

The One and The Only Chapter 191 - 200

Old Town, police station.

Police officer Xiao Qiang pointed to the surveillance screen and said to Yash Nics and Dong

Tianbao: "We have investigated the video of the Emgrand Nightclub.

This person knocked

out the nightclub waiter. Then he pretended to be a waiter and entered the box and gave

Ergou and the others drinks.

" According to the preliminary forensic assessment, Ergou died of poisoning. Our police

suspected that this person was the murderer."

Yash Nics said lightly, "Can the identity of this suspect be found?"

Xiao Qiang shook his head: "We took the suspect into action." Face recognition, but there is

no information about this person in our police database. It is estimated that it is a dark

household."

Yash Nics nodded, and then left the police station with Dong Tianbao.

After coming out of the police station, Dong Tianbao couldn't help but say: "Master, who is

going to do something secretly?"

Yash Nics said lightly: "It shouldn't be the enemy forces from abroad, nor the hostile from

the north who don't want to see me. Power. Because if it were them, there would be no such

pediatrics."

Dong Tianbao knew that Yash Nics's true identity was the marshal of the Northern Army,

who had destroyed countless foreign enemies who had invaded the territory of the country.

There were countless enemy forces overseas who wanted Yash Nics to die. This is normal.

Moreover, Dong Tianbao also knows that in the north, there are many big figures who have

different ideas from Yash Nics, and they antagonize Yash Nics everywhere. These people

probably wish Yash Nics died.

However, Yash Nics was right. If the people behind this time were foreign enemies or hostile forces in the north, they would certainly not make such a small move. From this, it can be judged that the people who are behind the scenes this time should be people from Mannity or the South.

Then, the answer is almost ready.

It is very likely that Yash Nics has offended Zhu's family recently. Zhu's family is known as the four courtyard pillars in the south of the Yangtze River, and is quite powerful in the south.

Yash Nics dismissed Zhu Jiuling. Presumably, Zhu Jiuling and the Zhu family could not swallow this breath. It is also foreseeable that they want to retaliate against Yash Nics.

Dong Tianbao squinted his eyes and said, "The Zhu family is really crazy!"

Yash Nics said lightly: "If the Zhu family did it, it may be difficult for you and the police to find out what happened. I will notify the Dian of this matter. Chu, let him check."

"If it is determined that the Zhu family is playing tricks, then the Zhu family will be removed from the southern giants."

Dong Tianbao: "Yes, master!"

... When

Yash Nics returned home, It's already past 11 o'clock in the evening.

Song Pingting and her daughter have already fallen asleep.

Ever since the safety accident occurred on the construction site, Song Pingting has been

distraught and hardly closes her eyes all night.

Now the situation of the security incident is finally under control, just waiting for the results of the investigation team.

Song Pingting was also a little relieved, and she was already asleep at this time.

Yash Nics opened the door lightly, and Song Piating on the bed also muttered: "Yash Nics!" Yash Nics was surprised. He moved so lightly, did he wake Song Piing up? However, he immediately discovered that Song Pingting changed to a more comfortable sleeping position and continued to sleep soundly. It turned out that she was just dreaming! The corners of Yash Nics's mouth rose slightly, and Song Pingting called out his name in her dreams. It seems that she already has a touch of affection for him in her heart? Yash Nics looked at Song Pingting's sleeping pretty face, his eyes fell on her blushing lips, he possessed and kissed gently, and then softly said goodnight to his wife. Then she lay down beside Song Pingting and her daughter, and closed her eyes warmly to sleep. The next day, after having breakfast, Yash Nics drove her daughter to Zhu Lifeng's chess house to learn Go. Song Pingting went to Ningda Company to deal with compensation for injured workers. Soon after Song Pingting came to the company, the investigation team of the Emergency Management Bureau came. It turned out to be investigating the cause of the accident, and preliminary results have been obtained. Song Pingting took a group of company executives and received the investigation team in anxiety. In the reception room, Liu Hongbo, the leader of the investigation team, indifferently threw an investigation report on the table.

He said coldly to Song Pingting: "According to our investigations these days, we found a

safety accident in Haitang Square. It was completely caused by your company's inadequate safety management and negligence in facility management."

The One and The Only Chapter 192

This result was actually expected by Song Pingting and the Ningda company executives.

After all, there is a safety accident on the construction site, and the person in charge of Ningda Company can only bear the responsibility, and Song Pingting is mentally prepared.

She looked at Liu Hongbo, who was particularly indifferent, and said frankly: "Leader Liu, it is my responsibility and I will not shirk it."

"Our company has prepared a compensation plan for injured workers. Our company will definitely do a good job in the aftermath. Fight for it. Calm the turmoil and resume work as soon as possible."

Liu Hongbo said with a sneer: "Resumption of work, I think you are thinking too much. The result I gave you is to compensate the workers, and the construction site will be suspended indefinitely for rectification."

Indefinite suspension of work for rectification!

Song Pingting and a group of executives from Ningda Company were dumbfounded.

A safety accident occurred at the Haitang Plaza construction site this time, injuring dozens of people, but no one was dead.

