

Chapter 1899 – 1900 of A Dish Best Served Cold Novel

Chapter 1899

Outside, Tianhe stands horizontally.

The cold wind swept the entire city with the moisture peculiar to the sea.

Two days have passed since the peak battle between Mark and Xuezhao.

In these two days, the entire martial arts world was turbulent.

Brian Chu's name is still fermenting in martial arts circles around the world.

The masters of martial arts in various countries are looking for this Vietnamese teenager who became famous in World War I in various ports and airports.

However, how could they know that this legendary teenager who was on the cusp of the storm was attending a cocktail party hosted by Abe Zhongnan in a hotel in Japan's Winter Palace.

There was a mess in the hall.

The originally peaceful reception was no longer peaceful because of Mark's existence.

Abe Zhongnan and others were full of hatred, looking coldly at the young man in front, waiting for Nakai Hiroichi to kill him.

However, what is surprising is that after Mark uttered his name, Nakai Hiroichi seemed to be in a daze, and he was shocked in the same place without moving for a long time.

"Huh?" "Brother Hongyi, what are you still doing?" "Hurry up and kill this Vietnamese junior for me?!" "This son not only disrupted our reception, but also shot and hurt people, and even dared to do it to me "He should die!" Abe Zhongnan hated Mark.

When his father was still alive, he never hit him like this.

Now he has been in a high position for a long time, has become the head of the family, and is at the top of the power of the extremely Japanese nation.

However, this damn bastard dared to kick him in public.

Today, if he does not kill Brian Chu, in the future, Abe Zhongnan will not become a joke of the entire upper class?

However, in the face of Abe Zhongnan's words, Nakai Hiroichi seemed to have not heard it.

The whole person still stood there, and I don't know if it was because of the wind blowing up his sleeves. Abe Zhongnan found that Nakai Hiroichi's whole body seemed to be trembling slightly.

"Huh?" "Brother Hongyi?" Abe Zhongnan tentatively shouted again.

"Mr. Nakai?" "Mr. Nakai?" The others looked over curiously.

However, just when everyone was puzzled, the next moment, Hiroichi Nakai, who had been silent for a long time, finally moved.

He took a step forward, clasped his fists in both hands, bent over, and worshiped Mark in the most respectful tone and humble gesture.

"I don't know if Mr. Chu is coming, the younger Nakai Hiroichi has lost a long way to welcome him, please forgive me!"

However, after the words fell, the audience was silent.

Everyone is shaking!

"This" "What's the situation?" Professor An and the others were dumbfounded, dumbfounded.

"Brother Hongyi, you, you?" Abe Zhongnan was struck by lightning, his pupils shrunk, and his old eyes were almost the size of a copper bell.

"Mr. Chu Chu? Late junior?" Cynthia Chen was also startled.

A pair of jade hands lightly covered his red lips.

The beautiful eyes are full of tremors.

She couldn't figure out why the old man in front of Abe, whom Zhongnan had respected, suddenly became so respectful in front of her Mark brother.

Could it be that he knew that his brother Mark was the matter of Noifork Zun?

But that's not right.

Even if you know the identity of Mark Noifork Zun, what can you do?

A little Noifork would not let this kind of tycoon who dominate the country be so jealous and awe.

“Isn’t this guy called Mark, what Mr. Chu?” “What’s up?” “Acknowledgment?” Kong Hui also felt incredible, staring in surprise.

Others watched this scene with tremors, and stormy waves swept in their hearts.

Chapter 1900

After all, an old man who made Abe Zhongnan so respected, but in front of a young man, claimed to be a junior.

This is undoubtedly a shocking thing.

“Chu...Mr. Chu?” “What Mr. Chu?” “Hong...Hongyi brother, this...”

What’s going on?

“Don’t you know him?”

After a brief tremor, Abe Zhongnan obviously realized that things were a little strange, and then asked in a low voice with fear. However, when faced with Abe Zhongnan’s inquiry, Nakai Hongichi said with a gloomy old face and coldly said. I’ll talk about it later.

“If you still want to live a few more years, come quickly and apologize to Mr. Chu.

“Otherwise, it’s me who can’t keep you today.”

“What? What? Nakai Hiroichi’s words were like a sword inserted into Abe Zhongnan’s heart. At that time, Abe Zhongnan’s old face was white, and the whole person was almost scared. Even Nakai can’t keep him? Old? God, what exactly did he provoke? Suddenly, Abe Zhongnan stayed in the same place, and dared not move, only panic and horror remained in his heart. “Huh?”

“Why are you stunned?”

“Hurry up and apologize to Mr. Chu?”

“You really don’t want to live anymore?”

“Nakai Hiroichi spoke eagerly, and in his tone of voice, he was obviously impatient. If it were not for the sake of years of friendship, in fact, Nakai Hiroichi would have to kill him if he didn’t help him. After all, the bastard of Abe Zhongnan, Almost killed him! Who is this person in front of me, Brian Chu? The eleventh in the top list, the first person in Asia! Single-handedly, stepped on the entire Japan. Even Xuezhao was defeated by him. Today’s Brian Chu, in the martial arts world, he is a god-like character. Let alone kill him,

even if he lends Nakai Hiroshi ten courage, he does not dare to provoke Mark in the slightest. Long, looking for death! When it comes to this, Abe Zhongnan undoubtedly realizes that today, I am afraid that it is really getting into the iron plate. Even before him, he called himself a junior and was so respectful. I want to know, this Brian Chu's true identity, is it terrible? Abe Zhongnan is definitely not a person who can't see the situation clearly. After a brief tremor, he quickly stepped forward to apologize according to what Nakai Hiroichi said. "Uh~" "That, Chu..."

Mr. Chu, misunderstandings are all misunderstandings.

"It was Abe Zhongnan who had no eyes and offended you."

"It's all my fault."

"I have eyes but I don't know Taishan~" Abe Zhongnan was obviously also very scared, very frightened. Bending over, lowering his head, smiling with his face, he kept apologizing to Mark. At this time, Abe Zhongnan, where there is still half of the majesty before. In front of Mark, that humble appearance is like a dog of Mark. This scene undoubtedly saw Kong Hui and others dumbfounded. Who would have thought, originally Ye Where must the death situation happen, such a monstrous turn? The head of the dignified family, the Japanese tycoon, turned to a country boy, so humbly? "This..."

"What's this, is it wrong?"

"This Mark, isn't he just a poor boy in the country? When did he become a big man?"

"Returning, Abe Zhongnan and other bigwigs worship this way?"

Kong Hui, Liang Haonan and his party were full of disbelief, staring at their eyes, and said silently. Finally, in doubt, they turned to look at Cynthia Chen. "Nan Nan, what's the matter?"

"Your boyfriend, isn't he a hillbilly?"

"Why..."

Facing the questions of Kong Hui and others, Cynthia Chen slumped his hands, saying that he was also very confused.
