Chapter 1973

“Huh?” “Yun’er?” “What Yun’er?” Mark was stunned, but didn’t care, but continued.

“Grandma, I was about to tell you.”

“I found an intruder in the forbidden area of our Chu family.”

“The treasures in the Tang Sect were all looted by her.”

“Fortunately, your grandson is clever. , While she was practicing, I brought the Yin Tornado over.”

“But unfortunately, I have a lot of calculations, and I still made a mistake.”

“In the end, I still disturbed her.”

“I am injured. Thanks to her.”

“But I don’t know why, she didn’t chase...”

Mark was still talking there, but the old lady’s face became paler, especially at the end of the hearing. At that time, the old lady asked angrily: “What did you say?” “You said she was cultivating when you took the Yin Tornado?” “And, did you disturb her?” “It’s a nonsense!” “Yes. ...Yes, grandma, what’s the matter?” Mark suddenly became a little panic when he saw the old lady suddenly look like this.

It was the first time he saw that the old lady was angry at him.

However, the old lady ignored Mark, turned his head and ran to the backyard.

“You bastard, wait until I come back to clean up you~” The old lady yelled, and soon left, leaving only Mark stunned.

“This...”

What’s the situation?

“Could it be that the crazy woman knows grandma too?”

“But I was the one who was injured. Even if I knew him, my grandmother wouldn’t be so grand, right?”

“Just when Mark was puzzled, who would have thought that the old lady came back halfway. She grabbed Mark’s ear and immediately walked to the backyard of the Chu family. “Too grandma, it hurts~” “Take it lightly.”

~” Mark wailed, and was so inexplicably dragged back out of the dry well by the old lady. “Smelly boy, you must redeem the sins you have done yourself.

“Now give it to me and bring Yun'er back to me.”

“The old lady said angrily. Mark’s face was black at that time: “Tai grandma, don’t cheat me.”

“I’m going down, I’m afraid I won’t be able to come back.”

“The woman is going to kill me~” “You shut up!”

“The old lady said angrily, “Don’t you know that when you are practicing, you are most afraid of being disturbed by others?”

“Especially the Dragon God Body, this powerful secret technique.

“Once you are disturbed by someone while practicing, you will be anxious and attack your heart, most likely, you will become crazy!”

“The reason why Yun’er didn’t chase it out was because the practice was disturbed, so that the true qi in the body was disordered. The worst outcome is that the veins and veins are broken, and the devil is killed!

“Now, get down to me quickly and bring her back to me.”

“I advise you to pray, Yun’er was not killed by you.”

“Otherwise, even if you are my grandson, my old lady will have to kill you~” The old lady scolded Mark. That woman is after the Chu family’s deceased. If she falls here, her old lady may be ashamed. For the rest of his life, he would have no face to face his ancestors when he went underground. Hearing this, Mark undoubtedly bowed his head with a guilty conscience. He was patronizing and fleeing, there was still time to think about it. What’s more, he couldn’t take care of it himself, and How could it be possible to consider the safety of the “enemy”? However, it seems that Mark has misunderstood the woman. She should not be an intruder. She should have been allowed by the old prince to enter this Chu family forbidden area. Mark, who knew he was in trouble , I’m not trying to solve anything for myself. “Too grandma, I...

Chapter 1974 the anger of the old lady

“Ciao!” “Come again?” “Can’t I let me do it once?” Mark felt bitter.

Only after entering the bottom of the well did Mark realize a very serious matter.

, “Broken, forgot to bring clothes for that woman.”

But now is not the time to worry about this, life is more important.

Therefore, Mark returned to Tang Sect again to look for the figure of the woman.

Sure enough, when Mark saw her again, he found that the graceful and noble woman had already fallen in a pool of blood.

“Damn, won’t you really die?” “Miss, wake up, say something?” Upon seeing this, Mark ran over, shouting several times without responding.

Anxiously, Mark took off his clothes, wrapped her beautiful body, and then quickly took her out of the underground cave.

—————When she woke up, she found herself lying in bed.

In my ears, the sound of clocks ticking echoed.

“Yun’er, are you awake?” “You Nizi, you terrified grandma.”

“Fortunately, you have a Yinlong body, otherwise, grandma won’t be able to get you back this time.”

Seeing this woman wake up, The old lady guarding by the bed suddenly let out a long sigh of relief and smiled with satisfaction.

“But Yun’er, you really want the treasures to die.”

“Just for a few things outside of your body, you forcibly interrupted your cultivation, and eventually became anxious and lost your mind.”

“Almost, your family’s ancestral realm has become a place. You silly nizi’s burial ground.”

The old lady said a little bit angrily.

But when the woman heard this, she seemed to remember the scene in Tangmendong Mansion that day, and she immediately said with shame: “Grandma, it’s not because of the treasure, because the bastard he stole me...”

After all, the woman was still unable to speak, and when she reached her mouth, she swallowed again. “Too grandma, the medicine is ready.”

“At this time, Mark walked in from the outside with the medicine. As the saying goes, the enemy met, especially jealous! The moment she saw Mark, the woman on the bed trembled immediately, pulled up the long sword beside her, and was about to stab her. Mark. “You shameless guy, I’ll kill you~” The woman yelled angrily. Mark was frightened. “Damn, are you crazy?”

“I saved you, do you want to kill me?”

“Mark yelled. But the woman was hurt too badly. As soon as she was together, the weakness in her body swept through her body, and then she spread out on the bed again, where she still had the strength to chase Mark. Mark saw it, This was a long sigh of relief. “Also kill me?”

“You can’t hold your sword anymore, what can you kill me?”

“Mark chuckled, talking coldly there. “Okay, you shut up!”

“Can’t come, apologize to Yuner?”

“The old lady stared, sullenly said. This old lady is really going to be pissed off by her own grandson. She originally planned that after sending Mark in, these lone men and widows could be alone, so they could talk to each other. Close the relationship. In this way, it is also conducive to let Mark master the Yinlong divine body. But the old lady did not expect that he, a bastard grandson, would be shameless. Just when I met, I stole his clothes. Close relationship, this is directly an enemy. Just here, I still want to learn Yinlong body, learn a fart? The old lady has no hope. You know, if Mark wants to master Yinlong divine body, there is no present. The help of a woman is simply impossible.

The old lady stared, sulking.

This old lady is really going to be pissed off by his grandson.

She had planned that after sending Mark in, the lone man and widow could get closer to each other while being alone.

In this way, it is also beneficial for Mark to master the Yinlong Divine Body.

But the old lady didn’t expect that he, a bastard grandson, was so brazen.

As soon as they met, they stole their clothes.

Don’t talk about getting closer, it will directly become an enemy.

That’s it, you want to learn Yinlong body, learn a fart?

The old lady is no longer hopeful.

You know, if Mark wants to master the Yinlong Divine Body, it would be impossible without the help of the woman in front of him.