Say big or not, say little or not.

Generally speaking, this kind of thing also has a responsible person in the relevant company, and the compensation for workers is clear, and it is over.

The Emergency Management Bureau usually does not impose excessive penalties on related companies.

After all, there is no minor accident at any construction site, as long as the problem is

solved.

However, now Liu Hongbo even said to let Ningda Company suspend work indefinitely for rectification.

Song Pingting hurriedly said: "Leader Liu, Begonia Plaza is a key infrastructure project in the city. It will be suspended indefinitely for rectification, which will seriously affect the progress of the project..."

Liu Hongbo sneered, "Don't worry, I will give our director at the same time, and Relevant leaders in the city, submit a proposal."

"I will suggest that the city leaders ban the cooperation with your Ningda Company and replace them with other companies to take charge of the Haitang Plaza project. Because your Ningda Company is not qualified!"

Song Ping Ting Qiao's face changed again, and she tremblingly said, "Leader Liu..."

Liu Hongbo had already stood up and snorted coldly: "Okay, do it yourself!"

After speaking, he took several of his investigating team men and left in a big stride.

Song Pingting's pretty face was pale, and she felt that the sky was about to collapse.

Just when Song Pingting and the Ningda company executives felt that the sky was about to fall, Yash Nics came in from the outside at this time.

Yash Nics frowned slightly when he saw everyone's appearance: "What's the matter?"

Song Pingting told Yash Nics what had happened just now. Yash Nics was a little surprised

and said, "There were no dead people in this safety accident. It can only be regarded as a

very ordinary accident. The accident. The handling of the investigation team of the

Emergency Management Bureau is a bit too harsh."

Yash Nics narrowed his eyes: "Isn't this Liu Hongbo deliberately targeting our company?"

Song Pingting hesitated and said in a low voice, "It is said, Grandpa, they heard that the city leaders wanted to replace our Ningda company and transfer the project to other companies.

This rumor came from Liu Hongbo."

Yash Nics picked up the report of the investigation team on the desktop and looked through it. a bit.

He saw the investigation report stating that the cause of the accident was caused by Ningda's negligence in management, and ordered Ningda to rectify indefinitely.

Yash Nics couldn't help but sneered. This investigation team was really a jerk.

The real cause of the accident has not been investigated clearly, but instead made a fuss and punish Ningda Company.

Yash Nics said to Song Pingting and others: "

Leave this to me. I will personally discuss with the head of the Emergency Management

Bureau." After speaking, Yash Nics left the reception room and went to his independent office.

Yash Nics didn't hold a real position in Ningda Company, only the title of chief consultant,

Song Pingting prepared an independent office for him.

Yash Nics took out his cell phone and called Zun Zhou

Ruoshu of Mannity City: "Who is in charge of the Emergency Management Bureau?" Zhou

Ruoshu hurriedly replied, "It's Chen Youliang!"

Yash Nics said indifferently: "Let him come to Ningda Company to see me immediately, so

I'll ask him to drink tea!"

After speaking, Yash Nics hung up the phone.

Chen Youliang, the director of the Emergency Management Bureau, received a call from

Shizun. He was instantly excited when he heard that Yash Nics was going to invite him to drink tea.

He immediately took a can of treasured tea leaves, and then asked the driver to prepare the vehicle and hurriedly rushed to the Ningda Company.

He is excited!

He is one of the few people in Mannity who really knows Yash Nics's identity. What a

privilege to be able to drink tea with the North Marshal!

Unfortunately, what he didn't know was that sometimes tea is not necessarily a good thing.

The One and The Only Chapter 193

Just after Yash Nics finished the phone call, Song Pingting knocked on the door and came

in.

Song Pingting's pretty face was full of sorrow. She came in to persuade Yash Nics not to be

impulsive.

Liu Hongbo, the head of the investigation team of the Emergency Bureau, has deliberately

targeted Ningda Company.

If Yash Nics is impulsive and runs to the emergency management director Chen Youliang to

reason. If Chen Youliang is also offended, then Ningda Company will be completely

pornographic.

Yash Nics smiled and said: "It's too late, I have called Chen Youliang."

Song Pingting opened her eyes wide, "Ah, what did you tell him?"

Yash Nics smiled lightly: "It's nothing. That is to ask him to come over for tea, and by the

way talk to him about the theoretical investigation team about our company."

Song Pingting almost fell when she heard Yash Nics's words.

