

Noble Husband At the Door Chapter 196

After leaving Cloud Gragon, Nangong Qianqiu went to the medical facility.

In the VIP ward, Han Cheng, that was seriously ill, had special medical care, but as long as Gina had time, she would go along with Han Cheng.

Han Cheng had been in a deep coma for months. The medical professional was not extremely hopeful regarding whether he might awaken. Gina additionally knew that it was likely that he would die this way.

" Mommy, why are you right here?" Seeing Nangong Qianqiu, Gina hurriedly stood.

Nangong Qianqiu's expression was chilly and also her eyes were cool. She stated, "That garbage Samuel can not replace Han Jun."

Hearing this, Gina frowned and asked, "Mama, what do you imply?"

" Bring Samuel back as well as allow him go to prison on Han Jun's part," Nangong Qianqiu said.

She had actually made it clear that she would certainly give Samuel a chance. Exactly how could she instantly bet on it?

Gina knew that the Old Madam should have gone to see Han Jun today. Otherwise, she would certainly not have claimed such words. Probably, Han Jun have to have said something before the Old Madam.

" Mom, countless sets of eyes are privately enjoying the Hannigan family. At that time, not only will you fail to save Han Jun, however the Hannigan family will also be implicated," Gina claimed.

" Do you desire me to view Han Jun be put behind bars? I can not do that," Nangong Qianqiu stated coldly.

Gina gritted her teeth as well as said, "Mom, I understand you do not like to hear some things, yet I still have to state them. Samuel is additionally your grand son."

"Him?" Nangong Qianqiu's face teemed with ridicule. She claimed, "A good-for-nothing like him does not be worthy of to be my grand son."

Gina sighed as well as claimed, "I know you worth Han Jun much more, however is it worth it to let the Hannigan family members take threats? Possibly someone wants us to do this. How can you make sure that there are no individuals from those family members in Cloud Dragon?"

Nangong Qianqiu had actually shed her mind for a minute since she felt depressing for Han Jun

. Once they stopped working to provide a deadly strike to the Hannigan family, those individuals would be seeking their very own fatality.

If this issue was caught red-handed, regardless of how effective the Hannigan family members was or the number of individuals they had, they would not have the ability to reverse the scenario.

The old woman could not birth to see Han Jun go to prison.

"I comprehend what you said, but what else can I do if I don't make a bet?" Nangong Qianqiu said.

It was impossible to transform the old lady's stubbornness, due to the fact that Gina understood how important Han Jun was in her heart. Also Han Cheng, her biological son, couldn't compare with Han Jun

. Han Cheng had actually remained in the healthcare facility for a few months. The number of times the old woman involved the healthcare facility could be relied on one hand, but she mosted likely to Cloud Dragon extremely frequently.

"Mother, provide me time. If everything is arranged effectively, I can ensure that no one will learn about this issue. Simply do as you claim, fine?" Gina claimed.

" You 'd better work swiftly, or I'll have to do it myself." After that, Nangong Qianqiu left the ward. During this period, she really did not also consider Han Cheng.

Gina sighed. It seemed that this matter had to be done. Even if she could acquire time for Samuel, what else could Samuel do?

Even if he did it, it was impossible to get the approval of the old woman.

" A mouth that can claim stunning words is extremely essential. Regrettably, you will not learn it in this life." Gina sat next to the medical facility bed once again, took Han Cheng's hand, and also proceeded, "In this life, we have all allow him down, but he can only approve his fate."

It took Samuel a whole day to finally finish the transfer procedure of the suite.

Now, the actual owner of Hill Villa was Yvonne. However, Samuel had no sense of loss. Neither the money neither the rental property was of any type of value to him.

On the way home, Yvonne, who was driving the automobile, instantly asked Samuel, "Have you heard of the claiming, there were much water, yet you could just drink some of it?"

Samuel was shocked. Why did she instantly mention this sentence? Was she knowledgeable about something?
