Chapter 1987 Dragon God Body Cultivation Method

“Well, good.”

Mark responded subconsciously.

However, immediately afterwards, Mark seemed to feel that something was wrong, and immediately stared.

“Huh...what?” “Undressing?” “Damn, you said you had no intentions on me?” “I said, I’m not a casual person.”

“I know, I am You’re a little more handsome, but you can’t...”

Mark didn’t expect that the Yu Yun girl in front of her was so talented and unrestrained in her heart.

They only knew each other for a few days. Mark regarded her as a friend, but she wanted to F*ck him?

“No way, no way.”

“Miss Yu Yun, please respect yourself.”

Mark shook his head repeatedly, turned around and left.

And the Yu Yun on the side was going to be mad by the bastard Mark.

“You have nothing else in your mind except these shameless and dirty thoughts?” “Who told you that I am coveting your body by letting you undress?” “Otherwise? Are you coveting my clothes?” “I...”

“Yu Yun is really going to be mad, and her nose is almost crooked by Mark. This bastard is not only shameless, but also has sharp teeth. Am I sick? Will you covet your clothes?” “Okay, look.”

You don’t want to cultivate Yinlong body anymore.

“If that’s the case, get out of here!”

“Yu Yun gritted his teeth. At this time, he was tortured by Mark, and his whole body was trembling. When Mark heard it, he quickly changed his face and said: “Miss Yu Yun, don’t, I just made a joke to liven up the atmosphere.”

“But I can’t blame me for thinking too much.”

“Before undressing, you at least have to tell me clearly, don’t you?”

“Mark quickly explained with a smile on his face. In fact, from the moment Yu Yun asked him to blindfold his eyes, Mark had already guessed something suspicious. This practice tonight is absolutely extraordinary. From the facts, it seems that it was really true. So. Otherwise, Yu Yun wouldn’t let him undress as soon as she came up. Seeing Mark’s softness, Yu Yun’s anger in her heart only faded a little, and then coldly said: “You should know that the dragon body is divided into Yin and Yang in two volumes.

“Yangjuan, suitable for men to practice.”

“Yin Juan, suitable for women’s practice.”

“That’s why, even if you get the Yin scroll of the Dragon God Body, you can’t cultivate.

“Yu Yun’s cold voice sounded slowly in the room. Mark was only surprised when he heard this. No wonder, no matter how he cultivated the Yinlong Divine Body before, he couldn’t get started. Before, he thought he was in the wrong direction. , But now it seems that it is not his own reason at all, but this Yin dragon body is not suitable for his cultivation. “So, the Yin dragon body and the dragon god body can not be mastered at the same time?”

“Mark asked in confusion. Yu Yun shook her head: “Usually, it is really impossible to master them at the same time.”

“But, there is a way.

” “what way?”

“Mark asked anxiously. “Double repair.”

“Yu Yun said calmly. Mark’s eyes twitched: “Double...

Double repair?”

Yu Yun nodded: “This dragon body is originally the technique of yin and yang.

“The yang dragon body is mastered by men, and the yin dragon body is practiced by women.”

“Then, through the double cultivation method, yin and yang reconciliation, you can thoroughly develop the yin and yang divine body.

After a brief tremor, Mark still had some worries, and asked again: “Then, may I ask, how is this double cultivation method?”

“Do you really want that?”

“

Chapter 1988

This is a very serious question.

You know, Mark is still a virgin now, not to mention, he is still a family.

Even if the woman in front of him is so beautiful, Mark couldn't have “guarded” his body for twenty years to a stranger who had known him for less than a month.

This is a matter of principle and must be clarified in advance.

Upon hearing Mark's words, Yu Yun Qiao's face suddenly showed a bit of shame.

This bastard, there really is something filthy in his mind.

At this moment, Yu Yun also had to wonder whether her decision to double repair with Mark was correct.

“What do you think?” Yu Yun glared at Mark coldly.

Mark laughed when he heard the sound.

It is also said that a woman who does not hesitate to chase and insult her innocent while naked can not be so casual.

“Okay, I believe you.”

While speaking, Mark blindfolded his eyes again.

After that, he took off his clothes completely.

“What then?” Then peat!

At that time, Yu Yun was almost mad.

“Who wants you to take off your clothes?” “a*shole, don’t put your pants on yet!” Yu Yun said angrily, covering her eyes.

She was almost pissed off by this bastard, she was still finished speaking here, who would have thought that Mark had already taken off her clothes.

This was caught off guard, so that Yu Yun almost saw what she shouldn’t, and her blushing blushed.

Even in the martial arts world, she has the supreme power.

However, in matters of men and women, Yu Yun is undoubtedly a piece of white paper that no one has ever stepped into.

But now, on this icy white paper, it was stained with an unbearable stroke by the bastard Mark.

Yu Yun only felt that she was greatly blasphemed and offended.

She was so angry that she wanted to choke Mark to death!

“Nima?” “Why didn’t you say it earlier?” Yu Yun is angry, but Mark is still angry?

You know, he had made a lot of determination before and just took off his clothes so simply.

After all, everything is to master strength, and when you take off your clothes and bite your teeth, you take it off.

Isn’t it just being seen naked?

Anyway, when he was a child, he took a bath by the river, Mark’s body was seen by a group of aunts and uncles, not bad this time.

Moreover, I have seen others, so I think I will go back this time.

But who could have thought of taking off his pants for nothing.

Mark’s face turned black at the time, and he quickly fumbled to put on his pants.

“Okay, then what?” Mark asked again.

“Facing the head of the bed, sit on the bed.”

Yu Yun spent a long time before she calmed down and tried to stay calm, saying to Mark.

In this way, according to Yu Yun's instructions, Mark fumbled on Yu Yun's hotbed and sat down cross-legged.

After a while, Mark only heard a sound from the bedside, presumably that Yu Yun was undressing.

Immediately afterwards, a touch of warm body scent came to his nose, even if his eyes were covered, even if his back was facing her, Mark still felt that, a beautiful and beautiful body, he also sat cross-legged on the bed.

Just when Mark was about to ask what to do next.

Suddenly, Mark only felt that on his back, there was a touch of warm and cool jade, quietly coming.

At the moment when the two bodies touched, Mark only felt that Yu Yun's delicate body trembled slightly as if being electrocuted.

But soon, Yu Yun's snow-white back was tightly attached to Mark's back. The skinny and seductive touch, even if his eyes were covered, Mark could still feel it. What a fascinating master of this delicate body at this time.

It's a pity that no one appreciates such a beautiful scenery.