She wanted to cry without tears: "Yash Nics, you really...Forget it, I still think of a way to

remedy it and apologize

to Director Chen personally." Song Pingting hurriedly wanted to order her subordinates to

prepare vehicles and go to Chen Youliang. apologize.
But at this time, her secretary Lin Wei hurried over and said anxiously,
“Mr. Song, the people
from the Emergency Management Bureau are here again.”
Song Pingting was astonished: “Is it possible that it is Team Leader Liu .”
He went and
returned?”
Lin Wei shook her head: “It’s not Liu Hongbo, it’s Chen Ju. He came in
person and said that
Mr. Yash invited him to drink tea.”
Song Pingting was shocked, she thought Yash Nics angered Chen
Youliang. , Chen Youliang
came to Xingshi to inquire about the crime.
She was so scared that she quickly took Lin Wei out to meet Chen Ju.
Song Pingting had just arrived in the public office area of Ningda
Company, and saw a
bloated middle-aged man with a box of tea in his hand. He smiled and
asked the people
around him: “Where is Mr. Yash?
Where’s the sir?” This man is really Chen Youliang!
Song Pingting hurriedly
greeted him : “Hello Chen Ju, I didn’t expect you to be here.” Chen
Youliang saw Song
Pingting and immediately smiled: “Mr Song, where is Mr. Yash?”
Song Pingting bit his head. Said: “Chen Ju, my husband was talking on
the phone just now.
Something may have offended you. I apologize to you, you must not
care about him.”
Chen Youliang blinked, “Offend? Apology? Haha, I’m afraid. Mr. Song,
you misunderstood. I
really came to accompany Mr. Yash to drink tea. You see I brought all
the tea.”
Song Pingting and the company employees around them were
dumbfounded when they
heard Chen Youliang’s words.

Half an hour ago, Liu Hongbo of the Emergency Management Bureau
came and announced
in a fierce manner that the Ningda Company would rectify indefinitely.

But now, the Chen Bureau of the Emergency Management Bureau is holding tea leaves and drinking tea with Yash Nics?

What's the situation?

Chen Youliang was anxious to see Yash Nics and asked again: "Mr. Song, where is Mr.

Yash?"

Song Pingting couldn't understand how Yash Nics did it. Why did Yash Nics make a phone call and Chen Youliang came here respectfully.

She said with difficulty: "He is in the office over there, Chen Ju, please come with me." Soon, Song Pingting took Chen Youliang to Yash Nics's office.

If Chen Youliang sees the principal, he will be excited and anxious, and say nervously: "Mr.

Yash, I am Chen Youliang of the Emergency Management Bureau. I heard that you invited

me to drink tea, and I came here quickly, which I brought specially. Tea."

Chen Youliang finished, and put a box of Tieguanyin treasures in his hands on the desk in front of Yash Nics.

Yash Nics stood up, shook hands with Chen Youliang, and smiled and said, "Chen Ju, you

came just right. Our company has doubts about the results and handling of your

investigation team. So please come over, and I want to hear your own explanation."

Chen Youliang didn't expect Yash Nics to shake hands with him. He was flattered and said

excitedly: "Okay!"

Yash Nics asked Chen Youliang to sit down, and Song Pingting personally used the tea that

Chen Youliang brought to make tea.

Soon, Song Pingting put two cups of tea in front of Yash Nics and Chen Youliang.

Chen Youliang sat in a precarious manner, he asked Yash Nics with a loss of caution: "Mr.

Yash, I went to the municipal party committee for a meeting in the morning. I haven't read the investigation report of the investigation team. I don't know, what's the problem?"

Yash Nics picked up what Liu Hongbo left behind. The investigation report was handed to

Chen Youliang, and he said lightly: "No hurry, you read it first before speaking."

The One and The Only Chapter 194

Chen Youliang picked up the report and scanned it quickly through ten lines.

The results of the previous investigation were good, and when Chen Youliang saw that the treatment was done, it would be rectified indefinitely.

His face changed suddenly, he was shocked and angry, and he was scolding his mother: Liu

Hongbo, you are a dog, such a small construction site accident. The way you dealt with it

was to rectify indefinitely. Everyone can see that you are in it. Target it!

Moreover, the targeting was also targeted at Yash Nics's wife's company.

You're so fucking tired of life and want to die, but don't hurt Lao Tzu!

Chen Youliang was so angry that he scolded Liu Hongbo's ancestor for the eighteenth

generation in his heart.

He said to Yash Nics and Song Pingting: "Mr. Yash, Miss Song, don't worry, Liu Hongbo's

handling of your company is too excessive. If there is suspicion of abuse of power, I will

deal with this matter seriously."

Yash Nics said lightly. "I'm afraid that not only is he abusing his power, but his investigation

report is also problematic."

Chen Youliang and Song Pingting were at a loss. Chen Youliang asked, "Is it possible that

the accident on the construction site was not caused by negligence in management?"

Yash Nics took out his mobile phone. A video was shown to Chen Youliang and Song Pingting. This video was captured by a private camera at a small shop near the construction site.

In the video, a tall and thin man climbed over the fence and sneaked into the construction site.

It didn't take long for the tower crane on the construction site to rumble down. The man

hurriedly stepped out of the wall and slipped away sneakily.

Yash Nics explained: "This guy is called Ergou. Now I got clues from the police. This person is suspected of causing the accident. But it is a pity that when the police and I found him, he was silenced."

Song Pingting's eyes widened: "No wonder the tower crane on the construction site has

accidents. It turned out to be man-made. Someone framed us."

Ning nodded, then looked Chenyou Liang, cold, said: ".. Responsible for the investigation

team Liu Hongbo, not only did not fulfill its responsibility, clearly failed to investigate cause

of the accident he also abuse of power, oppression we rather large company"

"This I hope that Chen Ju will give me an explanation today." Chen Youliang was sweating

profusely. He didn't expect that in this safety incident, someone deliberately framed Ningda

Company.

