

# Chapter 1967– 1968 of A Dish Best Served Cold Novel

## Chapter 1967

At the end of the passage, there is a pool of several feet square.

The aura of the pool of water was lingering, and among the ripples, there was a slight light reflected.

On the side of the pool, there is a cyan long sword.

The long sword is extremely delicate, like a magical craftsmanship, very beautiful.

Mark swears that he has never seen a sword with such exquisite workmanship in his life.

Just like, this is not a weapon used to kill people at all, but a handicraft that has been put on the shelf.

Under the long sword, a piece of yellowed parchment was pressed.

Through the faint light, Mark could vaguely see that a dragon pattern appeared on the back of the parchment.

“This is the Yin Dragon Roll?!!!” “It can’t be wrong!” “It’s it.”

The moment Mark saw the parchment, his eyes immediately became hot.

He was almost 100% sure that the parchment under the seven-foot green front was the dragon god body that Mark was looking for, Yin scroll!

Because this parchment is exactly the same as the parchment that the old prince gave him back then, which records the Yanglong body!

However, Mark’s excitement only lasted for a moment.

Nearly the next moment, Mark froze in place.

His face suddenly paled.

On the delicate face, there is no longer the excitement before, only dignity and jealousy are left.

It was only because Mark discovered at this time that a human figure appeared in that pool of water!

Yes, it was 100 meters underground, Chu Family Forbidden Land, Mark unexpectedly found out, the intruder?

There is no words to describe the panic and tremor in Mark's heart at this time.

He did not expect that under the old house of the Chu family, this forbidden land of the Chu family for hundreds or even thousands of years, besides him and the old lady, there would be a third person to set foot in!

The other person, is it a human?

Is it a ghost?

Is the enemy?

Is it a friend?

Mark didn't know anything.

However, at the moment when he noticed the figure, Mark's nerves tightened instantly.

The whole person is like a powerful bow full of strength. If there is a slight change, Mark will, at full speed...

Run away!

There is no way, Mark is currently injured, and the old lady has instructed him not to use the strength of his body to fight, otherwise he will hurt his muscles.

What's more, the opponent can invade the forbidden land of the Chu Family under the old lady's eyelids, and also trespass through so many dangerous organs, without thinking about it, the opponent's strength is bound to be extremely strong!

It stands to reason that in this case, Mark should leave immediately to save his life.

But the Yin Tornado was right in front of his eyes, and coupled with the curiosity in his heart, Mark turned out to be a ghost and took a few steps forward again.

Finally, as the distance narrowed, Mark finally saw the figure in the pool of water through the enchanting aura.

The blue silk is like snow, and the eyebrows are picturesque.

The skin looks like fat, ice muscle and jade body.

The snow-white carcass, without any strands, is like that in the pool water, looming.

The exquisite and delicate body outlines the most beautiful arc in the world.

But compared to her exquisite jade body, what is more depressing is her stunning face!

Lying silkworm's beautiful eyes are like the eyebrows of leaves.

Lips are red without punctuation, and eyebrows are green without drawing.

Just like, the golden wind and the jade dew meet, but the victory is countless!

!

Even Mark, who had seen many beauties, saw the first glance of the woman in front of him, and in his eyebrows, only surprise was left.

Of course, it is not to say that the beauty of the woman in front of her is far superior to that of Helen Qiu and Xu Lei.

The reason why Mark is amazing is more because of her temperament.

The ethereal leaves the dust, graceful and luxurious.

That kind of feeling, like a nine-day mysterious girl, stands tall and beautiful!

## Chapter 1968 Mark's Cleverness

This was the first time Mark saw this noble woman in this life.

Upon seeing her, Mark guessed that the woman in front of her must have been in a high position for a long time.

Otherwise, there is absolutely no such a superior temperament!

At the moment when he discovered this strange woman, Mark stood there, afraid to move.

From her breath, Mark could feel that the strength of this woman is very strong and unfathomable!

Even, far above the strongest person in Japan, Xuezhao.

The last person who gave Mark this kind of feeling was the highest god in Japan, Yueyue!

Mark had no doubt that if this woman found out that she had seen her body completely, she would definitely kill herself without hesitation.

“No, I have to feel like I’m running before she finds it.”

Mark had already retired.

As for what Yin tornado, Mark doesn’t care anymore, life is most important.

Therefore, after making up his mind, Mark turned around cautiously and retreated. His movements were extremely slow, for fear of making a noise.

But sometimes, good luck tricks people, if you are afraid of something, he will come.

As soon as Mark took a step, he didn’t pay attention for a while and stepped on a piece of gravel.

Wow~ A sound of rubble rolling quietly sounded in this quiet cave.

“Ciao!” Mark’s face turned black at the time, and he secretly cursed himself as a trash, so scared that his heart raised his throat, he didn’t dare to move.

However, Mark’s worst scenario did not appear.

In the pool water, the woman was still naked, sitting cross-eyed with her eyes closed, and didn’t make any movements due to this.

“Huh?” “This woman, is it cultivating?” At this time, Mark realized that there was a strong vitality lingering around the woman, which followed her breath and was absorbed into her body. .

Moreover, faintly, Mark also saw that a dragon pattern appeared on her jade body.

“She’s not training the Dragon God Body, too?” Mark’s eyes twitched.

But now is not the time to be curious about this, the other party is practicing, which is undoubtedly good news for Mark.

In general cultivation, the spirit will be particularly concentrated.

The slight movements outside cannot attract the other party’s attention.

This undoubtedly gave Mark an opportunity.

So, after realizing this, Mark made a decisive decision.

I saw him bend his knees, accumulating energy like a spring, and then swish like an arrow to the side of the pool.

After taking the parchment, she went crazy and ran wildly.

No, Mark not only took the parchment paper, but also rolled away the woman's clothes by the pool.

And that sword!

Yes, this Mark, all the things that the girl in the pool put on the edge of the pool, was stolen, including the girl's underwear.

Mark looked down inadvertently while running.

I found out that this woman's underwear turned out to be black, or... lace trim?

It seems to be the same with my wife.

"It seems that women's aesthetics are almost the same~" "Haha~" Mark was still smiling shamelessly.

If this scene were to be seen by those powerful and powerful in Noifork, it would probably be straightforward.

Is this Mr. Chu who stuns Noifork?

This is really a shameless and obscene man.

But really, Mark had to act like this.

The woman in the pool is a ruthless character!

If she catches up, Mark will undoubtedly die.

Therefore, in order to protect herself, Mark could only take her clothes.

In this case, even if the woman finds out, she dare not chase.

Nonsense, the clothes are stolen, how to chase?

Are you chasing naked?

Lace trim?

It seems to be the same with my wife.
