

# Chapter 1903– 1904 of A Dish Best Served Cold Novel

## Chapter 1903 the tail is up to the sky

Before meeting Mark, Cynthia Chen thought about returning to Noifork after graduation to help his father manage the family business, and stay safe and prosperous for the rest of his life.

Even if Edensberg is not big, Noifork is not a prosperous and rich place in Vietnam.

However, with Cynthia Chen's family background, staying in Edensberg will undoubtedly lead a very good life.

However, after meeting Mark, Cynthia Chen suddenly realized that he could not settle for the status quo.

She also wants to pursue a wider world like Mark.

Otherwise, she is afraid that the man in front of her will really fall further and further.

After drinking and eating, Abe Zhongnan also announced the end of the party.

All the guests also started to leave, returned to the hotel room, and went back to rest.

Mark also felt a little tired, and had to return to Vietnam tomorrow, so he got up to go back to rest.

"Mr. Chu, really don't think about it anymore?" Nakai Hiroichi didn't seem to give up, he still asked after Mark.

But how could Mark agree?

"Thanks to King Tai for your kindness."

"However, I am used to walking alone, and I am not interested in joining any organization for the time being."

Mark said, and went downstairs with Cynthia Chen and others, and returned to his residence.

“Brother Mark, Brother Mark, wait for us~” When Cynthia Chen and Mark were about to go downstairs, Professor An, who had been waiting not far away, hurriedly chased them.

“Haha~” “Brother, awesome!” “Did you hide it?” “Worry us so much?” “Just now, we really squeezed a cold sweat for you.”

“Especially those people took out their guns. At the time, if it weren’t for Ahui to stop him, I would be ready to rush out and block the gun for you.”

Liang Haonan laughed and got close to Mark again and again.

“That’s right.”

“You made us worry to death?” “But Nan Nan, your boyfriend is too bad, he is so powerful, but he lied to us that he was a hillbilly.”

“Think about it, too, like Nan Nan, you are so arrogant. Girl, how could the man you like be a mean countryman?” “Actually, at first glance, I knew that my brother-in-law is extraordinary.”

Kong Hui also ignored Mark before changing. Attitude, smiling.

Finally, even the brother-in-law shouted.

“Haha~” “So, Nan Nan has a unique vision.”

“We all looked away.”

Professor An also laughed.

At this moment, the enthusiasm of these three people, where is the slightest neglect and disdain for Mark before.

However, Mark didn’t even look at the three people who came after him.

With Cynthia Chen, he turned his head and walked towards the stairwell.

“This~” “This~” Hot face put a cold ass, Kong Hui and the three masters and apprentices were just left hanging there, no matter how embarrassing they were, there would be embarrassment.

“Damn!” “What’s the matter?” “Ignore Miss Ben?” “Huh, what’s the bullshit?” “Isn’t it just Mr. Zhongnan who ate a meal with him?” “He who can see it?” “The tail goes up to the sky? “But, no matter how good you are, you still don’t live in a workplace where people live at night?” For the first time, Kong Hui gritted her teeth with anger, and stomped her jade feet, complaining in a low voice.

Liang Haonan hugged her waist, and comforted: "Okay, Nan Nan, don't be angry."

"He's just a villain."

"What do you know about him?" "It happened that he ignored us, originally I was still Are you planning to ask someone for a room for him?" "Now, let him continue to live in his workshop."

Liang Haonan also smiled triumphantly.

However, just as they talked, Abe Zhongnan noticed that Cheng Yefan and their elevator were going down.

## Chapter 1904

"Huh?" "Mr. Chu, don't you go upstairs?" "Why are you still going down?" Abe Zhongnan asked immediately when he noticed the strangeness.

In this hotel, the higher the floor, the higher the room specifications.

The living room in front of me is on the fifth floor, and below the fifth floor, they are basically standard rooms.

Above the fifth floor is the luxurious suite.

Mark replied, "My room is on the first floor, so naturally I have to go down."

What?

"First floor?" "Isn't that a workshop where only the staff live?" Abe Zhongnan was surprised when he heard this.

Then he turned his head and stared at the assistant beside him.

"What's going on?" "I asked you to arrange the room, how did you arrange it?" "Mr. Chu, such as distinguished guests, did you arrange to live in a workplace?" "I think you don't want to live anymore?" Abe Zhongnan snapped Roaring, the assistant was so scared that his face was pale, his eyes were full of panic, and he apologized again and again.

"I'm sorry, it's because of my negligence at work."

"I will change Mr. Chu to the luxurious private room on the sixth floor."

"The sixth floor?" Abe Zhongnan stared, "How is the sixth floor enough? Change to the Supreme Suite on the ninth floor."

“Yes, the subordinates will do it.”

Soon, the subordinates went to make arrangements.

And Mark followed Abe Zhongnan to the ninth floor.

But Cynthia Chen did not follow. After all, the room was prepared for Mark, so she naturally did not dare to follow.

“Huh?” “Nan Nan, why are you standing there?” “Come with me.”

Nothing to be polite, since Abe Zhongnan has prepared a better room for him, Mark naturally wouldn't refuse.

“Ah?” “Can I go, too?” Cynthia Chen suddenly panicked and asked in shock.

Even the noble son Liang Haonan lived in only the third floor.

Cynthia Chen felt that he was qualified to live on the second floor.

“Miss Chen can really laugh.”

“You are Mr. Chu's woman. You can go where Mr. Chu can go.”

Upon hearing Cynthia Chen's words, Nakai Hiroichi and Abe Zhongnan both laughed.

At that time, Cynthia Chen's pretty face turned red with a sigh.

She shook her head to explain.

“Okay, Nan Nan, don't refuse, just go.”

Mark pulled Cynthia Chen directly and took her upstairs.

Seeing Cynthia Chen and the others leaving, Kong Hui and others, their jealous eyes were red.

Where they live, but only the third floor room.

But Mark and the others, in one step, moved directly to the Supreme Suite on the ninth floor.

This is not just a question of whether the room is luxurious or not, but the gap between status and status.

The third floor and the ninth floor seem to be separated by only the sixth floor.

But perhaps, this gap will be insurmountable for Kong Hui and the others in their lifetime.

Thinking of this, Kong Hui's heart is undoubtedly more uncomfortable.

She clenched her palms, her heart was burning with jealousy.

"Damn!" "What kind of shit luck did Cynthia Chen take?" "In school, rich and young like Han Shaojie like him, and Teacher An also favors her."

"Now, I thought she had handed it in."

The boyfriend is a hillbilly, but he turned into a gangster for Abe Zhongnan as a guest?" "It's also a woman, why is her life so good?" "Cynthia Chen, could it be that the heroine in the novel failed? Kong Hui gritted her teeth, jealousy in her brows and eyes.