Even more unexpectedly, Liu Hongbo was so inaction, and even targeted Ningda Company.

He kept saying: "Don't worry, Mr. Yash, I will call Liu Hongbo, take it seriously, and give you a satisfactory explanation." After

he finished speaking, he took out his cell phone and called Liu Hongbo.

But he didn't expect that his mobile phone had a low battery.

As soon as I wanted to make a call, the phone was turned off.

Yash Nics took out his cell phone and said, "Call him with my cell phone.

This report has his

contact number.”

Yash Nics said, and dialed the contact number on the report. The reason why Liu Hongbo aimed at Ningda Company to take advantage of this safety incident to make Ningda Company pornographic was because he was instructed by the young master Zhu Jiuling. Zhu Jiuling promised that he could give him a sum of money after it was done.

In addition, you can also use Zhu’s network activities to increase his position.

Liu Hongbo was moved, so he agreed without hesitation.

Now, he was going to meet Zhu Jiuling, and he planned to take credit with Zhu Jiuling.

Suddenly received a phone call from Yash Nics, he sneered and said:

“Why are you calling me, are you dissatisfied with the result of the treatment, or want to ask me to intercede?”

“If you are dissatisfied, then you can only hold back. ;”

“If you want to ask me, then let your beautiful president wife come and talk to me. I only

want to talk to beautiful women, okay?”

Yash Nics’s mobile phone is on hands-free, Song Pingting heard When Liu Hongbo said

frivolously, his pretty face was full of shame and anger.

Chen Youliang was even more furious!

Yash Nics said coldly: “Hehe, listening to your tone, it seems that you are covering the sky with your hands in the Emergency Management Bureau.

I am afraid that

you won’t even pay attention to Chen Ju .” When the Secretary came to press me, I will tell

you that even he listens to me in the Emergency Management Bureau, and I have the final

say!”

The One and The Only Chapter 195

It turns out that Chen Youliang is not strong in business ability. He is good at being a leader.

For a lot of work, Chen Youliang listened to the opinions of Liu Hongbo and his subordinates.

Chen Youliang generally agrees to Liu Hongbo's suggestions.

This also led to the fact that many people slap Liu Hongbo's flattery in private. It is said that

Liu Hongbo is the real brother in the Emergency Management Bureau, and Liu Hongbo has the final say.

Over time, Liu Hongbo swelled.

On the surface, he was respectful to Chen Youliang, but he looked down on Chen Youliang

secretly, as if he was the owner of the emergency management bureau.

What Liu Hongbo did not expect was that as soon as his voice fell, an unusually angry voice

came from the phone: "Liu Hongbo, you are so bold!"

Boom!

Liu Hongbo heard the familiar roar from the phone, his whole body was as if being struck by

thunder, his scalp was numb.

His triumphant expression froze, and then showed a frightened expression, and said with a

trembling: "Chen, Chen

Ju?" Chen Youliang was full of anger and said angrily: "Is the director in your eyes?"

Liu Hongbo was about to cry. "Chen

Ju, listen to my explanation. It's this bastard named Yash Nics. He deliberately put me

along..." Chen Youliang was even more furious when he heard Liu Hongbo's words, and

cursed: "Shut up for me!"

"You There were serious errors in the investigation results and serious negligence of work.

Also, your handling of Ningda Company was suspected of abusing power."

“In view of your many problems, I decided to expel your position and transfer you to the reporting department. Investigate and deal with it, so please do it for yourself!”

Hearing Chen Youliang’s words, Liu Hongbo knelt on the ground weakly. There was despair in his eyes, and when it was over, he was completely finished.

...

At that time!

Jiangnan Fishing Village, Mannity’s most famous seafood restaurant. Yash Nics and Song Pingting’s family chose to have a seafood meal here in order to

celebrate the smooth passing of the company’s crisis.

Ma Xiaoli is not used to eating in the box, she prefers to live in the crowded hall.

So Yash Nics found a place in the living room, the family sat down, ordered a table of

sumptuous seafood, and enjoyed dinner happily.

But what they didn’t know was that at this moment, in the box, a man in a white suit was

looking at their family with a gloomy look.

This man in a white suit is no one else but Zhu Jiuling.

Zhu Jiuling looked at Yash Nics’s family who were having dinner outside the hall through the

one-way perspective glass of the box.

He didn’t expect that he had recently made so many small actions behind his back and

created so many disasters that Yash Nics and Song Pingting would all resolve them one by

one.

His mouth slightly higher, sneer and said: “Oh, it seems I really underestimated you both.”

“But

it was just easy if you put the two killed, but let me lose a lot of fun.”

On At this moment, a handsome man wearing a black Armani suit, with two entourages, opened the door and walked into the box.

As the man in the black suit came in, he frowned and said, "Shao Zhu, why did you choose such a low-grade place to eat?" When Zhu Jiuling saw the man in the black suit, the sinister expression on his face was gone, replaced by a smile, laughing. Said: "Lu Shao, you can count it, don't look at the decoration here, but the taste of the restaurant is still okay."

