countryside."

"Can't you tell which is more important?"

"Nan Nan, don't be confused."

"Tonight, maybe it's a great opportunity for you to change your destiny."

"It was the time when Kong Hui heard it, and Cynthia Chen was still thinking about the hillbilly in his mind. He was anxious and said to her. "Yes, Nan Nan."

"It's just to accompany the wine, so what?"

"On the contrary, through this opportunity, you can get to know the Abe Patriarch. This is a good thing that many people can't ask for."

"If it weren't for Mr. Zhongnan to look down on me, I would like to accompany you."

Liang Haonan was also persuading him. However, he probably didn't believe what he said. When meeting Pingshui, he wanted to leave Cynthia Chen alone. If he didn't think about it, it would be weird. But even Liang Haonan. Waiting for people to know, what can you do? Abe Zhongnan's hands are open to the sky, this is the home of others, they dare not resist, and they can't resist. It is better to follow the boat, follow Abe Zhongnan's meaning, and sell his personal affection. However, this time, in the face of everyone's persuasion, Cynthia Chen did not compromise. "If you want to accompany, then you can stay."

“I, Cynthia Chen, only accompany my Mark brother to drink. Other people are absolutely impossible!”

“
