Chapter 1959

“What about the others?” “My Chu family, aren’t there seven forces in Noirfork?” “There are no two, there are five?” “Then contact the remaining five forces!” After shaking, Chu Qitian asked sharply with a dark face.

Facing Chu Qitian’s question, his subordinate sighed and shook his head.

“It’s all gone.”

“I just learned from the Family Investment Department. Just six months ago, all the eyes and power of our Chu family in Noirfork were wiped out overnight.”

“It’s like being uprooted by a devilish palm.”

“It can be said that now in the entire Noirfork area, there is no longer any group power related to our Chu family.”

Hearing this, Chu Qitian, who was already pale, looked even more ugly.

The red wine glass in his hand also fell.

With a slap, it fell to the ground, and the red wine flowed all over the floor.

“All forces, all...”

All gone?

In the room, Chu Qitian was speechless for a long time, before finally he trembled and muttered to himself. In his heart, he only felt tremors and fear. Chu Qitian thought with his toes, and guessed that these must be Chu. The handwriting of the abandoned child. Over the years, Chu Qitian has been trying to deal with Mark, and Mark only saw tricks and defensively, passively defending. But until this moment, Chu Qitian did not know that the prey in his eyes was Before he knew it, he had already become a hunter. Chu Qitian did not expect that Mark had already secretly attacked the Chu family’s power. Their Chu family’s power in Noirfork had been unknowingly Mark, remove them all.

“Good, you Brian Chu!

“You put one in secret?”

“No wonder, I don’t know much about your whereabouts in Noirfork. It turns out that the power and eyeliner of our Chu family have long been eliminated by you.”

“It looks like you want to treat Noirfork as your private land?”

Chu Qitian said coldly, only feeling the fear and panic in his heart. It was only then that Chu Qitian realized what kind of opponent he was fighting against over the years! “My father was right, it was me.”

Too arrogant.

“I’ve always looked down upon him~” “But, Brian Chu, Brian Chu, do you really think that we can sit back and relax by removing our power in Noirfork?”

After a brief tremor, Chu Qitian seemed to have a plan in his heart. “Three young masters, what shall we do now?”

“Beside, the subordinate worries. The local power of their Chu family is gone, so no matter what they do in the future, or collecting information, it will undoubtedly be much more difficult. “It’s very simple, since the local power we fostered No more, then send other local forces to take over Noirfork!”

“I remember, there was information before that, Brian Chu, is the Lord of Noirfork?”

“Now that the abandoned son has fallen, it is time for Jiang Dong to support a new master.”

Chu Qitian smiled coldly, his handsome face was full of cunning colors. So that night, Chu Qitian sent his cronies to take a special plane to Vietnam. A storm began to brew. With this help, no one knows what kind of turmoil will be set off in Noirfork? ——

——Chen Ao, Ericson and others naturally didn’t know anything about the plans of the Chu family.

Noirfork at this time was still calm.

Chen Ao and others still treated them as okay people and continued their daily work.

Chapter 1960 Reporting Peace?

Whenever someone asked about Mr. Chu’s whereabouts, Chen Ao and others responded calmly: “Mr. Chu saw the dragon without seeing the end. He went to Japan a few days ago. I guess he’s playing ladyboys in Thailand these few days?” “Haha~” “The ghost knows when Mr. Chu will be back.”

Everyone laughed at this, without any doubt.

However, Chen Ao and others were able to pretend that nothing had happened, and Helen Qiu, who had lost her husband, had a hard time getting along.

“Helen, what’s the matter with you?” “The company, how long have you not been there?” “Those new employees don’t even know that the company’s boss is Helen Qiu.”

..... “Helen, Don’t scare me, do you say something?” “What happened?” “You quarreled with Mark again?”

These days, Helen Qiu stayed at the Yunding Mountain Villa every day, stubbornly waiting for the boy to return.

As for the company, Helen Qiu had no intention of managing it.

Back then, she founded Mufan Group with the intention of living a prosperous and happy life with Mark.

Today, Mark is gone.

What is the meaning of power and wealth to her?

However, Helen Qiu’s abnormality frightened Susie.

Almost every few days, Susie would visit Helen Qiu and ask her what happened.

Helen Qiu didn’t speak, just in front of Yunding Mountain, waiting for her teenager quietly like countless days and nights before.

However, such days did not last long.

One day, a car with a foreign license plate drove into this ancient land.

With their arrival, Noirfork’s peace was immediately broken.

The world, which had been peaceful for a long time, was once again plunged into great turmoil.

Of course, these are all things to do.

The setting sun.

The afterglow of the setting sun dyed half of the sky red.

In the courtyard, Mark, who had just finished the last medicated bath, looked up at the sky, but greedily enjoyed the warmth of the sun.

In the afterglow, Mark stretched his body, and his whole muscles and bones also made a crackling sound.

“En, it seems that this month, you have recovered well.”

“The trauma is basically healed.”

“However, if the muscles and veins are injured, it will take some time to fully recover.”

“Before a complete recovery, Let’s use less of the power in the pubic area.” I don’t know when the old lady has already come behind Mark. Seeing his grandson once again, the old lady’s old face also suddenly shows a little relief. joy.

Mark nodded: “Well, grandma, I remember.”

The old lady nodded: “By the way, didn’t you say that you are already married?” “This month, you have no news, my granddaughter-in-law I must be worried about it, right?” “You don’t want to contact me, tell me you are safe?” “Or, go and see him?” The old lady said suddenly.

Mark was silent for a moment, but shook his head.

“Forget it.”

“If what I expected is good, the Chu family will definitely be searching for my whereabouts.”

“I have not recovered my strength now. If I contact Helen at this time, I will definitely reveal my whereabouts.”

“On the contrary, it is very likely to be. Put Helen in danger.”

In fact, Mark had already considered this matter.

But after weighing the pros and cons, Mark felt that he would better not show up for the time being before he recovered his strength.

The opponent he faced now was no longer Chu Qitian.

But Chu Zhengliang, who is more sophisticated in his mind!

Mark had to be cautious.