It turned out that this man named Lu Shao is not someone else, he is one of the four courtyard pillars in the south of the Yangtze River. The son of the family, Lu Qingyun.

The One and The Only Chapter 196

Although both the Lu family and the Zhu family are one of the four pillars in the south of the Yangtze River, the Zhu family's power mainly involves the southern underground circle, relying on gray business to make money.

The Lu family is a financial crocodile in the south. At the same time, many family members of the Lu family hold high positions in the armed forces of southern cities.

The status of the Lu family is even more prominent than that of the Zhu family. Therefore, Zhu Jiuling, who is always unparalleled, must be polite when meeting Lu Qingyun.

After Zhu Jiuling and Lu Qingyun sat down, Zhu Jiuling snapped his fingers and ordered the waiter to serve.

Immediately, all kinds of top-quality seafood were served continuously. Zhu Jiuling also opened a bottle of white wine worth 100,000 dollars to drink with Lu Qingyun.

Lu Qingyun and Zhu Jiuling both grew up and grew up together and had fun together.

Lu Qingyun also just learned about the fact that Zhu Jiuling was dismissed recently.

Lu Qingyun said regretfully at this time: "Zhu Shao, a boss in the entertainment industry prepared me a pair of twin beauty stars, and I was thinking about asking you to fight together. I didn't expect you to encounter the misfortune of a man. It's a pity!"

Zhu Jiuling has hated others for mentioning it the most since Yash Nics's life was abolished.

Although he knew that Lu Qingyun was not malicious, he still felt uncomfortable in his heart.

However, he looked as usual and smiled and said: "Yes, I miss the days when I had

sex with you. I'm not doing it anymore, but do you know that you are a lover, can you still do

it?" Lu Qingyun usually prides himself on being romantic. The love saint said to himself, he

smiled and said, "You can rest assured, Shao Zhu, I haven't pulled my hips before in picking

up girls and playing with women."

Zhu Jiuling took the opportunity to say, "

Should we take a gamble?" Lu Qingyun was surprised: "What are you betting on?" "

I wish Jiuling, pointing to the hall outside Song Painting was having supper with his family,

smiling, said: "To see the beauty that there is no "?

When Lu Qingyun saw Song Pingting, he immediately opened his eyes:

"Hey, this woman is

the best!"

Zhu Jiuling said with a smile: "Dare you gamble with me and see if you can use your skills

as a lover." Go and touch her ass. If she doesn't slap you, then I will lose."

Lu Qingyun laughed and said: "Pediatrics, what is the bet?"

Zhu Jiuling said lightly: "If you lose, you will save it. The McLaren P1 that I lost to me; if I

lose, the Ferrari Raphael in my garage is yours."

Lu Qingyun smiled and said: "So you miss my McLaren, but this This time you are

determined to lose, and your Raphael will soon be mine!"

At this moment, Song Pingting in the lobby just got up and walked towards the bathroom.

Lu Qingyun said to Zhu Jiuling, "Look if I tease her!"

After that, Lu Qingyun walked out of the box and followed Song Pingting. Zhu Jiuling looked at Lu Qingyun who was going to molest Song Pingting, the corners of her mouth were slightly raised, and an imperceptible sneer flashed in her eyes.

Song Pingting was walking towards the bathroom, and suddenly heard footsteps

approaching quickly behind her.

Out of the corner of her eye, she caught a glimpse of a man in a black suit who was chasing towards her.

What shocked her even more was that after the man approached her, he stretched out a hand and patted her ass.

She was shocked, did not wait for the palm of the other person to fall, she dodges all of a

sudden, and said with anger and anger: "What do you want to do?"

The One and The Only Chapter 197

Lu Qingyun didn't expect Song Pingting to be so vigilant, and he secretly cried out inadvertently.

However, he did not panic. Instead, he smiled and took out a wallet, and said to Song

Pingting, "Miss, I just saw a wallet on the ground behind you. I want to come over and ask if you dropped it?"

Song Pingting looked at the sincere appearance of the other party, suddenly unable to tell

whether the other party was a hooligan or an enthusiastic citizen.

She was surprised and said: "This wallet is not mine."

Yash Nics walked over at this moment and asked frowning: "Wife, what's the matter?"

Song Pingting shook her head and said, "It's okay, it should be a misunderstanding."

Song After Ping Ting finished speaking, she went to the bathroom first. Yash Nics looked at Lu Qingyun and said coldly: "You'd better put away your rogue tricks. If there is another time, you don't need this hand." Lu Qingyun looked at Yash Nics in shock. Someone in the south dared to talk to him like this?

Lu Qingyun anger rub on the table, squinting at Ning, awe-inspiring: ".. Do you know who I am, dare to threaten me in the South who dare rude to me, no good end,"

Lu As soon as Qing Yun's words fell, his two bodyguards hurried over. While the two bodyguards stared at Yash Nics hostilely, they asked Lu Qingyun: "Young Master Lu, are you okay?"

Lu Qingyun said, "You two are here exactly right. This person dares to threaten me and you will cut him off for me. Hand, give a slight punishment."

