## Chapter 1895 Can't Block Guns And Bullets?

Really!

Liang Haonan, Kong Hui and the others have already peeed.

The whole person was frightened.

They didn't expect that the country boy in front of him would be so bold.

It was enough to contradict Abe Zhongnan before, but now, he kicked Abe Zhongnan.

"Damn!" "Shall I go to Nima?" "What does he want to do?" "I want to go against the sky?" .... "Damn!" "I was blind at the beginning, how could I bring in such an idiot? Is it over?" "It's over, this time is completely over."

Liang Haonan hugged his head and wailed, Kong Hui panicked.

Professor An was so scared that he would have a heart attack.

The other guests around looked at the teenager in front of him like a ghost.

Obviously, Mark's fierceness also caused a huge tremor to them.

Everyone was dumbfounded.

One by one, his eyes were staring, and he almost forgot to breathe.

"He...he..."

"He actually turned..."

Hit Abe Zhongnan?

"It looks like, I'm afraid that blood will be seen today?"

Many people said in a silent voice. In their opinion, Mark's actions were tantamount to stabbing the sky. Abe's Zhongnan smashed the Japanese country, not to mention that the entire winter capital city is in the Japanese country, and there are few people. Dare to provoke. What's more, today is still a place set up by others. No one doubts that the young man in front of him is dead. After being kicked over, Abe Zhongnan lay on the ground and clutched. The mouth can't help but wailing. "Ah~" "My teeth, my mouth~" "a\*shole, you dare to hit me?"

"For so many years, are you still the first person to dare to do something to me?"

"Brother, I tell you, you're done.

"Today, even the Emperor Master can't save you.

"I declare, you are dead~" "You are dead!"

Abe Zhongnan endured the pain, and after getting up from the ground, he gritted his teeth and cursed Mark frantically. At the same time, amidst the roar, Abe Zhongnan ordered his subordinates to kill Mark. Just like that, he got the order. After that, the seven or eight bodyguards around immediately rushed up. Either fists or feet all attacked Mark. Upon seeing this, Professor An and the others closed their eyes and did not dare to look again. They almost expected that they took Mark. Fan's miserable ending. But, how could this attack hurt Mark? I saw that these people hadn't approached Mark before they heard a dull bang, and seven or eight men flew out like cannonballs. I knocked over countless tables and chairs along the way, and the drinks mixed with the bowls and altars scattered all over the floor. The guests from all walks of life were so scared that they screamed and retreated. All that was left was the mess all over the floor. Those big men looked like waste dogs. Usually lying on the ground, groaning constantly. Only Mark stands proudly in the big hall. From beginning to end, he was so peaceful. "This..."

"This..."

Is this guy still a practicer?

"The scene before him trembles again. Professor An is stunned in the same place. Liang Haonan's eyes widened. Kong Hui only feels incredible. "Nan Nan, your country boyfriend, have you learned martial arts?"

"In the scene just now, although it only happened between lightning and stone fire, one person can defeat several people. This discerning person can see that the young man in front of him may have some skills. "I underestimate you.

"But brat, so what if you have brute force?"

"You can stop my offensive, can you stop the guns and bullets?"

“Abe Zhongnan’s expression has completely sunk, and the old eyes are full of sorrow and coldness. Between the words, killing intent surged.

## Chapter 1896 Dragon God Protector

Sure enough, at the moment his words fell, everyone saw that beside Abe Zhongnan, two bodyguards suddenly took out pistols from their arms.

They raised their arms and aimed at Mark.

It seemed that as long as Abe Zhongnan gave an order, they would pull the trigger and beat Mark into a sieve.

“Don’t~” “Brother Mark, hurry up, hurry up~” Cynthia Chen saw that the other party took out a pistol, a pretty face, and her face paled with fright.

In front of Mark on the runway, she kept pushing Mark out.

Let Mark leave quickly.

After all, in Cynthia Chen’s eyes, no matter how powerful Mark was, it was just a mortal fetus.

How could it be possible to stop the bullet from shooting?

“It’s useless.”

“This bastard is dead.”

“Now I can only pray that Mr. Zhongnan will not implicate us after shooting this idiot~” The matter has been completely out of control.

Abe Zhongnan even used a gun. In this case, Mark will undoubtedly die.

However, everyone did not sympathize with him, nor did they show any mercy to Mark.

After all, he took the blame for all this.

It’s no wonder others are looking for death by yourself.

“It’s just pity that girl, I’m afraid that he will be tired by this arrogant boy~” Many people shook their heads with emotion.

Abe Zhongnan smiled grimly, his bloody face looked down at Mark like this.

“Boy, don’t you want to prove that you are strong?” “As long as you can survive under the gun, I will admit that you are strong.”

“Haha~” “Next, let us wait and see. Amidst the cold laughter, Abe Zhongnan immediately gave an order.

Bang bang bang ~ muffled sound in succession, quietly sounded.

The trigger snapped and the fire snake gushed.

Several hot bullets flew towards Mark’s chest faster than the sound barrier.

“Don’t~” “Brother Mark, stay away~” At that moment, Cynthia Chen burst into tears.

He howled sadly and cried in sorrow.

Desperately rushed to Mark.

At this moment, Cynthia Chen hadn’t cared about his life or death in the slightest.

She was afraid that Mark would die because of him.

“F\*ck!”

“Nan Nan, are you crazy?” “That bastard is looking for death, can’t you die with him?”

“Come back, come back soon!” Seeing Cynthia Chen who looked like a moth to a fire, Professor An and others Anxious, shouted loudly.

However, it was too late.

Cynthia Chen had already pounced on Mark.

“It’s over~” “It’s over!” “This silly Nizi, why is this?” Professor An wailed for a while, and felt a little uncomfortable in her heart.

Cynthia Chen is his favorite student. Nowadays, in the Mood for Love, he wants to lose money. Professor An naturally feels sorry.

“Confused!” “Stupid~” “It’s not just a poor boy in the country.”

“Dying for him?” “Why?” “Cynthia Chen, Cynthia Chen, you are too shameful of yourself~” Kong Hui and Liang Haonan The two also shook their heads for a while, just because Cynthia Chen felt it was worthless.

However, Abe Zhongnan and others watched coldly, without feeling guilty, and even a little bit of the pleasure of revenge.

“Haha~” “Hunboy, it’s over!” “If you provoke me, then you will pay it with your life.”

However, just when Abe Zhongnan grinned.

Suddenly, a golden light appeared in front of where Mark was standing.

Immediately afterwards, a dragon chant resounded everywhere.

The majestic power, only if the wind swept the Quartet!

Then, in the shocking and violent eyes of everyone, they vaguely saw that there was a golden dragon looming around Mark's body.

Just like, Dragon God protects!

“This...this is...”
