In a word, the Sue household still needed to pay nearly 200,000 yuan. Just how could Lydia accept it? She simply refused to suggest with Samuel. It was the truth to ask Yvonne to let Samuel to give out all the cash when the time came.

This case made Lydia believe of one more opportunity.

The yearly expenses for properties were so high, Samuel still dared to purchase Hillside Suite. Just how much cash did this person have?

Now that the suite had actually been transferred to Yvonne, Lydia intended to get the exclusive money of Samuel. It would be best if Yvonne could ask Samuel to take out all his cash.

"Your mother-in-law is much more horrid than the one on TELEVISION." In the cooking area, He Ting said to Samuel with a without words face.

Samuel had specially prepared a couple of recipes for Yvonne tonight. Upon hearing He Ting's words, he smiled helplessly.

"It's difficult for a money-grubbing person to walk out."

"I can't stand it any longer. If it weren't for you, I would not intend to function here any longer," He Ting claimed.

"Auntie He, this is a job for you to make money. You simply require to earn money. What's the point of worrying about these things?" Samuel stated with a smile.

She does not understand how to cherish such a great individual like you," He Ting stated with a look of grievance. He Ting truly assumed so.

But she knew that Samuel was just in the Sue household for Yvonne, and also he had endured a great deal of grievances. He was even happy to be called trash by others. No one might transform this sensation.

" By the way, when is your little girl on holiday? If she gets on holiday, allow her involve my residence to play. You can remain with her for a while," Samuel stated.

He Ting shook her head continuously. She had been disliked by Lydia in the house. If her child lived right here, she did not know how Lydia would certainly respond.

She can experience a little, however Lydia would make points difficult for her daughter, however she would certainly never ever let her child endure.

" Forget it. Your mother-in-law won't agree to this. Even if she does, she won't respect my little girl." He Ting refused.

" That's true. It's a pity that the vacation home doesn't belong to me now. Or else, I would certainly have been able to make the decision," Samuel stated.

" Samuel, Auntie He does not want to ruin your partnership. As a male, you need to be solid occasionally. I recognize you dote on Yvonne, so you bear it detailed, but you can't allow others get near to you and ride on you," He Ting claimed.

" Aunt He, those who do excellent points do not care regarding trifles," Samuel claimed with a smile.

He Ting sighed. She might not recognize whether it was a big deal or not. She really felt Samuel was not a good-for-nothing. He had sustained everything and there was no demand for him to do so.

She really did not know just how much Yvonne had actually endured back then, so she naturally could not recognize why Samuel would have such a deep feeling for Yvonne.

Yvonne, who was tossed out by the Hannigan family members, wed Samuel, who was a son-in-law of the Sue family members. Yvonne did not have the right to select. Now, she was laughed at by the entire city. Even the members of the Sue family members likewise aimed at Yvonne. Maybe thought of how much stress Yvonne had suffered back then.

After dinner, Samuel went back to his room. He still really felt a little awkward.

Flavor Long stood in front of Samuel. As for the fabulous manager, he had actually never ever seen him, as well as he heard from other colleagues that the employer had never ever been to the home.

" Your business?" Samuel said with a smile.

Tang Long understood that this declaration was wrong, but what did it matter? What right did Samuel, a good-for-nothing, have to refute him?

" You really did not hear me wrong. It's my business, however I still can not compare to you, a toy boy. I'm jealous of you for living Hill Villa with the Sue family." Tang Long sighed.

" Does Liam know that you're flaunting similar to this?" Samuel asked.

" This man recognizes Liam?"