"Yes, Shao Lu!" Lu Qingyun's two bodyguards, without hesitation, approached Yash Nics one by one, and said grinningly: "Boy, dare to offend us, Shao Lu, you It's dead."

Yash Nics didn't expect that this young man would be so arrogant that he would not be able to molest the good women, and he would dare to order his men to beat others.

His eyes were suddenly cold, his feet flew like lightning, and he hit two bodyguards.

With two bangs, the two bodyguards were kicked by Yash Nics and flew upside down. They fell heavily to the ground, their chests and ribs were broken, and they were seriously injured on the spot.

Lu Qingyun's eyes were round, and he couldn't believe that his two bodyguards, but they were hired with a high salary, were actually kicked over by Yash Nics with such two feet?

He looked at Yash Nics in horror

, and screamed inwardly : “You dare to hurt me, do you know who I am?”

“I am one of the

four pillars in the south of the Yangtze River, Master Lu, Lu Qingyun.”

“You It’s best to cut off one’s arm immediately and kneel down to beg for mercy, otherwise I

don’t know how I want you to die.” The

Lu family is in the south and has a great reputation . Lu Qingyun revealed the identity of the

Lu family and shocked Yash Nics.

After listening to Lu Qingyun’s self-reporting of his family, Yash Nics still had a calm face

and said indifferently: “You Lu Family, in my eyes, there is nothing !” What? !

Lu Qingyun looked at Yash Nics in disbelief. In the south, someone would dare to treat the

Lu family as nothing?

Yash Nics said coldly: “Let’s

talk about courtesy , you just wanted to break my arm, and now I break your hand, is it

reasonable?” Lu Qingyun lost his voice: “Dare you?”

Yash Nics did not answer. Action is the best answer. .

He shot directly and with a click, snapped Lu Qingyun’s right hand on the spot.

“Ah!”

Lu Qingyun’s screams resounded throughout the restaurant.

...

Not long!

Angel love private high-level hospital, inside the VIP ward.

Lu Qingyun’s fractured right hand, just after the operation, was hanging in a plaster bandage.

His face was full of anger, and it was the first time that the Lu family had suffered such a loss.

Zhu Jiuling and a few relatives of the Lu family who had arrived around the hospital bed

were filled with indignation over what happened to Lu Qingyun.

Among this group of relatives and friends, the highest status is Lu Qingyun's uncle, Huang Yuandong, head of the militia of the Ministry of Armed Forces of China. Lu Qingyun said to Huang Yuandong sadly: "Uncle, you have to call the shots for me."

Huang Yuandong nodded, "You were interrupted by someone in Mannity. If I don't call the shots for you, in the future, I didn't even have the face to see your mother when I went to the provincial capital."

Huang Yuandong turned around and told his son Huang Shaowei: "Your cousin was

interrupted by someone, you will handle it yourself."

Huang Shaowei also worked in the Ministry of Armed Forces of China Shipping. He is a militia company commander.

He said in a deep voice: "Dad, don't worry, cousin, I must teach the perpetrator severely, and

I must never let my cousin suffer a loss in Mannity."

Huang Yuandong waved his hand: "Go, revenge will not stay overnight, overnight stay is boring."

Huang Shaowei Answered yes, and then left with his subordinate Fan Hailong.

The One and The Only Chapter 198

arrived at the hospital parking lot, Huang Shaowei and the two got into a jeep.

He asked, "

Have you found out who is the guy who beat my cousin?" Fan Hailong replied, "I checked, it's a guy named Yash Nics!"

Huang Shaowei squinted, "What's the origin?"

Fan Hailong said: "His wife is the boss of Ningda Company. He has no job and is a soft rice

eater ." Huang Shaowei said coldly: "A soft rice

eater is so arrogant?" Fan Hailong explained, "It is said that he It has a close relationship

with Dong Tianbao in the underground circle of China

Overseas.” Huang Shaowei snorted coldly: “Dong Tianbao, it’s just a scorpion, it can be destroyed by a finger, what’s so arrogant.”

“You immediately call up a row of brothers, all in casual collection, Ready to go with me to clean up Yash Nics.”

Fan Hailong: “Yes!”

...

At 10 o’clock in the evening, stroll through the Cloud Restaurant at the Mannity Axis Building.

Yash Nics, Dianchu, Dong Tianbao, and Eight Huwei were drinking.

It turned out that today was Dong Tianbao’s birthday. After Yash Nics learned about it, he

called Dian Chu and the others over and had two drinks together, which was regarded as

celebrating Dong Tianbao’s birthday.

This made Dong Tianbao very excited and flattered.

The drinks on the table are the internal offerings brought by Dian Chu.

This kind of drinks is

so strong that most people can’t handle it.

After three rounds of wine, Dong Tianbao was already blushing.

Even Dianchu and Bahuwei are slightly drunk.

Only Yash Nics did not change his face.

Dian Chu suddenly remembered something at this time and said to Yash

Nics: “Master, you

asked me to investigate who is behind Ningda Company last night. I have found out.”

Yash Nics squinted his eyes: “Is it Zhujia?”

