

Noble Husband At the Door Chapter 195

In Nangong Qianqiu's eyes, there was just one grand son of the Hannigan family members. That was Han Jun, due to the fact that she could not endure a good-for-nothing surviving in the name of the Hannigan family members.

Today, Nangong Qianqiu came right here to see his precious grandson.

This was one of her month-to-month trips. Even if the sky broke down, it would not be able to stop her from coming to see Han Jun

. When among Cloud Dragon's individuals saw Nangong Qianqiu, he greeted her pleasantly and also stated, "Madam Hannigan, Mr. Han Jun has actually been waiting on you."

Nangong Qianqiu responded as well as strolled right into the Cloud Dragon without saying a word.

In the cell, Nangong Qianqiu saw Han Jun. Seeing the scars on Han Jun's face, she was so uncomfortable that she could not take a breath.

Han Jun had offended a great deal of individuals in the past, so after he was sentenced, he had suffered a lot of revenge. It prevailed for him to get attacked.

The old girl had already attempted her ideal to purchase some employees, she was still not able to prevent these things from happening. After all, the Hannigan family members had actually not yet gotten to the stage of being one of the most powerful one. That location was not the area of the Hannigan household.

" Grandmother, when will you save me? I do not want to stay in this damn area for a day," Han Jun stated.

Nangong Qianqiu allow out a long sigh. If Han Jun had not dedicated severe criminal activities as well as had actually not been placed into prison, she would certainly have had a whole lot of means to save him.

" My great grandson, you have actually experienced a lot. Grandmother likewise wishes to conserve you, but Grandma can't do it now," Nangong Qianqiu claimed with an excruciating face.

" Granny, are you going to view me squat below for 10 years? I intend to be at hand to care for you," Han Jun stated with rips streaming down his face. He resembled he was in pain.

" Granny really did not intend to consume or rest without you by my side, yet ..." Nangong Qianqiu wiped her rips. The pain for her had never revealed on Samuel. The old woman's prejudice was virtually extreme.

" Didn't you state that you would certainly allow that trash Samuel most likely to jail for me? I look precisely the like him. It's impossible for any individual to find out," Han Jun said excitedly.

Nangong Qianqiu did have such an idea in the past, and this concept came to her mind as soon as Han Jun was in difficulty.

The reason that she chose to give Samuel an opportunity later on was that Nangong Qianqiu might not ensure that she would certainly be successful. If something went wrong, the Hannigan household would come under the abyss and also would certainly never ever have a possibility to turn over.

But Samuel was a good-for-nothing. Just how could he take the responsibility?

In the eyes of Nangong Qianqiu, Samuel had constantly been ineffective. Even if he truly made some success, the old woman would certainly not admit it in her heart.

" Granny, aren't you going to save me? If the Hannigan family comes under Samuel's hands, it'll be over one way or another. How can you trust this good-for-nothing?" Seeing that the old lady really did not claim anything, Han Jun ended up being extra distressed. If Nangong Qianqiu didn't save him, she would not need Samuel to replace him. Just how could he make it through the headaches of the past ten years?

" Granny understands Hannigan family can't depend on this good-for-nothing. Please enable Grandmother to think of it. If I am totally positive, I will certainly conserve you," Nangong Qianqiu said.

Han Jun punched the table and stated madly, "Grandma, I understand that you've currently put your hope on Samuel. Otherwise, do you still need to consider it? I didn't anticipate you to give up on me when I treated you with all my heart and soul. It seems that there's no factor in me living anymore."

Han Jun's head lurched onto the table as quickly as he completed speaking.

Seeing this situation, Nangong Qianqiu rushed to Han Jun's side and also stated, "Silly boy, just how could Grandma give up on you? Grandma will most definitely save you."

Han Jun got up, knelt in front of Nangong Qianqiu, kowtowed, as well as shed tears. He looked extremely pitiful and stated, "Granny, I do not desire to suffer right here any longer."

Nangong Qianqiu took a few deep breaths to soothe her suffering and also stated hurriedly, "Get up, grandma's good grand son, stand up first. Grandmother guarantees you that I will certainly attempt every way to conserve you."

"Grandma, regardless of what that garbage, Samuel, informed you, you can not trust him. Don't you know what he can?" Han Jun understood that the only way he could leave here protected was to change him with Samuel. That was why he really did not let Samuel get any type of chance in front of the Old Madam.

What Han Jun didn't know was that Samuel didn't go there at all, let alone see Nangong Qianqiu.

As well as even if Samuel satisfied Nangong Qianqiu, he would not utilize his sweet talk to please Nangong Qianqiu.

In Nangong Qianqiu's eyes, if she did not treat Samuel as her grand son, when had he ever treated her as Granny?

Samuel might bear the embarrassment brought by the Sue household, yet he would never approve Nangong Qianqiu's pity and cold perspective.
