

# Chapter 1935– 1936 of A Dish Best Served Cold Novel

## Chapter 1935

That night, Chu Zhengliang returned to the family to meet the family elder.

In the Chu family, the power of the head of the family was restricted by the clan group.

In other words, as long as the elders of the Chu family unanimously pass certain decisions, it is Chu Zhenghong who disagrees and has nothing to do.

It is not accidental that the Chu family has been able to stand tall in the world of martial arts for so many years.

This kind of democratic system that restricts rights alone is undoubtedly much superior to the personal dictatorship of the Qiu family.

“What are you talking about?” “Zhenghong will automatically use his family power to fight the Japanese martial arts?” “Fuzzy!” “How can he make his own claim for such a major event?” “If it delays my Chu family’s hundred-year plan, he can bear it. Sure enough, in the Chu Family Conference Hall, after learning from Chu Zhengliang that Chu Zhenghong led a large number of powerful men to the Japanese massacre, the Chu family leaders were all furious.

Then, after deliberating in the family meeting, it was unanimously decided.

“To dismiss Chu Zhenghong as the head of the family, all family affairs will be presided over by Chu Zhengliang temporarily before Father Chu leaves the customs!” “In addition, he ordered Chu Zhengliang to carry out the Yunyang Order, go to Japan in person, and immediately recall the powerful Chu family. “And to make Chu Zhenghong, come back quickly to plead guilty!” Yunyang’s order is equivalent to a soldier’s talisman.

It has always been under the control of the Chu family’s clan group.

The order of Yunyang represents the will of the Chu family, and the priority is even higher than the will of the head of the Chu family.

Among the rules of the Chu family, it is the Patriarch of the Chu Family, who also bows to the Yunyang Order, which is the supreme thing restricting the power of the Patriarch.

In order to recall Chu Zhenghong, the Chu family even used Yunyang Ling this time.

It can be seen from this that how angry was the Chu family’s high-level leaders for Chu Zhenghong’s behavior?

In the end, Chu Zhengliang rushed to Japan in time and recalled the powerful Chu family before things got out of control.

At the same time, Chu Zhengong was ordered to return to the family immediately to apologize.

However, in the face of Chu Zhengliang's words, Chu Zhengong turned a deaf ear to any response at all.

Even the gaze that looked at Chu Zhengliang flashed with a strong chill and murderous intent.

“Huh?” “Brother, don't make my third brother embarrass me, please go back with me as soon as possible.”

“This is what the clan elder means.”

“You can not respect me, don't you still respect the family Is the clan elder?”

“Besides, you should know, eldest brother, what will happen if you disobey the Yunyang Order in the Chu Family?” Under the Winter Capital, Chu Zhengliang held the Yunyang Order and looked at the man in front of him with solemn eyes. , Quietly sounded.

However, in that tone, it was full of threats.

The most ruthless emperor!

The Chu family, as the family that controls the strongest martial arts power in the world, can be said to be the emperor's family in the martial arts world.

The struggle for power and profit is almost full of the history of the Chu family.

Even if the brothers meet now, there is no affection at all.

“Patriarch, let's go back~” “This action is indeed impulsive.”

Old Han was on the sidelines, repeatedly persuading him.

Mark had already been expelled from the Chu family after all, and his life and death had nothing to do with the Chu family.

Today, Chu Zhengong uses his family power because of his personal emotions. Chu Zhengong is the one who was at a loss.

Now stop the loss in time, everything has a turnaround.

Otherwise, Han was honestly worried, and Chu Zhengong would collapse with the Chu family.

This is undoubtedly cheaper for others.

Under the advice of Mr. Han, Chu Zhengong finally suppressed his murderous intent and anger.

He raised his head and looked at Chu Zhengliang in front of him.

“Third brother, your news is very fast.”

“I just started to know it on your side?” “Is someone telling you for help?” “My son’s Mark’s affairs, I am afraid that you can’t get rid of it. Is it related?” Chu Zhenghong asked coldly.

## Chapter 1936 Why Don’t You Die?

Chu Zhengliang’s expression changed slightly, but he pretended to be confused: “Mark?” “What Mark?” “Could it be that the older brother said that it was the abandoned son who was expelled from the Chu family by the old man?” Speaking of which, he is also my nephew.”

“What’s wrong with him?” “Is it something to do with him?” I have to say that Chu Zhengliang’s pretending is very similar, so there is no doubt.

But Chu Zhenghong’s expression remained cold: “Third brother, you better have nothing to do with this matter.”

“Otherwise, if you let me find out, the death of my son Mark is a gift from you. Then, don’t Blame me, Chu Zhenghong, disregarding brotherhood!” Senran’s words carried a complete chill.

The person who smelled it was terrified and shuddered.

It was Chu Zhengliang who couldn’t help but feel a little more disturbed.

Although he had known for a long time that his eldest brother still had his heart for the abandoned son, what Chu Zhengliang did not expect was that the wicked species born to that country woman would have such an important position in his elder brother’s heart.

In order to avenge him, he did not hesitate to violate family rules.

I would rather not be the master of the family, but also avenge the abandoned son.

Chu Zhengliang understands the temperament of his elder brother. He is a man of love. Once he touches his Ni Lin, the man in front of him will become the King of Yama.

Chu Zhengliang suddenly regretted it, maybe he shouldn’t have killed the abandoned son.

However, it is too late to say this.

The only thing he can do is to conceal this matter, while working hard to suppress Chu Zhenghong’s position of power.

After their father and son completely control the Chu family, Chu Zhenghong knew that he was the culprit who killed Mark, so what could he do?

In the end, Chu Zhenghong followed Chu Zhengliang and others and returned to the family to accept trial.

After the powerhouse of the Chu family left Japan, Sato let out a long sigh of relief, and the stone in his heart immediately fell.

“Mom, I finally left.”

“I thought, this time I’m going to die?” Sato was so excited that he almost shed tears.

However, Sato is not at ease.

He felt that those people were only retreating temporarily, and no one knew when they would make a comeback again.

He cannot put his life on the kindness of others.

“No, I have to find a way to protect myself.”

“Quickly, prepare a car, and follow me to the Sanshen Pavilion!” To deal with the martial arts powerhouse, naturally I still have to rely on the martial arts master.

So, Sato went directly to Dongjing to meet the master of the Sanshin Pavilion, Master Xuezhao.

Request to get snow photos asylum!

However, to Sato’s surprise, Xuezhao refused his request.

“Pavilion Master Xuezhao, I don’t understand?” “Why, why didn’t you save me?” “Then Brian Chu killed so many people in Japan, and how many powerhouses in the Sanshen Pavilion died under his hands.”

“Shouldn’t he kill him?” “I killed him, but also avenged you Sanshin Pavilion, and avenged the Japanese martial arts.”

“You don’t know if you are grateful for me, and now I even provide a minimum of shelter, Isn’t it okay?” “Why?” “Why?” “I’m just seeking asylum. Am I asking too much?” “Why are you not saving me?” Sato’s eyes were red, and he roared angrily, Questioned puzzlingly.