Dian Chu said in surprise: “Master, you know, why did you let me check it?”

Yash Nics said flatly, “Because I don’t want to make a mistake!”

Dian Chu told Dong. Tianbao and others heard the words and looked at each other.

They all realized that the Zhu family was the Ni Lin who touched the young marshal this

time, and the young marshal was determined to smooth the Zhu family.

At this moment, there was a fierce noise at the entrance of the restaurant.

Yash Nics frowned slightly and looked at the door of the restaurant: "Did something happen?"

Dong Tianbao stood up and said, "Master, you continue to drink, I will go over and take a look."

After that, Dong Tianbao strode towards the door of the restaurant. , The hand standing in the restaurant immediately followed.

Dong Tianbao brought a group of people down to the entrance of the restaurant and saw Shi Qing and more than a dozen of his men confronting another group of people.

There are more than 30 people in this group. Everyone is wearing a uniform black vest and camouflage pants.

Dong Tianbao frowned and shouted: "We are walking through the Yunyun Restaurant and it is still being decorated. We will not accept any guests during this time. Why are you coming to my restaurant to make trouble?"

Huang Shaowei sneered and said, "We are not here to eat and drink. We are here to find people. Good dogs don't stand in the way, get out of the way."

Dong Tianbao has followed Yash Nics all these years. As a guard of Yash Nics, he is very arrogant. He heard Huang Shaowei say that he is a dog. It's going to happen in an instant.

However, he noticed that Huang Shaowei's gang had a vague military style, so he held back

and said with a calm face, "Who are you looking for?" Huang Shaowei raised his face and said, "It's called

Yash Nics." Get out and die." As soon as his words fell, Yash Nics came out with Dianchu and Bahuwei.

The corners of Yash Nics's mouth rose slightly, and he said with a smile, "Who is looking for me?"

Huang Shaowei looked at Yash Nics, and said coldly: "You are Yash Nics who interrupted my cousin's arm? Very good, you are honest. Follow us, or do we interrupt your hands and feet and drag you away like a dead dog?"

The One and The Only Chapter 199

Yash Nics heard the words and understood the origin of these people. It turned out to be for the dude disciple this afternoon.

He said faintly: "I see your style, I can guess your true identity. Your background saved you, and now you get out of here immediately. I will not pursue your offense."

Huang Shaowei didn't expect Yash Nics to be able to guess them. He was born, but he was amused by Yash Nics's words.

He laughed wildly: "Haha, it seems that you have not figured out the situation. Now we are not willing to forgive you, not you let us go." After

he finished speaking, he waved his hand: "Brothers, take Yash Nics down, It's smashed here.

Anyone who dared to resist, interrupt their hands and feet!"

"Yes!"

Fan Hailong and his subordinates behind Huang Shaowei shouted together.

Huang Shaowei is very confident about the strength of his subordinates. He felt that if Yash Nics and Dong Tianbao dared to fight head-on, it would be an egg against a rock.

Seeing Huang Shaowei's arrogance, Yash Nics coldly commanded: "I don't have much skill, and my temper is not bad. Dian Chu, Tian Bao, give them a lesson!"

"Yes!"

Dian Chu and Dong Tianbao responded in unison, leading the way. The Eight Tigers and Shi

Qing and other subordinates greeted the enemy together.
Both sides pounced aggressively, and they fought together in an instant.
The screams and the smell of blood spread instantly in the restaurant.
Huang Shaowei thought this battle was a unilateral slaughter.
But the battle situation in front of him stunned him.
This battle was a unilateral slaughter, but it was not that they
slaughtered their opponents,
but their opponents slaughtered them.
Seeing that just now, the dozens of his subordinates screamed and were
knocked down.
A close charge, tens of seconds.
All of Huang Shaowei's men were lying on the ground.

He couldn't wait to stare out his eyes, unable to believe that the scene
before him was real.
These subordinates of him are not the opponents of Dong Tianbao and
the mob. They are
so trivial to lose?
Dong Tianbao and Dianchu looked at the only remaining Huang Shaowei
with unkind eyes,
and asked with an awkward voice: "Master, what should I do with this
fellow?"
Yash Nics said calmly, "His cousin threatened to interrupt me. Hands and
feet, I broke his
cousin's arm, and he treats him equally." As
soon as Yash Nics's voice fell, Dong Tianbao had already taken a shot.
Huang Shaowei subconsciously threw his fists to fight, but compared
with Dong Tianbao,
who was a former guard of Yash Nics, his skill was far behind.
Dong Tianbao swiftly grabbed the fist thrown by the opponent, and then
squeezed hard.
With a click, Huang Shaowei's arm was directly broken.
"Ah!"
Huang Shaowei's screams sounded, particularly stern.
...
At this time!
Angel love private hospital, inside the VIP ward.
Huang Yuandong, Zhu Jiuling and others were also accompanied by Lu
Qingyun.

Huang Yuandong comforted Lu Qingyun and said, "Qingyun, you don't have to be angry. Your cousin has already taken someone to clean up Yash Nics, and there will be news soon." As soon as

his voice fell, the door of the ward was slammed open, alone. It was Huang Shaowei who stumbled in.

