

# Catch Me If You Love Me

## Chapter 190

Zoey Gu felt a sore nose inexplicably. It could not be said that it was extreme disappointment, or full of grievance.

She looked away indifferently, looked at Alina Yin in his arms, and said softly.

“Alina Yin, Auntie knows that you are worried about your mother, so she is angry with her. But Auntie can swear to you that I never push your mother. If you don’t want to see me, I will leave as soon as your mother wakes up. ?”

“Humph!”

Alina Yin snorted and twisted the beginning subconsciously, obviously not believing it.

Liam Lu twisted his eyebrows to look at the little girl in his arms, and murmured.

“Alina Yin, you can’t talk to Aunt Gu like this!”

He handed out the little girl to Shiyue, “Take her out for a walk.”

Finally, he turned and walked towards Zoey Gu.

“The previous thing...”

Just as he reached out to Zoey Gu, the door of the emergency room opened with a “bang”.

A doctor in a white coat, followed by several nurses, pushed Du Lanfu out, who was still in a coma.

Liam Lu’s movements became stiff, then turned and asked Shen Shen.

“How about people?”

The doctor took off the mask, stepped aside, looked at Du Lanfu who was pushed away by the nurses, and sighed low.

“It’s already in the late stage. What we can do is to try to maintain the patient’s life and make her suffer less. If she has any wishes, we will try our best to do it for her...”

Liam Lu frowned and stood there cold all over, unable to see the emotion on his face.

Zoey Gu pursed her lips and glanced at the direction Du Lanfu was leaving, lowered his eyes, and said in a low voice.

“Since she is temporarily out of danger, I will go first.”

At this moment, a nurse suddenly hurried out from the corner and called out in a hurry.

“Which is Zoey Gu Miss Gu? The patient woke up before arriving in the ward, and she would see you for everything.”

Zoey Gu’s eyebrows flashed coldly, and she turned his head to look at Liam Lu who was aside, and asked inexplicably.

“Even if she is a patient, I have the right to say no, right?”

“But she was very emotional and refused to go back to the ward for anything. We have been worried for a long time, she will...”

“Sorry, I said I was missing.”

In the next second, Liam Lu leaned forward and took Zoey Gu’s hand.

“Zoey.”

He looked at her deeply, with deep meaning in his eyes.

“I know you hate me. But she is Alina Yin’s mother, do you have the heart? Obedient, go to see her, just for Alina Yin.”

Zoey Gu turned around and stared at Liam Lu, all the emotions in her heart instantly, making her eyes red.

She sneered.

“Liam Lu, sometimes I really think, are you blind? Anna Yun before and Du Lanfu afterwards. Every woman you have experienced is either using life to kill me or using life to smear me. . How can your vision be so bad?”

“Good! Because she is a patient, I can go to see her. What about next time? Does she want you, and I should let you go?”

Hearing this, Liam Lu’s black eyes sank, and the cold light suddenly appeared.

“Zoey, who allows you to say such a thing?!”

Zoey Gu only felt that Liam Lu at this moment was extremely hypocritical and unfamiliar. She glanced at him coldly, shook his hand, and walked forward.

“Where is Du Lanfu? I’ll see you.”
