When Saber Twelve left the Principal's office, his workplace desk had actually currently ruined into items.

The principal checked out the mess before him and was shocked.

This man's stamina was so awful that it shattered the whole desk. How much stamina did he have?

The headmaster, that had actually endured the calamity, breathed a sigh of relief and claimed covertly, "It appears that I'd better not make this kind of money well in the future. I could shed my life if I am not cautious. God blesses me today."

Saber Twelve returned home and saw the auto at the door. He strolled into your house unhappily.

In the lawn, Samuel sat close to Flavor Qingwan. Via the discussion recently, he recognized Flavor Qingwan's name. He was extremely stunned to hear the name Qingwan.

"How could a rough male like Saber Twelve have such a fresh and also refined name? I don't recognize where he found it."

"Qingwan said that she was gotten rid of from school?" Samuel stood and also asked Saber Twelve.

"That headmaster is bullshitting. Just how could my little girl fight with somebody?" Saber Twelve cursed hot-temperedly.

Tang Qingwan cried and also buried her head in her knees.

When Saber Twelve saw this, his heart hurt even more. This was the person he liked one of the most. Even if Saber Twelve was starving, he hesitated to allow Tang Qingwan suffer even a little.

"Ye Fei is currently ended up," Samuel said at this time.

Saber Twelve increased his head and took a look at Samuel with derision. He stated, "Do you assume I'll think you as soon as you state it?"

Samuel got his mobile phone and also stated, "There are some points that are not suitable for Qing Wan to see. Would you such as to come and also take a look?"

Saber Twelve walked to Samuel's side with a suspicious view on his face. He saw a bloodied photo on his phone. It was none besides Ye Fei, that was holding onto his neck.