Huang Yuandong scowled, and taught his son: "What kind of decent is frizzy. Didn't you go

to avenge your cousin and teach Yash Nics, how is the matter going?"

Huang Shaowei gritted his teeth and said: "Dad, I was beaten!"

Huang Yuandong said in shock: "Who did it?"

Huang Shaowei pointed to his right arm, which he couldn't lift up, gritted his teeth and said:

"Yash Nics instructed Dong Tianbao to do it. The dozens of men I brought were all injured.

Like my cousin, my hands were interrupted by them."

Huang Yuandong was furious and shouted: "Tell my deputy Lu Dachun to immediately

summon the team and arrest the perpetrator."

"Yes!"

The One and The Only Chapter 200

Yash Nics, Dianchu and Bahuwei came out of the Mannity Axis Building.

Yash Nics walked to his BMW car and was about to drive home by himself. At the same

time, he told Dian Chu, "Look back and check which department the guys belong to, and say

hello to their superiors. Lest their superiors don't know the situation. It's a big mess, it

doesn't look good to spread it out."

Dian Chu said in a deep voice, "Yes!"

Yash Nics got in the car and drove home.

When they got home, Song Pingting's family had already fallen asleep.

Yash Nics first went to take a bath, and then soaked the hangover tea.

Prepare a cup of tea to soothe the alcohol, and then go back to the room to rest.

But what he didn't expect was that he received a call from Shi Qing for help before he finished drinking a cup of tea.

It turned out that Yash Nics, Dianchu and Bahuwei had just left not long. There was a guy named Lu Dachun, with a battalion of reserve soldiers, surrounded by the wandering clouds with murderous aura.

Dozens of Dong Tianbao's subordinates were all beaten to death.

Even Dong Tianbao himself was pointed at the head with a gun by Lu Dachun, beaten to death by Lu Dachun's men, and then taken away.

Shi Qing escaped because he happened to go to the toilet.

Shi Qing was crying in her voice at this moment: "Master, Brother Bao was taken away by people from the Armed Forces

Department, and maybe his life will be lost, what should I do now?" Yash Nics did not expect

these guys to be so arrogant. And the speed of revenge is so fast.

He said to Shi Qing, "Don't worry, I'll pick you up and go with you to save Tianbao."

Yash Nics finished speaking, picked up the car key, and went out again.

Soon, he drove to the Mannity Axis Building and picked Shi Qing on the bus.

Immediately after that, he drove straight to the Armed Forces Department, and did not

forget to call Dian Chu on the way.

Not long after, Yash Nics and Shi Qing had already arrived at the armed forces.

There were two sentries standing guard at the door. When they saw Yash Nics and Shi Qing,

they shouted: "What do you guys do!"

Yash Nics squinted his eyes, looked at the two sentries, and said coldly:

"I am Chen. Ning,

let your highest-ranking leader come out to see me."

Seeing Yash Nics's imposing manner, the two sentinels were surprised and a little bit unsure

of Yash Nics's background.

So, one of the sentries immediately ran into the compound and reported to the leader on duty.

The head of the Armed Forces Department is Li Feipeng, Master Li. But Li Feipeng is not here tonight, and the leader on duty is Huang Yuandong.

In the hall, Huang Yuandong was sitting upright.

Lu Qingyun and Huang Shaowei were both wearing plaster bandages on their right hands, standing on both sides of Huang Yuandong.

Zhu Jiuling, Lu Dachun, and more than a dozen soldiers stood around the hall.

And Dong Tianbao stood in front of Huang Yuandong and the others, covered in blood.

Huang Yuandong looked at Dong Tianbao indifferently, and asked his son: "

Shaowei, he interrupted your arm?" Huang Shaowei said bitterly: "He is the one who did it, and Yash Nics is the one who instigated him."

Huang Far East turned his head and ordered Lu Dachun: "Take someone to arrest Yash Nics, and vent your anger to my son's nephew tonight."

Lu Dachun was just about to take the order, and suddenly a sentry came in hurriedly from

outside: "Report, come outside. There was a guy who claimed to be Yash Nics."

Huang Yuandong heard that Yash Nics had come by himself, and he sneered: "Oh, I was

about to arrest him. I didn't expect him to come here by himself and bring him in."

Not long after, Yash Nics and Shi Qing came in.

Seeing Yash Nics, Dong Tianbao's dying expression instantly revealed surprise and lost his voice: "Master!"

Seeing Dong Tianbao's miserable appearance, Yash Nics frowned slightly and nodded: "It's

okay, I'll take you to the hospital right away. Treatment." As

soon as Yash Nics's words fell, Huang Yuandong sneered: "You are hurting my nephew and my son, and Yash Nics who indulged my subordinates to hurt me in a queue?" Yash Nics looked at Huang Yuandong calmly. "Who are you?"

Lu Dachun next to Huang Yuandong shouted: "Laughter, blinded your dog's eyes. This is Huang Yuandong, head of the reserve officer of our Armed Forces Department, Lu Shao's uncle, and Huang Shao's father!"
